Political and Historical Encyclopedia of Women - Christine Fauré 2004-06-02

The original French edition of this encyclopedia, the *Encyclopédie politique et historique des femmes*, Second Edition has been lauded by French reviewers, and now Routledge is pleased to publish this acclaimed resource in an English language edition. From the Salic Law in medieval France to the American Revolution to today's women's representation in American and European politics, this valuable resource discusses women's participation in Western political and historical transformation. The 40 authoritative in-depth articles, written by an international team of scholars, examine women's activism in areas such as voting, emancipation, equality, and democracy, providing students and general readers with an indispensable resource.

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 - New York Public Library. Research Libraries 1979

By Its Cover - Ned Drew 2005-08-11

We all know we're not supposed to judge books by their covers, but the truth is that we do just that nearly every time we walk into a bookstore or pull a book off a tightly packed shelf. It's really not something we should be ashamed about, for it reinforces something we sincerely believe: design matters. At its best, book cover design is an art that transcends the publisher's

commercial imperativesto reflect both an author's ideas and contemporary cultural values in a vital, intelligent, and beautiful way. In this groundbreaking and lavishly illustrated history, authors Ned Drew and Paul Sternberger establish American book cover design as a tradition of sophisticated, visual excellence that has put shape to our literary landscape. By Its Cover traces the story of the American book cover from its inception as a means of utilitarian protection for the book to its current status as an elaborately produced form of communication art. It is, at once, the intertwined story of American graphic design and American literature, and features the work of such legendary figures as Rockwell Kent, E. McKnight Kauffer, Paul Rand, Alvin Lustig, Rudy deHarak, and Roy Kuhlman along with more recent and contemporary innovators including Push Pin Studios, Chermayeff & Geismar, Karen Goldberg, Chip Kidd, and John Gall.

An Encyclopedia of Continental Women Writers - Katharina M. Wilson 1991

Encyclopedia of Needlecraft - Coats and Clark Staff 2007

A classic and best-selling book, first published over 10 years ago, *The Step-by-Step Encyclopedia of Needlecraft* is to be fully revised and re-issued in a new and expanded edition. A comprehensive step-by-step sewing section joins highly illustrated chapters on knitting, crochet, embroidery, needlepoint, patchwork and quilting, and rug-making, and there will be more than 50 exciting things to make all laid out in an eye-catching photographic gallery of projects at the beginning of the book. Needlecrafters around the world have justly praised the original book for its easy-to-follow instructional photographs and the comprehensiveness of its techniques. In fact, more than 300,000 copies have been sold. Recently, legions of new recruits have been seen to be taking up traditional handicrafts such as knitting. *The New Step-by-Step Encyclopedia of Needlecraft* is certain to be this new generation's guide to creating exciting garments and household furnishings, particularly as it now features patterns from top designers in their fields. No matter the level of expertise from complete novice to experienced needleworker the step-by-step photographic guidance contained in the book will make their efforts more successful and the undertaking of projects more enjoyable.
