Congress. House. Committee on Interior and Insular Affairs 1972

Studying French Cinema - Isabelle Vanderschelden 2013-04-22

Taking a text-led approach, with the emphasis on more recent popular films, Studying French Cinema is directed at non-specialists such as students of French, Film Studies, and the general reader with an interest in post-war French cinema. Each of the chapters focuses on one or more key films from the ground-breaking films of the nouvelle vague (Les 400 coups, 1959) to contemporary documentary (Etre et avoir, 2002) and puts them into their relevant contexts. Depending on the individual film, these include explorations of childhood, adolescence and coming of age (Les 400 coups, L'Argent de poche); auteur ideology and individual style (the films of Jean-Luc Godard and Agnes Varda); the representation of recent French history (Lacombe Lucien and Au revoir les enfants); transnational production practices (Le Pacte des loups); and popular cinema, comedy and gender issues (e.g. Le Diner de cons). Each

film is embedded in its cultural and political context. Together, the historical discussions provide an overview of post-war French history to the present. Useful suggestions are made as to studies of related films, both those discussed within the book and outside.

L'Adieu aux loups - Pierre Rétier 2017-08-01

Des querelles villageoises dans le Massif central... Après des années passées à Paris, Jean Clermontel, ébéniste de talent, rentre au pays pour s'installer à son compte. Mais par-dessus tout, il est mû par le désir de retrouver, dans sa maison à l'orée des bois, son vieux père, Moïse, menuisier de son état, et aussi, à l'occasion, meneur de loups, sur ce sublime plateau de Millevaches. Son retour est salué par tous... Même par la petite meute de loups de la forêt de Mirambe. De par sa présence devant l'habitation, elle vient lui signifier qu'il a été accepté par le couple dominant. La question des loups met tout le village en émoi. Les affrontements entre ceux qui acceptent la présence des canidés et ceux qui sont bien décidés à les exterminer sont parfois virulents. Les battues se multiplient, tuant nombre de bêtes. Le temps est compté. Jean Clermontel réussira-t-il à sauver la dernière meute ? Troublant et intrigant, ce roman met en scène des tranches de vie et des personnages à contretemps. EXTRAIT Ça et là, au sein de cet univers sauvage, une population restait accrochée à cette glèbe qui l'avait nourrie, des siècles durant. C'était un peuple de paysans, de gens durs à la peine, fidèles à ce terroir qui les avait vus naître. Éloignés de toute grande voie de communication, de toute modernité, n'espérant plus grand-chose de la vie, si ce n'est de cultiver quelques arpents de céréales et d'élever un maigre troupeau de moutons ou de bovins, ce qui leur permettait d'avoir toujours le boire et le manger, fallait-il qu'ils l'aiment ce plateau de Millevaches. En cette année 1905, blotti à l'orée de la forêt de Mirambe, se trouvait un village qui faisait de la résistance. La Villate était un bourg d'environ cinq cents âmes localisé au sud-est du plateau. Proche de la ville d'Ussel et du département du Cantal, sa situation géographique avait toujours été propice à une diversité d'échanges commerciaux. Aussi, le village était-il assez prospère avec une multitude de boutiques, des artisans et même un petit hôtel-restaurant qui, à la bonne saison, accueillait quelques citadins venus découvrir ce lieu charmant, bucolique, et en particulier cette belle et immense forêt constituée en grande partie de feuillus souvent plus que centenaires et qui s'étendait jusqu'aux portes de la région d'Auvergne. CE QU'EN PENSE LA CRITIQUE Un petit bijou du style régionaliste et fantastique, à la fois conte et peinture sociale. - La Montagne À PROPOS DE L'AUTEUR Pierre Rétier sait saisir les petits détails pleins de sens de la vie quotidienne. Cette sensibilité se traduit sous sa plume par un style à la fois réaliste et naturel. Il fait également preuve de tendresse et de compassion envers ses personnages, ce qui ne l'empêche pas de rire d'eux parfois... Des romans efficaces et captivants. De remarquables mélanges de suspens et de sentiments.

la Bastide aux loups - Elena Guimard

The Crosslinguistics of Zero-Marking of Spatial Relations - Thomas Stolz 2014-07-28

On the basis of a world-wide convenience sample of 116 languages, the distribution of zero-marking of spatial relations over the languages of the world is shown to largely escape any genetically, areally and/or typologically based constraints. The main goal of this book is to firmly establish the cross-linguistic

occurrence of the zero-marking of spatial relations and to provide a framework for its study in terms of economy and predictability.

Managing the Return of the Wild - Michaela Fenske
2020-07-01

This book explores attitudes and strategies towards the return of the wild in times of ecological crisis, focusing on wolves in Europe. The contributions from a variety of disciplines discuss human encounters with wolves, engaging with traditional narratives and contemporary conflicts. Covering a range of geographical areas, the case studies featured demonstrate the tremendous impact of the return of the wolf in European societies. Wolves are a keystone species that exemplify humanity's relation to what is called nature and their return generates powerful debates about what 'nature' actually is and how much it is needed or should be permitted to exist. The book considers the return of the wild as a catalyst for fundamental socio-biological changes of the world within human societies, and the various responses of humans to wolves demonstrate both our potential and limitations when it comes to multispecies communities and negotiating societal change. Managing the Return of the Wild will be relevant to a broad audience interested in discussions of social and ecological conflict today, including scholars from multispecies studies and diverse disciplines such as biology, forestry management and folklore studies.

The Art Criticism of Francis Ponge - Shirley Ann Jordan
1994

This study of Francis Ponge's essays on contemporary artists (L'Atelier contemporain) attempts to broaden the popular view of the author as a poet of objects. It explores Ponge's perception of art criticism as an inherently problematic genre and exposes the inhibitions surrounding the production of the essays. The study demonstrates how Ponge's essays on artists parallel developments in his other works. They are seen as instrumental in his movement towards open texts and a stress on the creative process itself, as well as opportunities to reaffirm his philosophical and aesthetic stance.

Max Pemberton - Premium Edition: 50+ Murder Mysteries & Adventure Books - Max Pemberton 2021-05-07

Le Miracle de la Grotte aux Loups - Liliane Vanneste
2013-12-27

Dans un des comtés du sud de notre belle France, en l'An de Grâce 1250, au temps des châteaux, des chevaliers et des croisades, on se souvient de l'histoire de la belle ELISABETH. A cette époque, le roi de France Louis IX, futur Saint-Louis, est en croisade en Terre sainte pour reconquérir Jérusalem. Elisabeth, fille des châtelains de Ronnac doit épouser le plus talentueux des chevaliers du comté de Provence, lequel triomphera dans des épreuves de tournois et de chasse. Tout semble la rapprocher du jeune et fougueux Guillaume, mais le sort va en décider autrement. Quant au destin, il n'a pas dit son dernier mot ...

Encyclopedia of French Film Directors - Philippe Rège
2009-12-11

Cinema has been long associated with France, dating back to 1895, when Louis and Auguste Lumi_re screened their works, the first public viewing of films anywhere. Early silent pioneers Georges Méliès, Alice Guy Blaché and others followed in the footsteps of the Lumi_re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond. In Encyclopedia of French Film Directors, Philippe Rège identifies every French director who has made at least one feature film since 1895. From undisputed masters to obscure one-timers, nearly 3,000 directors are cited here, including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary, including dates and places of birth and death; information on the individual's education and professional training; and other pertinent details, such as real names (when the filmmaker uses a pseudonym). The entries also provide complete filmographies, including credits for feature films, shorts, documentaries, and television work. Some of the most important names in the history of film can be found in this encyclopedia, from masters of the Golden Age Jean Renoir and René Clair to French New Wave artists such as François Truffaut and Jean-Luc Godard.

La bastide aux loups 1.2 - Traquenard (Les Farkasok 1.2)

- Elena Guimard 2019-10-04

ROMANCE FANTASTIQUE - Traquenard Putain de sociopathe !
Je n'ai rien perçu dans son esprit qui laissait présager son geste. Il traîne Manon au sol et se déplace vers la chambre d'amis au fond du couloir. Elle est toujours évanouie. Néanmoins, elle respire, son cœur bat. Un fil invisible nous relie malgré son inconscience, comme cette première nuit où je l'ai retrouvée à temps, après son accident. Sous ma forme de loup, je ne peux rien faire et je n'ai pas la possibilité de me transformer. Aucune des options qui me le permettraient n'est présente. La nouvelle lune est passée depuis deux jours et je ne suis pas au contact de Manon. De plus, la meute est trop loin pour me communiquer son énergie. Le désespoir m'envahit à la pensée que je suis inutile pour venir en aide à mon amour.

Strange Maine - Michelle Y. Souliere 2012-05-22

Maine is well known as a land of fresh air and clean water, as the home of L.L. Bean and as one of the most popular camping and outdoor recreation destinations in the country. But what lies behind this idyllic facade? Unmapped roads. Whispering rocks. Deadening fog. Ghost pirates. Lonely islands. THINGS in the woods. This is the great state of Maine, home of Stephen King, land of the Great Northern Woods and all the mystery that lies within their dark footprint. What better setting than this for tales of strange creatures, murderers, madmen and eccentric hermits? From the "Headless Halloween of 1940" to the mystery of who lies in the grave of V.P. Coolidge; from Bigfoot sightings to the "witch's grave" in a Portland cemetery, writer and illustrator Michelle Souliere brings to life these strange-but-true tales from the Pine Tree State.

Agnelet - Michel Henry 2008

Quand la Niçoise Agnès Le Roux, 29 ans, disparaît en 1977, son amant Maurice Agnelet devient le principal suspect. La justice n'établit rien de concret contre lui, l'enquête bégaie : il est inculpé, écroué, puis bény?cie d'un non-lieu en 1985. On croit l'affaire terminée, elle redémarre. Il est à nouveau accusé en 2000, puis acquitté en 2006 au bény?ce du doute. Et puis, tout se retourne contre lui : en 2007, il est condamné en appel à vingt ans de réclusion criminelle. Le voilà reconnu coupable de l'assassinat d'Agnès. Trente ans après. Et pourtant, pas d'éléments objectifs incontestables : l'enquête a été dé?ciente, il manque un cadavre, les circonstances du crime supposé ne sont pas connues. La condamnation ne repose que sur sa réputation sulfureuse, sa personnalité, son comportement curieux,

ses contradictions. Maurice Agnelet, 70 ans, a remis son sort entre les mains de la Cour de cassation, qui doit examiner son pourvoi. Condamne-t-on un homme sur l'impression qu'il donne ? À travers cette affaire, sur fond de casinos et d'intrigues locales, retracée ici à la manière d'un film de Claude Chabrol, c'est aussi la justice qui est en question... Prologue Chapitre premier. Maurice Agnelet, une personnalité complexe Chapitre 2. Agnès, une femme seule Chapitre 3. Une enquête ratée Chapitre 4. Renée Le Roux, une mère à poigne Chapitre 5. Rififi familial au casino Chapitre 6. Fratoni-Agnelet, les relations étranges Chapitre 7. Du Canada à la prison Chapitre 8. 1999, l'enquête redémarre Chapitre 9. Deux tentatives de suicide Chapitre 10. L'attitude ambiguë d'Agnelet, après la disparition Chapitre 11. On reste dans le flou Chapitre 12. Les arguments du procès Chapitre 13. Condamné, et après ? Épilogue. Un magot bloqué en Suisse Annexe A. Le manuscrit d'Agnès (extraits) Annexe B. Lettres d'Agnès (extraits) Annexe C. Le répondeur d'Agnès Annexe D. Lettres de Jérôme Annexe E.
