Forthcoming Books - Rose Army  
2004

**When You Find My Body** - D. Dauphinee 2019-06-01  
Geraldine Largay vanished in July 2013, while hiking the Appalachian Trail in Maine. Her disappearance sparked the largest lost-person search in Maine history, which culminated in her being presumed dead. She was never again seen alive.

COLLISION OF WORLDS - Charles R. Colwell 2008-05-13  
An Episcopal priest maintains that “earth becomes the womb of heaven so that God may be born in the manger of human experience”. This book blesses

the earthy and calls the church to cease being so lofty and pious. It encourages us to remove the wall that designates a church building as holy and the local bar as secular. Serving as a clergyman for over 45 years, Charles Colwell has seen first hand how the Christian walk can be a bumpy trail and how these bumps become places of great blessing. Doubt becomes merely another facet of faith, not its opposite, and is to be honored. Even our most desperate moments have a way of readying us for a discovery of God’s power in our weakness as the gift of God’s radical grace transforms us from broken people into empowered

pilgrims on the road requiring us to challenge our myopic views of those of other faiths. Collision of Worlds separates what is essential rock from what is shifting sand as the author fearlessly addresses: dogmatism, the interpretation of scripture, the gay issue, hell—and, believe it or not, the presence of ghosts. This book is fresh, daring, and offers a challenge to believers as well as those who may be sitting on the fence.

**8 Friends, 1 Murderer** - Dennis Lassi 2005-06

8 Friends, 1 Murderer is a riveting murder mystery. Eight friends, recent graduates of St. Mark's Prep class of 1974, are spending a fun filled weekend at a summer cottage in Bar Harbor, Maine. While engaged in typical activities for teenagers in the seventies, tragedy strikes the group and their lives are changed forever. The second half of the work brings us to 1999, when we meet the classmates again and see how their lives have changed from those simpler and more carefree teenage years. You'll be captivated by the twists and

turns of events, as new information about the tragedy is uncovered twenty-five years later. The novel is fast-paced, intriguing and at times, humorous. We view the world through the eyes of Chris Wilson, a person born on the wrong side of the railroad tracks. Nevertheless, Chris is accepted into the prep school world due to his ability to place a ball into a net with a lacrosse stick. Later, he is a successful professional but life continues to challenge him due to his insecurities. The characters are very real and may remind you of your own high school friends. We know that you will enjoy this delightful new novel by Dennis

Lassi, 8 Friends, 1 Murderer.

Local Glories - Ann

Satterthwaite 2016-02-23

To most people, the term  
"opera house" conjures up  
images of mink-coated  
dowagers accompanied by  
tuxedo-clad men in the gilded  
interiors of opulent buildings like  
the Met in New York or La  
Scala in Milan. However, the  
opera house in the United  
States has a far more varied-  
and far more interesting-history  
than that stereotype implies. In

Local Glories, Ann Satterthwaite explores the creative, social, and communal roles of the thousands of opera houses that flourished in small towns across the country. By 1900, opera houses were everywhere: on second floors over hardware stores, in grand independent buildings, in the back rooms of New England town halls, and even in the bowels of a Mississippi department store. With travel made easier by the newly expanded rail lines, Sarah Bernhardt, Mark Twain, and John Philip Sousa entertained thousands of townspeople, as did countless actors, theater and opera companies, innumerable minor

league magicians, circuses, and lecturers, and even 500 troupes that performed nothing but Uncle Tom's Cabin. Often the town's only large space for public assembly, the local opera house served as a place for local activities such as school graduations, recitations, sports, town meetings, elections, political rallies, and even social dances and roller skating parties. Considered local landmarks, often in distinctive architect-designed buildings, they aroused considerable pride and reinforced town identity. By considering states with distinctly different histories--principally Maine, Nebraska, Vermont, New York, and Colorado--

Satterthwaite describes the diversity of opera houses, programs, audiences, buildings, promoters, and supporters--and their hopes, dreams, and ambitions. In the twentieth century, radio and movies, and later television and changing tastes made these opera houses seem obsolete. Some were demolished, while others languished for decades until stalwart revivers discovered them again in the 1970s. The resuscitation of these opera houses today, an example of historic preservation and creative reuse, reflects the timeless quest for cultural inspiration and for local engagement to counter the

anonymity of the larger world.

These "local glories" are where art and community meet, forging connections and making communities today, just as they did in the nineteenth century.
