[Japanese for Professionals: Revised \(Enhanced with Audio\) - AJALT 2021-03-03](#)

From the authors of the best-selling Japanese for Busy People series comes a must have for intermediate and advanced learners who want to focus on building business Japanese language skills. The Association for Japanese-Language Teaching (AJALT), renowned for its Japanese for Busy People series, has developed a comprehensive course for students who need to use Japanese in a real-life business environment. Almost a decade after its first edition, Japanese for Professionals has been revised and updated to reflect current business scenes. Moreover, learners can now practice their listening skills with the newly added audio for the dialogues and exercises from the text. Eight lessons introduce common business situations with the emphasis on how to communicate with Japanese colleagues and clients. Each lesson is consisted with two parts: Part 1 is set to observe the dialogue and Part 2 is set to further enhance comprehension of the dialogue with exercises. Precise definitions for all new vocabulary and lucid explanations of grammar, idioms, and cultural differences provide the reader with powerful communication tools for the office. Exercises and quizzes have been included to help students check their progress. Busy professionals will find the bilingual glossaries

a useful reference even after completing all the lessons in this clear and extremely helpful textbook. Japanese for Professionals is specially designed for learners who are familiar with basic Japanese and ideally be at level N2 or N3 of JLPT, Japanese-Language Proficiency Test.

Foreign Language Teaching in Romanian Higher Education

- Lucia-Mihaela Grosu-Rădulescu 2018-08-15

This volume gathers recent research findings in the field of foreign language (FL) teaching in Romanian higher education dwelling on both methodology and students' learning outcomes. The book satisfies the need for an up-to-date overview of FL teaching in Romanian universities in the European context as well as from a global international perspective. This book confers visibility to Romanian foreign language scholars' research and it opens new paths for debate and collaboration worldwide. The scholars included in this volume have extensive expertise in the field of foreign language teaching and research in higher education which is supported by their international recognition as specialists in their specific areas. The contributing authors approach their respective chapters relying on both qualitative and quantitative research. Their experience and conclusions will prove helpful for any foreign language professional working in tertiary education. JLPT Study Guide - Clayton MacKnight 2020-02-18

Don't worry--there's no need to stress about JLPT test prep! As the founder of JLPTBootCamp.com--a test prep website with more than 300,000 annual visitors--Clayton MacKnight has helped tens of

thousands of students to pass the JLPT N5 exam. Now, he's distilled his study resources and tips into a handy must-have volume for anyone prepping for this important language test. MacKnight's complete study package fully prepares the exam-taker by providing: Clear and simple grammar lessons with sample sentence patterns Printable vocabulary, Hiragana, Katakana, and Kanji flash cards Over 300 sample test questions Three printable practice tests (all with answer keys and free online audio recordings for the listening portions) Exam-takers can stop worrying and take the uncertainty out of exam prep because the JPLT Study Guide shows them exactly what to expect--and how to pass the test with flying colors! The Japanese Language Proficiency Test (JLPT) is the standardized test taken by everyone who wants to study or work in Japan.

[Kevin Goes to Japan 1: Stories for Japanese Learners, N5 to N3](#) - Miwako Kiritani 2021-11-24

This book is designed initially for Japanese learners, N5 to N3, but it's also suitable for people looking for a bilingual novel in Japanese and English. As a Japanese language teacher, I've always looked for appropriate materials for my students. They need to build vocabulary, and I believe the best way is reading books. However, due to the limitation of word knowledge, stories are not fun. I am also a writer, and suddenly I got an idea, "Why don't I make the material using my light novels?" The main character, Kevin Cartwright, visits Japan on Working Holiday, and he falls in love with a Japanese woman who is a colleague of his Japanese

best friend, Yukio. And Tomoko, almost "Yandere" woman who loves Yukio, is involved in Kevin's life. The four main characters weave this story. Kevin enjoys living in Japan, but he wants to remain there after his expired visa. The readers would experience through Kevin living in Tokyo; how to write a Japanese CV, manners, and culture. Through the stories, I introduce many idioms and expressions native Japanese use. It consists of 16 chapters, and each one comes along with word lists and 20 JLPT practice tests. This book is also great for intermediate levels because they need to understand more natural living Japanese. The audible version comes soon! The learners can listen to the stories in both English and Japanese and practice pronouncing words. I hope you enjoy studying Japanese with this book! The content

1. Japan, My Favorite Country <日本語>
2. Dining Etiquette <食事>
3. How to Take a Bath <風呂>
4. Eating Fish with Chopsticks <魚を箸で食べる>
5. How to Write a CV/Resume <履歴書を書く>

Exercises and quizzes have been included to help students check

their progress. Busy professionals will find the bilingual glossaries a useful reference even after completing all the lessons in this clear and extremely helpful textbook. Japanese for Professionals is specially designed for learners who are familiar with basic Japanese and ideally be at level N2 or N3 of JLPT, Japanese-Language Proficiency Test.

Jazz Up Your Japanese with Onomatopoeia - Hiroko Fukuda
2012-11-16

Onomatopoeia is one of the most outstanding features of the Japanese language. Its acquisition is essential for students who wish to speak (or understand) natural Japanese, read literature or manga, or watch anime in the original. The problem is that Japanese onomatopoeic words are so different from their English equivalents (words such as pop, bang, splat, and squeak) that they are extremely hard to remember and put into practice. The book begins with an introduction that outlines what "onomatopoeia" means in both English and Japanese. It covers sound and meaning in general, onomatopoeia in English, sound symbolism in English and Japanese, Japanese onomatopoeia and mimesis, types of Japanese onomatopoeia, grammatical functions of Japanese onomatopoeia, Japanese written forms, and how new Japanese onomatopoeic words are formed (for example, in manga). This introductory material is all-important, for without the overall picture it presents, students are forced to learn Japanese onomatopoeia by rote, one word at a time, as if each was unique unto itself, as if each had no logical connection with any other word, and as if Japanese onomatopoeia was a huge, ugly hodgepodge instead of the beautiful, well-organized microcosm that it is. However, this introduction alone would not suffice to produce fluency. Onomatopoeia must be seen in action for that to happen. This is done in the second part of the book, which consists of eleven situational dialogues that allow students to eavesdrop on Japanese speaking the way they do in real life. The dialogues are given in Japanese script (with furigana over all kanji),

romanization, and English translation. Each example of onomatopoeia that appears in the dialogue has its own commentary, including definitions, usage, and two or more sample sentences. Cultural notes are given when they help to clarify the situation presented in the dialogue. Each dialogue is followed by a quiz. With its edifying introduction and lively dialogues, *Jazz Up Your Japanese with Onomatopoeia: For All Levels* will, without a doubt, help students come to grips with this intriguing aspect of the Japanese language, whether they be intermediate students who can benefit from seeing onomatopoeia used in a variety of situations or beginning students who, as they slowly add new onomatopoeia to their vocabulary, will profit from seeing how these words fit into a larger, fully developed scheme. The book will also, whatever the level, make Japanese much more fun to study. Previously published in Kodansha International's Power Japanese series under the title *Flip, Slither, & Bang: Japanese Sound and Action Words* (1993). Now with a new introduction and quizzes.

Japanese Vocabulary - Sumiko Uo 2005

The most frequently used Japanese vocabulary words in a 6-page, laminated guide. This guide contains information on: numbers, counting system, days of the month, colors, country, people, language, body adjectives and much more.

- 2001

Students of Japanese are familiar with the term "particle," and realize that they, like English prepositions, require a special effort to master. This handbook provides all the information one would need on these tricky units of grammar. All About Particles covers more than 70 particles those that are used regularly as well as

those used less frequently in more than 200 uses. The book can be approached as a guiding textbook and studied from beginning to end. It is as a reference book, however, that All About Particles shines. It is light and easy to carry, slim enough to fit into the corner of a shoulder bag, and concise enough to quickly clarify particle-related questions. It is a priceless tool for any serious student of Japanese. In its previous incarnation as a part of the Power Japanese Series, ISBN 978-0-87011-954-5, and sold more than 40,000 copies worldwide.

ICLLT 2019 - Maizatulliza Muhammad 2020-02-18

The 1st International Conference on Language and Language Teaching (ICLLT 2019) is a bi-annual international conference hosted by the Faculty of Education and Teacher Training Universitas Tidar. The 1st ICLLT 2019 brings a central issue on "New Directions of Language and Language Teaching in Facing Industrial Revolution Era 4.0". The conference serves researchers, academics, and practitioners to present the research findings, share thoughts, and experiences to improve the quality of language teaching in Indonesia. The conference invited four keynote speakers: Hywel Coleman (University of Leeds, United Kingdom), Dr. Maizatulliza Muhammad (Universiti Pendidikan Sultan Idris, Malaysia), Dr. Robbie Lee Sabnani (National Institute of Education, Nanyang Technological University, Singapore), and Dr. Dwi Winarsih (Universitas Tidar, Indonesia). This year's conference invited presenters with 56 articles were selected to be published. It was also a great pleasure to work with the presenters for presenting excellent papers, the committee for the hard work in organizing the conference, and all parties who have been contributing to the conference and the publication of the proceedings. We also expect that the future ICLLT will be a successful event, as indicated by the increasing contributions presented in this volume.

Japanese Stories for Language Learners - Anne McNulty
2018-11-20

A great story can lead a reader on a journey of discovery-- especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script--and hearing native-speakers read them aloud in the accompanying free audio recording--helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way--through the country's rich literary history.

JLPT N3 Kanji Practice Japanese Language Proficiency Test - Ph D Mayuna Tsukada 2019-05-12

The Japanese-Language Proficiency Test (日本語能力試験 Nihongo Nōryoku Shiken), or JLPT, is a standardized criterion-referenced test to evaluate and certify Japanese language proficiency for non-native speakers, covering language knowledge, reading ability, and listening ability. These Flashcards will keep you from forgetting what you learn.

Intermediate Japanese Short Stories - Lingo Mastery
2021-05-14

Are you on your way towards learning Japanese and need a new challenge? We're constantly trying to improve and master new skills, and the Japanese language is no exception. We have created the next level of Japanese stories for the students who have already surpassed the beginner level: Intermediate Japanese Short Stories! In this book we have compiled 10 challenging, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to boost your grasp of the wonderful Japanese tongue. How Intermediate Japanese Short Stories works? Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn about the Japanese culture. Having trouble understanding Japanese characters? No problem - despite being Intermediate Japanese, we have still included a romanization to help guide you through your learning process, just like in the beginner stories! The summaries follow the story: a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may

not have understood at first glance! Don't get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while mastering the Japanese tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Japanese Short Stories and level up your Japanese language learning right now!

Beyond Native-Speakerism - Stephanie Ann Houghton 2018-06-14

Despite unsubstantiated claims of best practice, the division of language-teaching professionals on the basis of their categorization as 'native-speakers' or 'non-native speakers' continues to cascade throughout the academic literature. It has become normative, under the rhetorical guise of acting to correct prejudice and/or discrimination, to see native-speakerism as having a single beneficiary - the 'native-speaker' - and a single victim - the 'non-native' speaker. However, this unidirectional perspective fails to deal with the more veiled systems through which those labeled as native-speakers and non-native speakers are both cast as casualties of this questionable bifurcation. This volume documents such complexities and aims to fill the void

currently observable within mainstream academic literature in the teaching of both English, and Japanese, foreign language education. By identifying how the construct of Japanese native-speaker mirrors that of the 'native-speaker' of English, the volume presents a revealing insight into language teaching in Japan. Further, taking a problem-solving approach, this volume explores possible grounds on which language teachers could be employed if native-speakerism is rejected according to experts in the fields of intercultural communicative competence, English as a Lingua Franca and World Englishes, all of which aim to replace the 'native-speaker' model with something new.
