When war broke out, seventeen-year-old Christie could have stayed down on the family farm in Norfolk, where she was wanted and needed. So why had she joined up? Come to that, why had Meg from Cheshire, and Sue, very much the big city girl from Liverpool, and Shanna, the life-toughened product of a broken home in Glasgow? Mixed reasons. Very mixed backgrounds. But no time to think now. Not with the sergeant shouting and the station air-raid siren beginning to wail . . .

*In a Holiday* - Christina Lauren 2020-10-20

THE INSTANT NEW YORK TIMES BESTSELLER One Christmas wish, two brothers, and a lifetime of hope are on the line for hapless Maelyn Jones in *In a Holiday*, the quintessential holiday romantic novel by Christina Lauren, the New York Times bestselling author of *The Unhoneymooners*. It's the most wonderful time of the year...but not for Maelyn Jones. She's living with her parents, hates her going-nowhere job, and has just made a romantic error of epic proportions. But perhaps worst of all, this is the last Christmas Mae will be at her favorite place in the world—the snowy Utah cabin where she and her family have spent every holiday since she was born, along with two other beloved families. Mentally melting down as she drives away from the cabin for the final time, Mae throws out what she thinks is a simple plea to the universe: Please. Show me what will make me happy. The next thing she knows, tires screech and metal collides, everything goes black. But when Mae gasps awake...she's on an airplane bound for Utah, where she begins the same holiday all over again. With one hilarious disaster after another sending her back to the plane, Mae must figure out how to break free of the strange time loop—and finally get her true love under the mistletoe. Jam-packed with yuletide cheer, an unforgettable cast of characters, and Christina Lauren's trademark "downright hilarious" (Helen Hoang, author of *The Bride Test*) hijinks, this swoon-worthy romantic read will make you believe in the power of wishes and the magic of the holidays.

Thirty-fourth in line for the throne, I am, as they say, flat broke. When my brother Binky cut off my meager allowance, I bolted from Scotland - and my engagement to Fish-Face (I mean, Prince Siegfried) - for London, where I

have: a) built a fire in the hearth - entirely on my own, thank you very much b) fallen for an absolutely unsuitable Irish peer c) made a few quid housekeeping incognito, and d) been summoned by the Queen Herself to spy on her playboy son. Less than thrilled with this last bit, I'm wondering what to do, when an arrogant Frenchman - who was trying to swipe our family estate! - winds up dead in my bathtub. Now, my new job is to clear that very long family name . . .

**The Mistletoe Murder and Other Stories** - P. D. James 2016-10-04

As the acknowledged 'Queen of Crime' P.D. James was frequently commissioned by newspapers and magazines to write a special short story for Christmas. Four of the very best of these have been rescued from the archives and are published together for the first time. P.D. While she delights in the secrets that lurk beneath the surface at enforced family gatherings, her Christmas stories also provide enjoyable puzzles to keep the reader guessing. From the title story about a strained country house gathering on Christmas Eve, another about an illicit affair that ends in murder, and two cases for James's poet-detective Adam Dalgliesh -- each treats the reader to James's masterfully atmospheric story-telling, always with the lure of a mystery to be solved.
