The Overnight - Ramsey Campbell
2006-04-04

A bookstore can be a wonderful, welcoming place of both commerce and curiosity. That's the goal for Woody, an American recently transferred to England to run a branch of Texts. He wants a clean, orderly store and lots of sales to show his bosses when they arrive from the States for a pre-Christmas inspection. Not easy given the shop's location in a foggy strip mall. And things keep going wrong. No matter how often the shelves are put in order before the doors are locked at night, when the staff returns in the morning, books are lying all over the floor, many damp and damaged beyond repair. The store's computers keep acting up-errors appear in brochures and ads and orders disappear completely. And even when the machines are turned off, they seem to glow with a spectral gray light. The hit-and-run death of an employee in the store's parking lot marks a turning point. One employee accuses another of

making sexual advances and they come to blows. Between one sentence and the next, one loses his ability to read. The security monitors display half-seen things crawling between the stacks that vanish before anyone can find them. Desperate, Woody musters his staff for an overnight inventory. When the last customers reluctantly depart, leaving almost-visible trails of slime shining behind them, the doors are locked, sealing Woody and the others inside for a final orgy of shelving. The damp, grey, silent things that have been lurking in the basement and hiding in the fog may move slowly, but they are inexorable. This bookstore is no haven. It is the doorway to a hell unlike any other. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

As Kingfishers Catch Fire - Alex Preston
2017-07-13

'Delightful . . . an original look at the literature inspired by Britain's birdlife' the Guardian, Best Nature Books of 2017 '[The] pages light up with feathered magic' Evening Standard When Alex Preston was 15, he stopped being a birdwatcher.

Adolescence and the scorn of his peers made him put away his binoculars, leave behind the nature reserves and the quiet companionship of his fellow birders. His love of birds didn't disappear though.

Rather, it went underground, and he began birdwatching in the books that he read, creating his own personal anthology of nature writing that brought the birds of his childhood back to brilliant life. Looking for moments 'when heart and bird are one', Preston weaves the very best writing about birds into a personal narrative that is as much about the joy of reading and writing as it is about the thrill of wildlife.

Beautifully illustrated and illuminated by the celebrated graphic artist Neil Gower, As Kingfishers Catch Fire is a book to love and to hold, to return to again and again, to marvel at the way that authors across the centuries have captured the endless grace and variety of birds. It will make you look at birds, at the world, in a newer, richer light.

'A joyful and a wondrous book . . . Each bird illustrated by Gower in a mixture of gouache and watercolour that brings to mind both William Morris and Eric Ravilious' the Observer 'I can see it under the Christmas tree of every family with a bird feeder and a copy of the RSPB Handbook . . . Preston captures his birds beautifully' The Times

The Lost Soul - Olga Tokarczuk 2021-07-20

The only book in English for readers of all ages by Nobel Prize-winning novelist Olga Tokarczuk is a beautifully illustrated meditation on the fullness of life. "Olga Tokarczuk's *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . .

What a striking, and lovely, material object it is." —New York Times "The *Lost Soul*, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world."

—Guardian *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving

across a smooth page in a math book that was covered in evenly spaced squares... " —from The Lost Soul The Lost Soul is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly

and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the Łódź Design Festival Award.
