The Signal Flame - Andrew Krivak

2017-01-24

The stunning second novel from National Book Award finalist Andrew Krivák—“an extraordinarily elegant writer, with a deep awareness of the natural world” (The New York Times Book Review)—tells the heartbreaking, captivating story about a

family awaiting the return of their youngest son from the Vietnam War. In a small town in northeastern Pennsylvania, Hannah and her son Bo mourn the loss of the family patriarch, Jozef. They were three generations under one roof; a war-haunted family in a war-torn century. Jozef was conscripted into the Austro-Hungarian army

in World War I. His American-born daughter's husband, Bexhet, an immigrant, fights in World War II—returning to Dardan, Pennsylvania, only to be taken in a hunting accident on Hannah's family's land. Finally, Hannah's younger son, Sam, goes MIA in Vietnam. And so there is only Bo, a quiet man full of sorrow and conviction and a firstborn's sense of duty. He is left to grieve but also to hope for reunion, to fall in love and create a new life, to embrace the land and work its mountain soil. *The Signal Flame* is a stirring exploration—the second stand-alone novel in a trilogy that began with the National Book Award finalist *The Sojourn*—of generations of men and the events that define them, brothers who take different paths, the old European values yielding to new world ways, and the convalescence of memory and war. Beginning shortly after Easter in 1972 and ending on Christmas Eve—as the Vietnam War winds down—this

ambitious novel honors the cycles of earth and body, humming with blood and passion, and it confirms as a writer of extraordinary vision and power. Andrew Krivák's *The Signal Flame* is “a complex and layered portrait of a time and place, and a family shaped, generation after generation, by the memory of war” (*The Boston Globe*).

The Stone Girl - Alyssa Sheinmel 2012-08-28
She feels like a creature out of a fairy tale; a girl who discovers that her bones are really made out of stone, that her skin is really as thin as glass, that her hair is brittle as straw, that her tears have dried up so that she cries only salt. Maybe that's why it doesn't hurt when she presses hard enough to begin bleeding: it doesn't hurt, because she's not real anymore. Sethie Weiss is hungry, a mean, angry kind of hunger that feels like a piece of glass in her belly. She's managed to get down to 111 pounds and knows that with a little more hard work—a few more

meals skipped, a few more snacks vomited away—she can force the number on the scale even lower. She will work on her body the same way she worked to get her perfect grades, to finish her college applications early, to get her first kiss from Shaw, the boy she loves, the boy who isn't quite her boyfriend. Sethie will not allow herself one slip, not one bad day, not one break in concentration. Her body is there for her to work on when everything and everyone else—her best friend, her schoolwork, and Shaw—are gone. From critically acclaimed writer Alyssa B. Sheinmel comes an unflinching and unparalleled portrayal of one girl's withdrawal, until she is sinking like a stone into her own illness, her own loneliness—her own self.

He gained entry to DeBeers, the London diamond merchants. He visited shopping mall jewellers with starry-eyed couples. unyielding gem.

The Story of Stone - Jing Wang 1992

In this pathbreaking study of three of the most familiar texts in the Chinese tradition--all concerning stones endowed with magical properties--Jing Wang develops a monumental reconstruction of ancient Chinese stone lore. Wang's thorough and systematic comparison of these classic works illuminates the various tellings of the stone story and provides new insight into major topics in traditional Chinese literature.

Bringing together Chinese myth, religion, folklore, art, and literature, this book is the first in any language to amass the sources of stone myth and stone lore in Chinese culture. Uniting classical Chinese studies with contemporary Western theoretical concerns, Wang examines these stone narratives by analyzing intertextuality within Chinese traditions. She offers revelatory interpretations to long-standing critical issues, such as the paradoxical character of the monkey in *The Journey to the West*, the circularity of narrative logic in *The Dream of the Red Chamber*, and the structural necessity of the stone tablet in *Water Margin*. By both challenging and incorporating traditional sinological scholarship, Wang's *The Story of Stone* reveals the ideological ramifications of these three literary works on Chinese cultural history and makes the past relevant to contemporary intellectual discourse.

Specialists in Chinese literature and culture, comparative literature, literary theory, and religious studies will find much of interest in this outstanding work, which is sure to become a standard reference on the subject.

Cutting for Stone - Abraham Verghese
2012-05-17

Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. The High Divide - Lin Enger 2014-09-23
“Lin Enger sets out from the conventions of the traditional Western and brings the reader into new emotional territory, that of the soul of an exquisitely drawn American family. *The High Divide* is a novel to get lost in.” —James Scott, author of *The Kept In*
1886, Gretta Pope wakes up one morning to discover that her husband is gone. Ulysses Pope has left his family behind on the far edge of Minnesota's western prairie, with only the briefest of notes and no explanation for why he left or where he's heading. It doesn't take long for Gretta's young sons, Eli and Danny, to set off after him, leaving Gretta no choice but to search for the boys and their father in hopes of bringing them all home. Enger's breathtaking portrait of the vast plains landscape is matched by the rich expanse of his characters' emotional terrain, as pivotal historical events--the bloody turmoil of

expansionism, the near total demise of the bison herds, and the subjugation of the Plains Indians--blend seamlessly with the intimate story of a family's sacrifice and devotion. "[A] masterfully told Western reinvention of Homer's *Odyssey* . . . set against a backdrop of beauty and danger . . . In its narrative simplicity and emotional directness, it is reminiscent of John Ford's classic *The Searchers*." —Publishers Weekly, starred review "Enger's novel is told in beautifully exact, liquid language that wastes no time, just as one cannot afford to waste time when making a journey such as the Pope family's. Highly recommended." —Library Journal, starred review "A deeply moving, gripping novel . . . Layered with meaning, this remarkable novel deserves to be read more than once. *The High Divide* proves Enger's chops as a masterful storyteller." —Ann Weisgarber, author of *The Promise* "A gripping story with well-

portrayed, complex, and sympathetic main characters and a complement of believable secondary figures in a vividly described region nearing the close of an era. Enger is an author worth watching." —Booklist "The High Divide, a novel about a family in peril, is haunting and tense but leavened by considerable warmth and humanity. Enger writes with durable grace about a man's quest for redemption and the human capacity for forgiveness." —Benjamin Percy, author of *Red Moon*

[A Single Stone](#) - Meg McKinlay 2017-03-14
In an isolated society, one girl makes a discovery that will change everything — and learns that a single stone, once set in motion, can bring down a mountain. Jena — strong, respected, reliable — is the leader of the line, a job every girl in the village dreams of. Watched over by the Mothers as one of the chosen seven, Jena's years spent denying herself food and wrapping her limbs

have paid off. She is small enough to squeeze through the tunnels of the mountain and gather the harvest, risking her life with each mission. No work is more important. This has always been the way of things, even if it isn't easy. But as her suspicions mount and Jena begins to question the life she's always known, the cracks in her world become impossible to ignore. Thought-provoking and quietly complex, Meg McKinlay's novel unfolds into a harshly beautiful tale of belief, survival, and resilience stronger than stone.

Girl Paper Stone - Laurie Filipelli 2018

Poetry. Women's Studies. "In her luminous book, Laurie Filipelli remakes the constellations of a modern life. Her poems re-draw the lines between the parts of the world, helping us to see there are no divisions between planting a plumbago and watching the passage of hateful legislation, no space between grief for a lost father and

the wonder of what he's told the speaker: 'the whale's veins are so wide we could swim / to her heart.' By looking so tenderly and incisively at the actual experience of a life, Filipelli makes us see our own differently."--Sasha West "Flying together, flying apart: in these poems the self is as elastic as a flock of birds cutting across the winter sky. Here, among carousel and cave, where 'the bigger you spin, the lighter you fall,' we are invited into the world of mothers and daughters, fathers and grandfathers, a geography whose inhabitants bear steadily forward while always casting a long look back. As our leader advances, in an outstretched hand she presents to us the artifacts of her explorations--mirrors, keys, paper dragons--reminding us all the while to accept the dangers of discovery as well as its myriad blessings. The wisdom within these pages is hard-won and generously offered, the

speaker lifting her face skyward no matter the conditions at her feet. 'The future is a ballad sung in your name,' Filipelli promises, and we want to--we do--believe her."--Laurie Saurborn

The Only Girl - Robin Green 2018-08-21

A raucous and vividly dishy memoir by the only woman writer on the masthead of Rolling Stone Magazine in the early Seventies. In 1971, Robin Green had an interview with Jann Wenner at the offices of Rolling Stone magazine. She had just moved to Berkeley, California, a city that promised "Good Vibes All-a Time." Those days, job applications asked just one question: "What are your sun, moon and rising signs?" Green thought she was interviewing for a clerical

job like the other girls in the office, a "real job." Instead, she was hired as a journalist. With irreverent humor and remarkable nerve, Green spills stories of sparring with Dennis Hopper on a film junket in the desert, scandalizing fans of David Cassidy and spending a legendary evening on a water bed in Robert F. Kennedy Jr.'s dorm room. In the seventies, Green was there as Hunter S. Thompson crafted Fear and Loathing in Las Vegas, and now, with a distinctly gonzo female voice, she reveals her side of that tumultuous time in America. Brutally honest and bold, Green reveals what it was like to be the first woman granted entry into an iconic boys' club. Pulling back the curtain on Rolling Stone magazine in its prime, **The Only Girl** is a stunning tribute to a bygone era and a publication that defined a generation.

[The House Girl](#) - Tara Conklin 2013-02-12

"Assured and arresting...You cannot put it down." (Chicago Tribune) *The House Girl*, the historical fiction debut by Tara Conklin, is an unforgettable story of love, history, and a search for justice, set in modern-day New York and 1852 Virginia. Two remarkable women, separated by more than a century, whose lives unexpectedly intertwine . . . 2004: Lina Sparrow is an ambitious young lawyer working on a historic class-action lawsuit seeking

reparations for the descendants of American slaves. 1852: Josephine is a seventeen-year-old house slave who tends to the mistress of a Virginia tobacco farm—an aspiring artist named Lu Anne Bell. It is through her father, renowned artist Oscar Sparrow, that Lina discovers a controversy rocking the art world: art historians now suspect that the revered paintings of Lu Anne Bell, an antebellum artist known for her humanizing portraits of the slaves who worked her Virginia tobacco farm, were actually the work of her house slave, Josephine. A descendant of Josephine's would be the perfect face for the lawsuit—if Lina can find one. But nothing is known about Josephine's fate following Lu Anne Bell's death in 1852. In piecing together Josephine's story, Lina embarks on a journey that will lead her to question her own life, including the full story of her mother's mysterious death twenty years before. Alternating between

antebellum Virginia and modern-day New York, this searing tale of art and history, love and secrets explores what it means to repair a wrong, and asks whether truth can be more important than justice. Featuring two remarkable, unforgettable heroines, Tara Conklin's *The House Girl* is riveting and powerful, literary fiction at its very best.

The Welsh Girl - Peter Ho Davies

The Stone Angel - Margaret Laurence 2015-07-22

The Stone Angel, *The Diviners*, and *A Bird in the House* are three of the five books in Margaret Laurence's renowned "Manawaka series," named for the small Canadian prairie town in which they take place. Each of these books is narrated by a strong woman growing up in the town and struggling with physical and emotional isolation. In *The Stone Angel*, Hagar Shipley, age ninety, tells the story of her life, and in doing so tries to come to terms with how the very qualities which sustained her have deprived her of joy. Mingling past and present, she maintains pride in the face of

senility, while recalling the life she led as a rebellious young bride, and later as a grieving mother. Laurence gives us in Hagar a woman who is funny, infuriating, and heartbreakingly poignant. "This is a revelation, not impersonation. The effect of such skilled use of language is to lead the reader towards the self-recognition that Hagar misses."—Robertson Davies, *New York Times* "It is [Laurence's] admirable achievement to strike, with an equally sure touch, the peculiar note and the universal; she gives us a portrait of a remarkable character and at the same time the picture of old age itself, with the pain, the weariness, the terror, the impotent angers and physical mishaps, the realization that others are waiting and wishing for an end."—Honor Tracy, *The New Republic* "Miss Laurence is the best fiction writer in the Dominion and one of the best in the hemisphere."—*Atlantic* "[Laurence]

demonstrates in *The Stone Angel* that she has a true novelist's gift for catching a character in mid-passion and life at full flood. . . . As [Hagar Shipley] daydreams and chatters and lurches through the novel, she traces one of the most convincing—and the most touching—portraits of an unregenerate sinner declining into senility since Sara Monday went to her reward in Joyce Cary's *The Horse's Mouth*."—*Time* "Laurence's triumph is in her evocation of Hagar at ninety. . . . We sympathize with her in her resistance to being moved to a nursing home, in her preposterous flight, in her impatience in the hospital. Battered, depleted, suffering, she rages with her last breath against the dying of the light. *The Stone Angel* is a fine novel, admirably written and sustained by unflinching insight."—Granville Hicks, *Saturday Review* "The *Stone Angel* is a good book because Mrs. Laurence avoids sentimentality and

condescension; Hagar Shipley is still passionately involved in the puzzle of her own nature. . . . Laurence's imaginative tact is strikingly at work, for surely this is what it feels like to be old."—Paul Pickrel, Harper's *Girl Rising* - Tanya Lee Stone 2017-02-14

A gorgeous, full-color oversized book about educating girls across the world inspired by the documentary that Entertainment Weekly says "every mother, sister, daughter, should see, as well as the men who love and support them." This is the right book for the present moment and perfect for fans of inspirational nonfiction such as *I Am Malala* and anyone who believes that one girl can change the world. Worldwide, over 130 million girls are not in school. But one girl with courage is a revolution. *Girl Rising*, a global campaign for girls' education, created a film that chronicled the stories of nine girls in the developing world, allowing viewers the opportunity to witness how education

can break the cycle of poverty. Now, award-winning author Tanya Lee Stone deftly uses new research to illuminate the dramatic facts behind the film, focusing both on the girls captured on camera and many others. She examines barriers to education in depth—early child marriage and childbearing, slavery, sexual trafficking, gender discrimination, and poverty—and shows how removing these barriers means not only a better life for girls, but safer, healthier, and more prosperous communities. With full-color photos from the film, infographics, and a compelling narrative, *Girl Rising* will inspire readers of all ages to join together in a growing movement to help change the world. A Junior Library Guild Selection Bank Street Best Children's Books of the Year "A moving account of hardships and triumphs that is bound to inspire future activists, this is a devastating but crucial read." —Kirkus

A Girl is a Half-Formed Thing - Eimear McBride 2014-09-09

Taking the literary world by storm, Eimear McBride’s internationally praised debut is one of the most acclaimed novels in recent years; it is “subversive, passionate, and darkly alchemical. Read it and be changed” (Eleanor Catton). Eimear McBride’s debut tells, with astonishing insight and in riveting detail, the story of a young woman’s relationship with her brother, the long shadow cast by his childhood brain tumour, and her harrowing sexual awakening. Not so much a stream-of-consciousness, as an unconscious railing against a life that makes little sense, and a shocking and intimate

insight into the thoughts, feelings and chaotic sexuality of a vulnerable and isolated protagonist, *A Girl Is a Half-formed Thing* plunges inside its narrator’s head, exposing her world firsthand. This isn’t always comfortable—but it is always a revelation. Touching on everything from family violence to religion to addiction, and the personal struggle to remain intact in times of intense trauma, McBride writes with singular intensity, acute sensitivity, and mordant wit. *A Girl Is a Half-formed Thing* is moving, funny, and alarming. It is a book you will never forget.
