Can the two beasts resolve their differences? An eye-opening story that makes you look at things from a different perspective. The Method Acting Exercises Handbook

- Lola Cohen 2016-12-08

The Method Acting Exercises Handbook is a concise and practical guide to the acting exercises originally devised by Lee Strasberg, one of the Method's foremost practitioners. The Method trains the imagination, concentration, senses and emotions to 're-create' – not 'imitate' – logical, believable and truthful behavior on stage and in film. Building on nearly 30 years of teaching internationally and at the Lee Strasberg Theatre and Film Institute in New York and Los Angeles, Lola Cohen details a series of specific exercises in order to provide clear instruction and

guidance to this preeminent form of actor training. By integrating Strasberg's voice with her own tried and tested style of teaching, Cohen demonstrates what can be gained from the exercises, how they can inform and inspire your learning, and how they might be applied to your acting and directing practice. As a companion to The Lee Strasberg Notes (Routledge 2010), a transcription of Strasberg's own teaching, The Method Acting Exercises Handbook offers an unparalleled and updated guide to this world renowned technique.

Division Street - Robert Gumpert 2022

In 2016 the Super Bowl came to San Francisco. The unhoused were moved to Division Street where, officials hoped, they would be 'invisible'. Amid the unlimited wealth of that

'super' week, the unhoused were crowded together in tents or sleeping rough on the ground. No facilities and no promises of permanent housing were given. The voices of the unhoused on Division Street are integral to this project. Through photographs, first-person storytelling, messages left on the street, media headlines and politicians' characterizations we see the invisible.

Blok/Eko - Howard Barker 2012-06-18
Howard Barker's theatre is characterized by its tragic scale and its distinctive way of exposing the unconscious resistances that underlie apparent social unanimity, both in the sexual and political spheres. Barker's play, BLOK/EKO, is a large-scale drama about death and its status in the world. Eko, an ageing

despot, seemingly on a whim liquidates the entire medical profession, asserting that consolation – in the form of song – is a better way with sickness than drugs or surgery. A connoisseur herself, she knows great song is itself the distillation of suffering and so deliberately exposes her greatest poet Tot to a life of crime, poverty and humiliation in order to extract from him his finest work. BLOK/EKO is the first outcome of Barker's residence as Creative Fellow at the University of Exeter (2010-2012) and the main element of his Plethora/Bare Sufficiency project.

I Drink for a Reason - David Cross 2009-08-31

The star and creative force behind Mr. Show and Arrested Development pens his "first and final book, chronicling his meteoric rise and abysmal fall in the literary world."

After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the small screen such as "never-nude" Tobias Funke on Arrested Development and the role of "David" in Mr. Show With Bob And David, as well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say about everyone, including his own ridiculous self. Now, for the first

time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi ("The Belush"), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque run-in with Bill O'Reilly. And as if this wasn't enough for your laughing pleasure in these troubled times, some of the pieces splinter off with additional material being created online in exclusive video and animated web content created solely for the book—a historical first (presumably)! With a mix of personal essays, satirical fiction posing as truth, advice for rich people, information from America's least

favorite Rabbi and a top-ten list of top-ten lists, I Drink for a Reason is as unique as the comedian himself, and cannot be missed.

The Rite - Matt Baglio 2009-05-05

In 2005 a Vatican-run university opened its doors to priests from around the world, running a course for would-be exorcists. Looking for a story, Rome-based investigative journalist Matt Baglio attended the class, and there met Father Gary Thomas - a Californian priest who had been chosen to attend by his bishop. Father Gary was concerned that many of the 'possessed' were in reality suffering from psychological disorders best left to the care of doctors. How and why his view changed is the subject of this book. We follow Father Gary's year-long training with a senior exorcist as he

is transformed from a doubter into a believer. Baglio gained unprecedented access to this world, including participating in exorcisms and culminating with Fr. Gary's own fearsome confrontation with the Devil. Woven into his story is the fascinating history of exorcism, its rites and rituals, and the ways and reasons that people become possessed. Matt Baglio speaks to psychologists and detectives, as well as Vatican clergy, to wrinkle out the truth about this most Gothic of subjects. THE RITE is proof that the truth about demonic possession is not only stranger than fiction, but far more chilling.

Who's who in America - 2003

The Man in the Rockefeller Suit -

Mark Seal 2011-06-02

A real-life Talented Mr. Ripley, the unbelievable thirty-year run of a shape-shifting con man. The story of Clark Rockefeller is a stranger-than-fiction twist on the classic American success story of the self-made man—because Clark Rockefeller was totally made up. The career con man who convincingly passed himself off as Rockefeller was born in a small village in Germany. At seventeen, obsessed with getting to America, he flew into the country on dubious student visa documents and his journey of deception began. Over the next thirty years, boldly assuming a series of false identities, he moved up the social ladder through exclusive enclaves on both coasts—culminating in a stunning twelve-year marriage to a rising star businesswoman with a Harvard MBA who

believed she'd wed a Rockefeller. The imposter charmed his way into exclusive clubs and financial institutions—working on Wall Street, showing off an extraordinary art collection—until his marriage ended and he was arrested for kidnapping his daughter, which exposed his past of astounding deceptions as well as a connection to the bizarre disappearance of a California couple in the mid-1980s. The story of *The Man in the Rockefeller Suit* is a probing and cinematic exploration of an audacious imposer—and a man determined to live the American dream by any means necessary.

West of Eden - Jean Stein 2016-02-04
West of Eden is the definitive story of Hollywood, told, in their own words, by the people on the inside:

Lauren Bacall, Arthur Miller, Dennis Hopper, Frank Gehry, Ring Lardner, Joan Didion, Stephen Sondheim – all interviewed by Jean Stein, who grew up in the Forties in a fairytale mansion in the Hollywood Hills. The book takes us from the discovery of oil in the Twenties with the story of the tycoon Edward Doheny (There Will Be Blood) and traces the growth of corruption through the syndicates, the mob, and the movie studios – from the beginnings of the film industry to the end, with News Corp. and Rupert Murdoch (who bought the Stein

mansion in 1985). West of Eden is about money, power, fame and terrible secrets: the doomed Hollywood of the late Fifties, early Sixties – ‘the rotten heart of paradise’. Like her last book, the best-selling Edie, this is an oral history told through brilliantly edited interviews. As this is Hollywood, it’s a book full of sex, drugs and celebrity glamour; but because it’s built from the firsthand accounts of people who were actually there, many of them writers, actors and artists, it’s also strangely claustrophobic, seductive, and completely compelling.
