Vintage Knits - Kaffe Fassett 2010

"The post-war period of the late 40's, 50's and 60's seems a golden, unhurried age, and it's to this era, with its mood of renewal, that we look for fashion inspiration. Drawing on old photographs, films and archives of knitting patterns to bring this period look alive, the designers whose work is featured in this book have updated and adapted classic designs to make them easy to wear, while at the same time being true to the spirit of the age. The collection encapsulates the feel for quality materials, lasting craftsmanship, classic looks and, above all, a real sense of style. The knitwear found here won't date in the passing of a season; it will improve with time and become a treasure in its own right. It features 30 original knitted pieces for women and men from top designers. It includes colored charts and diagrams, and clear knitting instructions. Beautiful photographs throughout capture the spirit of the post-war era and places it in a contemporary framework."--Publisher description.

Knit Shawls - Sixth & Spring Books 2022
"Combining new and exclusive designs with the most popular shawl patterns from *Noro* magazine and the *Knit Noro* book series, *Timeless Noro: Knit Shawls* boasts 25 patterns that are fashionable, diverse, and fun to make. Including a range of skill levels, constructions, and styles, this pattern collection has something to entice and engage every knitter. Using only *Noro* yarns, which are known for their unparalleled solids and self-striping colorways, every single one of these shawls is a feast for the needles, the body, and the eyes"--

[Geometric Knit Blankets](#) - Margaret Holzmann 2021-03-12

Express your colorful side! The patterns in *Geometric Knit Blankets* are inspired by quilts, tiles, and other color block designs. Every blanket is a stunning feast for the eyes, and all are for the intermediate knitter or confident beginner. Knit them as shown or choose colors you love best or that work with your decor. The construction of each blanket is fully and beautifully illustrated, and the techniques used to make each item are clearly listed so you know what is involved. Many blankets offer two methods of construction, so you can choose to knit with techniques you favor. The blankets feature an abundance of different geometric shapes: squares, rectangles, triangles, diamonds, hexagons, circles. The individual blocks for a given blanket can also be rearranged to make additional designs. These blankets are so much fun you will want to make them all!

Watching the English - Kate Fox 2005-04-11

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex

sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

[Sula](#) - Toni Morrison 2014-09-04

Stunningly-designed new editions of Toni Morrison's best-known novels, published by *Vintage Classics* in celebration of her life and work. WITH A NEW INTRODUCTION BY NAMWALI SERPELL, AUTHOR OF THE OLD DRIFT As young girls in a poor but close-knit community, *Nel* and *Sula* are inseparable. But their paths as adults couldn't be more different: while *Nel* settles

in town to raise a family, Sula escapes for the progressive ideals of the big city. When Sula reappears ten years later, she comes face to face with a community whose values are at odds with her fierce individualism and rebellious ways. Reunited, Nel and Sula must confront the consequences of their actions and the dreadful secret they shared in childhood. Two girls who grow up to become women. Two friends who become something worse than enemies. Terrifying, comic and tragic, Sula overflows with love and life, friendship and betrayal.

Regions and Powers - Barry Buzan
2003-12-04

This book develops the idea that since decolonisation, regional patterns of security have become more prominent in international politics. The authors combine an operational theory of regional security with an empirical application across the whole of the international system.

Individual chapters cover Africa, the Balkans, CIS Europe, East Asia, EU Europe, the Middle East, North America, South America, and South Asia. The main focus is on the post-Cold War period, but the history of each regional security complex is traced back to its beginnings. By relating the regional dynamics of security to current debates about the global power structure, the authors unfold a distinctive interpretation of post-Cold War international security, avoiding both the extreme oversimplifications of the unipolar view, and the extreme deterritorialisations of many globalist visions of a new world disorder. Their framework brings out the radical diversity of security dynamics in different parts of the world.

Noro - Cornelia Tuttle Hamilton 2009
No one creates yarns like Eisaku Noro. Made from rich natural materials and employing innovative color-blending techniques with long-repeat variegation,

they have been acclaimed worldwide. In 2008, Noro yarn expert Cornelia Tuttle Hamilton sat down with the artist in his native Japan to discuss his craft, his commitment to sustainability and his unwavering dedication to knitting as an art form. The result is this fully illustrated guide to using Noro yarns to best effect. Packed with color photographs and insights into the world of Noro, it features some 30 stunning projects, including hat-and-scarf sets, intricate pullovers, a richly textured shirt, and even a charming doggie vest!
The Gentle Art of Knitting - Jane Brocket
2011-05-04

A real return to the timeless, unchanging qualities of knitting – knitting to clothe, protect, wrap, comfort, enhance and insulate for all seasons. The aim here is show off the beauty of the stitch, the real joy and intimacy of knitting, and to emphasise that the slow, meditative, unhurried creative process counts just as much as the end product. Jane offers 40 patterns for knitting simple, honest, projects that are practical, easy to knit, easy to wear and use, and made with beautiful fibres in gorgeous colours inspired by nature's own comforts. Notes and photographs illustrate the author's diverse sources of inspiration for each project, whether it is a beautiful flower in her garden, a favourite wine or a treasured book. From a Plaited Bread Cabled Blanket and Fabergé Egg Cosies to a String of Purls Cushion and a Chanel-style bag, Jane's designs are knits that you will want to stay around. This inspirational and instructive book – with knits for you, your home, your life – will be a true pleasure to explore.

Crewel Intentions - Hazel Blomkamp 2014

Keeping to a theme started in *Crewel Twists*, this book continues the concept of using non-traditional techniques and materials in crewel or Jacobean embroidery. It showcases four large projects, each with an accompanying small project similar in technique, and shows needle workers how to be creative with threads, alternative stitches and beads. Traditional techniques are explained but are extended with the use of bead embroidery, needle lace techniques, and stitches not normally used in crewel work. Many new needle lace and bead embroidery techniques are incorporated, and the book also explores weaving techniques used to create textures like twill and lace weaves, as well as patterns similar to tartan and houndstooth check. Every project is clearly explained with step-by-step instructions and lots of photographs, and the completed embroideries are once again displayed in ways that are both decorative and functional in the home. Templates of the original designs complete this magnificent source for creative embroidery.

Blankets and Throws To Knit - Debbie Abrahams 2015-03-05

Over 100 different blanket squares can be knitted up to create a dozen unique afghans in a variety of styles. Projects range from baby's first comfort blanket in subdued pastels, to brightly coloured motifs embellished with beads and buttons for the spirited teenager. Full instructions are given for each square including expert advice on how to knit with several colours, plus how to bead with confidence. Moreover, step-by-step instructions show

you how to piece the squares together to create the finished afghan. You can follow the patterns given for the twelve designs, or experiment with your own choice of squares and create a one-of-a-kind treasure to pass on from generation to generation. From an eye-popping Candy Mixture to the pastel perfection Queen of Hearts, each design combines a range of techniques and textures in a variety of sumptuous yarns. Fabulous in-close colour photographs of each individual square, and a full colour picture of the finished afghan show off these knitted treasures in all their glorious detail.

Japanese Wonder Knitting - Nihon Vogue, 2020-09-15

Japanese Wonder Knitting offers the perfect foray into the techniques and application of Japanese-style knitting. Japanese knitting dictionaries have quickly become the favorite go-to reference for experienced knitters all around the world, and Japanese Wonder Knitting takes this trend a step further, giving step-by-step lessons in executing classic stitches the Japanese way. Like its companion volume, Japanese Wonder Crochet, this book introduces needleworkers to a whole new approach to classic stitches such as bubble stitches, herringbone, cockleshell, cables, smocking, entrelac and more. A swatch pattern is provided for each stitch to help knitters learn the mechanics of the stitch before applying them to larger projects. The personal and home accessory projects included provide something for every level of time commitment. A total of 23 projects are presented in this book, including: Cozy hats and neckwear Head bands for warmth and style Beautiful clutches and bags An amazing entrelac stitch shawl Clever boot liners/ankle warmers And so much more! An introduction by Japanese knitting expert Gayle Roehm explains the stitch charts as well as the differences and similarities between Japanese and Western styles of knitting. A guide to stitch symbols and extensive lessons provide visual guidance. With this book and a little practice, knitters who love Japanese knitwear and patterns

will be ready to try their hand at the many wonderful fashions and home goods so many Western knitters love to make.

Down to Earth - Lauren Liess 2019-10-08

The designer and author of Habitat “shares how she imbues any space with warmth and energy” in this elevated yet accessible follow-up (MarthaStewart.com). Down to Earth picks up right where Lauren Liess's critically acclaimed Habitat left off. While Habitat walked readers through the

decorating process step-by-step, Liess's latest title takes a step beyond the basics and invites readers to incorporate the main components of her familiar design aesthetic: nature, easy living, and approachability. With evocative photos and substantive design advice, *Down to Earth* focuses on creating a lifestyle that inspires creativity and functionality. Throughout the book, Liess shows readers how to incorporate six guiding principles in six unique homes: a new farmhouse, a classic American historical home, a lakeside contemporary house, a modern villa, a turn-of-the-century American Foursquare, and a cedar and glass house on a bluff. While each home has a different architectural style, fingerprints of Liess's down-to-earth style are evident throughout. "Full of the stunning images you would expect. They will spark your creativity and inspire your own designs. However, the real beauty comes from Lauren showing readers how to create ease in their own homes." —Ariadne Shoppe "Her style embraces lived-in, vintage-inspired interiors . . . Her philosophy is that if your home is relaxed, then you're relaxed." —One Kings Lane *Mile-a-minute Afghans* - Leisure Arts, Inc 1996

Discover a complete collection that combines 26 of Leisure Arts' best-of-the-best afghan patterns with 30 new designs. These patterns work well if you only have a few minutes to crochet -- and the strips are easy to carry if you like to work on the go. *Faerie Knitting* - Alice Hoffman 2018-09-25 From New York Times bestselling author Alice Hoffman and master knitter Lisa Hoffman comes *Faerie Knitting*, a magical melding of words and yarn where the ordinary is turned into the extraordinary and where imagination becomes creation. The magic of storytelling and the magic of knitting—woven together in 14 original patterns inspired by each story. "How fairy tales are told and remembered has a great deal in common with knitting traditions. It is no mistake that we describe storytelling as knitting a tale, or weaving a story, or spinning a yarn."—Alice Hoffman, from the

Introduction of Faerie Knitting Featuring fourteen original fairy tales, *Faerie Knitting* is an entrancing collection of stories of love and loss, trust and perseverance. Seamlessly woven into the plot of each tale is a magical garment or accessory inspired by the bravery and self-reliance of the tale's heroine and brought to life through an imaginative and bespoke knit pattern. From the Blue Heron Shawl and the Love Never Ending Cowl, to the Three Wishes Mittens and Amulet Necklace, each project is as wearable as it is magical. Lush, atmospheric photography captures the enchanted faerie domain while beautifully rendered charts and instructions are well suited for beginner and advanced knitters alike. Presented in an elegant linen case with foil accents that evoke the fairy tale tradition, *Faerie Knitting* is a rare gift for creators—and lovers—of magic.

The Children of Men - P. D. James
2010-10-20

Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, *The Children of Men* is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

The Penguin Knitting Book - James Norbury
2014-11-06

The Penguin Knitting Book by James Norbury is a charming how-to-knit classic packed with delightfully vintage advice. Knitting fills a fascinating page in the human story. I know of no home-craft that enjoys the universal popularity of hand-knitting James Norbury's *The Penguin*

Knitting Book, first published in 1957, is a how-to guide for the experienced knitter as well as the beginner. Full of wit and charm as well as tips and techniques for the contemporary knitter, The Penguin Knitting Book entertainingly illustrates all things vintage in the world of wool. Along with telling you how to knit, The Penguin Knitting Book includes original vintage patterns for every member of the family. Babies' coats, pullovers for father, sweaters for the teenager, dresses, jumpers, coats and cardigans, you will find them all in this charming aid to better knitting. 'James Norbury was the strongest single influence in British knitting during the twenty-five years after the Second World War' Sir Bishop Richard Rutt, author of A History of Hand Knitting '[In the late 1960s] there was a chap called James Norbury, who had his own knitting show on the BBC. I sat in on some of the programmes, and good stuff it was, too. I learned lots of racy stuff about 'knit one, purl one'' Sir David Attenborough 'Knitting is the saving of a life' Virginia Woolf James Norbury wrote The Penguin Knitting Book in 1957. He travelled extensively throughout the world, studying every aspect of the knitter's craft. A knitting historian, teacher and designer as well as a television star on his own BBC knitting show, he was Chief Designer for Patons and one of the foremost authorities on the history of knitting.
