Bugaboo Dreams - Topher Donahue 2012-02-01

Take the snowiest mountains in Canada, add two Austrian immigrants, an army of adrenaline-addicted skiers (kings, queens, billionaires, average people and everyday ski bums) and throw a helicopter into the mix for an unforgettable story of mountain adventure. The tale begins when two childhood friends-Hans Gmoser and Leo Grillmair-leave postwar Austria and travel to Canada in search of adventure. They stumble upon employment taking skiers across the vast glaciers and through the thick forests of Western Canada. When skiers start asking the immigrant mountaineers if it would be possible to use a helicopter to reach the best high-altitude powder, the two find themselves catapulted into a project brimming with more adventure, success, tragedy and fame than they could have dreamed. Complete with archival and contemporary photos, this is the inside story of the people, thrills, accidents and innovations behind the evolution of a sport from a dangerous, ramshackle and lawless enterprise into a multi-million dollar industry offering reliable access to one of the world's most exciting forms of recreation.

Ski Films - Bryan Senn 2022-05-02

Skiing in movies, like the sport itself, grew more prevalent beginning in the 1930s, when it was a pastime of the elite, with depictions reflecting changes in technique, fashion and social climate. World War II saw skiing featured in a dozen films dealing with that conflict. Fueled by postwar prosperity, the sport exploded in the 1950s--filmmakers followed suit, using scenes on snow-covered slopes for panoramic beauty and the thrill of the chase. Through the free-spirited 1960s and 1970s, the downhill lifestyle shussed into everything from spy thrillers to beach party romps. The extreme sports era of the 1980s and 1990s brought snowboarding to the big screen. This first ever critical history of skiing in film

chronicles a century of alpine cinema, with production information and stories and quotes from directors, actors and stuntmen.

Understanding the Olympics - John Horne 2020-05-31

How did the Olympics evolve into a multi-national phenomenon? How can the Olympics help us to understand the relationship between sport and society? What will be the impact and legacy of the Olympics after Tokyo in 2020? Understanding the Olympics answers all these questions by exploring the social, cultural, political, historical and economic context of the Games. This thoroughly revised and updated edition discusses recent attempts at future proofing by the International Olympic Committee (IOC) in the face of growing global anti-Olympic activism, the changing geo-political context within which the Olympics take place, and the Olympic histories of the next three cities to host the Games - Tokyo (2020), Paris (2024) and Los Angeles (2028) - as well as the legacy of the London (2012) Olympics. For the first time, this new edition introduces the reader to the emergence of 'other Games' associated with the IOC - the Winter Olympics, the Paralympics, and the Youth Olympics. It also features a full Olympic history timeline, many new photographs, refreshed suggestions for further reading, and revised illustrations. The most up-to-date and authoritative textbook available on the Olympic Games, Understanding the Olympics is essential reading for anybody with

an interest in the Olympics or the wider relationship between sport and society.

Themes and Theories in Modern Japanese History - Sue Henny 2013-12-17

For many years, Richard Storry directed Japanese studies at the University of Oxford. This volume, designed as a tribute to his life and work, is composed of essays by leading Japanologists from the United Kingdom, Europe and Japan itself, where Richard Storry taught. The volume focuses on the period since the middle of the nineteenth century and covers several areas, including politics, language and theatre. First published in 1988, this title is part of the Bloomsbury Academic Collections series.

Logic Puzzles - Mark Zegarelli 2005-10

An accompaniment to a good cup of coffee or tea is sure to become a hit with solvers - just like 'Sit & Solves'. So take a break, and relax with four great new mug-shaped, high-quality crosswords, word searches, and logic conundrums.

Congressional Record - United States.

Congress

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Przewodnik warszawski informacyjno-adressowy na rok 1870 - Wiktor Dzierzanowski 1870

Boys' Life - 1968-12

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Ski Style - Annie Gilbert Coleman 2004

"Coleman traces skiing from its Norse roots and Alpine influences through the utility of ski travel in the winter Rockies to the rise of Colorado resorts. Much more than a history of the sport, her work explains how the recreation industry sold the experience of skiing and created mythic mountain landscapes with real problems - and a ski culture that exalts celebrity and status over the physical act of skiing."--Jacket.
