The Language of Art and Cultural Heritage - Ana Pano Alamán 2020-03-04

Communicating art and cultural heritage has become a crucial and challenging task, since these sectors, together with tourism heritage, represent a key economic resource worldwide. In order to activate this economic and social potential, art and cultural heritage need to be disseminated through effective communicative strategies. Adopting a wide variety of digital humanities approaches and a plurilingual perspective, the essays gathered in this book provide an extensive and up-to-date overview of digital linguistic resources and research methods that will contribute to the design and implementation of such strategies. Cultural and artistic content curators, specialised translators in the fields of art, architecture, tourism and web documentaries, researchers in art history and tourism communication, and cultural heritage management professionals, among others, will find this book extremely useful due to its provision of some concrete applications of innovative methods and tools for the study and dissemination of art and heritage knowledge.

Little Whale - Jo Weaver 2018-01-11

Told through the eyes of a whale and her calf, this mesmerisingly beautiful book is a story of migration, family and the strength of parental love. And a celebration of the wonders of nature. "We're going on a long journey, Little Whale," sang her mother. "We're going home." Travelling from the warm weather of the south, through fragile coral reefs, kelp forests and glittering shoals of fish, Little Whale follows her mother to the icy north. With her mother guiding and protecting her all the way home. With atmospheric charcoal drawings and gentle, lyrical storytelling, Little Whale is perfect for sharing with your little one. "Evocative charcoal drawings bring the underwater world to stunning life; fans of Blue Planet will be mesmerised."

Natural Wine for the People - Alice Feiring 2019-08-06

A compact illustrated guide to the emerging and enormously popular category of natural wine, a style that focuses on minimal intervention, lack of additives, and organic and biodynamic growing methods. Today, wine is more favored and consumed than it's ever been in the United States--and millennials are leading the charge, drinking more wine than any other generation in history. Many have been pulled in by the tractor beam of natural wine--that is, organic or biodynamic wine made with nothing added, and nothing taken away--a movement that has completely rocked the wine industry in recent years. While all of the hippest restaurants and wine bars are touting their natural wine lists, and while more and more consumers are calling for natural wine by name, there is still a lot of confusion about what exactly natural wine is, where to find it, and how to enjoy it. In *Natural Wine for the People*, James Beard Award-winner Alice Feiring sets the record straight, offering a pithy, accessible guide filled with easy definitions, tips and tricks for sourcing the best wines, whimsical illustrations, a definitive list to the must-know producers and bottlings, and an appendix with the best shops and restaurants specializing in natural wine across the country, making this the must-buy and must-gift wine book of the year.

The Tiger Prince - Chen Jiang Hong 2018-10-23

A magnificently illustrated Chinese folklore tale about a tigress, a seer, a King, and the prince, who must leave his family and learn the ways of the tigers so that the war between man and animal can end. Deep in the Great Forest, a tigress is mourning the death of her tiger babies who have been killed by hunters. Seeking revenge, she attacks the villages, destroying houses and prompting the king to gather his army. But a seer named Lao Lao warns the king that if he angers the tigress further she will destroy the kingdom. Lao Lao counsels the king to give his own son to the tigress and promises that no harm will come to the boy. The next morning, the king brings the prince to the edge of the Great Forest and tells him, "Now you must go on alone." To end the war between man and animal, the prince must forget his human ways and begin to learn what tigers know. The Tiger Prince was inspired by The Tigress, a late Shang dynasty bronze vessel in the Cernuschi Museum in Paris depicting a scene from the Chinese folktale of a baby raised by a tigress.

Le droit de la guerre dans les religions et traditions d'Afrique noire - Patrick Kabou 2022-01-07

Ce livre décrit comment le droit des conflits armés est né en Afrique. Comme dans toutes les sociétés avancées, les relations humaines sont souvent confrontées à des désaccords, des ambitions et des incompréhensions. L'usage de la force est de ce fait un recours pour certains afin d'imposer leurs visions. De cela, il est impératif de souligner qu'en Afrique noire, la notion de « bataille » était beaucoup plus appropriée. Si Dieu a créé l'humanité et, l'Afrique, d'après Cheikh Anta DIOP, est le berceau de l'humanité, quoi de plus naturel d'affirmer que l'Afrique a connu l'Être Suprême avant les autres peuples ? Au nom de Dieu, certains théorisèrent l'esclavage et la colonisation ; dorénavant au nom de la démocratie et de l'État de droit, ils adaptent leur cynique volonté de domination du peuple noir. Du capitalisme occidental, nous sommes passés au capitalisme africain où les élites politiques africaines par leur complexe de l'Occident concourent à la perte de leur peuple.
