The Making of Yolanda la Bruja - Lorraine Avila
2023-04-11

Elizabeth Acevedo has said that reading Lorraine Avila feels like an “UPPERCUT to the senses.” You've never encountered an author with prose of this sensitivity and fire. Yolanda Alvarez is having a good year. She's starting to feel at home Julia De Burgos High, her school in the Bronx. She has her best friend Victory, and maybe something with José, a senior boy she's getting to know. She's confident her initiation into her family's bruja tradition will happen soon. But then a white boy, the son of a politician, appears at Julia De Burgos High, and his vibes are off. And Yolanda's initiation begins with a

series of troubling visions of the violence this boy threatens. How can Yolanda protect her community, in a world that doesn't listen? Only with the wisdom and love of her family, friends, and community – and the Brujas Diosas, her ancestors and guides. The Making of Yolanda La Bruja is the book this country, struggling with the plague of gun violence, so desperately needs, but which few could write. Here Lorraine Avila brings a story born from the intersection of race, justice, education, and spirituality that will capture readers everywhere. P R A I S E Common Sense Media Selection for Teens ★ “Inspiring... full of heart and spirituality.” —Shelf-Awareness (starred) ★ “A sharply rendered portrait...Avila's striking debut is not to be missed.” —Booklist (starred) ★ “Unabashedly political...A remarkable, beautifully rendered debut.” —Kirkus (starred) ★ “Suspenseful...A boldly characterized protagonist whose intersectional identities as a queer and Deaf person of color informs her sharp-witted narrative voice and conviction

around combatting racism within her community.” —Publishers Weekly (starred) “Impressive and urgent. [Avila] takes on racism, violence and injustice with a mix of magic, spirituality and care that few have attempted—and she’s captivatingly successful.” —Ms. Magazine “Explores gun violence, race, justice, education, and spirituality, which holds this book like a canopy, enclosing and exposing layers of Blackness and the growth and sense of belonging community can provide.” —Al Dia “A necessary story about gun violence, race, and education.” —Refinery29 “Gripping...skillfully depicts the reality of growing up as a Black Latinx teen in the midst of racial violence and social upheaval... Avila carefully demonstrates the tremendous strength in Yolanda’s community and the deep roots of her spiritual life, which keep her grounded as she steps into her full power.” —Horn Book

Head Games - S. J. Ateca 2016-12-20

This is the story of an Air Force war veteran in his

late thirties wrestling as best he can with a misdiagnosed mental illness compounded by post dramatic war syndrome going untreated due to a self-destructive combination of arrogance and a sinful amount of pride. Not only can he not admit to himself he may need professional help of any sort, but he self-medicates and compounds his problems with alcohol. His growing paranoia causes him to leave a great career in a half-baked attempt at self-employment. His growing paranoia makes it evermore impossible for him to face his co-workers, who he feels despise him behind his back, but laugh with him as he puts on a glib facade. In the attempt to streamline his life, Steve resigns from the fire department in order to raise the capital necessary to go into business for himself, despite the protests of his wife, family and friends. A disastrous turn of events leaves him penniless. Disgraced before everyone he knows, a full bottle of sleeping pills seems to be the only solution to his problems, still refusing

to seek help at the VA hospital because his bipolar state refuses to allow him to humble himself and his paranoia won't let him trust the government. After spending time in the hospital, he discovers the true sources of his problems and what he can do to overcome them. Fortunately, he has the love of his wife and daughter to give him emotional support and new found faith to give him guidance.
