Chinaberry Sidewalks - Rodney

Crowell 2011-01-18

From the acclaimed musician comes a tender, surprising, and often uproarious memoir about his dirt-poor southeast Texas

boyhood. The only child of a hard-drinking father and a Holy Roller mother, Rodney Crowell was no stranger to bombast from an early age, whether knock-down-drag-outs at a local dive bar or fire-and-brimstone sermons at Pentecostal tent revivals. He was an expert at reading his father's mercurial moods and gauging exactly when his mother was likely to erupt, and even before he learned to ride a bike, he was often forced to take matters into his own hands. He broke up his parents' raucous New Year's Eve party with gunfire and ended their slugfest at the local drive-in (actual restaurants weren't on the Crowells' menu)

by smashing a glass pop bottle over his own head. Despite the violent undercurrents always threatening to burst to the surface, he fiercely loved his epilepsy-racked mother, who scorned boring preachers and improvised wildly when the bills went unpaid. And he idolized his blustering father, a honky-tonk man who took his boy to see Hank Williams, Jerry Lee Lewis, Carl Perkins, and Johnny Cash perform live, and bought him a drum set so he could join his band at age eleven. Shot through with raggedy friends and their neighborhood capers, hilariously awkward adolescent angst, and an indelible depiction of the bloodlines Crowell came

from, Chinaberry Sidewalks also vividly re-creates Houston in the fifties: a rough frontier town where icehouses sold beer by the gallon on payday; teeming with musical venues from standard roadhouses to the Magnolia Gardens, where name-brand stars brought glamour to a place starved for it; filling up with cheap subdivisions where blue-collar day laborers could finally afford a house of their own; a place where apocalyptic hurricanes and pest infestations were nearly routine. But at its heart this is Crowell's tribute to his parents and an exploration of their troubled yet ultimately redeeming romance. Wry, clear-

eyed, and generous, it is, like the very best memoirs, firmly rooted in time and place and station, never dismissive, and truly fulfilling.

Without Getting Killed or Caught

- Tamara Saviano 2016-10-31

Winner, 2016 the Belmont Book

Award, Sponsored by the

International Country Music

Conference For more than forty

years, Guy Clark wrote and

recorded unforgettable songs.

His lyrics and melodies paint

indelible portraits of the people,

places, and experiences that

shaped him. He has served as

model, mentor, supporter, and

friend to at least two

generations of the world's most

talented and influential singer-

songwriters. In songs like “Desperados Waiting for a Train,” “L.A. Freeway,” “She Ain’t Going Nowhere,” and “Texas 1947,” Clark’s poetic mastery has given voice to a vision of life, love, and trouble that has resonated not only with fans of Americana music, but also with the prominent artists—including Johnny Cash, Ricky Skaggs, Jerry Jeff Walker, and others—who have recorded and performed Clark’s music. Now, in *Without Getting Killed or Caught: The Life and Music of Guy Clark*, writer, producer, and music industry insider Tamara Saviano chronicles the story of this legendary artist from her unique

vantage point as his former publicist and producer of the Grammy-nominated album *This One’s for Him: A Tribute to Guy Clark*. Part memoir, part biography, Saviano’s skillfully constructed narrative weaves together the extraordinary songs, larger-than-life characters, previously untold stories, and riveting emotions that make up the life of this modern-day poet and troubadour.

The Noble Hustle - Colson Whitehead 2015-03-03

From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys* • “Whitehead proves a brilliant sociologist of

the poker world.” —The Boston Globe In 2011, Grantland magazine gave bestselling novelist Colson Whitehead \$10,000 to play at the World Series of Poker in Las Vegas. It was the assignment of a lifetime, except for one hitch—he’d never played in a casino tournament before. With just six weeks to train, our humble narrator took the Greyhound to Atlantic City to learn the ways of high-stakes Texas Hold’em. Poker culture, he discovered, is marked by joy, heartbreak, and grizzled veterans playing against teenage hotshots weaned on Internet gambling. Not to mention the not-to-be

overlooked issue of coordinating Port Authority bus schedules with your kid’s drop-off and pickup at school. Finally arriving in Vegas for the multimillion-dollar tournament, Whitehead brilliantly details his progress, both literal and existential, through the event’s antes and turns, through its gritty moments of calculation, hope, and spectacle. Entertaining, ironic, and strangely profound, this epic search for meaning at the World Series of Poker is a sure bet. Look for Colson Whitehead’s bestselling new novel, Harlem Shuffle!

Jeannie Out of the Bottle -

Barbara Eden 2011-04-05

A magical, heartwarming memoir from one of Hollywood's most beloved actresses, best known for her iconic role on I Dream of Jeannie The landmark NBC hit television series I Dream of Jeannie has delighted generations of audiences and inspired untold numbers of teenage crushes on its beautiful blond star, Barbara Eden, for decades. Part pristine Hollywood princess and part classic bombshell, with innocence, strength, and comedic talent to spare, Barbara finally lets Jeannie out of her bottle to tell her whole story. Jeannie Out of the Bottle

takes us behind the scenes of I Dream of Jeannie as well as Barbara's dozens of other stage, movie, television, and live concert performances. We follow her from the hungry years when she was a struggling studio contract player at 20th Century Fox through difficult weeks trying to survive as a chorus girl at Ciro's Sunset Strip supper club, from a stint as Johnny Carson's sidekick on live TV to tangling on-screen and off with some of Hollywood's most desirable leading men, including Elvis Presley, Clint Eastwood, Paul Newman, and Warren Beatty. From the ups and downs of her relationship with her Jeannie

co-star Larry Hagman to a touching meeting with an exquisite and vulnerable Marilyn Monroe at the twilight of her career, readers join Barbara on a thrilling journey through her five decades in Hollywood. But Barbara's story is also an intimate and honest memoir of personal tragedy: a stillborn child with her first husband, Michael Ansara; a verbally abusive, drug-addicted second husband; the loss of her beloved mother; and the accidental heroin-induced death of her adult son, just months before his wedding. With candor and poignancy, Barbara reflects on the challenges she has faced, as well as the joys she

has experienced and how she has maintained her humor, optimism, and inimitable Jeannie magic throughout the roller-coaster ride of a truly memorable life. Illustrated with sixteen pages of photographs, including candid family pictures and rare publicity stills, Jeannie Out of the Bottle is a must-have for every fan, old and new.

Mean Little deaf Queer - Terry Galloway 2010-06-01

In 1959, the year Terry Galloway turned nine, the voices of everyone she loved began to disappear. No one yet knew that an experimental antibiotic given to her mother had wreaked havoc on her fetal nervous system, eventually

causing her to go deaf. As a self-proclaimed "child freak," she acted out her fury with her boxy hearing aids and Coke-bottle glasses by faking her own drowning at a camp for crippled children. Ever since that first real-life performance, Galloway has used theater, whether onstage or off, to defy and transcend her reality. With disarming candor, she writes about her mental breakdowns, her queer identity, and living in a silent, quirky world populated by unforgettable characters. What could have been a bitter litany of complaint is instead an unexpectedly hilarious and affecting take on life.

Toros & Torsos - Craig

McDonald 2008

Against the vivid backdrops of a killer hurricane that nearly destroyed the Florida Keys in 1935, the Spanish Civil War, post-war Hollywood and the first days of the Castro regime in Cuba, Hector Lassiter-- legendary crime novelist-- engages in a decades-long duel against a cabal of killer artists.

The Soloist - Steve Lopez
2010-01-26

When Steve Lopez sees Nathaniel Ayers playing his heart out on a two-string violin on Los Angeles's skid row, he finds it impossible to walk away. More than thirty years ago, Ayers was a promising student at Julliard - ambitious, charming

and hugely talented - until he gradually lost his ability to function, overcome by schizophrenia. When Lopez finds him, Ayers is homeless and paranoid, but glimmers of his earlier brilliance are still there. Over time, the two men form a bond, and Lopez imagines that he might be able to change Ayer's life. For each triumph, there is a crashing disappointment, yet neither man gives up. Their friendship will change both of their lives in ways that neither could predict. Poignant and ultimately hopeful, *The Soloist* is a beautifully told story of devotion in the face of seemingly unbeatable challenges, and the inspiring

power of music.

Composed - Rosanne Cash

2010-08-10

A candid and moving memoir from the critically acclaimed singer and songwriter For thirty years as a musician, Rosanne Cash has enjoyed both critical and commercial success, releasing a series of albums that are as notable for their lyrical intelligence as for their musical excellence. Now, in her memoir, Cash writes compellingly about her upbringing in Southern California as the child of country legend Johnny Cash, and of her relationships with her mother and her famous stepmother, June Carter Cash. In her

account of her development as an artist she shares memories of a hilarious stint as a twenty-year-old working for Columbia Records in London, recording her own first album on a German label, working her way to success, her marriage to Rodney Crowell, a union that made them Nashville's premier couple, her relationship with the country music establishment, taking a new direction in her music and leaving Nashville to move to New York. As well as motherhood, dealing with the deaths of her parents, in part through music, the process of songwriting, and the fulfillment she has found with her current husband and musical

collaborator, John Leventhal. Cash has written an unconventional and compelling memoir that, in the tradition of M. F. K. Fisher's *The Gastronomical Me* and Frank Conroy's *Stop-Time*, is a series of linked pieces that combine to form a luminous and brilliant whole.

[The Mockingbird Next Door](#) -

Marja Mills 2014-07-15

To Kill a Mockingbird by Harper Lee is one of the best loved novels of the twentieth century. But for the last fifty years, the novel's celebrated author, Harper Lee, has said almost nothing on the record.

Journalists have trekked to her hometown of Monroeville,

Alabama, where Harper Lee, known to her friends as Nelle, has lived with her sister, Alice, for decades, trying and failing to get an interview with the author. But in 2001, the Lee sisters opened their door to Chicago Tribune journalist Marja Mills. It was the beginning of a long conversation—and a great friendship. In 2004, with the Lees’ blessing, Mills moved into the house next door to the sisters. She spent the next eighteen months there, sharing coffee at McDonalds and trips to the Laundromat with Nelle, feeding the ducks and going out for catfish supper with the sisters, and exploring all over lower Alabama with the Lees’

inner circle of friends. Nelle shared her love of history, literature, and the Southern way of life with Mills, as well as her keen sense of how journalism should be practiced. As the sisters decided to let Mills tell their story, Nelle helped make sure she was getting the story—and the South—right. Alice, the keeper of the Lee family history, shared the stories of their family. The *Mockingbird Next Door* is the story of Mills’s friendship with the Lee sisters. It is a testament to the great intelligence, sharp wit, and tremendous storytelling power of these two women, especially that of Nelle. Mills was given a rare opportunity to

know Nelle Harper Lee, to be part of the Lees' life in Alabama, and to hear them reflect on their upbringing, their corner of the Deep South, how To Kill a Mockingbird affected their lives, and why Nelle Harper Lee chose to never write another novel.

Oil Spaces - Carola Hein

2021-08-24

Oil Spaces traces petroleum's impact through a range of territories from across the world, showing how industrially drilled petroleum and its refined products have played a major role in transforming the built environment in ways that are often not visible or recognized. Over the past century and a

half, industrially drilled petroleum has powered factories, built cities, and sustained nation-states. It has fueled ways of life and visions of progress, modernity, and disaster. In detailed international case studies, the contributors consider petroleum's role in the built environment and the imagination. They study how petroleum and its infrastructure have served as a source of military conflict and political and economic power, inspiring efforts to create territories and reshape geographies and national boundaries. The authors trace ruptures and continuities between colonial

and postcolonial frameworks, in locations as diverse as Sumatra, northeast China, Brazil, Nigeria, Tanzania, and Kuwait as well as heritage sites including former power stations in Italy and the port of Dunkirk, once a prime gateway through which petroleum entered Europe. By revealing petroleum's role in organizing and imagining space globally, this book takes up a key task in imagining the possibilities of a post-oil future. It will be invaluable reading to scholars and students of architectural and urban history, planning, and geography of sustainable urban environments.

Dust Tracks on a Road:

Autobiography - Zora Neale

Hurston 2018-12-21

This eBook edition of "Dust Tracks on a Road:

Autobiography" has been formatted to the highest digital standards and adjusted for readability on all devices. Dust Tracks on a Road is the 1942 autobiography of black

American writer and anthropologist Zora Neale

Hurston. The book begins with Hurston's childhood in the black community of Eatonville,

Florida, then covers her education at Howard University

where she began as a fiction writer, having two stories

published under the guidance of Charles S. Johnson. It also

covers her anthropological work under Franz Boas that led to her study *Mules and Men* (1935). The autobiography also won the Anisfield-Wolf Book Award in 1943 for its contribution to race relations and has been praised for its literary quality.

Caps for Sale - Esphyr

Slobodkina 2011-03-22

Caps for Sale is a timeless classic beloved by millions...one of the most popular picture books ever published! This picture book is an excellent choice to share at home or in the classroom, as children love chanting along with the naughty monkeys. Children will delight in following the peddler's efforts to

outwit the monkeys and will ask to read it again and again. *Caps for Sale* is an excellent easy-to-read book that includes repetition, patterns, and colors, perfect for early readers. This tale of a peddler and a band of mischievous monkeys is filled with warmth, humor, and simplicity and also teaches children about problem and resolution. This classic picture book will be appreciated as a birthday, baby shower, or graduation gift! It never fails to get preschoolers chanting along and giggling.

Country Music USA - Bill C.

Malone 2018-06-04

"Fifty years after its first publication, *Country Music USA*

still stands as the most authoritative history of this uniquely American art form. Here are the stories of the people who made country music into such an integral part of our nation's culture. We feel lucky to have had Bill Malone as an indispensable guide in making our PBS documentary; you should, too." —Ken Burns and Dayton Duncan, *Country Music: An American Family Story* From reviews of previous editions: "Considered the definitive history of American country music." —Los Angeles Times "If anyone knows more about the subject than [Malone] does, God help them." —Larry McMurtry, from *In a Narrow*

Grave "With *Country Music USA*, Bill Malone wrote the Bible for country music history and scholarship. This groundbreaking work, now updated, is the definitive chronicle of the sweeping drama of the country music experience." —Chet Flippo, former editorial director, CMT: Country Music Television and CMT.com "Country Music USA is the definitive history of country music and of the artists who shaped its fascinating worlds." —William Ferris, University of North Carolina at Chapel Hill, former chairman of the National Endowment for the Humanities and coeditor of the *Encyclopedia of Southern*

Culture Since its first publication in 1968, Bill C. Malone's Country Music USA has won universal acclaim as the definitive history of American country music. Starting with the music's folk roots in the rural South, it traces country music from the early days of radio into the twenty-first century. In this fiftieth-anniversary edition, Malone, the featured historian in Ken Burns's 2019 documentary on country music, has revised every chapter to offer new information and fresh insights. Coauthor Tracey Laird tracks developments in country music in the new millennium, exploring the relationship between the current music scene and the

traditions from which it emerged.

The Shoe Burnin' - Ed Southern
2013-11

The first Shoe Burnin' occurred on a cold winter's night years ago in Alabama. When the firewood ran out, a box of old shoes provided the assembled group of friends and artists with the fuel they needed to stock the hearth and share stories and songs late into the night. The bond forged that night began a tradition of fireside Shoe Burnin's. Naturally, many of the stories and songs involved shoes -- the places they've been and the people who wore them. Now, for the first time, these works have

been collected in The Shoe Burnin', Stories of Southern Soul. The hardcover book includes a companion CD of spoken word and music that captures the Southern soul.

I Never Met a Story I Didn't Like - Todd Snider 2014-04-22

For years, Todd Snider has been one of the most beloved country-folk singers in the United States. He had a Top 40 hit with “Talking Seattle Grunge Rock Blues,” which gave national audiences the first taste of his insightful songwriting, at once satirical and sincere. Hailed by critics as one of the top albums of 2004, East Nashville Skyline was followed by The Devil You

Know and The Excitement Plan. Snider's songs took on George W. Bush and America's recent involvement in foreign war, along with a host of more intimate topics. As good as Snider's albums have been, his in-concert monologues are even better. His shows are a loose-limbed, informal experience: it's often just him and a guitar. He introduces songs with stories that can run as long as twenty minutes, always displaying his charm and wit. As he's allowed his storytelling to evolve along with his music, Snider has become not only a modern day Bob Dylan but a modern day Will Rogers as well—an everyman whose intelligence,

self deprecation, experience, and, above all, humor make him a uniquely American character.

My Dog Skip - Willie Morris

2008-12-18

Now a major motion picture from Warner Brothers, starring Kevin Bacon, Diane Lane, Luke Wilson, Frankie Muniz, and "Eddie" from the TV show Frasier (as Skip), and produced by Mark Johnson (Rain Man). In 1943 in a sleepy town on the banks of the Yazoo River, a boy fell in love with a puppy with a lively gait and an intellingent way of listening. The two grew up together having the most wonderful adventures. A classic story of a boy, a dog, and small-town America, My Dog

Skip belongs on the same shelf as The Adventures of Tom Sawyer and Russell Baker's Growing Up. It will enchant readers of all ages for years to come.

Stop-Time - Frank Conroy

1977-02-24

First published in 1967, Stop-Time was immediately recognized as a masterpiece of modern American autobiography, a brilliant portrayal of one boy's passage from childhood to adolescence and beyond. Here is Frank Conroy's wry, sad, beautiful tale of life on the road; of odd jobs and lost friendships, brutal schools and first loves; of a father's early death and a son's

exhilarating escape into manhood.

Redneck Boy in the Promised Land - Ben Jones 2008-06-03

Redneck Boy in the Promised Land is Ben Jones's hilarious, uplifting life story of escaping the rail yards and finding success in the unlikeliest places. As a child, Jones called a dingy railroad shack with no electricity or indoor plumbing home. An unabashed Southern redneck from a "likker drinkin', hell-raisin'" family, Jones grew up in the depressed railroad docks outside of Portsmouth, Virginia, and spent most of his days dreaming about where the tracks out of town could take him. That he would go on to

become a beloved television icon on The Dukes of Hazzard and a firebrand two-term Congressman is a story that no one could have ever seen coming . . . least of all ol' "Cooter" himself. Written with naked honesty and wry humor, Redneck Boy in the Promised Land is one good ol' boy's remarkable tale of falling flat on his face, picking himself up, and finding his way to the American dream-while fighting for civil rights, the plight of the working class, "real" Southern culture, and the rights of rednecks everywhere. From the Hardcover edition.

Too Much Is Not Enough - Andrew Rannells 2020-03-03

From the star of Broadway's
The Book of Mormon and
HBO's Girls, the heartfelt and
hilarious coming-of-age memoir
of a Midwestern boy surviving
bad auditions, bad relationships,
and some really bad highlights
as he chases his dreams in
New York City With a new
afterword • “Candid, funny,
crisp . . . honest and tender
about lessons of the
heart.”—Vogue When Andrew
Rannells left Nebraska for New
York City in 1997, he, like many
young hopefuls, saw the city as
a chance to break free. To start
over. To transform the fiercely
ambitious but sexually confused
teenager he saw in the mirror
into the Broadway leading man

of his dreams. In Too Much Is
Not Enough, Rannells takes us
on the journey of a
twentysomething hungry to
experience everything New
York has to offer: new friends,
wild nights, great art, standing
ovations. At the heart of his
hunger lies a powerful drive to
reconcile the boy he was when
he left Omaha with the man he
desperately wants to be. As
Rannells fumbles his way
towards the Great White Way,
he also shares the drama of
failed auditions and behind-the-
curtain romances, the
heartbreak of losing his father
at the height of his struggle,
and the exhilaration of making
his Broadway debut in

Hairspray at the age of twenty-six. Along the way, he learns that you never really leave your past—or your family—behind; that the most painful, and perversely motivating, jobs are the ones you almost get; and that sometimes the most memorable nights with friends are marked not by the trendy club you danced at but by the recap over diner food afterward. Honest and hilarious, *Too Much Is Not Enough* is an unforgettable look at love, loss, and the powerful forces that determine who we become.

A House Like a Lotus -

Madeleine L'Engle 2012-02-14

By the author of *A Wrinkle in Time*, the conclusion to the

Polly O'Keefe stories finds Polly taking an unforgettable trip to Europe, all by herself. Sixteen-year-old Polly is on her way to the island of Cyprus, where she will work as a gofer. The trip was arranged by Maximiliana Horne, a rich, brilliant artist who, with her longtime companion, Dr. Ursula Heschel, recently became the O'Keefe family's neighbor on Benne Seed Island. Max and Polly formed an instant friendship and Max took over Polly's education, giving her the encouragement and confidence that her isolated upbringing had not. Polly adored Max, even idolized her, until Max betrayed her. In Greece, Polly finds romance,

danger, and unique friendships. But can she ever forgive Max?

Word for Word - Rodney

Crowell 2022-09-13

From growing up in Texas, to living in his car, to landing his first publishing deal, to writing fifteen #1 songs, *Word for Word*

is a lavishly illustrated look at the lyrics of an icon among songwriting giants. Emmylou Harris--who once employed Rodney Crowell as the guitarist, harmony singer, and arranger in her Hot Band--introduced many listeners to his finely-crafted songs, including "Til I Gain Control Again," "Leaving Louisiana in the Broad Daylight," "I Ain't Living Long Like This," "Even Cowgirls Get the Blues," and "Ashes by Now." They all went on to become hits for other performers, while Crowell went on to carve out a career as the first country singer to earn five #1 singles from one album. Rodney continued writing and

recording classics, while other artists continued to take his songs to the top of the charts, including Bob Seger's recording of "Shame on the Moon," Tim McGraw's recording of "Please Remember Me," and Keith Urban's cover of "Making Memories of Us." In this disarmingly intimate look at Crowell's songs, he shares pages from his lyric notebooks, personal photographs, and scribbles that reveal the heart of one of this generation's finest songwriters.

The Home Voices Speak Louder Than the Drums - Wanda Easter Burch 2017-05-15

"Soldier mortals would not survive if they were not blessed

with the gift of imagination and the pictures of hope," wrote Confederate Private Henry Graves in the trenches outside Petersburg, Virginia. "The second angel of mercy is the night dream." Providing fresh perspective on the human side of the Civil War, this book explores the dreams and imaginings of those who fought it, as recorded in their letters, journals and memoirs.

Sometimes published as poems or songs or printed in newspapers, these rarely acknowledged writings reflect the personalities and experiences of their authors. Some expressions of fear, pain, loss, homesickness and

disappointment are related with grim fatalism, some with glimpses of humor.

Wayfaring Stranger - Emma

John 2019-05-30

Can you feel nostalgic for a life you've never known? Suffused with her much-loved warmth and wit, Emma John's memoir follows her moving and memorable journey to master one of the hardest musical styles on earth - and to find her place in an alien world. Emma had fallen out of love with her violin when a chance trip to the American South introduced her to bluegrass music. Classically trained, highly strung and wedded to London life, Emma was about as country as a gin

martini. So why did it feel like a homecoming? Answering that question takes Emma deep into the Appalachian mountains, where she uncovers a hidden culture that confounds every expectation - and learns some emotional truths of her own.

Buck 'Em! - Randy Poe

2016-01-01

ÊBuck 'Em! The Autobiography of Buck OwensÊ is the life story of a country music legend. Born in Texas and raised in Arizona Buck eventually found his way to Bakersfield California. Unlike the vast majority of country singers songwriters and musicians who made their fortunes working and living in Nashville the often rebellious

and always independent Owens chose to create his own brand of country music some 2 000 miles away from Music City ä racking up a remarkable twenty-one number one hits along the way. In the process he helped give birth to a new country sound and did more than any other individual to establish Bakersfield as a country music center. In the latter half of the 1990s Buck began working on his autobiography. Over the next few years he talked into the microphone of a cassette tape machine for nearly one hundred hours recording the story of his life. With his near-photographic memory Buck recalled everything from his

early days wearing hand-me-down clothes in Texas to his glory years as the biggest country star of the 1960s; from his legendary Carnegie Hall concert to his multiple failed marriages; from his hilarious exploits on the road to the tragic loss of his musical partner and best friend Don Rich; from his days as the host of a local TV show in Tacoma Washington to his co-hosting the network television show ÊHee HawÊ; and from his comeback hit Streets of Bakersfield to his induction into the Country Music Hall of Fame. In these pages Buck also shows his astute business acumen having been among the

first country artists to create his own music publishing company. He also tells of negotiating the return of all of his Capitol master recordings his acquisition of numerous radio stations and of his conceiving and building the Crystal Palace one of the most venerated musical venues in the country. Buck 'Em! is the fascinating story of the life of country superstar Buck Owens ä from the back roads of Texas to the streets of Bakersfield.

Where Am I Now? - Mara Wilson 2016-09-13
"Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now?"

She's a writer." –NPR's "Guide To 2016's Great Reads"
"Growing up, I wanted to be Mara Wilson. Where Am I Now? is a delight." –Ilana Glazer, cocreator and star of Broad City
Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in Matilda and Mrs. Doubtfire, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl.
Tackling everything from what

she learned about sex on the set of Melrose Place, to discovering in adolescence that she was no longer “cute” enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, *Where Am I Now?* introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female.

[Will Not Attend](#) - Adam Resnick
2014-05-01

“Damn, this book is good.”—Jon Stewart “A biting,

darkly hilarious collection of personal essays that begs to be read aloud.”—Chicago Tribune Emmy Award–winning writer Adam Resnick began his career at Late Night with David Letterman before honing his chops in movies and cable television, including HBO’s *The Larry Sanders Show*. While courageously admitting to being “euphorically antisocial,” Resnick plunges readers deep into his troubled psyche in this uproarious memoir-in-essays. Shaped by such touchstone events as a traumatic Easter egg hunt and overwrought by obsessions, he refuses to be burdened by chores like basic social obligation and personal

growth, adhering to his own steadfast rule: “I refuse to do anything I don’t want to do.”

I Know Why the Caged Bird Sings - Maya Angelou

2009-04-21

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her

brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. “I

Know Why the Caged Bird
Sings liberates the reader into
life simply because Maya
Angelou confronts her own life
with such a moving wonder,
such a luminous
dignity.”—James Baldwin

The Wire - Rafael Alvarez

2009-11-24

Welcome to the critically
acclaimed HBO drama series
The Wire, hailed as "the best
show on television, period" by
the San Francisco Chronicle.
The New York Times calls it "a
vital part of the television
landscape...unvarnished
realism." Time declares that
The Wire, "like its underfunded,
workaday cops, just plugged
away until it outshone
everything else on TV." The
Wire stands not only as riveting
drama but also as a
sociopolitical treatise with
ambitions beyond any television
serial. The failure of the drug
war, the betrayal of the working
class, the bureaucratization of

the culture and the cost to individual dignity -- such are the themes of the drama's first two seasons. And with every new episode of season three and beyond, another layer of modern urban life will be revealed. Gritty, densely layered, and realistic, *The Wire* is series television at its very best, told from the point of view of the Baltimore police, their targets, and many of those caught in the middle. Rafael Alvarez -- a reporter, essayist, and staff writer for the show -- brings the reader inside, detailing many of the real-life incidents and personalities that have inspired the show's storylines and characters,

providing the reader with insights into the city of Baltimore -- itself an undeniable character in the series. Packed with photographs and featuring an introduction by series creator and executive producer David Simon, as well as essays by acclaimed authors George Pelecanos, Laura Lippman, and Anthony Walton, here is an invaluable resource for both fans of the show and viewers who have yet to discover *The Wire*. Hollywood has long used the cop drama to excite and entertain, and Hollywood has always dictated the terms. But *The Wire* is filmed entirely in Baltimore, conceived by Baltimoreans, and written by

rust-belt journalists and novelists intimately familiar with the urban landscape. It's as close as television has yet come to allowing an American city to tell its own tale.

Believe Me - Eddie Izzard

2017-06-13

THE NEW YORK TIMES

BESTSELLER “Izzard is one of the funniest people alive, a talented actor, a sharp cross-dresser, an experienced marathon runner, and a great writer. You will have to read this if only to find out what a jazz chicken is.”—The Philadelphia Inquirer With his brand of keenly intelligent humor that ranges from world history to historical politics, sexual politics,

mad ancient kings, and chickens with guns, Eddie Izzard has built an extraordinary fan base that transcends age, gender, and race. Writing with the same candor and insight evident in his comedy, he reflects on a childhood marked by the loss of his mother, boarding school, and alternative sexuality, as well as a life in comedy, film, politics, running and philanthropy. Honest and generous, Believe Me is an inspired account of a very singular life thus far.

Paradoxical Undressing - Kristin

Hersh 2011-01-01

Kristin Hersh was a preternaturally bright teenager, starting university at fifteen and

with her band, Throwing Muses, playing rock clubs she was too young to frequent. By the age of seventeen she was living in her car, unable to sleep for the torment of strange songs swimming around her head - the songs for which she is now known. But just as her band was taking off, Hersh was misdiagnosed with schizophrenia. Paradoxical Undressing chronicles the unraveling of a young woman's personality, culminating in a suicide attempt; and then her arduous yet inspiring recovery, her unplanned pregnancy at the age of 19, and the birth of her first son. Playful, vivid, and wonderfully warm, this is a

visceral and brave memoir by a truly original performer, told in a truly original voice.

The Summer Friend - Charles McGrath 2022-06-07

Alive with the intoxicating magic of summer in New England, former editor of the New York Times Book Review Charles McGrath's evocative memoir looks back at that sun-soaked season, at family, youth, and a singular bond made at a time

when he thought he was beyond making friends. “To read Chip McGrath’s gentle, elegant memoir...is to lose yourself in your own past summers, especially the ones of your youth, when you imagined there’d be an infinite number of them, and also friends to share those summers with. That both turn out to be numbered makes this book positively ache with beauty and loss.” —Richard Russo, Pulitzer Prize-winning author of *Empire Falls* It was early evening and a new acquaintance had come to retrieve his daughter from a play date. Instead of driving up in a minivan, he arrived by water, tacking his sailboat

smartly across a squiggly channel in the marsh, throwing a rope overboard, and zipping back home, his gleeful daughter riding in the wake. Who knew you could do such a thing? And how could you resist befriending a man such as that? Over the course of this rich memoir, McGrath recalls with a gimlet eye the pleasures of summers past: amateur lobstering, 9-hole golf, family costume charades, bridge-jumping, and a friendship forged between two men from different backgrounds who came together late in life. Recounting the vagaries of summer with such precision and warmth-- peeling long strips of sunburnt skin from your

shoulder as if “shuffling off your own cocoon,” the outdoor shower curtain blowing open in the breeze, an M80 firework in the mailbox--The Summer Friend is simultaneously a potent evocation of the rhythms and rituals of summer and a stirring remembrance of a friend found and then lost.

Play Among Books - Miro

Roman 2021-12-06

How does coding change the way we think about architecture? This question opens up an important research perspective. In this book, Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information.

They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an “infinite flow” of real books. Focusing on the intersection of information technology and architectural formulation, the authors create an evolving intellectual reflection on digital architecture and computer science.

Tropic of Squalor - Mary Karr

2018-05-08

A new volume of poetry from the New York Times bestselling and esteemed author of *The Liar’s Club* and *Lit*. Long before she earned accolades for her genre-defining memoirs, Mary

Karr was winning poetry prizes. Now the beloved author returns with a collection of bracing poems as visceral and deeply felt and hilarious as her memoirs. In *Tropic of Squalor*, Karr dares to address the numinous—that mystery some of us hope towards in secret, or maybe dare to pray to. The "squalor" of meaninglessness that every thoughtful person wrestles with sits at the core of human suffering, and Karr renders it with power—illness,

death, love's agonized disappointments. Her brazen verse calls us out of our psychic swamplands and into that hard-won awareness of the divine hiding in the small moments that make us human. In a single poem she can generate tears, horror, empathy, laughter, and peace. She never preaches. But whether you're an adamant atheist, a pilgrim, or skeptically curious, these poems will urge you to find an inner light in the most baffling hours of darkness.
