Daddy-Long-Legs - Jean Webster 2020-06

The first Wednesday in every month was a Perfectly Awful Day—a day to be awaited with dread, endured with courage and forgotten with haste. Every floor must be spotless, every chair dustless, and every bed without a wrinkle. Ninety-seven squirming little orphans must be scrubbed and combed and buttoned into freshly starched gingham; and all ninety-seven reminded of their

manners, and told to say, "Yes, sir," "No, sir," whenever a Trustee spoke. It was a distressing time; and poor Jerusha Abbott, being the oldest orphan, had to bear the brunt of it. But this particular first Wednesday, like its predecessors, finally dragged itself to a close. Jerusha escaped from the pantry where she had been making sandwiches for the asylum's guests, and turned upstairs to accomplish her regular work. Her special care was room F, where eleven little tots, from four to seven, occupied eleven little cots set in a row. Jerusha assembled her charges, straightened their rumpled frocks, wiped their noses, and started them in an orderly and willing line toward the dining-room to engage themselves for a blessed half hour with bread and milk and prune pudding.

The Boy Who Granted Dreams - Luca Di Fulvio 2015-03-23
New York, 1909: Fifteen-year-old Cetta arrives on a freighter with nothing but her infant son Natale: strikingly blond, dark-eyed, and precocious. They've fled the furthest reaches of southern Italy with the dream of a better life in America. But even in the "Land of the Free," the merciless laws of gangs rule the miserable, poverty-stricken, and crime-filled Lower East Side. Only those with enough strength and conviction survive. As young Natale grows up in the Roaring Twenties, he takes a page from his crippled mother's book and finds he possesses a certain charisma that enables him to charm the dangerous people around him ... Weaving Natale's unusual life and quest for his one true love against the gritty backdrop of New York's underbelly, Di Fulvio proves yet again that he is a master storyteller as he constructs enticing characters ravaged by circumstance, driven by dreams, and awakened by destiny. Haunting and luminous, this masterfully written blend of romance, crime, and

historical fiction will thrill lovers of turn-of-the-century dramas like "Once Upon a Time in America" and "Gangs of New York." About the Author: Luca Di Fulvio as born in 1957 in Rome where he now works as an independent author. The Gravity of Us - Brittainy C. Cherry 2017-04-12

Graham Russell and I weren't made for one another. I was driven by emotion; he was apathetic. I dreamed while he lived in nightmares. I cried when he had no tears to shed. Despite his frozen heart and my readiness to run, we sometimes shared seconds. Seconds when our eyes locked and we saw each other's secrets. Seconds when his lips tasted my fears, and I breathed in his pains. Seconds when we both imagined what it would be like to love one another. Those seconds left us floating, but when reality knocked us sideways, gravity forced us to descend. Graham Russell wasn't a man who knew how to love, and I wasn't a woman who knew how to either. Yet if I had the chance to fall again, I'd fall with him forever. Even if we were destined to crash against solid ground.

A Read with Jenna Today Show Book Club Pick! "A richly observed novel, both ambitious and welcoming." -- Meg Wolitzer
An Instant New York Times Bestseller
Named a Best Book of the Month by Goodreads • Lithub • Refinery29 • InStyle • HelloGiggles • Real Simple • Parade • PureWow • Bustle
A sweeping yet intimate epic about one American family, *The Last Romantics* is an unforgettable exploration of the ties that bind us together, the responsibilities we embrace and the duties we resent, and how we can lose—and sometimes rescue—the ones we love. When the renowned poet Fiona Skinner is asked about the inspiration behind her iconic work, *The Love Poem*, she tells her audience a story about her family and a betrayal that reverberates through time. It begins in a big yellow house with a funeral, an iron poker, and a brief variation forever known as the Pause: a free and feral summer in a middle-class Connecticut town. Caught between the predictable life they once led and an uncertain future that stretches before them, the Skinner siblings—fierce Renee, sensitive Caroline, golden boy Joe and watchful Fiona—emerge from the Pause staunchly

loyal and deeply connected. Two decades later, the siblings find themselves once again confronted with a family crisis that tests the strength of these bonds and forces them to question the life choices they've made and ask what, exactly, they will do for love. A novel that pierces the heart and lingers in the mind, *The Last Romantics* is also a beautiful meditation on the power of stories—how they navigate us through difficult times, help us understand the past, and point the way toward our future.

The New Life - Orhan Pamuk 2011-08-05
'I read a book one day, and my whole life was changed.' So begins *The New Life*, Orhan Pamuk's fabulous road novel about a young student who yearns for the life promised by a dangerously magical book. On his remarkable journey, he falls in love, abandons his studies, turns his back on home and family, and embarks on restless bus trips through the provinces, in pursuit of an elusive vision. This is a wondrous odyssey, laying bare the rage of an arid heartland, from the bestselling author of *My Name is Red* and *Snow*. In coffee houses with black-and-white TV sets, on buses where passengers ride watching B-movies on flickering screens, in wrecks along the highway, in paranoid fictions with spies as punctual as watches, the magic of Pamuk's

creation comes alive. From a writer compared to Kafka, Nabakov, Calvino and García Márquez, *The New Life* documents the spiritual journey of a young student, who leaves his family behind in the name of love, life and literature.
