The Life of a Simple Man - Emile Guillaumin 2012-08-15

A classic in France, this moving first-person story can be read as a fictional account, as well as the best kind of material for historians of 19th-century French peasant life.

I–VI - John Cage 1997-11-14

Cage's contribution to Harvard's prestigious Norton Lecture Series in 1988-89. More like performances than lectures, these six mesotics - a complex horizontal arrangement of text to form vertical letter sequences that spell out key word- a kind of meticulously choreographed anarchy in which choce and chance join to redefine the concepts of meaning and meaningfulness.

Scars of Sweet Paradise - Alice Echols 2000-02-15

Janis Joplin was the skyrocket chick of the sixties, the woman who broke into the boys' club of rock and out of the stifling good-girl femininity of postwar America. With her incredible wall-of-sound vocals, Joplin was the voice of a generation, and when she OD'd on heroin in October 1970, a generation's dreams crashed and burned with her. Alice Echols pushes past the legacy Joplin-the red-hot mama of her own invention-as well as the familiar portrait of the screwed-up star victimized by the era she symbolized, to examine the roots of Joplin's musicianship and explore a generation's experiment with high-risk living and the terrible price it exacted. A deeply affecting biography of one of America's most brilliant and tormented stars, *Scars of Sweet Paradise* is also a vivid and incisive cultural history of an era that changed the world for us all.

Archa Verbi - Internationale Gesellschaft für Theologische Mediavistik
2007-04-16

Archa Verbi accepts articles and text editions which fall within the scope of the Society's objectives and thematic purpose. The Archa Verbi. Subsidia book series publishes monographs and conference proceedings originating from the wider area of the study of medieval theology. Manuscripts submitted to Archa Verbi undergo a double-blind peer review. Two senior scholars selected by the "scriptores" evaluate the quality of the research

and make recommendations concerning the study's suitability for publication. On the basis of the peer reviews the "scriptores", together with the "coetus editionis", render a decision concerning the publication of the manuscript. Authors will be notified of the decision and - where applicable - of the evaluator's recommendations and criticisms. If a manuscript is rejected, we strongly encourage resubmission of the article after careful revision, since each resubmission will be examined independent of the original review process. The review section of the yearbook discusses new books from the field of medieval theology and from those associated fields of study relevant to medieval theology. These associated disciplines are, in particular, Church History, History of Exegesis, History of Theology, History of Philosophy, History of Canon Law, and Art History, that are considered relevant insofar as they advance the study and knowledge of medieval theology.

Mr. Puntila and His Man Matti - Bertolt Brecht 1987

Warm Waters - Vlad Sokhin 2021-09-07

Documenting the devastating effects of global warming and climate change, Warm Waters is a multi-year photographic documentary across the Pacific and Arctic Oceans, from Northern Alaska to the remote outposts of New Zealand. The journey started in 2013 in Papua New

Guinea, where photographer Vlad Sokhin documented illegal logging and deforestation. In 2014, Sokhin covered the rise of sea levels, coastal erosion and the effects of El Niño in Papua New Guinea, Kiribati, Nauru, the Marshall Islands and Niue. In 2015, 2016 and 2018, he extensively covered the aftermath of tropical cyclones across Pacific island nations and delved deeper into documenting struggles of the affected communities, their resilience and adaptation to the realities of global warming. In 2019, he documented severe drought in Timor-Leste, caused by the weather anomalies. Warm Waters also looks at other environmental issues our planet is facing, such as climate migrants and their resettlement, permafrost melting, coral bleaching, and the need for renewable energy. The book shows the evidence of fight, adaptation, and hope of remote island and coastal communities. It takes you right into the lives of Inupiat and Yupik people in Alaska, and to the towns and villages that are being destroyed by the sea and coastal erosion on the Russian Kamchatka Peninsula. You will see how scientists work in the field, studying the effects of climate change, and how the people, affected by extreme weather conditions, are trying to survive and rebuild their lives after catastrophic events have ruined their land and homes. Warm Waters not only shows tragedy however; it shows the beauty of our planet, communities living in harmony with nature, and people that are tirelessly

working to protect their fragile shores from the biggest environmental threat ever they have ever faced.

A Winter Walk - Henry David Thoreau 2018-07

A Winter Walk Henry David Thoreau New England transcendentalist Henry David Thoreau's 1843 essay "A Winter Walk" is a loving celebration of winter and walking. Thoreau vividly renders the winter season, writing of its sparkling beauty, its purity, and its stillness, and perfectly describing the warmth, coziness, and cheer to be found back at the home hearth. This short work is part of Applewood's "American Roots," series, tactile mementos of American passions by some of America's most famous writers. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by

our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

On the Profit of Believing - St Augustine of Hippo 2019-06-27

Retract. i. cap. 14. Moreover now at Hippo-Regius as Presbyter I wrote a book on the Profit of Believing, to a friend of mine who had been taken in by the Manichees, and whom I knew to be still held in that error, and to deride the Catholic school of Faith, in that men were bid believe, but not taught what was truth by a most certain method. In this book I said, etc. * * *. This book begins thus, "Si mihi Honorate, unum atque idem videretur esse." St. Augustine enumerates his book on the Profit of Believing first among those he wrote as Presbyter, to which order he was raised at Hippo about the beginning of the year 391. The person for whom he wrote had been led into error by himself, and appears to have been recovered from it, at least if he is the same who wrote to St. Augustine from Carthage about 412, proposing several questions, and to whom St. Augustine wrote his 140th Epistle. Cassiodorus calls him a Presbyter, though at that time he was not baptized. In Epistle 83, St. Augustine speaks of the death of another Honoratus, a Presbyter. Towards the end of his life he also wrote his 228th Epistle to a Bishop of Thabenna of the

same name.- (Bened. Ed.)The remarks in the Retractations are given in notes to the passages where they occur.

Loki - Rebekah R Ganiere 2022-11-15

What happens when Loki falls for the one woman immune to his charms? Val has spent the last hundred years doing two things, protecting Princess Sutrelle of Muspelheim from her father, and hating the Norse Gods who forced her and her Valkyrie sisters to fight in Ragnarök. When she meets the God of Mischief at a Speed Dating event, the last thing she intends to do is fall for the man-whore, woman-using, Trickster God. But getting away from Loki isn't as easy as she had hoped because despite him being irritating, vain, and stubborn, he's also kind, understanding, and hotter than Hell itself. Val has a decision to make-let go of the past and embrace what could be a fantastic future with a sexy, rich playboy God, or settle for someone that the Fates didn't have in mind for her and save her heart from the possibility of the heartbreak of a lifetime. Loki is book seventeen in the Speed Dating with the Denizens of the Underworld shared world, filled with angst, revenge, arrogant trickster Gods, strong-willed warrior women, and more.

The Mists of Avalon - Marion Zimmer Bradley 2001-07-15

The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply

moving and at times uncanny experience. . . . An impressive achievement."—The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

Biting Bad - Chloe Neill 2013-08-06

Merit has been a vampire for only a short while, but she's already seen a lifetime's worth of trouble. She and her Master, centuries-old Ethan Sullivan, have risked their lives time and again to save the city they love. But not all of Chicago is loving them back. Anti-vampire riots are erupting all over town, striking vampires where it hurts the most. A splinter group armed with Molotov cocktails and deep-seated hate is intent on clearing the fanged from the Windy City come hell or high water. Merit and her allies rush to figure out who's behind the attacks, who will be targeted next, and whether there's any way to stop the wanton destruction. The battle for Chicago is just beginning, and Merit is running out of time.

Marie Calumet - Rodolphe Girard 1976

Marie Calumet is a light hearted, satirical account of rural life in the

fictional parish of Saint Ildefonse, Quebec, in 1860. The appearance of Suzon, an alluring adolescent of 17 and cousin to Curé Flavel produces a scandal. The priest is forced to look reality in the face. The novelty of Suzon's sensual presence is its appearance in a place where it is traditionally forbidden: this is the first instance of a woman becoming a disturbing element in the French-Canadian novel.

Natural History of Massachusetts - Henry David Thoreau 2018-06-23

Natural History of Massachusetts Henry David Thoreau Henry David Thoreau (see name pronunciation; July 12, 1817 - May 6, 1862) was an American essayist, poet, philosopher, abolitionist, naturalist, tax resister, development critic, surveyor, and historian. A leading transcendentalist, [2] Thoreau is best known for his book *Walden*, a reflection upon simple living in natural surroundings, and his essay "Civil Disobedience" (originally published as "Resistance to Civil Government"), an argument for disobedience to an unjust state. Thoreau's books, articles, essays, journals, and poetry amount to more than 20 volumes. Among his lasting

contributions are his writings on natural history and philosophy, in which he anticipated the methods and findings of ecology and environmental history, two sources of modern-day environmentalism. His literary style interweaves close observation of nature, personal experience, pointed rhetoric, symbolic meanings, and historical lore, while displaying a poetic sensibility, philosophical austerity, and Yankee attention to practical detail.[3] He was also deeply interested in the idea of survival in the face of hostile elements, historical change, and natural decay; at the same time he advocated abandoning waste and illusion in order to discover life's true essential needs. Africa Since 1935 - Unesco. International Scientific Committee for the Drafting of a General History of Africa 1999

Looks at the history of Africa since 1935 and Africa's relations with other continents during that time period.

On Roman Time - Michele Renee Salzman 1991-03-25

Because they list all the public holidays and pagan festivals of the age, calendars provide unique insights into the culture and everyday life of ancient Rome. The Codex-Calendar of 354 miraculously survived the Fall of Rome. Although it was subsequently lost, the copies made in the Renaissance remain invaluable documents of Roman society and religion in the years between Constantine's conversion and the fall of the Western Empire. In this richly illustrated book, Michele Renee Salzman establishes that the traditions of Roman art and literature were still very much alive in the mid-fourth century. Going beyond this analysis of precedents and genre, Salzman also studies the Calendar of 354 as a reflection of the world that produced and used it. Her work reveals the continuing importance of pagan festivals and cults in the Christian era and highlights the rise of a respectable aristocratic Christianity that combined pagan and Christian practices. Salzman stresses the key role of the Christian emperors and imperial institutions in supporting pagan rituals. Such

policies of accomodation and assimilation resulted in a gradual and relatively peaceful transformation of Rome from a pagan to a Christian capital.

A Walk to Wachusett - Henry David Thoreau 2018-06-28

A Walk to Wachusett Henry David Thoreau Thank you for checking out this book by Theophania Publishing. We appreciate your business and look forward to serving you soon. We have thousands of titles available,

and we invite you to search for us by name, contact us via our website, or download our most recent catalogues. Summer and winter our eyes had rested on the dim outline of the mountains in our horizon, to which distance and indistinctness lent a grandeur not their own, so that they served equally to interpret all the allusions of poets and travellers; whether with Homer, on a spring morning, we sat down on the many-peaked Olympus, or, with Virgil and his compeers, roamed the Etrurian and Thessalian hills, or with Humboldt measured the more modern Andes and Teneriffe. Thus we spoke our mind to them, standing on the Concord cliffs. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. Emerson's Nonlinear Nature - Christopher J. Windolph 2007-12-01

"Examines Emersonian naturalism from the standpoint of nonlinearity, offering new ways of reading and thinking about Emerson's stance toward nature and the influence of science on his thought. Windolph breaks new ground by exploring how considerations of shape and the act of seeing underpin all of Emerson's theories about nature"--Provided by publisher.

Thoreau's Reading - Robert Sattelmeyer 2016-04-19

Thoreau's Reading charts Henry Thoreau's intellectual growth and its relation to his literary career from 1833, when he entered Harvard College, to his death in 1862. It also furnishes a catalogue of nearly fifteen hundred entries of his reading, compiled from references and allusions in his published writings, journal, correspondence, library charging records, the catalogue of his personal library, and his many unpublished notebooks and commonplace books. This record suggests his literary and intellectual development as a youth primarily interested in classical and early English literature, who matured as a writer investigating contemporary and classical natural science, the history of the European discovery and exploration of North America, and the history of native Americans. The

catalogue provides bibliographical data for, and lists all Thoreau's references to, the books and articles that he read. The introductory essay traces the shifts in his literary career marked in the chronology of his reading. The book reveals a Thoreau who was deeply interested in and conversant with the major intellectual questions of his times and whose stance of withdrawal from his age masked a lively involvement with many of its most perplexing questions. Originally published in 1988. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

On the Good of Marriage - St. Augustine 2018-08

This treatise, and the following, were written against somewhat that still remained of the heresy of Jovinian. "Jovinianus," he says, "who a few years since tried to found a new heresy, said that the Catholics favored the Manichæans, because in opposition to him they preferred holy Virginity to Marriage."

The Harmony Of The Gospels (Annotated Edition) - St. Augustine of Hippo 2012

This is the extended and annotated edition including * an extensive biographical annotation about the author and his life Book I. The treatise opens with a short statement on the subject of the authority of the Evangelists, their number, their order, and the different plans of their narratives. Augustine then prepares for the discussion of the questions relating to their harmony, by joining issue in this book with those who raise a difficulty in the circumstance that Christ has left no writing of His own, or who falsely allege that certain books were composed by Him on the arts of magic. He also meets the objections of those who, in opposition to the evangelical teaching, assert that the disciples of Christ at once ascribe more to their Master than He really was, when they affirmed that He was God, and inculcated what they had not been instructed in by Him, when they interdicted the worship of the gods. Against these antagonists he vindicates the teaching of the Apostles, by appealing to the utterances of the Prophets, and by showing that the God of Israel was to be the sole object of worship, who also, although He was the only Deity to whom acceptance was denied in former times by the Romans, and that for the very reason that He prohibited them from worshipping other gods along with Himself, has now in the end made the Empire of Rome subject to His

Name, and among all nations has broken their idols in pieces through the preaching of the Gospel, as He had promised by His prophets that the event should be. Book II. In this book Augustine undertakes an orderly examination of the Gospel according to Matthew, on to the narrative of the Supper, and institutes a comparison between it and the other Gospels by Mark, Luke, and John, with the view of demonstrating a complete harmony between the four Evangelists throughout all these sections. Book III. This book contains a demonstration of the harmony of the Evangelists from the accounts of the Supper on to the end of the Gospel, the narratives given by the several writers being collated, and the whole arranged in one orderly connection. Book IV. This book embraces a discussion of those passages which are peculiar to Mark, Luke, or John.

Thoreau's Morning Work - H. Daniel Peck 1994-08-01

A Week on the Concord and Merrimack Rivers and Walden, the only works Thoreau conceived and brought to conclusion as books, bear a distinctively important relation to each other and to his Journal, the document whose twenty-four-year composition encompasses their development. In a brilliant new book, H. Daniel Peck shows how these three works engage one another dialectically and how all of them

participate in a larger project of imagination. "Morning work," a phrase from Walden, is the name Peck gives to this larger project. by it he means the work done by memory and perception as they act to shape Thoreau's emerging vision of a harmonious universe. Peck argues that the changing balance of memory and perception in the three works defines the unique literary character of each of them. He offers a major reevaluation of Walden, which he sees neither as the epitome of Thoreau's career (the traditional view) nor as an anomaly (the recent, revisionary view). Rather, he sees Walden as a pivotal work, reflecting the issues of loss and remembrance that earlier had found prominent expression in A Week and prefiguring the late Journal's vision of natural order. Focusing on the two-million-word Journal, Peck provides the first critical analysis that defines the essential forces and the imaginative coherence in its vast discursiveness. The consideration of memory and perception in Thoreau also leads peck to the issue of the writer's modernity, and he explores the ways in which Thoreau anticipates twentieth-century thought, especially in the works of such great objectivist philosophers as William James and Alfred North Whitehead.
