V-Oh! - Marc Cashman

2014-09-12

V-Oh! Reveals hundreds of practical and insightful tools that any voice actor-- from newbie to seasoned pro-- can use to give them an advantage in the competitive world of voiceover. Award-winning producer Marc Cashman takes his 35 years of experience in V-O production and examines it from different perspectives, offering new angles on mastering necessary skills, dealing with the business side of the industry, and showcasing realistic ways of navigating through the landscape of voiceover in the 21st century.

Minding Movies - David

Bordwell 2011-04-15

David Bordwell and Kristin Thompson are two of America's preeminent film scholars. You would be hard pressed to find a serious student of the cinema who hasn't spent at least a few hours huddled with their seminal introduction to the

field—Film Art, now in its ninth edition—or a cable television junkie unaware that the Independent Film Channel sagely christened them the “Critics of the Naughts.” Since launching their blog Observations on Film Art in 2006, the two have added web virtuosos to their growing list of accolades, pitching unconventional long-form pieces engaged with film artistry that have helped to redefine cinematic storytelling for a new age and audience. Minding Movies presents a selection from over three hundred essays on genre movies, art films, animation, and the business of Hollywood that have graced Bordwell and Thompson's blog. Informal pieces, conversational in tone but grounded in three decades of authoritative research, the essays gathered here range from in-depth analyses of individual films such as Slumdog Millionaire and Inglourious Basterds to adjustments of Hollywood media claims and forays into cinematic humor. For Bordwell

and Thompson, the most fruitful place to begin is how movies are made, how they work, and how they work on us. Written for film lovers, these essays—on topics ranging from Borat to blockbusters and back again—will delight current fans and gain new enthusiasts. Serious but not solemn, vibrantly informative without condescension, and above all illuminating reading, *Minding Movies* offers ideas sure to set film lovers thinking—and keep them returning to the silver screen.

Word of Mouth - Susan Blu
1998-03

Voice-overs, the audio portions of radio and TV commercials, can be an exciting and lucrative career for anyone who can master the technique. This book and accompanying tape explains everything one needs to know to do effective voice-overs and get jobs in this field.

The Authentic Actor - Michael Laskin
2015

Every year, thousands of actors struggle to navigate today's

film and TV business while also wanting to grow as performers, as artists. These actors tend to be risk-takers, mold-breakers, and are interested in defining who they are. They are looking for advice and guidance about art and about commerce. The *Authentic Actor* is for them. The actor's path today begins with two questions: Who are you? What do you know? Beginning with personal authenticity, *The Authentic Actor* reveals a holistic approach that fuses discovery of the “actor's fingerprint” with skills for managing performance, career, and life — as artist, businessperson, and citizen. It addresses the toughest subjects, from mastering auditions and ?dealing with representation to bouncing back from rejection and finding your “tribe” — all with the humor, and the no-b.s. voice of an experienced mentor. The goal? To help actors forge a professional career and meaningful life while never forgetting their artistic core.

Secrets of Voice-over Success -

Joan Baker 2005

The inside how-to scoop on the lucrative career of voice-over acting told by the top talents in the field, including voice-over actors from Law and Order, ABC News, The Today Show, and the Sopranos. An inspirational, real-world, practical handbook for anyone seeking a career in the highly lucrative field of voice-over acting.

Vo 101 - Gabrielle Nistico
2017-12-06

Used in my voiceover classes; this voiceover book is specifically designed for beginners with no previous voiceover knowledge. This book will help you to learn and understand: - How the business of VO operates - Industry Terms - Accent Loss & Improvement - Studio Technology & Studio Building - How to Create a Demo - How to Market & Sell Your Voice - Ways to Find Voiceover Work -

Plus over 20 Performance Lessons

The Intent to Live - Larry Moss 2004-12-28

“I call this book The Intent to Live because great actors don’t seem to be acting, they seem to be actually living.” -Larry Moss, from the Introduction
When Oscar-winning actors Helen Hunt and Hilary Swank accepted their Academy Awards, each credited Larry Moss’s guidance as key to their career-making performances. There is a two-year waiting list for his advanced acting classes. But now everyone—professionals and amateurs alike—can discover Moss’s passionate, in-depth teaching. Inviting you to join him in the classroom and onstage, Moss shares the techniques he has developed over thirty years to help actors set their emotions, imagination, and behavior on fire, showing how the hard work of preparation pays off in performances that are spontaneous, fresh, and authentic. From the foundations of script analysis

to the nuances of physicalization and sensory work, here are the case studies, exercises, and insights that enable you to connect personally with a script, develop your character from the inside out, overcome fear and inhibition, and master the technical skills required for success in the theater, television, and movies. Far more than a handbook, *The Intent to Live* is the personal credo of a master teacher. Moss's respect for actors and love of the actor's craft enliven every page, together with examples from a wealth of plays and films, both current and classic, and vivid appreciations of great performances. Whether you act for a living or simply want a deeper understanding of acting greatness, *The Intent to Live* will move, instruct, and inspire you.

The Voice Over Actor's Handbook - John Burr
2016-11-29

This voice over guide will teach you how to break down, understand, and read aloud

scripts for expert delivery. Prominent voice over coach John Burr developed this handbook when he recognized that his students didn't understand the fundamentals of the English language and grammar-the first step in analyzing voice over scripts. In this in-depth guide, you'll discover what it takes to become a successful voice over actor. You will acquire the skills to pronounce words clearly, pace yourself through a script, take pauses at appropriate times, and incrementally express emotion. As the chapters unfold, you will learn the importance of understanding the meaning of the script, how to compare and contrast, and how to handle dialogue and quotes. A section on language dynamics instructs readers on deciphering sentences within a script and highlighting the right words and phrases to communicate effectively. It gets into the nuts and bolts of language so that readers can understand how sentence structure and grammar affect delivery. You

will learn how to mark a script to ensure a consistent delivery from take to take. The Voice Over Actor's Handbook is the next best thing to having a voice over coach in your living room.

The Art of Acting - 1863

On Writing - Stephen King
2002-06-25

The author shares his insights into the craft of writing and offers a humorous perspective on his own experience as a writer.

Special Makeup Effects for Stage and Screen - Todd DeBreceni 2013

In the world of film and theatre, character transformation takes a lot of work, skill, and creativity. Dedicated solely to SFX, this

book will show you tips and techniques from a seasoned SFX makeup artist with years of film, TV, and theatrical experience. Not only will this book take you through the many genres that need a special effects makeup artist, like horror, fantasy, and sci-fi, but it will also tell you about the tools you will need, how to maintain your toolkit, how to take care of the actor's skin, and how to airbrush properly when HD is involved. The author shows you how to sculpt and mold your own makeup prosthetics, focusing on how human anatomy relates to sculpture to create the most realistic effects. Case studies feature some of today's top makeup artists including Neill Gorton, Christopher Tucker, Miles Teves, Jordu Schell, Mark Alfrey, Matthew Mungle, Christien Tinsely, Vittorio Sodano, and Mark Gabarino. Put your new techniques into practice right away and see how some of the looks from the book were achieved with the step-by-step tutorials on the must-have DVD. * Written by a

seasoned special effects make-up artist who has worked in both film and theatre * Gives you exclusive tips and techniques from some of the industry's most gifted artists * DVD tutorials show you step-by-step how to create the techniques from the book; also includes recipes to create makeup prosthetics, a list of suppliers, conversion charts, and bibliography

Voice-Over for Animation -

Jean Ann Wright 2013-07-24

The book provides information, exercises, and advice from professional voice-over artists. Now you can develop your own unique characters, and learn techniques to exercise your own voice gain the versatility you need to compete. You can also learn how to make a professional sounding demo CD, and find work in the field. The accompanying downloadable resources are professionally recorded, and

feature: scripts, Animation Talent Agent interviews, Casting Director interviews and Interviews with Animation Voice-Over Artists like Nancy Cartwright (Bart, The Simpsons) and Cathy Cavadini (Blossom, Power Puff Girls) and Bill Farmer (Goofy). This is an invaluable resource for animators and voice-over artists.

The Art of Voice Acting -

James R. Alburger 2019-03-25

The Art of Voice Acting covers all aspects of the craft and business of performing voiceover. This sixth edition is reorganized and completely updated to include the latest information on how to get started in voiceover, performing techniques, setting up a personal recording space, voiceover demos, the basics of running a voiceover business, working with agents, unions, and much more. Dozens of URL's are included with additional resources and several chapters include all new scripts written specifically for this edition. Two new chapters include contributions

from some of the voiceover world's top professionals. Additional content can be found on the Voice Acting Academy website at AOVA.VoiceActing.com. This is the perfect tool for aspiring voice performers, radio announcers, and stage and screen actors.

The Art of Character - David Corbett 2013-01-29
Former private investigator and New York Times notable author David Corbett offers a unique and indispensable toolkit for creating characters that come vividly to life on the page and linger in memory. Corbett provides an inventive, inspiring, and vastly entertaining blueprint to all the elements of characterization- from initial inspiration to realization-with special insights into the power of secrets and contradictions, the embodiment of roles, managing the "tyranny of motive," and mastering crucial techniques required for memorable dialogue and unforgettable scenes. This is a how-to guide for both aspiring and

accomplished writers that renders all other books of its kind obsolete.

Voice-over Voice Actor - Yuri Lowenthal 2009

Voice-Over Voice Actor is an in-depth look at the world of voice acting, and it is chock-full of hints, tips, tricks, and tools to help you find your voice, promote yourself, create a killer demo reel, nail auditions, learn what awaits you in the booth, and discover what it's like behind the mic. With anecdotes from over 20 VO professionals as well as practice copy and scripts, the book is jam-packed with facts and fun stories from working pros that will help steer you through the wild adventure that is voice-over.

A Practical Handbook for the Actor - Melissa Bruder 2012-04-25

This simple and essential book about the craft of acting describes a technique developed and refined by the authors, all of them young actors, in their work with Pulitzer Prize-winning playwright David Mamet, actor

W. H. Macy, and director Gregory Mosher. *A Practical Handbook for the Actor* is written for any actor who has ever experienced the frustrations of acting classes that lacked clarity and objectivity, and that failed to provide a dependable set of tools. An actor's job, the authors state, is to "find a way to live truthfully under the imaginary circumstances of the play." The ways in which an actor can attain that truth form the substance of this eloquent book.

Exit, Voice, and Loyalty - Albert O. Hirschman 1972-02-01

An innovator in contemporary thought on economic and political development looks here at decline rather than growth. Albert O. Hirschman makes a basic distinction between alternative ways of reacting to deterioration in business firms and, in general, to dissatisfaction with organizations: one, "exit," is for the member to quit the organization or for the customer to switch to the competing product, and the

other, "voice," is for members or customers to agitate and exert influence for change "from within." The efficiency of the competitive mechanism, with its total reliance on exit, is questioned for certain important situations. As exit often undercuts voice while being unable to counteract decline, loyalty is seen in the function of retarding exit and of permitting voice to play its proper role. The interplay of the three concepts turns out to illuminate a wide range of economic, social, and political phenomena. As the author states in the preface, "having found my own unifying way of looking at issues as diverse as competition and the two-party system, divorce and the American character, black power and the failure of 'unhappy' top officials to resign over Vietnam, I decided to let myself go a little."

The Art of Voice: Poetic Principles and Practice - Tony Hoagland 2019-03-05

An award-winning poet, teacher, and "champion of poetry" (New York Times)

demystifies the elusive element of voice. In this accessible and distilled craft guide, acclaimed poet Tony Hoagland approaches poetry through the frame of poetic voice, that mysterious connective element that binds the speaker and reader together. A poem strong in the dimension of voice is an animate thing of shifting balances, tones, and temperatures, by turns confiding, vulgar, bossy, or cunning—but above all, alive. The twelve short chapters of *The Art of Voice* explore ways to create a distinctive poetic voice, including vernacular, authoritative statement, material imagination, speech register, tone-shifting, and using secondary voices as an enriching source of texture in the poem. A comprehensive appendix contains thirty stimulating models and exercises that will help poets cultivate their craft. Mining his personal experience as a poet and analyzing a wide range of examples from Catullus to Marie Howe, Hoagland provides a lively introduction to

contemporary poetry and an invaluable guide for any practicing writer.

The Art of Voice Acting -

James R. Alburger 2011

Wow! I am reading your book *The Art of Voice Acting*, and I want you to know it was worth way more than the cover price!

The insights into the business, the A-B-Cs... it's all incredibly helpful. I was told by a producer in Vancouver, B.C., to get your book, he called it "The Voiceover Bible." He was so right! Gord Brooks Voice Services (Canada) Thank you for such a wonderful book!

Your sense of humor is delightful, the content is superbly detailed and your encouragement throughout is greatly appreciated. I wanted to let you know just how first-rate I think *The Art of Voice Acting* is. I have taken two (2) Master classes in the past year-and-a-half but I got more practical information in just the first few chapters of your book than from the seminars. Thank you again for sharing your expertise. Daria M. Dutzmann, voice actor Just a note of

thanks for your excellent book *The Art of Voice Acting*. I had the opportunity to do some radio spots today---and for the first time, started to touch on "voice acting" instead of "voice over." This really made a difference in my read---and the director was delighted! Eric Funk, President, Entertainment on Hold, Inc. I have been a successful voice over for about 10 years and recently bought and read *The Art of Voice Acting*. I must have been guided to do it! It was like receiving a (gentle) kick in my behind, spurring me to get reorganized, regvanized, newly inspired because---to say the truth---I was sitting on my laurels doing very little to perfect my skills or bring new life to my career. Now I feel full of new energy. This is what I call an inspired purchase!" Anna Rigano, professional voice actor (UK)

There's Money where Your Mouth is - Elaine A. Clark
2000

Voice-overs represent a potentially lucrative enterprise for anyone with vocal talent. A

well-connected voice actor can make as much in an hour as a stage actor can make in six weeks, and that's before the "residuals" are earned. The lucrative voice-over field is one of the best ways to pay the bills while exploring stage and screen work, or it can become a fascinating career in itself.

The Inner Voice - Renee Fleming
2005-09-27

The fascinating personal story of one of the most celebrated talents in today's music scene The star of the Metropolitan Opera's recent revival of Dvorak's *Rusalka*, soprano Renée Fleming brings a consummately beautiful voice, striking interpretive talents, and compelling artistry to bear on performances that have captivated audiences in opera houses and recital halls throughout the world. In *The Inner Voice*—a book that is the story of her own artistic development and the “autobiography” of her voice—this great performer presents a unique and privileged look at the making of a singer and offers hard-

won, practical advice to aspiring performance artists everywhere. From her youth as the child of two singing teachers through her years at Juilliard, from her struggles to establish her career to her international success, *The Inner Voice* is a luminous, articulate, and candid self-portrait of a contemporary artist—and the most revelatory examination yet of the performing life.

The Actor's Art and Craft -

William Esper 2008-12-10

William Esper, one of the leading acting teachers of our time, explains and extends Sanford Meisner's legendary technique, offering a clear, concrete, step-by-step approach to becoming a truly creative actor. Esper worked closely with Meisner for seventeen years and has spent decades developing his famous program for actor's training. The result is a rigorous system of exercises that builds a solid foundation of acting skills from the ground up, and that is flexible enough to be applied to any challenge an actor faces,

from soap operas to Shakespeare. Co-writer Damon DiMarco, a former student of Esper's, spent over a year observing his mentor teaching first-year acting students. In this book he recreates that experience for us, allowing us to see how the progression of exercises works in practice. *The Actor's Art and Craft* vividly demonstrates that good training does not constrain actors' instincts—it frees them to create characters with truthful and compelling inner lives.

[Rodney Saulsberry's Tongue](#)

[Twisters and Vocal Warm-Ups](#) -

Rodney Saulsberry 2015-04-16

Do you use your voice for work? Do you want to become a better voiceover actor, singer, or public speaker? This book, written by well-known and respected voice talent Rodney Saulsberry, contains fun and challenging tongue twisters and vocal warm-ups that prepare you to read commercial, promo, narration, trailer, and animation copy with the proper energy and vocal dexterity. Find Your Artistic Voice - Lisa Congdon 2019-08-06

An artist's unique voice is their calling card. It's what makes each of their works vital and particular. But developing such singular artistry requires effort and persistence. Bestselling author, artist, and illustrator Lisa Congdon brings her expertise to this guide to the process of artistic self-discovery. Featuring advice

from Congdon herself and interviews with a roster of established artists, illustrators, and creatives, this one-of-a-kind book will show readers how to identify and nurture their own visual identity, navigate the influence of artists they admire, push through fear and insecurity, and appreciate the value of their personal journey.

VO - Harlan Hogan 2014-08-05

One of the country's top voice-over talents shares his secrets of success in an insider's guide to the industry. Actors, broadcasters, and anyone who has longed to earn a living by speaking into a microphone will cherish this insightful and often hilarious glimpse at the business. Coverage includes: • Identifying natural talent • Training a voice to make it commercially viable • Gaining experience in smaller markets • Making a demo CD • Auditioning effectively • Locating and signing with an agent • Joining the appropriate unions • Negotiating contracts • Self-promoting to maximize exposure Reflecting the

quantum change that has occurred in the way voice-overs are recorded and cast in recent years, the updated Second Edition describes the advantages and disadvantages of auditioning and recording from home studios for clients around the world. This indispensable guide also addresses finding work in venues outside film and television, such as games, automated telephone systems, and websites. Aspiring and established voice-over actors will savor the behind-the-scenes details that show what actually happens during a voice-over recording session. Through it all, the author pairs performance tips with an expanded personal account of the crazed clients, practical jokes, and coincidences encountered on the long journey to success. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design,

theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

An Actor's Craft - David Krasner 2017-09-16

This inspirational guide for advanced acting students brings together multiple ways of creating excellence in performance. David Krasner provides tried and tested exercises, a history of actor training and explores the complex relationships between acting theories and teachers. Drawing on examples from personal experience as an actor, director and teacher, *An Actor's Craft* begins with the building blocks of mind, body and voice, moving through

emotional triggers and improvisation, to a final section bringing these techniques together in approaching a role. Each chapter contains accompanying exercises that the actor should practice daily. Combining theory and practice, this thought-provoking and challenging study of acting techniques and theories is for actors who have grasped the basics and now want to develop their knowledge and training further.

What Editors Do - Peter Ginna 2017-10-06

Essays from twenty-seven leading book editors: "Honest and unflinching accounts from publishing insiders . . . a valuable primer on the field." —Publishers Weekly Editing is an invisible art in which the very best work goes undetected. Editors strive to create books that are enlightening, seamless, and pleasurable to read, all while giving credit to the author. This makes it all the more difficult to truly understand the range of roles they inhabit while shepherding a project from concept to publication. What

Editors Do gathers essays from twenty-seven leading figures in book publishing about their work. Representing both large houses and small, and encompassing trade, textbook, academic, and children's publishing, the contributors make the case for why editing remains a vital function to writers—and readers—everywhere. Ironically for an industry built on words, there has been a scarcity of written guidance on how to approach the work of editing. Serving as a compendium of professional advice and a portrait of what goes on behind the scenes, this book sheds light on how editors acquire books, what constitutes a strong author-editor relationship, and the editor's vital role at each stage of the publishing process—a role that extends far beyond marking up the author's text. This collection treats editing as both art and craft, and also as a career. It explores how editors balance passion against the economic realities of publishing—and shows why, in

the face of a rapidly changing publishing landscape, editors are more important than ever. "Authoritative, entertaining, and informative."

—Copyediting

Actions - Marina Caldarone
2004

A vital companion for actors in rehearsal - a thesaurus of action-words to revitalise performance, with a foreword by Terry Johnson. Finding the right action is an essential part of the process of preparation for the actor. Using this thesaurus of active verbs, the actor can refine the action-word until s/he hits exactly the right one to help make the action come alive. The method of 'actioning' is widely used in rehearsal rooms, but has never before been set down in a systematic and comprehensive way. 'If you want to act, or act better, Actions will take you a long way on the journey to excellence' Terry Johnson

Screenwriting

Fundamentals - Irv Bauer
2016-11-03

Screenwriting Fundamentals:
The Art and Craft of Visual

Writing takes a step-by-step approach to screenwriting, starting with a blank page and working through each element of the craft. Written in an approachable anecdote-infused style that's full of humor, Bauer shows the writer how to put the pieces together, taking the process of screenwriting out of the cerebral and on to the page. Part One of the book covers character, location, time-frame and dialogue, emphasizing the particularity in writing for a visual medium. Part Two of the book focuses on the narrative aspect of screenwriting. Proceeding incrementally from the idea and story outline, through plotting and writing the treatment, the workshop-in-a-book concludes with writing the First Draft. A unique emphasis on the visual elements of storytelling because the camera is always present—the screenplay must act as a guide for the director and the editor. A "workshop in a book" approach that walks the reader step-by-step through a screenplay—focusing

on character, location, time frame, visual components, and transitions—with plenty of exercises that generate material for the narrative writing process. A process-oriented approach, combined with a lighthearted tone and approachable style, that allows the reader to ease into the daunting task of writing a First Draft and takes them all the way through to the end— First Draft in hand.

[The Art and Business of Acting for Video Games](#) - Julia Bianco Schoeffling 2022-07-06

The video game industry has experienced explosive growth over the past decade, and with that, opportunities have increased for actors to work in the medium. But these new opportunities bring up questions -- Where do you start? How is the process different than acting for film or television? What are casting directors and developers looking for? What skills do you need to focus on to succeed? Julia Bianco Schoeffling, a voice and performance capture casting director, has seen the

industry from every angle, and knows exactly what can make or break an actor's career in games. She pulls from over a decade of experience working on iconic franchises like Call of Duty, The Last of Us, Gears of War, and more to give you a blueprint for navigating this lesser-known industry. You'll learn everything you need to know to break in, including: - The history and the basics of the video game industry - The ins and outs of unions, contracts, and NDAs - Basic

gear to get started on a home studio - Best practices for your video game demos and auditions - The process from audition to booking - Tips on performance and motion capture Written in an approachable and informative style, *The Art and Business of Acting for Video Games* gives you the skills and tools that will set you apart in the audition pile. This first-of-its-kind guide is perfect for actors who want to take their craft into a new, exciting world.
