*Under One Roof* - Ali Hazelwood 2022-05-03

From the New York Times and Sunday Times bestselling author of *The Love Hypothesis* comes a new steamy, STEMinist novella... A scientist should never cohabit with her annoyingly hot nemesis - it leads to combustion. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... As an environmental engineer, Mara knows all about the delicate nature of ecosystems. They require balance. And leaving the thermostat alone. And not stealing someone else's food. And other rules Liam, her detestable big-oil lawyer of a roommate, knows nothing about. Okay, sure, technically she's the interloper. Liam was already entrenched in his aunt's house like some glowering grumpy giant when Mara moved in, with his big muscles and kissable mouth just sitting there on the couch tempting respectable scientists to the dark side...but Helena was her mentor and Mara's not about to move out and give up her inheritance without a fight. The problem is, living with someone means getting to know them. And the more Mara finds out about Liam, the harder it is to loathe him...and the easier it is to love him. To read Sadie and Hannah's stories look for the novellas *Stuck with You* and *Below Zero*. Ali Hazelwood's latest novel, *Love on the Brain* is out now.

*Private Peaceful* - Michael Morpurgo 2012-02-02

*The Hazel Wood* - Melissa Albert 2019-03-26

Welcome to Melissa Albert's *The Hazel Wood*—the fiercely stunning New York Times bestseller everyone is raving about! Seventeen-year-old Alice and her mother have spent most of Alice's life on the road, always a step ahead of the uncanny bad luck biting at their heels. But when Alice's grandmother, the reclusive author of a cult-classic book of pitch-dark fairy tales, dies alone on her estate, the Hazel Wood, Alice learns how bad

her luck can really get: Her mother is stolen away—by a figure who claims to come from the Hinterland, the cruel supernatural world where her grandmother's stories are set. Alice's only lead is the message her mother left behind: “Stay away from the Hazel Wood.” Alice has long steered clear of her grandmother's cultish fans. But now she has no choice but to ally with classmate Ellery Finch, a Hinterland superfan who may have his own reasons for wanting to help her. To retrieve her mother, Alice must venture first to the Hazel Wood, then into the world where her grandmother's tales began—and where she might find out how her own story went so wrong.

*The Book of Living Secrets* - Madeleine Roux 2022-03-08

Perfect for fans of *The Hazel Wood*, this genre-bending page-turner from New York Times bestselling author Madeleine Roux follows two girls who transport themselves into the world of their favorite book only to encounter the sinister alternate reality that awaits them. No matter how different best friends Adelle and Connie are, one thing they've always had in common is their love of a little-known gothic romance novel called *Moira*. So when the girls are tempted by a mysterious man to enter the world of the book, they hardly suspect it will work. But suddenly they are in the world of *Moira*, living among characters they've obsessed about for years. Except...all is not how they remembered it. The world has been turned upside down: The lavish balls and star-crossed love affairs are now interlaced with unspeakable horrors. The girls realize that something dark is lurking behind their foray into fiction—and they will have to rewrite their own arcs if they hope to escape this nightmare with their lives.

*The Fault in Our Stars* - John Green 2012-01-10

The beloved, #1 global bestseller by John Green, author of *The Anthropocene Reviewed* and *Turtles All the Way Down* “John Green is one of the best writers alive.” –E. Lockhart, #1 bestselling author of *We Were Liars* “The greatest romance story of this decade.” –Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-

shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

**The Parliament of Blood** - Justin Richards 2011-10-01

George Archer, Liz Oldfield and Eddie Hopkins have survived some rather frightening events in their lives, but things are about to get much scarier. They discover that vampires do exist, are intent on taking over London and ending the human race. Together with Sir William Protheroe, they must research ancient Egyptian mummies, a secret underground London gentlemen's club, and a well-known theatre actor to try and stop the vampires from overthrowing Parliament and taking over the world.

**The Sin Eater's Daughter** - Melinda Salisbury 2015-02-24

Seventeen-year-old Twylla lives in the castle. But although she's engaged to the prince, Twylla isn't exactly a member of the court. She's the executioner. As the Goddess embodied, Twylla instantly kills anyone she touches. Each month, she's taken to the prison and forced to lay her hands on those accused of treason. No one will ever love a girl with murder in her veins. Even the prince, whose royal blood supposedly makes him immune to Twylla's fatal touch, avoids her company. But then a new guard arrives, a boy whose easy smile belies his deadly swordsmanship. And unlike the others, he's able to look past Twylla's executioner robes and see the girl, not the Goddess. Yet Twylla's been promised to the prince, and knows what happens to people who cross the queen. However, a treasonous secret is the least of Twylla's problems. The queen has a plan to destroy her enemies, a plan that requires a stomach-churning, unthinkable sacrifice. Will Twylla do what it takes to protect her kingdom? Or will she abandon her duty in favor of a doomed love?

**All These Beautiful Strangers** - Elizabeth Klefoth 2018-07-10

"This is going to be big." -Entertainment Weekly "Juicy, clever, and beguiling." -Cecily von Ziegler, author of the Gossip Girl novels A young woman haunted by a family tragedy is caught up in a dangerous web of lies and deception involving a secret society in this highly charged, addictive psychological thriller that combines the dishy gamesmanship of Gossip Girl with the murky atmosphere of *The Secret History*. One summer day,

Grace Fairchild, the beautiful young wife of real estate mogul Alistair Calloway, vanished from the family's lake house without a trace, leaving behind her seven-year old daughter, Charlie, and a slew of unanswered questions. Years later, seventeen-year-old Charlie still struggles with the dark legacy of her family name and the mystery surrounding her mother. Determined to finally let go of the past, she throws herself into life at Knollwood, the prestigious New England school she attends. Charlie quickly becomes friends with Knollwood's "it" crowd. Charlie has also been tapped by the A's—the school's elite secret society well known for terrorizing the faculty, administration, and their enemies. To become a member of the A's, Charlie must play *The Game*, a semester-long, diabolical high-stakes scavenger hunt that will jeopardize her friendships, her reputation, even her place at Knollwood. As the dark events of past and present converge, Charlie begins to fear that she may not survive the terrible truth about her family, her school, and her own life.

**What the Woods Keep** - Katya de Berra 2018-09-18

What the Woods Keep is the stunning debut of Katya de Berra, who combines mystery, science fiction, and dark fantasy in a twisty story that will keep you mesmerized right up to the final page. On her eighteenth birthday, Hayden inherits her childhood home—on the condition that she uncover its dark secrets. Hayden tried to put the past behind her, and it worked. She's getting ready for college, living in a Brooklyn apartment, and hanging out with her best friend and roommate Del. But now it's all catching up with her: her mother's mysterious disappearance a decade before, her father's outlandish theories about a lost supernatural race, and Hayden's own dark dreams of strange symbols and rituals in the Colorado woods where she grew up. As soon as Hayden arrives at her hometown, her friend Del in tow, it begins: Neighbors whisper secrets about Hayden's mother; the boy next door is now all grown-up in a very distracting way; and Hayden feels the trees calling to her. And among them, deep in the woods, Hayden will discover something incredible—something that threatens reality itself. An Imprint Book "Blending mythology and a contemporary story of family drama, de Berra's debut novel is a narrative that will keep readers enthralled." —Booklist "Spooky atmospheric and moral ambiguity complement the blend of science and myth to create a thoughtful and compelling horror fantasy." —BCCB "This book glues you to the edge of your seat. The writing is powerful, with dashes of

humor to lighten the tension at just the right moments... One of the best sci-fi/horror/mysteries I've ever read.”  
—Derek Milman, author of *Scream All Night* “The characters in this debut novel are interesting and modern, particularly Hayden’s humorous, vibrant roommate... Adds a new angle to the “small town with a secret” genre.” —VOYA “A magical, intelligent twist on the Nibelungenlied epic, with elements of science, set in a real world that is frightening and wonderful. Highly recommended.” —Rena Rossner, author of *The Sisters of the Winter Wood* “What an amazing, creepy, spooktacular book! What the Woods Keep is a unique blend of fantasy, sci-fi, and horror story all rolled into one. It gave me shivers down my spine and kept me awake at night, both because of the chill factor and just because I couldn't wait to see what happened next. This book is everything you could want, from a spooky cabin in the woods to a massive conspiracy to a fantasy romance. Definitely check it out. It's so much fun in so many ways that you won't want to stop reading.”  
—Caryn Lix, author of *Sanctuary* “This book was so. damn. good. Lush and creepy, with a totally unique yet totally relatable heroine. I LOVED the way this book pinned logic and science against fantasy and primal fear—and managed to find the common ground between them in a deeply incisive way. A fast, frantic, fascinating read. Very highly recommended for anyone interested in mythology, psychology, or just some good scares.”  
—Maxine Kaplan, author of *The Accidental Bad Girl* “A stellar debut from a stellar author... De Becerra has a striking gift for description and using the setting to create atmosphere. The novel is haunting and the place is a character of its own... I loved every minute! I felt like the Colorado woods of Hayden's childhood were calling to me, as they were to her!” —Lucia DiStefano, author of *Borrowed* “An amazing, immersive contemporary fantasy with strong female characters, female friendships, and descriptions that will make you feel like you're walking alongside them.” —S. Gonzales, author of *The Law of Inertia* “Part fairy tale, part science fiction, part horror, this novel takes the best parts of these genres and blends them into something completely unique, satisfying, and new... Super smart and spooky, this story kept me on the edge of my seat from start to finish. A must read.” —Tara Gilboy, author of *Unwritten* “If you like howling winds, ominous birds, dark woods, clouds casting shadows over a perfectly creepy town, blood (okay, you don't have to like blood), cryptic messages, mystery, and intensely likeable heroines in the midst of it all... you will LOVE this book as much as I did. It was the perfect blend of sci-fi, mystery, and fantasy. But this is not your average fantasy. It's the kind of fantasy that makes you double-bolt the door before you go to bed and maybe even leave on a light or two to ward off the scary dreams. It's the kind of YA that reminded me of why I love YA in the first place.” —Dana L. Davis, author of *Tiffany Sly Lives Here Now* “A real high-tension page-turner with a dash of humor to give relief from holding your breath...” —Taryn Bashford, author of *The Harper Effect* “If you like eerie towns like in *Silent Hill* and scary science like in *Resident Evil*, then this is your jam.” —Maura Milan,

author of *Ignite the Stars* “The book pretty much had everything—friendship, mystery, creepiness, and a dash of romance. Trust me, you'll want to get lost in these woods!” —Candace Robinson, author of *Quinsey Wolfe's Glass Vault* and *The Bride of Glass*

**The Song of Wandering Aengus** - William Butler Yeats 2014

**Love on the Brain** - Ali Hazelwood 2022-08-23

From the New York Times bestselling author of *The Love Hypothesis* comes a new STEM-inist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired Jedi bringing balance to the mansplained universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing-eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—archenemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it's her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there's only one question that matters: What will Bee Königswasser do?

**Beetle Queen** - M.G. Leonard 2017-04-06

Cruel beetle fashionista, Lucretia Cutter, is at large with her yellow ladybird spies.

**Ghost Wood Song** - Erica Waters 2020-07-14

*Sawkill Girls* meets *The Hazel Wood* in this lush and eerie debut, where the boundary between reality and nightmares is as thin as the veil between the living and the dead. If I could have a fiddle made of Daddy's bones, I'd play it. I'd learn all the secrets he kept. Shady Grove inherited her father's ability to call ghosts from the grave with his fiddle, but she also knows the fiddle's tunes bring nothing but trouble and darkness. But when her brother is accused of murder, she can't let the dead keep their secrets. In order to clear his name, she's going to have to make those ghosts sing. Family secrets, a gorgeously resonant LGBTQ love triangle, and just the right amount of creepiness make this young adult debut a haunting and hopeful story about facing everything that haunts us in the dark.

**The Wanderers** - Kate Ormand 2015-09-01

A Unique Twist on Shape-Shifters with Fast-Paced Action, Thrilling Adventure, Mystery, and a Bit of Romance

Flo lives an eccentric life—she travels with a popular circus in which the main acts star orphaned children with secret shape-shifting abilities. Once Flo turns sixteen, she must perform, but she’s not ready. While practicing jumping a flaming hurdle in a clearing beside the circus, she spots a dark figure in the trees and fears he saw her shift. The news sends the circus into a panic. In Flo’s world, shifters are unknown to humans with the exception of a secret organization—the EOS, referred to as “hunters.” Hunters capture and kill. They send some shifters to labs for observation and testing—testing they don’t often survive—and deem others useless, a danger to society, and eliminate them. To avoid discovery, shifters travel in packs, constantly moving and keeping themselves hidden. Up until now, the circus was the perfect disguise. Believing she has brought attention to the group, Flo feels dread and anxiety, causing her to make a mistake in front of the audience during her performance—a mistake that triggers a violent attack from the hunters. Flo manages to flee the torched circus grounds with Jett, the bear shifter who loves her; the annoying elephant triplets; and a bratty tiger named Pru. Together they begin a new journey, alone in a world they don’t understand and don’t know how to navigate. On the run, they unravel secrets and lies that surround the circus and their lives—secrets and lies that all point to the unthinkable: Have they been betrayed by the people they trusted most? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

NEW YORK TIMES BESTSELLER A Most Anticipated Book of 2022 by Cosmopolitan, Goodreads, PopSugar, and more! From the author of the Goodreads Choice Award winner The Spanish Love Deception, the eagerly anticipated follow-up featuring Rosie Graham and Lucas Martín, who are forced to share a New York apartment. Rosie Graham has a problem. A few, actually. She just quit her well paid job to focus on her secret career as a romance writer. She hasn't told her family and now has terrible writer's block. Then, the ceiling of her New York apartment literally crumbles on her. Luckily she has her best friend Lina's spare key while she's out of town. But Rosie doesn't know that Lina has already lent her apartment to her cousin Lucas, who Rosie has been stalking—for lack of a better word—on Instagram for the last few months. Lucas seems intent on coming to her rescue like a Spanish knight in shining armor. Only this one strolls around the place in a towel, has a distracting grin, and an irresistible accent. Oh, and he cooks. Lucas offers to let Rosie stay with him, at least until she can find some affordable temporary housing. And then he proposes an outrageous experiment to bring back her literary muse and meet her deadline: He'll take her on a series of experimental dates meant to jump-start her romantic inspiration. Rosie has nothing to lose. Her silly, online crush is totally under control—but Lucas's time in New York has an expiration date, and six weeks may not be enough, for

either her or her deadline.

Period Piece. A Cambridge Childhood - Gwen Raverat 2022-07-21

'Period Piece' is a 1952 autobiographical memoir by Gwen Raverat focusing on her childhood in late 19th Century Cambridge society. Blood and Circuses - Lex Marinos 2014-07-01

From Kingswood Country to The Slap, and beyond - the warm, funny and surprising life of one of Australia's much-loved actors and broadcasters. In his early years on TV he was the 'wog' who was always being told to 'Leave the money on the fridge' by Ted Bullpitt in Kingswood Country. And ultimately he became the majestic patriarch, Manolis, in The Slap. Between times, he attended the birth of Triple J, ran the rugby league touchlines for ABC Sport, was a panellist on Andrew Denton's Live & Sweaty, offered drolleries on Strictly Dancing and directed one of the segments at the opening ceremony of the Sydney Olympics, as well as appearing in umpteen films and plays. Blood and Circuses is the wry and charming story of a young Greek Australian boy, whose family ran a cafe in Wagga Wagga in the 1950s and who dreamt of making his life in the theatre. It is a vivid account of a life lived to the full, beautifully written by a much-loved Australian.

Below Zero - Ali Hazelwood 2022-07-05

From the New York Times bestselling author of The Love Hypothesis comes a new steamy, STEMInist novella... It will take the frosty terrain of the Arctic to show these rival scientists that their chemistry burns hot. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... Hannah's got a bad feeling about this. Not only has the NASA aerospace engineer found herself injured and stranded at a remote Arctic research station—but the one person willing to undertake the hazardous rescue mission is her longtime rival. Ian has been many things to Hannah: the villain who tried to veto her expedition and ruin her career, the man who stars in her most deliciously lurid dreams...but he's never played the hero. So why is he risking everything to be here? And why does his presence seem just as dangerous to her heart as the coming snowstorm? To read Mara and Sadie's stories look for the novellas Under One Roof and Stuck with You available now from Berkley!

The Kingdom of Back - Marie Lu 2020-03-03

From #1 New York Times bestselling author Marie Lu comes a historical YA fantasy about a musical prodigy and the dangerous lengths she'll go to make history remember her--perfect for fans of Susanna Clarke and

The Hazel Wood. Two siblings. Two brilliant talents. But only one Mozart. Born with a gift for music, Nannerl Mozart has just one wish--to be remembered forever. But even as she delights audiences with her masterful playing, she has little hope she'll ever become the acclaimed composer she longs to be. She is a young woman in 18th century Europe, and that means composing is forbidden to her. She will perform only until she reaches a marriageable age--her tyrannical father has made that much clear. And as Nannerl's hope grows dimmer with each passing year, the talents of her beloved younger brother, Wolfgang, only seem to shine brighter. His brilliance begins to eclipse her own, until one day a mysterious stranger from a magical land appears with an irresistible offer. He has the power to make her wish come true--but his help may cost her everything. In her first work of historical fiction, #1 New York Times bestselling author Marie Lu spins a lush, lyrically-told story of music, magic, and the unbreakable bond between a brother and sister.

Steamy Romance Three-Book Collection - Helen Hoang 2022-01-06

Helen Hoang's three deliciously steamy romances in one convenient set. The Kiss Quotient It's high time for Stella Lane to settle down and find a husband - or so her mother tells her. But that's not such an easy task when you're on the autistic spectrum. To overcome her lack of dating experience, Stella decides to hire a male escort to teach her how to be a good girlfriend. Meanwhile, Michael uses his good looks and charm to make extra cash on the side. He has a very firm no repeat customer policy, but he's tempted to bend that rule when Stella approaches him with an unconventional proposal. The more time they spend together, the harder Michael falls for this disarming woman with a beautiful mind, while Stella discovers that love defies logic. The Bride Test Khai Diep thinks he's defective. His family knows better - that his autism means he just processes emotions differently. When he steadfastly refuses to consider a relationship, his mother heads to Vietnam to find him the perfect bride. Esme Tran has always felt out of place. So she can't turn down the opportunity to go to America and meet a potential husband, she can't turn it down. But seducing Khai doesn't go as planned. Esme's lessons in love seem to be working... but only on herself. She's hopelessly smitten with a man who's convinced he can never return her affection. As Esme's time in the United States dwindles, will Khai find the strength to let go, and let love in? The Heart Principle When violinist Anna Sun accidentally achieves career success with a viral YouTube video, she soon finds herself burned out. And when her longtime boyfriend announces he wants an open relationship before making a final commitment, a hurt and angry Anna decides to embark on a string of one-night stands. That's where tattooed, motorcycle-riding Quan Diep comes in. But being with Quan is more than sex - he accepts Anna on an unconditional level. Anna and Quan have to fight for their chance at love, but to do that, they also have to fight for themselves.

Stuck With You - Ali Hazelwood 2022-06-07

From the New York Times and Sunday Times bestselling author of *The Love Hypothesis* comes a new steamy, STEM-inist novella... Nothing like a little rivalry between scientists to take love to the next level. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... Logically, Sadie knows that civil engineers are supposed to build bridges. However, as a woman of STEM she also understands that variables can change, and when you are stuck for hours in a tiny New York elevator with the man who broke your heart, you earn the right to burn that brawny, blond bridge to the ground. Erik can apologize all he wants, but to quote her rebel leader - she'd just as soon kiss a Wookiee. Not even the most sophisticated of Sadie's superstitious rituals could have predicted such a disastrous reunion. But while she refuses to acknowledge the siren call of Erik's steely forearms or the way his voice softens when he offers her his sweater, Sadie can't help but wonder if there might be more layers to her cold-hearted nemesis than meet the eye. Maybe, possibly, even burned bridges can still be crossed... To read Mara and Hannah's stories look for the novellas *Under One Roof* and *Below Zero*. Ali Hazelwood's latest novel, *Love on the Brain* is out now.

**The Lost Ticket** - Freya Sampson 2022-08-30

Strangers on a London bus unite to help an elderly man find his missed love connection in the heartwarming new novel from the acclaimed author of *The Last Chance Library*. When Libby Nicholls arrives in London, brokenhearted and with her life in tatters, the first person she meets on the bus is elderly Frank. He tells her about the time in 1962 that he met a girl on the number 88 bus with beautiful red hair just like hers. They made plans for a date at the National Gallery art museum, but Frank lost the bus ticket with her number on it. For the past sixty years, he's ridden the same bus trying to find her, but with no luck. Libby is inspired to action and, with the help of an unlikely companion, she papers the bus route with posters advertising their search. Libby begins to open her guarded heart to new friendships and a budding romance, as her tightly controlled world expands. But with Frank's dementia progressing quickly, their chance of finding the girl on

the 88 bus is slipping away. More than anything, Libby wants Frank to see his lost love one more time. But their quest also shows Libby just how important it is to embrace her own chances for happiness—before it's too late—in a beautifully uplifting novel about how a shared common experience among strangers can transform lives in the most marvelous ways.

**Atlantic Hazel** - Alexandra M. Coppins 2013-09

**Feynman** - Jim Ottaviani 2011-08-30

Richard Feynman: physicist . . . Nobel winner . . . bestselling author . . . safe-cracker. In this substantial graphic novel biography, *First Second* presents the larger-than-life exploits of Nobel-winning quantum physicist, adventurer, musician, world-class raconteur, and one of the greatest minds of the twentieth century: Richard Feynman. Written by nonfiction comics mainstay Jim Ottaviani and brilliantly illustrated by *First Second* author Leland Myrick, Feynman tells the story of the great man's life from his childhood in Long Island to his work on the Manhattan Project and the Challenger disaster. Ottaviani tackles the bad with the good, leaving the reader delighted by Feynman's exuberant life and staggered at the loss humanity suffered with his death. Anyone who ever wanted to know more about Richard P. Feynman, quantum electrodynamics, the fine art of the bongo drums, the outrageously obscure nation of Tuva, or the development and popularization of the field of physics in the United States need look no further than this rich and joyful work. One of *School Library Journal's* Best Adult Books 4 Teens titles of 2011 One of *Horn Book's* Best Nonfiction Books of 2011

**Tears of a Tiger** - Sharon M. Draper 2013-07-23

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.
