The New Yorker - Harold Wallace Ross 2008-08

Shawn Mendes - Triumph Books 2016-11-01

With one world tour already under his belt, 18-year old pop star on the rise Shawn Mendes is set to take over the charts for years to come. First discovered on the popular social media app Vine, Mendes developed a following of millions online based on his incredible song-covers alone, which carried over in a big way for his smash-hit 2015 album, Handwritten. Debuting at No. 1 on the Billboard 200, he became the youngest artist to accomplish this feat since fellow-Canadian Justin Bieber in 2010. With his newest album, Illuminate, Mendes is still just scratching the surface of his huge talent. Shawn Mendes: Superstar Next Door is the ultimate tribute to the teen heartthrob with the voice of an angel and a must-have for true fans. Including nearly 100 full-color photographs, fans are provided a glimpse into this star's life — from his early days in Toronto making his mark on Vine and YouTube to his historic debut on the Billboard charts with Handwritten, capturing the hearts of listeners all over the world. This keepsake additionally explores Shawn's sold-out 2016 debut world tour, his unique and special relationship with his millions-

strong Mendes Army of fans, and his foray into the acting world. Also featuring a look ahead to what exciting things the future has in store for this pop superstar, Shawn Mendes: Superstar Next Door is an essential collectible for fans of this teen sensation.

Shawn Mendes - Malcolm Croft 2019-03-05

A backstage pass into Shawn's life

Billboard Music Week - 1972-04

Girls Can Kiss Now - Jill Gutowitz 2022-03-08

Named One of the Most Anticipated Books of 2022 by Vogue, BuzzFeed, Bustle, Marie Claire, Harper's Bazaar, Electric Lit, Thrillist, Glamour, CNN, and Shondaland "Wickedly funny and heartstoppingly vulnerable...every page twinkles with brilliance." —Refinery29 Perfect for fans of Samantha Irby and Trick Mirror, a funny, whip-smart collection of personal essays exploring the intersection of queerness, relationships, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowitz's life—for better and worse—has always been on a collision course with pop culture. There's the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the

soundtrack to the worst moments of her life. And of course, the pivotal day when *Orange Is the New Black* hit the airwaves and broke down the door to Jill's own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. *Girls Can Kiss Now* is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it points the way toward a joyous, uproarious, near—and very queer—future.

Billboard - 1968-11-16

How to Keep a Boy from Kissing You - Tara Eglington
2016-10-25

Sweet sixteen and never been kissed . . . That's Aurora Skye's big secret. And the way she wants it to stay. She's not going to give away her first kiss to just anyone. Busy dodging suitors and matchmaking for her best friends, Aurora (not so) patiently awaits her prince. But everything changes when Aurora is coerced into a lead role in the school production of *Much Ado about Nothing*. Which means she'll have to lock lips with her co-star Hayden Paris—the smart and funny boy next door who also happens to be the bane of her existence, always around to see her at her worst. Now Aurora is more determined than ever to have her first kiss with the one who's truly worthy of it. But first she'll have to figure

out just who that person is. Romantic and funny, Tara Eglington's *How to Keep a Boy from Kissing You* is a feel-good tale of finding love where you least expect it.

Billboard - 1997-04-12

Fat Boy No More - Marétha Marais 2021-09-30

David Miller is a fat boy. And he knows it. The bullying at school, the craving for those savoury, greasy, succulent dishes his mother cooks, the athletic look of his sister, 'Perfect Amelia': he experiences it all, every day, thanks to his sharp, although sometimes painful self-awareness and perceptiveness. One day, he just has had enough. And he decides to take control of the situation. As Captain James Kirk would say: I am the master of my fate; I am the captain of my soul. Inspired by her own and her friends' weight loss experiences and the realisation of how little control some children have over their parents' food choices, the story of *Fat Boy no More* is the perfect example of 'show, don't tell'; a realistic day-to-day narrative in which the reader will observe the growth of an insecure eleven-year-old boy with a passion for *Star Trek* into a determined, kind, and sensible young man. Sweet, ironic, moving, humorous, and often mouth-watering with its detailed, accurate descriptions of delicious and healthy recipes, *Fat Boy no More* will capture you at every page with vivid and realistic characters that grow, change, and live. Marétha Marais was born in Pietermaritzburg, KwaZulu-Natal, in 1968. After majoring in Communications and Criminology, she became a secretary at a Consulting Engineering Company. Thirty three years later she still works in the Construction industry as a Bid and Compliance Officer. A prolific reader for the first forty-nine years of

her life, she decided, when she turned fifty, to put her communications degree to good use and start writing children's fiction. Easier said than done – she is forever thankful to Nawaal D at Penguin Random House, who has convinced her not to give up and finish the Creative Writing Short Course. She successfully completed the course, and this has led to an invite from author Mike Nicol and Editor Claire Strombeck to participate in their Masterclass. In one year, she completed her first novel, *Fat Boy no More*, and is currently busy with the second instalment in the series – *Former Fat Boy*.

Carpenters - Mike Cidoni Lennox 2021-11-16

Introduction by Richard Carpenter The definitive biography of one of the most enduring and endeared recording artists in history—the Carpenters—is told for the first time from the perspective of Richard Carpenter, through more than 100 hours of exclusive interviews and some 200 photographs from Richard's personal archive, many never published. After becoming multimillion-selling, Grammy-winning superstars with their 1970 breakthrough hit "(They Long to Be) Close to You," Richard and Karen Carpenter would win over millions of fans worldwide with a record-breaking string of hits including "We've Only Just Begun," "Top of the World," and "Yesterday Once More." By 1975, success was taking its toll. Years of jam-packed work schedules, including hundreds of concert engagements, proved to be just too much for the Carpenters to keep the hits coming—and, ultimately, to keep the music playing at all. However, Richard and Karen never took their adoring public, or each other, for granted. In *Carpenters: The Musical Legacy*, Richard Carpenter tells his story for the first time. With candor, heart, and humor, he sheds new light on the Carpenters' trials and triumphs—work that remains the gold standard for melodic pop. This beautifully illustrated definitive biography, with exclusive interviews and never-before-seen photographs, is a must-have for any Carpenters fan.

[YouTube My Business](#) - Laura Maya 2019-02-18

Would you like to position your offline or online business for a whole new level of success while dominating the ultimate social media giant - "Youtube" that has taken the whole niche by the storm? Here is an excellent opportunity to leverage the power of YouTube and drive tons of revenue for your business. When it comes to Video, YouTube is the King! It is no doubt the world's largest video platform with billions of active users and new videos being uploaded every minute and your best channel for video marketing. The online video giant is available in 76 different languages and 88 countries. Hence, the exposure potential for your video content on YouTube continually provides one of the most effective marketing tools available – on a 24/7 basis each day. A YouTube video strategy is a must have, especially if you're marketing to global audiences. You can enjoy boosts in SEO, build your traffic and brand awareness, expand your social reach, market to audiences overseas, improve your ROI, and diversify your video marketing strategy with multiple channels. Whether your business is completely new to YouTube, or it is looking to maximize existing video campaigns, we have the tips & tricks to perfect your video marketing strategy and get the most out of using YouTube to market your business. So, here we are with our **Awesome YouTube My Business** course which covers: What are the Major YouTube Trends and Algorithm Changes to look out for the Future . How to Make Money on YouTube How to create a Robust YouTube Ad Strategy for this year How does Video Advertising work on YouTube Some latest tips on how to Get More Views on your YouTube channel The process of how to get your channel verified on YouTube this year Best YouTube Marketing Tips To Go Viral With Your Channel And much more! YouTube can change your marketing game. It might take your brand off the ground. YouTube is not only the second largest search engine besides Google, but it's rivalling Facebook as the largest social media platform ever – making advertising on YouTube more appealing than ever before. Hence, it is important that you understand how

the platform is evolving this year as well as the video marketing strategies. From a business perspective, it's hard to deny the effectiveness of video marketing. Businesses of all sizes can adopt a video marketing strategy as part of their inbound marketing strategy. It's no wonder why 81% of businesses use video as a marketing tool, which is up from 63% the year prior, according to last year's Wyzowl's State of Video Marketing survey. If you think that was impressive, wait until you hear this: It's ranked first over Netflix, Facebook, and Hulu, which got 29%, 10%, and 7% of votes, respectively. YouTube isn't just the favourite; it's more popular than the other three networks combined. YouTube has more than 50 million content creators churning out videos regularly. 180 million hours of video content is consumed there every day. There's no denying that YouTube has a massive potential audience with every video that goes live on this platform. And with this year just beginning to unfold, it's probably the best opportunity for you to go viral with your channel. Well, We have put together all the resources you need to tap into this incredible marketing potential. This guide is your go-to resource where you're going to learn how to make money from YouTube, video advertising, designing a robust YouTube marketing strategy, the latest YouTube SEO tactics, and so many other things that will set you up as a successful YouTuber.

Channel Kindness: Stories of Kindness and Community -

Born This Way Foundation Reporters with Lady Gaga 2020-09-22

Channel Kindness is a collection of fifty-one stories of kindness, bravery, and resilience from young people all over the world collected by the Born This Way Foundation and introduced by Lady Gaga. For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself and others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery, and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice, just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. Individually and collectively, the stories collected here prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.

21-Hit Wonder - Sam Hollander 2022-12-06

Rising up the charts seemed, at many points in Sam Hollander's career, highly unlikely. This is his story of failing his way to the top. As one of the most renowned, multi-platinum songwriters and producers in the game, Sam Hollander has written and produced for the likes of Panic! At The Disco, One Direction, Katy Perry, Ringo Starr, Def Leppard, Carole King, Weezer, blink-182, Jewel, Train, Fitz and the Tantrums, Billy Idol, Tom Morello, and many others. But before he was stacking Billboard hits, Hollander was piling up calamitous flops, false starts, and feeling like the world was moving on and up without him while he spun in place. Today he wears that decade of misses like a badge of honor. In 21-Hit Wonder, he's collected anecdotes from his wild music industry rollercoaster ride to help aspiring songwriters and other creatives learn about survival, endurance, scheming, hustle, and the importance of laughing even on the worst days of the journey. Music lovers spanning generations and genres will find stories about many of their heroes and industry icons. 21-Hit Wonder is one part chronicle of a songwriter's storied career and another part love letter to anyone who has been counted out—from no-hit wonders and one-hit wonders to the novelties and the never-beens—and just needs a bit of inspiration to persevere. Sam's inspiring story is proof that setbacks are just steps on the road to success.

Westwell - Bright & Dark - Lena Kiefer 2022-10-26

"Ich musste Helena vergessen, das wusste ich. Nur wusste ich eine Sache noch besser: dass es vollkommen unmöglich war." Helena vermisst Jess mit jeder Faser ihres Seins. Vor zwei Monaten musste sie die schwerste Entscheidung ihres Lebens treffen und sich von ihm trennen, und noch immer zerreißt ihr allein der Gedanke an ihn das Herz. Einzig ihre Nachforschungen zum Tod ihrer Schwester schaffen es, sie über Wasser zu halten. Doch als sie dabei auf eine Information stößt, die Jess' gesamte Welt auf den Kopf stellen könnte, bleibt ihr nichts anderes übrig, als erneut Kontakt mit ihm aufzunehmen. Jess ist außer sich, als er erfährt,

dass Helena im Todesfall ihrer Geschwister ermittelt, ist er doch überzeugt, dass sie sich dadurch in große Gefahr begibt. Daher beschließt er, ihr zu helfen - und obwohl beide wissen, dass sie nicht zusammen sein dürfen, ist es bald unmöglich, ihre Gefühle zu ignorieren ... "Fesselnd, emotional und voller Sehnsucht - die Geschichte von Helena und Jess zeigt, wie schmerzhaft und wunderschön zugleich eine verbotene Liebe sein kann."

Blood Pink - Gianluca Celentano 2021-03-31

Una città della Puglia. Foggia. Non quella che si potrebbe immaginare... La Foggia segreta, nascosta, un luogo orribile e mostruoso... Intrappolati in un'acquatica dimensione onirica quasi surreale, uno spazio... occulta misteri macchiati di sangue avvolti da toni di rosa, glassati dalla zuccherosa ricerca della bellezza e della perfezione. Si ha la sensazione di un tempo sviluppato in flashback. Un tornare indietro, trovando cosa? Errori di codifica, bug impastati di dolce, vellutata sensualità, alla ganache di cioccolato su indigesti ricordi. Una di quelle storie che non esistono. ... Ma che si avvertono, assaporandole lentamente. Gianluca Celentano è nato a Foggia nel 1998. Ama la letteratura, l'arte, le piante e la cultura giapponese. Sin da bambino scrive storie e sceneggiature. Attualmente studia lingue e letterature straniere all'Università di Chieti.

You're Not Enough (And That's Okay) - Allie Beth Stuckey
2020-08-11

From one of the sharpest Christian voices of her generation and host of the podcast Relatable comes a framework for escaping our culture of trendy narcissism—and embracing God instead. We're told that the key to happiness is self-love. Instagram influencers, mommy bloggers, self-help gurus, and even Christian teachers promise that if we learn to love ourselves, we'll be successful, secure, and complete. But the promise doesn't deliver. Instead of feeling fulfilled, our pursuit of self-love traps us in an exhausting cycle: as we strive for self-acceptance, we become addicted to self-improvement. The truth is we can't find satisfaction inside ourselves because we are the problem. We struggle with feelings of inadequacy because we are inadequate. Alone, we are not good enough, smart enough, or beautiful enough. We're not enough--

period. And that's okay, because God is. The answer to our insufficiency and insecurity isn't self-love, but God's love. In Jesus, we're offered a way out of our toxic culture of self-love and into a joyful life of relying on him for wisdom, satisfaction, and purpose. We don't have to wonder what it's all about anymore. This is it. This book isn't about battling your not-enoughness; it's about embracing it. Allie Beth Stuckey, a Christian, conservative new mom, found herself at the dead end of self-love, and she wants to help you combat the false teachings and self-destructive mindsets that got her there. In this book, she uncovers the myths popularized by our self-obsessed culture, reveals where they manifest in politics and the church, and dismantles them with biblical truth and practical wisdom.

The End of Youth Ministry? (Theology for the Life of the World) - Andrew Root 2020-03-17

What is youth ministry actually for? And does it have a future? Andrew Root, a leading scholar in youth ministry and practical theology, went on a one-year journey to answer these questions. In this book, Root weaves together an innovative first-person fictional narrative to diagnose the challenges facing the church today and to offer a new vision for youth ministry in the 21st century. Informed by interviews that Root conducted with parents, this book explores how parents' perspectives of what constitutes a good life are affecting youth ministry. In today's culture, youth ministry can't compete with sports, test prep, and the myriad other activities in which young people participate. Through a unique parable-style story, Root offers a new way to think about the purpose of youth ministry: not happiness, but joy. Joy is a sense of experiencing the good. For youth ministry to be about joy, it must move beyond the youth group model and rework the assumptions of how identity and happiness are imagined by parents in American society.

Stitches Sheet Music - Shawn Mendes 2015-11-01

(Piano Vocal). This sheet music features an arrangement for piano

and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

The Directory of American 45 R.p.m. Records - Ken Clee 1997

The Kissing Booth - Beth Reekles 2013-04-09

NOW A NETFLIX MOVIE STARRING JOEY KING AND JACOB ELORDI!
Read the first book in the Kissing Booth series for some fun, fresh romance from Beth Reekles. Meet Rochelle “Elle” Evans: pretty, popular—and never been kissed. Meet Noah Flynn: badass, volatile—and a total player. When Elle decides to run a kissing booth at her school's Spring Carnival, she locks lips with Noah and her life is turned upside down. Her head says to keep away, but her heart wants to draw closer. This romance seems far from a fairy tale. Is Elle headed for heartbreak or will she get her happily ever after? Don't miss the next two books in the series: -The Kissing Booth #2: Going the Distance -The Kissing Booth #3: One Last Time (on sale August 2021)

Entrepreneurship - Heidi M. Neck 2019-11-08

Recipient of a 2021 Textbook Excellence Award from the Textbook & Academic Authors Association (TAA) Entrepreneurship: The Practice and Mindset catapults students beyond the classroom by helping them develop an entrepreneurial mindset so they can create opportunities and take action in uncertain environments. Based on the world-renowned Babson Entrepreneurship program, this text emphasizes practice and learning through action. Students learn entrepreneurship by taking small actions to get feedback, experiment, and move ideas forward. They will walk away from this text with the entrepreneurial mindset, skillset, and toolset that can be applied to startups as well as organizations of all kinds. Whether your students have backgrounds in business,

liberal arts, engineering, or the sciences, this text will take them on a transformative journey and teaches them crucial life skills. The Second Edition includes a new chapter on customer development, 15 new case studies, 16 new Mindshift Activities and 16 new Entrepreneurship in Action profiles, as well as expanded coverage of prototyping, incubators, accelerators, building teams, and marketing trends. This title is accompanied by a complete teaching and learning package.

Switched on Pop - Nate Sloan 2019-12-13

Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published What to Listen for in Music, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the

musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in *Switched on Pop*.

[The Billboard Albums](#) - Joel Whitburn 2006

A 50-year history of the rock era, including every album that made "The Billboard 200" chart - over 25,000! This amazing reference source provides an artist-by-artist listing of every album that charted in Billboard from 1956 through December 31, 2005. Also features many bonus sections, including a top 500 artists ranking, chronological listing of all #1 albums, the top 100 albums of all time, top artists by decade, albums of longevity, and more. Includes album cover photos, artist biographies, and many other statistics.

Poor and Homeless in the Sunshine State - James Wright
2017-07-05

A place like Orlando, Florida is not transformed from swampland to sprawling metropolis through Peter Pan-like flights of fancy, but through theme park expansions requiring developmental schemes that are tough minded and often worsen relationships between the wealthy and the poor. The homeless arrive with their own hopes and illusions, which are soon shattered. The rest of the local population makes its peace with the system. Meanwhile the homeless are reduced to advocacy models that neither middle-nor working-class folks much worry about. They are modern members of Ellison's "invisible men" but they comprise a racial and social mixture unlike any other in the American landscape. This book is primarily about the dark side of this

portrait of the poor, near-poor, homeless, and dispossessed who live in the midst of this verdant landscape. The phrase "down and out," has been used to describe people who are destitute or penniless since the late nineteenth century. Here the term is used in a more expansive sense, as synonymous with anyone who lives near, at, or over the edge of financial catastrophe.

Toute ma musique de « Yesterday and Today » - Luc A. Granger
2023-07-13

Détrompez-vous, ceci n'est pas une encyclopédie sur la musique, loin de là. C'est, tout simplement une compilation commentée de la musique, tous formats confondus, que j'ai aimée et que j'aime encore. Si vous êtes comme moi un baby-boomer, vous vous retrouverez en terrain connu, sinon, peut-être y ferez-vous des découvertes intéressantes. J'espère que votre exploration sera aussi plaisante que le fut ma replongée dans tout mon passé musical. C'est du moins le souhait que je formule. Bonne lecture !

Social Media Influencers - The New York Times Editorial Staff
2019-12-15

Many popular social media websites and apps have one thing in common: celebrities looking to be worshipped. These social

influencers come from all walks of life, and cater to young demographics with content including comedy routines, make-up advice, product reviews, and music videos. Watched by millions of viewers worldwide, they create diversion, provide commentary, endorse brands, and sometimes inspire the wrath of governments. With the aid of media literacy terms and questions, readers will discover how this comprehensive collection of articles reveals the ins and outs of internet commerce and culture.

Billboard - 1997-05-10

Shawn Mendes uncovered - Nadine Taylor 2019-03-04

Shawn Mendes lies on the wooden floor in a lonely hut deep in the forest, completely isolated from the outside world. In the background the sound of a piano. His eyes are closed, his hands are holding a notebook, he is singing softly to himself – Shawn is texting the songs for his second album. Together with seven other musicians, he moved to an isolated space. In this relaxed atmosphere, his biggest hits come to life: "There's Nothing Holdin' Me Back" and "Treat You Better." Shawn Mendes did not just storm the charts with his music, he did also conquer the hearts of his fans worldwide. This book brings you up close to the singer with many stories, insider information and pictures.

[The Jesus I Know](#) - Kathie Lee Gifford 2021-11-30

New York Times bestselling author Kathie Lee Gifford reveals heartwarming, entertaining conversations between people and personalities who both agree and disagree about who Jesus is, his role throughout history, and his presence in our lives today. For decades Kathie Lee has had deep conversations about her faith with anyone who is interested in talking about it. What she

discovered early on is most people are very willing to talk about Jesus: atheists, agnostics, Scientologists, Jews, broken-hearted Catholics, confused Baptists, Pentecostals, Sikhs, Buddhists, and Hindus alike. While some of the people Kathie Lee has spoken with do not share her belief that Jesus is the Messiah—as prophesied for centuries by prophets in the Hebrew scriptures—they nonetheless have a universal fascination with Him. This singular man who lived more than two thousand years ago, and never traveled more than one hundred miles from where He was born, managed to change the entire world. Even the way we delineate history (BC/AD) comes from His short thirty-three years of life. In *The Jesus I Know*, Kathie Lee shares cherished conversations that she's had with others who find Jesus to be an ancient historical figure who somehow continues to be an undeniably magnetic, relevant presence in the modern world. Those conversations include actors like Kristin Chenoweth and Cynthia Garrett, with stories of Craig Ferguson and Kevin Costner, newsmakers and news personalities like Kris Jenner, Megyn Kelly, Jason Kennedy, and Janice Dean, performers like Chynna Phillips Baldwin, Brian Welch, Jimmie Allen, and Jimmy Wayne, hitmakers like Louis York and David Pomeranz, as well as those coming from other faith traditions. Using Kathie Lee's favorite Scripture passages as scaffolding, these thought-provoking exchanges will bring His teachings to life before your very eyes.

Finlay Donovan Is Killing It - Elle Cosimano 2021-02-02

"Getting the job done" for one single mom takes on a whole new meaning in Finlay Donovan's *Killing It*. One of *Suspense Magazine's* "Best Thrillers of 2021" One of New York Public Library's Best Books of 2021 Nominated for the Left Coast Crime 2022 Lefty Award for the Best Humorous Mystery "Funny and smart, twisty and surprising."—Megan Miranda Finlay Donovan is killing it . . . except, she's really not. She's a stressed-out single-mom of two and struggling novelist, Finlay's life is in chaos: the new book she promised her literary agent isn't written, her ex-husband fired the nanny without telling her, and this morning she had to send her four-year-old to school with hair duct-taped to her head after an incident with scissors. When Finlay is overheard discussing the plot of her new suspense novel with her agent over lunch, she's mistaken for a contract killer, and inadvertently accepts an offer to dispose of a problem husband in order to make ends meet . . . Soon, Finlay discovers that crime in real life is a lot more difficult than its fictional counterpart, as she becomes tangled in a real-life murder investigation. Fast-paced, deliciously witty, and wholeheartedly authentic in depicting the frustrations and triumphs of motherhood in all its messiness, hilarity, and heartfelt moment, *Finlay Donovan Is Killing It* is the first in a brilliant new series from YA Edgar Award nominee Elle Cosimano.

The Poetry of Pop - Adam Bradley 2017-03-28

A trailblazing exploration of the poetic power of popular songs, from Tin Pan Alley to the Beatles to Beyoncé and beyond. Encompassing a century of recorded music, this pathbreaking book reveals the poetic artistry of popular songs. Pop songs are music first. They also comprise the most widely disseminated poetic expression of our time. Adam Bradley traces the song lyric across musical genres from early twentieth-century Delta blues to mid-century rock 'n' roll to today's hits. George and Ira Gershwin's "Fascinating Rhythm." The Rolling Stones' "(I Can't Get No) Satisfaction." Rihanna's "Diamonds." These songs are united in their exacting attention to the craft of language and sound.

Bradley shows that pop music is a poetry that must be heard more than read, uncovering the rhythms, rhymes, and metaphors expressed in the singing voice. At once a work of musical interpretation, cultural analysis, literary criticism, and personal storytelling, this book illustrates how words and music come together to produce compelling poetry, often where we least expect it.

Hivemind - Sarah Rose Cavanagh 2019-09-03

At the crossroads between *The Shallows* and *Presence*, *Hivemind* is a provocative look at how communities can sync up around shared ideas, and how this hive mentality is contributing to today's polarized times. *Hivemind*: A collective consciousness in which we share consensus thoughts, emotions, and opinions; a phenomenon whereby a group of people function as if with a single mind. Our views of the world are shaped by the stories told by our self-selected communities. Whether seeking out groups that share our tastes, our faith, our heritage, or other interests, since the dawn of time we have taken comfort in defining ourselves through our social groups. But what happens when we only socialize with our chosen group, to the point that we lose the ability to connect to people who don't share our passions? What happens when our tribes merely confirm our world view, rather than expand it? We have always been a remarkably social species—our moods, ideas, and even our perceptions of reality synchronize without our conscious awareness. The advent of social media and smartphones has amplified these tendencies in ways that spell both promise and peril. Our hiveish natures benefit us in countless ways—combatting the mental and physical costs of loneliness, connecting us with collaborators and supporters, and exposing us to entertainment and information beyond what we can find in our literal backyards. But of course, there are also looming risks—echo chambers, political polarization, and conspiracy theories that have already begun to have deadly consequences. Leading a narrative journey from the site of the Charlottesville riots to the boardrooms

of Facebook, considering such diverse topics as zombies, neuroscience, and honeybees, psychologist and emotion regulation specialist Sarah Rose Cavanagh leaves no stone unturned in her quest to understand how social technology is reshaping the way we socialize. It's not possible to turn back the clocks, and Cavanagh argues that there's no need to; instead, she

presents a fully examined and thoughtful call to cut through our online tribalism, dial back our moral panic about screens and mental health, and shore up our sense of community. With compelling storytelling and shocking research, Hivemind is a must-read for anyone hoping to make sense of the dissonance around us.
