*Real-resumes for Jobs in
Nonprofit Organizations*

- Anne McKinney 2004

Ask people who have worked in a nonprofit organization about resume preparation and they will tell you that resumes and cover

letters for their particular needs are highly specialized! That's why this book will be of enormous value to those who seek employment in the nonprofit world or who want to transition out

of the nonprofit world and want to present their experience in nonprofit environments. The book includes resumes for folks who have worked in national trade associations and in nonprofit environments such as the United Way, Salvation Army, the American Cancer Society, and many similar organizations. A special section on the federal hiring process also shows the reader how to apply for federal government employment and there are samples of the specialized resumes and applications used in the federal hiring process. So whether you are entering the nonprofit arena, transferring skills out of the nonprofit world, or seeking federal employment, you will find this book useful.

Success in Navigating Your Student Research Experience - Aaron M. Ellison 2022-09-05

This book is a complete guide for students on how to make the most of intensive, experiential research outside a college classroom. Engaging in research as an undergraduate can lead to successful and rewarding careers in science, technology, engineering, mathematics, and medicine (STEMM). Being successful in an undergraduate research experience benefits from the self-awareness and planning, strategies and skills that Success in Navigating your Student Research Experience can help you build and develop. The first part of this book describes strategies and processes for finding, applying, and preparing for an undergraduate research experience that matches your own needs and interests. These strategies are useful for any student, but are

particularly helpful for individuals who have been minoritized in STEMM or are the first in their family to attend college. The central part of the book presents the undergraduate research experience as a “three-legged stool” whose legs—research, education, and community—each have unique values in advancing your path in STEMM. The last part of the book illustrates the many options for continuing and expanding your path in research. These range from communicating results to colleagues to moving forward with graduate studies and careers in STEMM, in which you can become a mentor to the next generation of students. This book is the student’s companion to the authors’ book for mentors, “Success in Mentoring your Student

Researchers: Moving STEMM Forward.”

Making Sense of the Social World - Daniel F. Chambliss 2010

Making Sense of the Social World is an engaging and innovative introduction to social research for students who need to understand methodologies and results, but who may never conduct the research themselves. It provides a balanced treatment of qualitative and quantitative methods, integrating substantive examples and research techniques, and is written in a less formal style than many comparable texts, with examples drawn from everyday experience: a text that students actually like to read!The text covers all the essential elements of social research methods including validity, causation, experimental and quasi-

experimental design, and techniques of analysis - topics cited as most challenging for students. A student study site with journal articles and online interactive exercises, and chapter examples with emphasis on everyday experiences and current newsworthy issues assist student's understanding. This Third Edition now contains:- A new chapter with revised material on evaluation research- A new chapter on research ethics.- More contemporary web-based research instruction.- Updated End-of-chapter exercises, including new ethics exercises.- Boxed features: "When Things Go Wrong in Social Research"

The Internship Bible - Mark Oldman 2005-01-25 Lists internship opportunities in a variety of fields, giving information about

selectivity, compensation, deadlines, and duration.

Catalog of Federal Domestic Assistance - 2012

Real-resumes for Social Work & Counseling Jobs - Anne McKinney 2002

Title shows resumes and cover letters of people who wish to enter the social work field, advance in it, or exit from it into new careers. Job hunting strategies are discussed. There is also a section which shows how to transition out of social work into new fields and industries. There are more than 100 "real" resumes and cover letters shown which were used by real people to

find occupations in the social work or counseling field, and the purpose of the book is to give models for people to use in creating their own resumes and cover letters tailored to social work and counseling. Included are resumes of case worker, counselor, human services counselor, victim advocate, youth services specialist, family services case worker, income maintenance counselor, and many others.
