Research Anthology on Digital Transformation, Organizational Change, and the Impact of Remote Work - Management Association, Information Resources 2020-10-30

As the use of remote work has recently skyrocketed, digital transformation within the workplace has gone under a microscope, and it has become abundantly clear that the incorporation of new technologies in the workplace is the future of business. These technologies keep businesses up to date with their capabilities to perform remote work and make processes more efficient and effective than ever before. In understanding digital transformation in the workplace there needs to be advanced research on technology, organizational change, and the impacts of remote work on the business, the employees, and day-to-day work practices. This advancement to a digital work culture and remote work is rapidly undergoing major advancements, and research is needed to keep up with both the positives and negatives to this transformation. The **Research Anthology on Digital Transformation, Organizational Change, and the Impact of Remote Work** contains hand-selected, previously published research that explores the impacts of remote work on business workplaces while also focusing on digital transformation for improving the efficiency of work. While highlighting work technologies, digital practices, business management, organizational change, and the effects of remote work on employees, this book is an all-encompassing research work intended for managers, business owners, IT specialists, executives, practitioners, stakeholders, researchers, academicians, and students interested in how digital transformation and remote work is affecting workplaces.

Criminal Law: The General Part - Anyangwe, Carlson 2015-09-23

This is a comprehensive, insightful, lucid, intense and unrivalled text on the general part of the criminal law in Cameroon. Beginning with an account of the historical development of the criminal law generally, the author proceeds to analyse and discuss in detail the principles governing application of the criminal law, criminal responsibility, participation in crime, penalties, and sentencing. These principles are broadly the same in other jurisdictions. The book balances theoretical content with case-law illustrations to enhance readability, comprehension and assimilation. It is an invaluable source and essential reading for law students and teachers, and lawyers in private practice and government service.

Road Sector Investment Programme II - Zambia. Ministry of Communications and Transport 2003

Inside Coca-Cola - Neville Isdell 2011-10-25

The first book by a Coca-Cola CEO tells the remarkable story of the company's revival. Neville Isdell was a key player at Coca-Cola for more than 30 years, retiring in 2009 as CEO after regilding the tarnished brand image of the world's leading soft-drink company. This first book by a Coca-Cola CEO tells an extraordinary personal and professional world-wide story, ranging from Northern Ireland to South Africa to Australia, the Philippines, Russia,

Germany, India, South Africa and Turkey. Isdell helped put out huge public relations fires (India and Turkey), opened markets (Russia, Eastern Europe, Philippines and Africa), championed Muhtar Kent, the current Turkish-American CEO, all while living the ideal of corporate responsibility. Isdell's, and Coke's, story is newsy without being gossipy; principled without being preachy. Inside Coca-Cola is filled with stories and lessons appealing to anybody who has ever taken "the pause that refreshes." It's also a readable and important look at how companies can market and govern themselves more-ethically and to great success.

The Highway Code - Driving Standards Agency 2004-05-24

This publication contains official guidance on correct road usage, applicable to all road users. Many of the rules of the Code are legal requirements and failure to comply with them constitutes a criminal offence. It provides information for drivers, pedestrians, cyclists, motorcyclists and horse riders, including instructions concerning animals, driving in adverse weather conditions, motorway driving, parking, breakdowns and accidents, road works and railway level crossings, signals and traffic signs, road and vehicle markings, vehicle maintenance safety and security, licence requirements and documentation, and first aid on the road. This updated edition also covers recent changes in legislation (2004), including regulations on the use of mobile phones. ISBN 0115526986 supersedes the 2004 revised ed. (ISBN 0115524495). Please note that ISBN 0115526986 does NOT include any new content and will not be sent to TSO Select or standing order customers who have already received ISBN 0115524495.

Principles of Infrastructure - Hideo Nakamura 2019-09-24

Infrastructure is a priority around the world for all stakeholders.

Infrastructure projects can continue for several years, from planning and construction to the provision of services. As development in Asia and the Pacific accelerates, governments must invest more in infrastructure to ensure continued economic growth. This book draws on lessons and case studies from Japan and worldwide, covering broad and long-term infrastructure projects. It describes the principles of developing quality infrastructure and focuses on the various steps of a project--from design, planning, and construction to

operation and management. It also discusses overseas development assistance, taking examples from Asian Development Bank and World Bank projects.

This book is an important reference tool for policy makers in Asia who are planning and implementing large-scale public infrastructure.

Highway Code, Zambia - 1971

Epic Driving of the World - Angelsen, A. 2018-12-12

Constructive critique. This book provides a critical, evidence-based analysis of REDD+ implementation so far, without losing sight of the urgent need to reduce forest-based emissions to prevent catastrophic climate change. REDD+ as envisioned
