Ramses II - Christiane Desroches-Noblecourt 2007

More than thirty-two centuries ago, the glory of Ramses II shone over Egypt like the sun; he was considered to be a living god. His extraordinary sixty-seven year reign is extensively documented: no other Pharaoh left so many records of what he had hoped to achieve, nor constructed as many monuments, offering us a unique insight into his goals and motivations. In this scholarly yet accessible work, Christiane Desroches Noblecourt sheds new light on this fascinating figure. After years of research and visits to Ramses' temples, she is able to demystify the great ruler and unlock the reality of his life and times--fact proves to be even more enthralling than fiction. From battles to temples, this is a

comprehensive study of one of the most intriguing personalities of Antiquity. This book--a critically acclaimed best-seller in its original French edition--is now updated and illustrated with stunning color images, bringing the world of Ramses II back to life.

Addonia 2008-09-04

It is summer in Jeddah but Naser's life seems bleak. An immigrant in an unfriendly land, his friends have fled town for cooler climes and left him to his dead-end job and the scrutiny of the religious police, who keep watch through the shaded windows of their government jeeps. He spends his time writing to his mother in Africa and yearning to meet a woman - but in a country that separates men and women with walls and veils he feels increasingly trapped. Then, one of the black-clad women drops a piece of paper at his feet, instructing him to follow her pink shoes and suddenly his black-and-white life blooms into colour. But relationships between

unmarried men and women are illegal under the strict Wahhabism of Saudi state rule - and it's not long before their forbidden love must face the hardest test of all...

This Noble Land - James A. Michener
2014-04-15

In such modern classics as Chesapeake, Centennial, Hawaii, Alaska, and Texas, James A. Michener proved time and again that his understanding of and love for his country was unparalleled. This Noble Land is Michener's most personal statement about America, an examination of the issues that

threaten to fragment and undermine the nation—racial conflict, the widening gulf between rich and poor, the decline of education, the inadequacies of our health care system—as well as a thought-provoking prescription for sustaining our “outstanding success.” Infused with the wisdom and passion of a lifetime, This Noble Land stands as a wake-up call for a troubled era. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for This Noble Land “A book-length essay on the often worrying, often inspiring course of America in the nine decades of Michener’s life.”—The Washington Post “Michener is more interested in fixing the problems than in fixing the blame.”—The Dallas Morning News “Michener’s are the beach books that, unlike most other

beach books, leave you smarter than you were when you started reading. Each delivers the product of all that research, doled out to the reader at just the right rate. You know right away who the bad guys are—the petty ones, the stingy ones. The heroes are generous and energetic and smart and, above all, unprejudiced. The real-life villains in This Noble Land are the people Michener perceives as ‘petty, mean and vengeful.’”—St. Louis Post-Dispatch “Stirring . . . an admirable effort to define what has made our country great and how to preserve what is best about it.”—Kirkus Reviews

False Guard - Merwan 2021-10-05
Young Mané is full of envy and strength, two essential qualities for someone who wishes to engage in Pankat, a brutal martial art and

philosophy for those who practice it. Wandering the greatest Pankat schools in Irap, Mané will quickly prove himself with the advice of Eïam, one of the greatest masters of all time. But will he be able to resist the lure of Féssat, a former student who will try to lead the young man into a life of crime? The rules of life are not always as straightforward as those of a Pankat fight... The story of young warrior full of dreams and confidence hoping to rise to the ranks of celebrity in the popular Pankat competitions. Set in an otherworldly fictional universe, it is hard to pinpoint if this tale qualifies as science-fiction or fantasy, straddling both with ease. Filled with action and fully-realized, animated characters, the story of relationships and

responsibility supports the immense amount of blockbuster action, making this less of a "martial arts" tale as much as a tale of morality. Merwan's unique visual style blends aspects of popular manga with American comic art, giving this book a universality that defies comparison.

Tears on the Sand - Maryam Mohammed
2006-07-01

And so the story begins. Stories within a story-a blending of traditions, tragedy and tranquility set in the Dubai of yesteryears-the years of pearl-fishing, moonlight bathing and curing of illnesses through Holy Breaths blown upon the sick, and also by branding and blood-letting, and of simplicity and innocence rolled out into a documentary type of a novelette. Facts and more facts spiced up and

garnished with fiction.

Cybertext - Espen J. Aarseth
1997-09-11

Do the rapidly expanding genres of digital literature mean that the narrative mode--novels, films, television drama--is losing its dominant position in our culture? Author Espen Aarseth eases our fears of literary loss (at least temporarily) by pointing out that electronic text requires an interactive response to generate a literary sequence. Where's the fun if you have to write your own ending? 21 illustrations.

Marilyn Manson by Perou - 2020-05-19
'I often get asked, 'Who was your favorite person to photograph?' or

'Who is the best person you've photographed?'' says photographer Perou. 'It's always 'Marilyn Manson.' Which is just as well, considering how many times I've photographed him.' Perou has been photographing Marilyn Manson since a 1998 magazine cover shoot. Twenty-one years of collaborating have resulted in this unique book, featuring over 350 photographs including previously unpublished work, conceptual portraits, onstage and informal behind-the-scenes images, giving a rare insight into Manson's world.

Goodbye, Mr Hitler - Jackie French

2017-06-01

'A COMPELLING, BEAUTIFULLY CRAFTED NOVEL FOR YOUNG READERS' -- Daily Telegraph This is the story of Johannes, and Frau Timmins, and the strange girl now known as 'Helga'. It is also the story of how they

survived the death camps, the vast wilderness faced by refugees in World War II, and eventually found happiness in Australia. This moving and compelling book follows on the award-winning and bestselling Hitler's Daughter and Pennies for Hitler, and shows us that evil must be fought. But once you've won, the hardest and most necessary battle is to understand and forgive. And to learn how to live and love again.

MORE PRAISE FOR GOODBYE, MR HITLER

'Reading about [the holocaust] can be depressing, but not in this compelling, beautifully crafted, novel for young readers. Here author Jackie French looks at what the Holocaust can teach us about hope. How people in internment camps survived, what motivated them to live in a world where people could be so

terrible to each other. -- Daily Telegraph

Manhattan Beach, 1957 - Yves H. 2003

John Reed is bored with his life and his uneventful police career in a sleepy town in Missouri, until a girl is found dead in the nearby forest. The event triggers John's suppressed memories of the summer of 1957, when he was on his way to Las Vegas and crossed paths with a girl that was on the run, trying to get to the resort at Manhattan beach. They traveled together for a few days by stealing cars, until the police and her uncle caught up to them, with tragic results. As he investigates the brutal murders of several young girls, the past and present begin to blur in his mind.

Historical Dictionary of South Africa

- Christopher Saunders 2020-12-15

As the most influential and powerful country on the entire continent of Africa, an understanding of South Africa's past and its present trends is crucial in appreciating where South Africans are going to, and from where they have come. South Africa changed dramatically in 1994 when apartheid was dismantled, and it became a democratic state. Since 2000, when the previous edition appeared, further big changes occurred, with the rise of new political leaders and of a new black

middle class. There were also serious problems in governance, in public health, and the economy, but with a remarkable popular resilience too. This third edition of Historical Dictionary of South Africa contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 600 cross-referenced entries on important personalities as well as aspects of the country's politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about South Africa.

The secrets of her past lie in Italy... Lamour Harrington's husband died two years ago. It is the second time she has lost a man she loved to a tragedy: her father died in a mysterious boating accident when she was seventeen. When a devastating discovery about her husband's death leaves Lamour feeling stunned and betrayed, she returns to the house on

the lush Amalfi coast where she'd lived with her father during the happiest years of her childhood. and so does unexpected love... But the house of her memories has secrets all its own, forcing her to face new truths about another man she once loved. Was her father's death truly accidental? Or was he hiding something that caused his early demise? Torn between two mysterious and compelling men who have now entered her life, Lamour discovers that the past has a way of returning when you least expect it. And someone wants to ensure that Lamour doesn't uncover the secrets of this idyllic, dreamy coastal getaway. As the past and the present collide in a shattering and suspenseful climax, Lamour must face the things she fears the most, in order to find the

courage to live life to the fullest. "Magnificent!" --Affaire de Coeur "Adler's colorful descriptions of Italy are as enticing as the story. Romance and mystery fill this magnetic novel, perfect escapist fare." –Romantic Times (starred review)

Peter Hujar - Paul Kasmin Gallery 2016

It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 - filled with artists, wannabe artists and hangers-on - was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some

made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hujar's camera - and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles

Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

Modern Speed - Blutch

2017-03-15T00:00:00+01:00

Modern-day Paris. One night, as she's leaving rehearsal, Lola, a young dancer, is approached by Renée. She introduces herself as a writer, and asks Lola if she could share her life for a while in order to gather material to write a book about her. Despite not feeling entirely comfortable with the idea, Lola accepts. The very next day, Lola and Renée experience the strangest day of their lives, involving an absent father who reappears at random points throughout the book, a bashful but

psychopathic admirer, Omar Shariff, and a huge spider... All this is set against a backdrop of a general power cut, a highly demanding dance class and a very rainy day. In the world of today, where everything goes too quickly, twenty-four hours is sometimes enough to change your life.
