Get ready for your IVF - Gabriela Lacerda
2020-04-23

There is a limiting belief around in vitro fertilization (IVF) that must be reframed: the idea that it is only a technical, difficult, painful and artificial process. IVF is another one of those wonderful proofs of God's love towards us. Therefore, it is nothing but a christic alternative to enable men and women to achieve their paternity and maternity dreams. It was from this perspective that the author, Gabriela Lacerda, a former trying woman and mother of two children via assisted reproductions, shares with her readers a spiritual perspective about the most advanced treatment for couples who have difficulty to

get pregnant. In this book, she talks about the metaphysical teachings that were essential to achieve her much-dreamed-of positive in her first in vitro fertilization attempt, giving life to her son Gael, and again, three years later, from the transfer of a single frozen embryo that enabled the arrival of her second son, Benício. What may be seen as good fortune from a distance, for her, who experienced it with a lot of energy, it was the certainty that there was a spirituality watching over every detail of her journey as a conscious trying woman. The one that goes beyond physical symptoms and scarcity thoughts. The one that acknowledges that life goes beyond the visible, the material world. Welcome to the wonderful world of assisted reproduction from a spiritual perspective. Read each page with an open heart. It is safe to get pregnant easily via in vitro fertilization.

My Father's Daughter - Eleanor Williamson 2008-06
"What doth the lord require of man but to act justly, to love mercy, and to walk humbly with thy God."-Micah 6:8 When Eleanor Ramsay Williamson was ten, her

father, Kerr Craige Ramsay, died of a heart attack. Her idyllic life in North Carolina was shattered. Eleanor lost not only a parent who adored her, but her whole world. In this memoir, Eleanor explores the effects her father's death had on her as she grew up. Her experiences were similar to that of others who had also lost their fathers as youngsters: she cared for her alcoholic mother and tried to be strong, but found it difficult at best. In exploring her relationships, Eleanor recognized much of her father in her: his smile, energy, and self-confidence. Relying on these qualities, Eleanor unshackled the restraints placed on women of that era and blazed her own trail. She even married a Yankee, Sterling Rudolph Williamson, and later developed her passions for literature, foreign cultures, and teaching. This insightful memoir follows Eleanor's emotional journey from life as a youngster, through the loss her father and the subsequent upheaval, to her own experiences as a mother and wife, and finally her blossoming into a passionate teacher of international students. With *My Father's Daughter*, you will experience the events of Eleanor's life as she plucks the strings of your subconscious emotions with her keen observations.

Revoltig: Book 1 - Maureen Atsali

"Nina, as part of the treaty negotiations with the Gold Mountain Pack, I have agreed to a marriage alliance. You, Nina Boyton, will marry the Alpha's son, Nolan Pierceson on the next new moon." I felt like someone had punched me, knocked the air out of me. "What? Daddy! How could you??" I whispered in shock. Arranged marriages were an archaic thing of the past. Nobody did that anymore, did they? Daddy looked pained. "I did it for the sake of our pack, Nina. We are a small pack, and since your mother..." he couldn't quite bring himself to say the word "died"... "We are weak and vulnerable. We need the protection of a larger, stronger pack. This political alliance will ensure our safety and our survival." I felt so many emotions whipping through me, I couldn't grab ahold of them. "But... why me?" I had two sisters, one older, and one younger. Janice was smart and strong, one of our best warriors. And the younger, Hannah was the beautiful one. None of us had found our mates, we were all single and available. I was almost sure if the Alpha of Gold Mountain had ever seen the three of us, he would have picked one of them. Not me. I am the most ordinary, non-descript, and insignificant of the Alpha's daughters. --
----- My father has forced me into an arranged marriage with Nolan Piereson of the Gold Mountain Pack. What could be worse than being forced to marry a complete stranger that you don't love? Turns out, there are a lot of things that are even worse.

The Gorakhpur Hospital Tragedy - Kafeel Khan 2021-12-17

A HARROWING MEDICAL CRISIS. A DOCTOR IN THE EYE OF THE STORM. HIS ACCOUNT OF WHAT REALLY HAPPENED. On the evening of 10 August 2017, liquid oxygen ran out at the state-run Baba Raghav Das Medical College's Nehru Hospital in Gorakhpur, Uttar Pradesh. Reportedly, over the next two days, more than eighty patients – sixty-three children and eighteen adults – lost their lives. In the intervening hours, Dr Kafeel Khan, the junior-most lecturer at the college's paediatrics department, went to extraordinary lengths to secure oxygen cylinders, perform emergency treatment and rally the staff in order to prevent as many deaths as possible. As the news of the tragedy grabbed national attention, Khan was called a hero for working ceaselessly to control the crisis and drawing attention to a healthcare system in dire need of repair. But a few days later, he found himself suspended and that an FIR had been filed against nine individuals, including him, for corruption and medical negligence, among other grave charges. Soon after he was summarily carted off to jail. The Gorakhpur Hospital Tragedy is Kafeel Khan's first-hand chronicle of the events of that fateful night in August 2017 and the gut-wrenching turmoil that followed – a suspension without end, an eight-month-long incarceration and a relentless fight for justice in the face of extreme apathy and persecution.
