Financial Accounting & Reporting - Barry Elliott 2022-03-08

Gain an academic and practical understanding of financial accounting and reporting with this comprehensive textbook and learn how to prepare and discuss financial statements in the real world. Financial Accounting and Reporting, 20th edition, by

Jamie & Barry Elliott provides a comprehensive overview of this demanding subject, equipping you with the knowledge to prepare and critically discuss financial statements. This edition provides enhanced coverage of financial statements interpretation according to the IFRS, considering all the risk factors that companies and accountants need to tackle on a daily basis. With this in mind, the book offers an extensive analysis of the topics and risks to support your understanding of the issues both on a commercial and technical level. Additionally, the latest edition offers further discussion on ethical issues and accountability, ensuring you get the tools and knowledge you need to advance your studies and career in the field. Key features Improved flow of topics and revised explanations make the text even easier to follow and understand. Exercises of varying difficulty include questions from past examination papers of professional accounting bodies. Updated illustrations, taken from real-world examples of international companies' reports and accounts, demonstrate the application of key principles in practice. Up-to-date content includes new material on accountability, sustainability, ethical problems, and the future of audit services. Includes the latest accounting standards, as set out in the IFRS, IAS and the Conceptual Framework for Financial Reporting, as well as a discussion of the proposed IFRS on General Presentation and Disclosure. Meeting the ethical, judgmental, and technological challenges as an accountant requires thorough academic and professional preparation. This market-leading text provides the foundation necessary to help you develop the technical and critical skills you need to excel later in your career.
