**The Overnight** - Ramsey  
Campbell 2006-04-04

A bookstore can be a wonderful, welcoming place of both commerce and curiosity. That's the goal for Woody, an American recently transferred to England to run a branch of Texts. He wants a clean, orderly store and lots of sales to show his bosses when they arrive from the States for a pre-Christmas inspection. Not easy given the shop's location in a foggy strip mall. And things keep going wrong. No matter how often the shelves are put in order before the doors are locked at night, when

the staff returns in the morning, books are lying all over the floor, many damp and damaged beyond repair. The store's computers keep acting up-errors appear in brochures and ads and orders disappear completely. And even when the machines are turned off, they seem to glow with a spectral gray light. The hit-and-run death of an employee in the store's parking lot marks a turning point. One employee accuses another of making sexual advances and they come to blows. Between one sentence and the next, one loses his ability to read. The security monitors display half-seen things crawling between the stacks that vanish before anyone can find them. Desperate, Woody musters his staff for an overnight inventory. When the last customers reluctantly depart,

leaving almost-visible trails of slime shining behind them, the doors are locked, sealing Woody and the others inside for a final orgy of shelving. The damp, grey, silent things that have been lurking in the basement and hiding in the fog may move slowly, but they are inexorable. This bookstore is no haven. It is the doorway to a hell unlike any other. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Bad Mood** - Moritz Petz 2019-11-05  
Sometimes a bad mood can be contagious! Badger got up one morning feeling very grumpy. "Humph!" Badger said to himself. What was the point of being in a bad mood if nobody noticed? he thought. So Badger headed out, slamming the door behind him. Badger

spreads his bad mood far and wide, greeting all his friends with angry, rude remarks that put them in bad moods, too. A comical, cautionary tale for anyone who has ever gotten up on the wrong side of the bed.

Praxis der sozialen Partizipation im Vor- und Grundschulalter -

Dietmar Sturzbecher  
2015-03-11  
Wie können Kinder  
frühzeitig lernen,  
eigene Interessen  
auszuhandeln, ohne die  
Bedürfnisse anderer aus  
dem Auge zu verlieren?  
Was können Pädagogen in  
Kindertageseinrichtungen  
und Grundschulen dazu  
beitragen? Demokratie in  
Kindergarten und Schule  
leben und lernen steht  
im Mittelpunkt dieser  
wissenschaftlich  
fundierten wie  
praxisorientierten  
Handbücher zur Förderung  
sozialer Partizipation  
von Kindern. Die Bücher  
bilden zwar eine Einheit  
-- einmal durch einen  
eher theoretisch  
angelegten, einmal durch  
einen sehr praktischen  
Zugang zum Thema  
Partizipation --, können  
aber durchaus unabhängig  
voneinander gelesen  
werden. Im Band "Soziale  
Partizipation im Vor-  
und Grundschulalter"  
werden rechtliche

Grundlagen und die  
historische Entwicklung  
der Partizipation von  
Kindern aufgezeigt. Es  
wird diskutiert, welche  
altersspezifischen  
Voraussetzungen bei  
jüngeren Kindern die  
konstruktive Lösung von  
Interessenkonflikten  
erschweren und wie man  
die Entwicklung von  
Aushandlungskompetenzen  
unterstützen kann. Die  
Bedeutung von  
Perspektivenübernahme,  
Selbstwirksamkeitsüberzeu-  
gungen und moralischen  
Einstellungen für die  
kindliche Entwicklung  
wird anschaulich  
dargestellt. Im Band  
"Praxis der sozialen  
Partizipation im Vor-  
und Grundschulalter"  
werden dann  
Umsetzungsmöglichkeiten  
zur Förderung der  
Mitbestimmung und  
Mitverantwortung von  
Kindern bei der  
Gestaltung ihres  
Alltages aufgezeigt und  
eine Fülle von

Anregungen gegeben, wie mit Rollenspielen, Bildgeschichten und kooperativen Spielen soziale Fähigkeiten zur Aushandlung von Konflikten entwickelt werden können. Tipps für die Vermittlung von psychologischen Basiswissen in der Aus- und Fortbildung runden diesen praxisorientierten Band ab.

Themba - Lutz van Dijk  
2011-10-31

A hard-hitting, and emotional story set in South Africa, following

Themba and his dreams of becoming a famous footballer. Themba grows up dreaming of becoming a football star. One day he leaves the village and travels with his sister to the city in search of their mother. Life is a struggle and Themba has to grow up fast. A lucky break gives him the chance to train as a footballer and play professionally – but Themba has a secret – should he tell the truth about his HIV and risk everything he’s ever dreamed of? ~ Themba won an IBBY award - Best Book for Young People. Karin Chubb was Shortlisted for the Marsh Award for Children’s Literature in Translation for Themba, a unique award celebrating the high quality and diversity of translated fiction for young readers. The book was also made into an award-winning film.

“Beautifully translated from the original ... it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread.” Books, Teens and Magazines “Themba reminds me of my own childhood and youth in a township close to a small village in the Transvaal in South Africa: Like him I wanted to escape poverty, like him I had the hope that our world will be a just world one day – and like him I loved my mother who was working at the time as a maid for a white family. To be very honest: in soccer Themba seems to be simply better than I was.” Archbishop Desmond Tutu “READ OF THE MONTH” Pride magazine “...an inspirational coming of age drama about a young South African boy’s

escape from poverty and the pursuit of a dream." Spring online "It's a rags to riches story – a story of hope, of dreaming your dreams and achieving them, and it's also a story of friendship..." The Sunday Independent "It's a really engaging book, and because Aids is a serious issue, it made us want to carry on reading more about it." Durning Library teenage reading group "Beautifully translated from the original and it is an easy and straightforward read. However, the storyline is tough – poverty, AIDS and death haunt the pages of the book. The reader learns about the hardship of life for many ordinary South Africans (even after Mandela came to power) and the struggle for those families who have a family member suffering from AIDS. The

problems they face do not lie solely in a lack of medication and good nutrition; it also lies in the ignorance of their neighbours and friends and a refusal of many to acknowledge the illness and help the ill. However this is not a depressing book – it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread."
