**Homegoing** - Yaa Gyasi 2016-06-07

THE SUNDAY TIMES BESTSELLER Selected for Granta's Best of Young American Novelists 2017 Winner of the National Book Critics Circle Award for Best First Book Shortlisted for the PEN/Robert W. Bingham Prize for Debut Fiction Effia and Esi: two sisters with two very different destinies. One sold into slavery; one a slave trader's wife. The consequences of their fate reverberate through the generations that follow. Taking us from the Gold Coast of Africa to the cotton-picking plantations of Mississippi; from the missionary schools of Ghana to the dive bars of Harlem, spanning three continents and seven generations, Yaa Gyasi has written a miraculous novel - the intimate, gripping story of a brilliantly vivid cast of characters and through their lives the very story of America itself. Epic in its canvas and intimate in its portraits, Homegoing is a searing and profound debut from a masterly new writer.

**Whose Toes Are Those?** - Jabari Asim 2019-03-05

A vibrant, playful verse that celebrates a beautiful brown baby's adorable little toes, for fans of Ten Little Fingers and Ten Little Toes. Who do you suppose has such fine toes? So brown and sweet. Who could have such darling feet? Snuggle with a child on your lap with this cheerful rhyme inspired by the classic giggle-inspiring game of This Little Piggy. With lush, adorable pictures from New York Times bestselling illustrator LeUyen Pham, reminiscent of the beloved work of Ezra Jack Keats, this interactive board book full of toddler appeal is a perfect baby gift for parent-child playtime.

**I Can Do It Myself!** - Stephen Krensky 2013-07-01

Children and parents alike will delight in this joyous declaration of toddler independence. This book celebrates the feats of growing out of babyhood and starting to embrace the world on your own terms. Whether it's being tall enough to reach a high shelf or brave enough to splash in the waves, Krensky and Gillingham address the small victories that come with growing just a little bit older. Energetic text and retro-fresh illustrations celebrate this important developmental stage with charm and relevance. Note: illustrations are in the style of vintage screen prints, with imperfect variations in color and texture. Praise for I Can Do It Myself "Short and satisfying, these 'empowering celebrations' of burgeoning independence will encourage small children to see how far they've already come." —The Wall Street Journal "Krensky celebrates the increasing independence of toddlers and their pride of accomplishment." —The Horn Book Awards The Canadian Children's Book Centre's Best Books for Kids & Teens - Spring 2013 Toronto Public Library system's "First & Best" Reading Program

Plus-sized sixteen-year-old Maisie Martin never thought she had the figure to compete in a beauty pageant, but this vacation is about to change everything. Maisie has spent most of her life hiding her body from everyone: her gorgeous best friend, her pageant-winning sister, and definitely her longtime crush. Never one to jump in the water, Maisie is planning on taking it easy while her friends chill at the beach. But then her BFF starts flirting with the boy she's always loved, her older sister comes home and steals the spotlight, and Maisie has found herself pushed aside like usual. Except now, she's had enough. After forging new friendships, Maisie takes the deep dive and enters the local Miss Teen Queen. Now, with all eyes on her, can Maisie prove she has a place in the spotlight? This contemporary young adult novel is as relatable as it is charming and Maisie's realistic journey towards confidence and self-love will draw readers in as she learns how to celebrate all of herself.

*Our Wives Under the Sea* - Julia Armfield 2022-07-12

A BEST BOOK OF THE YEAR (NPR, The Washington Post, Lit Hub, The Telegraph, Goodreads, Tor.com, them, and more) "A deeply strange and haunting novel in the best possible way...An impressive and exciting debut novel that may leave you thinking about your own relationships in a new light." —NPR

"Shocking...Achingly poetic...Sharp and beautiful as coral polyps...Armfield exercises an exquisite—even sadistic—sense of suspense." —Ron Charles, The Washington Post Leah is changed. A marine biologist, she left for a routine expedition months earlier, only this time her submarine sank to the sea floor. When she finally surfaces and returns home, her wife Miri knows that something is wrong. Barely eating and lost in her thoughts, Leah rotates between rooms in their apartment, running the taps morning and night. Whatever happened in that vessel, whatever it was they were supposed to be studying before they were stranded, Leah has carried part of it with her, onto dry land and into their home. As Miri searches for answers, desperate to understand what happened below the water, she must face the possibility that the woman she loves is slipping from her grasp. By turns elegiac and furious, wry and heartbreaking, *Our Wives Under the Sea* is an exploration of the unknowable depths within each of us, and the love that compels us nevertheless toward one another.

**The Same But Different Too** - Karl Newson 2023-01-12

*High Performance Boards* - Didier Cossin 2020-04-09

A comprehensive guide to transforming boards and achieving best-practice governance in any organisation. When practising good governance, the board is the vital driver of organizational success, while fostering positive social impact and economic value creation. At all levels, executives around the world are faced with complexities rising from disruptive business models, new technologies, socio-economic changes, shifting political circumstances, and an array of other sources. High Performance Boards is the comprehensive manual for attaining best-in-class governance, offering pragmatic guidance on improving board quality, accountability, and performance. This authoritative volume identifies the four dimensions, or pillars, which are crucial for establishing and maintaining best-practice boards: the people involved, the information architecture, the structures and processes, and the group dynamics and culture of governance. This methodology can be applied to any board in the world, corporate or non-profit organization, regardless of size, sector, industry, or context. Readers are introduced to a fictitious senior board member – an amalgamation of board members from well-known organisations – and follow her as she successfully handles real-life challenges with effective governance. Drawn from the author's 20 years of practice and confidential work with boards across the world, this book: Demonstrates how high-performance boards innovate and refine their practices Discusses examples of board failures and challenges, including case studies from both for-profit and non-profit organisations including international organizations and state-owned agencies or even ministries Provides a proven framework to create best-in-class governance Includes a companion website featuring tools for board assessment and board practice High Performance Boards has inspired more than 3000 board members around the world. This book is essential reading for professionals and managers interested in governance and board members, senior managers, investors, lawyers, and students of governance.

**Seven Games: A Human History** - Oliver Roeder 2022-01-25

A group biography of seven enduring and beloved games, and the story of why—and how—we play them. Checkers, backgammon, chess, and Go. Poker, Scrabble, and bridge. These seven games, ancient and modern, fascinate millions of people worldwide. In *Seven Games*, Oliver Roeder charts their origins and historical importance, the delightful arcana of their rules, and the ways their design makes them pleasurable. Roeder introduces thrilling competitors, such as evangelical minister Marion Tinsley, who across forty years lost only three games of checkers; Shusai, the Master, the last Go champion of imperial Japan, defending tradition against "modern rationalism"; and an IBM engineer who created a backgammon program so capable at self-learning that NASA used it on the space shuttle. He delves into the history and lore of each game: backgammon boards in ancient Egypt, the Indian origins of chess, how certain shells from a particular beach in Japan make the finest white Go stones. Beyond the cultural and personal stories, Roeder explores why games, seemingly trivial pastimes, speak so deeply to the human soul. He introduces an early philosopher of games, the aptly named Bernard Suits, and visits an Oxford cosmologist who has perfected a computer that can effectively play bridge, a game as complicated as human language itself. Throughout, Roeder tells the compelling story of how humans, pursuing scientific glory and competitive advantage, have invented AI programs better than any human player, and what that means for the games—and for us. Funny, fascinating, and profound, *Seven Games* is a story of obsession, psychology, history, and how play makes us human.

**What I Like About Me! Teacher Edition** - Allia Zobel Nolan 2005-10-25

The kids in *What I Like About Me*, are as different as night and day. And, guess what? They love it. Some adore the fact that their braces dazzle and gleam, others feel distinguished when they wear their glasses. This fun-loving book, with a mirror included on the last page, proves to kids that, in a world where fitting in is the norm, being different is what makes us special. Helping children learn about diversity, while fostering self-esteem, is what this super-sized Teacher Classroom Pack is all about. Teachers can read the rhyming text of the award-winning *What I Like About Me!* and use the oversized book to focus on differences in nationality, appearance, food, and more. Inviting children to look in the giant mirror will encourage them to think and talk about what they like best about themselves.

**I Wrote This Book Because I Love You** - Tim Kreider 2018-02-06

\*A People Top 10 Book of 2018\* The New York Times essayist and author of *We Learn Nothing*, Tim Kreider trains his singular power of observation on his (often befuddling) relationships with women. Psychologists have told him he's a psychologist. Philosophers have told him he's a philosopher. Religious groups have invited him to speak. He had a cult following as a cartoonist. But, above all else, Tim Kreider is an essayist—one whose deft prose, uncanny observations, dark humor, and emotional vulnerability have earned him deserved comparisons to David Sedaris, Sarah Vowell, and the late David Foster Wallace (who was himself a fan of Kreider's humor). "Beautifully written, with just enough humor to balance his spikiness" (Booklist), *I Wrote This Book Because I Love You* focuses Tim's unique perception and wit on his relationships with women—romantic, platonic, and the murky in-between. He talks about his difficulty finding lasting love and seeks to understand his commitment issues by tracking down the John Hopkins psychologist who tested him for a groundbreaking study on attachment when he was a toddler. He talks about his valued female friendships, one of which landed him on a circus train bound for Mexico. He talks about his time teaching young women at an upstate New York college, and the profound lessons they wound up teaching him. And in a hugely popular essay that originally appeared in *The New York Times*, he talks about his nineteen-year-old cat, wondering if it's the most enduring relationship he'll ever have. "In a style reminiscent of Orwell, E.B. White and David Sedaris" (*The New York Times Book Review*), each of these pieces is "heartbreaking, brutal, and hilarious" (Judd Apatow), and collectively they cement Kreider's place among the best essayists working today.

**Rotten Teeth** - Laura Simms 2002-08-26

Speaking in front of the class isn't easy for small people like Melissa Herman. Especially when there's nothing very special to say about her house or her family or herself. But with the help of her older brother, Melissa borrows a bottle from her father's dental office to take to show and tell. The teacher is appalled, but the children are intrigued. David Catrow's hilariously zany illustrations reveal that there is nothing ordinary about Melissa Herman, or her house or her family. The bright artwork is laugh-aloud funny and will have children begging to hear the story again, or maybe invent their very own tale.

**Dozens of Cousins** - Shutta Crum 2013

"At a family reunion, dozens of 'beastie' cousins spend the day running wild, playing in the creek, filling up on food, and making mischief."
