Old Man and the Sea - Ernest Hemingway
2014-05-22

The last novel Ernest Hemingway saw published, *The Old Man and the Sea* has proved itself to be one of the enduring works of American fiction. It is the story of an old Cuban fisherman and his supreme ordeal: a relentless, agonizing battle with a giant marlin far out in the Gulf Stream. Using the simple, powerful language of a fable, Hemingway takes the timeless themes of courage in the face of defeat and personal triumph won from loss and transforms them into a magnificent twentieth-century classic.

Human Factors in Practice - Haydee M. Cuevas
2017-09-18

Human Factors in Practice: Concepts and Applications is written for the practitioner who wishes to learn about human factors (HF) but is more interested in application (applied research) than theory (basic research). Each chapter discusses the application of important human factors theories, principles and concepts, presented at a level that can be easily understood by layman readers with no prior knowledge or formal education in human factors. The book illustrates to the non-HF practitioner the many varied domains in which human factors has been applied as well as serving to showcase current research in these areas. All chapters address the common

overarching theme of applying human factors theories, principles and concepts to address real-world problems, and follow a similar structure to ensure consistency across chapters. Standard sections within each chapter include a discussion of the scientific underpinnings, a description of relevant HF methods and guidance on sources of further information, case studies to illustrate application, and a summary of likely future trends. Each chapter concludes with a short list of key terms and definitions to enhance the reader's understanding of the content. Featuring specialist contributors from a variety of disciplines and cultural backgrounds, the book represents a diverse range of perspectives on human factors and will appeal to a broad international audience. It is consciously not a classroom textbook but rather intended to be read at the workplace by non-HF practitioners, and written specifically with their needs in mind. Reading this book will give all practitioners a solid grounding in modern human factors and its application in real-world situations.

ATI TEAS Crash Course® Book + Online - John Allen
2017-06-13

NEW! REA's ATI TEAS Crash Course® Perfect for nursing and allied health program applicants In August 2016, the ATI TEAS exam replaced the TEAS V. The ATI TEAS, already the most widely-used nursing school admission exam in the U.S., is now also used for allied health program admission nationwide. REA's ATI TEAS Crash Course® is aligned with the most recent exam changes to the TEAS, or Test of Essential Academic Skills. Our ATI TEAS Crash Course® features easy-to-read review chapters that cover every exam objective in reading, mathematics, science, and English and language usage. A full-length online practice exam comes with automatic scoring and detailed explanations of answers. Helpful diagnostics pinpoint where test candidates are strongest and where they need to focus their study. The new ATI TEAS allows for one unified test to cover BSN, ADN, PN, and Allied Health programs. The ATI TEAS test blueprint has been revised to align with evolving developments in the nursing field and the curriculum, creating different points of emphasis on the test. In addition, the number of questions allotted to each content area has been changed,

and examinees now may use an on-screen calculator. About REA's Prep: - A complete ATI TEAS course in a concise, time-saving format - Targeted review covers only the material that will actually be tested - Strategies for answering every type of question - Online practice exam pinpoints your strengths and weaknesses

Country Time Happenings - D. E. Wood 2016-08-15

Country Time Happenings By D.E. Wood Harley Wilson wasn't accustomed to expecting much, and that suited him just fine. Living in the high country, on the east side of a big hill overlooking Willow Creek, Harley made himself a comfortable life on 'The Homestead,' the place his grandpa left him when he passed away. Life was good, but it was just about to get a whole lot better the day the ground shook. With curiosity getting the best of him, Harley and his best friend, Jason, take off into the woods on 'The Homestead' to uncover the source of the shaking ground. Standing over a small vein of gold, dripping into a puddle, Harley and Jason soon realize they just discovered liquid gold—and their simple country lives are just beginning to get much more interesting.
