**Confronting Familiar Spirits** - Frank Hammond 1988-01-01

Two human personalities can form a relationship, and, through communication and communion, that relationship can be enhanced. Likewise, a person can form and develop

a close relationship with an evil spirit, whether for knowledge or gain. When a person forms a relationship with an evil spirit, he then has a familiar spirit. Familiar spirits are counterfeits of the Holy Spirit's work. Anyone who has fellowship with God, and who is led by the Holy Spirit, does not need a familiar spirit, for God provides him with all that he needs. As with anything occult, involvement with familiar spirits creates spiritual defilement: "Regard not them that have familiar spirits...to be defiled by them: I am the Lord your God." Lev. 19:31

Obstacles to Deliverance - Why Deliverance Sometimes Fails - Frank Hammond 2002

Why does deliverance sometimes fail? This is, in essence, the same question raised by Jesus' first disciples. When these disciples were unable to cast out a spirit of epilepsy, they were puzzled and asked Jesus the reason for their failure. Jesus gave a multi-part

answer which leads us to take into account the petitioner's faith, the deliverance minister's capability, the spiritual qualifications that must be met, the strength of the spirit confronted and the strategy of warfare employed. In particular, there are myths, misunderstandings and misinformation concerning the ministry of deliverance. The first battleground is in the minds of men, where Satan has sown questions, doubts and fears that become hindrances to involvement in this valid, biblical ministry. Those who want an answer should be given an answer. Ignorance, prejudice and fear are hurdles that some sincere Christians must get over before they are willing to become involved in spiritual warfare. Before one can bring himself to obedience to deal with the devil and demons, certain obstacles must be overcome in one's mind.

Overcoming Rejection: Revised & Updated - Frank Hammond 2019-03

REJECTION is one of the most common, inner wounds. It can occur at any stage in life, from the time of conception through adulthood. Rejection is one of the most neglected wounds within a person's soul. It brings a disturbance and a heaviness on a human heart. An individual wounded inside fears further rejection. He comes under pressure to change who he is in order to find love "€" and to reject the truth of who God created him to be. This pressure wears him down, and eventually creates abnormalities in his behavior. This is by the design of his enemy. The devil hates love. He is opposed to God, who is Love. The perfect love of Jesus casts out fear ( 1 John 4:18 ). The Spirit of the Lord restores our soul, and our confidence in who we truly are. Jesus is working to edify and strengthen us. In this moment, your Savior wants to assure you of how valuable you are to Him and to His Kingdom. He wants you to become stable in His love, and to find a new freedom from the chains of the enemy.

**The Book of the Damned** - Charles Fort 2020-09-28

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's *Book of the Damned* was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a

recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

**The Discerning of Spirits - Frank Hammond 2014-11-17**

The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the "gates of hell shall not prevail against her." The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones,

they are "mighty through God to the pulling down of strong holds." We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.

**Identical Pigs - Jud Widing 2018-09-28**

A man loses his shoes on an airplane. A woman gets trapped in a bathroom by a ghost (maybe). A mob enforcer startles easily. A young actor wants his face on the wall of a pizza parlor. What do they all have in common? Nothing. This is a short story collection. That would be a super weird novel, if those were all one thing. Some of these stories have appeared in publications such as Suspense Magazine and Storgy. Others, including the novella "Winner Winner," are brand new. In between them are silly little jokes. Here's one that you won't even find in the book: which grateful german ape is always throwing barrels at super mario danke kong Wow. That's the kind of quality we're talking about here. And then you've got the stories on top of that? Unreal. Incredible value. This book should cost three hundred dollars.

**Female Chauvinist Pigs - Ariel Levy 2005-09-13**

A classic work on gender culture exploring how the

women's movement has evolved to Girls Gone Wild in a new, self-imposed chauvinism. In the tradition of Susan Faludi's Backlash and Naomi Wolf's The Beauty Myth, New York Magazine writer Ariel Levy studies the effects of modern feminism on women today. Meet the Female Chauvinist Pig—the new brand of “empowered woman” who wears the Playboy bunny as a talisman, bares all for Girls Gone Wild, pursues casual sex as if it were a sport, and embraces “raunch culture” wherever she finds it. If male chauvinist pigs of years past thought of women as pieces of meat, Female Chauvinist Pigs of today are doing them one better, making sex objects of other women—and of themselves. They think they're being brave, they think they're being funny, but in Female Chauvinist Pigs, Ariel Levy asks if the joke is on them. In her quest to uncover why this is happening, Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants. She examines a culture in which every music video seems to feature a stripper on a pole, the memoirs of porn stars are climbing the bestseller lists, Olympic athletes parade their Brazilian bikini waxes in the pages of Playboy, and thongs are marketed to prepubescent girls. Levy meets the high-powered women who create raunch culture—the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be “one of the guys.” And she traces the history of this trend back to conflicts between the women's movement and the sexual revolution long left unresolved. Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity. Irresistibly witty and wickedly intelligent, Female Chauvinist Pigs makes the case that

the rise of raunch does not represent how far women have come, it only proves how far they have left to go.

The Secrets to Deliverance - Alexander Pagani 2018-05-01  
In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Pagani, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In The Secrets to Deliverance Pagani shares biblical strategies and his own experiences for evicting the demons in the "rooms" of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you.

*Strongman's His Name...What's His Game?* - Jerry Robeson  
2000-01-01

How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21–22 and Matthew 12:29, “How can one enter into a

strongman's house, and spoil his goods, except he first bind the strongman? And then he will spoil his house." Now, instead of "binding" symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan's hassles so that we can reach this world for Christ. Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare.

**Summary of Frank Hammond & Ida Mae Hammond's Pigs in the Parlor** - Everest Media, 2022-07-02T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Demons can invade and indwell human bodies. They do so in order to gain a greater advantage in controlling the person they are working from the inside than when they are working from the outside. When demons indwell a person, he or she is said to be possessed by evil spirits. #2 The Christian should consider indwelling demons as unnecessary and undesirable trespassers. A trespasser is one who unlawfully and stealthily encroaches upon the territory of another. The Christian must confront and challenge the demons on the basis of his legal rights.

#3 All demons are liars and deceivers. They have no right to indwell bodies redeemed by the blood of the Lord Jesus Christ. When demons are being commanded out of a person, they will sometimes claim that they have been there a long time, as though tenure of occupancy gives them title to a person's body. #4 As a spiritual type, the pig is to the natural realm what the demon spirit is to the spiritual realm. Just as the Israelite zealously protected himself from contact with pigs, the Christian is to guard himself from contact with evil spirits.

By presenting young men's experience in all its complexity, Orenstein unravels the hidden truths, hard

lessons and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

A coloring book that invites readers to explore symmetry and the beauty of math visually. Beautiful Symmetry is a coloring book about math, inviting us to engage with mathematical concepts visually through coloring challenges and visual puzzles. We can explore symmetry and the beauty of mathematics playfully, coloring through ideas usually reserved for advanced courses. The book is for children and adults, for math nerds and math avoiders, for educators, students, and coloring enthusiasts. Through illustration, language that is visual, and words that are jargon-free, the book introduces group theory as the mathematical foundation for discussions of symmetry, covering symmetry groups that include the cyclic groups, frieze groups, and wallpaper groups. The illustrations are drawn by algorithms, following the symmetry rules for each given group. The coloring challenges can be completed and fully realized only on the page; solutions are provided. Online, in a complementary digital edition, the illustrations come to life with animated interactions that show the symmetries that generated them.

Traditional math curricula focus on arithmetic and the manipulation of numbers, and may make some learners feel that math is not for them. By offering a more visual and tactile approach, this book shows how math can be for everyone. Combining the playful and the pedagogical, Beautiful Symmetry offers both relaxing entertainment for recreational colorers and a resource for math-curious readers, students, and educators.
