The Domestic and the Foreign in Architecture - Ruth Baumeister 2007

For centuries, across nations, dialogue between the domestic and the foreign has affected and transformed architecture. Today these dialogues have become highly intensified. The Domestic and the Foreign in Architecture examines how these exchanges manifest themselves in contemporary architecture, in terms of its aesthetic potential and its practice, which, in turn, are impacted by broad economic, cultural and political issues. This book traces how diverse cultural encounters inevitably modify conventional categories, standards and codes of architecture, such as domestic identity, its political and economic representations and the negotiations with what is deemed foreign. Theoretical reflections by distinguished scholars are accompanied by interviews with some of the most influential architects practicing today, as well as stunning visual presentations by professional photographers.

Tim - The Official Biography of Avicii - Måns Mosesson 2021-11-30

melodies, came to define the era when Swedish and European house music took over the world. But Tim Bergling was also an introverted and fragile young man who was forced to grow up at an inhumanly fast pace. After a series of emergencies resulting in hospital stays, he stopped touring in the summer of 2016. Barely two years later, he took his own life. Tim - The Biography of Avicii is written by the award-winning journalist Måns Mosesson, who was given unique access to Tim's own notes, as well as interviews with Tim's family, friends and colleagues in the music business. The book paints an honest picture of Tim and his search in life, not shying from the difficulties that he struggled with.

Letters to Sarah - Gary Null 2019-05-07

Letters to Sarah is a rock autobiography with a difference. In addition to the exceptionally honest and endearing voice of Corky chronicling the ups and downs of his life, there are excerpts from dozens of letters (out of the c. 200) that Corky wrote to his mother, Sarah, between the years 1963 and 1997. She had saved them all. The letters were a way for Corky, away on the road for years on end, to keep in touch with his mother and also, to make sense of his life. This continues in Letters to Sarah, as Corky relives the first 50 years of his life, up until his mother's passing in 1998.
