Caste - Isabel Wilkerson 2020-08-04

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • "An instant American classic and almost certainly the keynote nonfiction book of the American century thus far."—Dwight Garner, *The New York Times* The Pulitzer Prize–winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. #1 NONFICTION BOOK OF THE YEAR: Time ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *The New York Times*, *Los Angeles Times*, *The Boston Globe*, *O: The Oprah Magazine*, NPR, Bloomberg, *The Christian Science Monitor*, *New York Post*, *The New York Public Library*, *Fortune*, *Smithsonian Magazine*, *Marie Claire*, *Slate*, *Library Journal*, *Kirkus Reviews* Winner of the Carl Sandberg Literary Award • Winner of the Los Angeles Times Book Prize • National Book Award Longlist • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist • Kirkus Prize Finalist "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Original and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

Bulletin of the Atomic Scientists - 1969-02

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

Library Journal - 2002

a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

The Man in the High Castle - Philip K. Dick 2011

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

The Merchant of Venice - William Shakespeare 2010-05-04

This is one of Shakespeare's darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the more disturbing story of the Jewish moneylender Shylock and his demand for the "pound of flesh" owed him by the Venetian merchant, Antonio. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best. Each Edition Includes: • Comprehensive explanatory notes • Vivid introductions and the most up-to-date scholarship • Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English • Completely updated, detailed bibliographies and performance histories • An interpretive essay on film adaptations of the play, along with an extensive filmography

New York Magazine - 1997-07-21

With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Drunk on Genocide - Edward B. Westermann 2021-03-15

In *Drunk on Genocide*, Edward B. Westermann reveals how, over the course of the Third Reich, scenes involving alcohol consumption and revelry among the SS and police became a routine part of rituals of humiliation in the camps, ghettos, and killing fields of Eastern Europe. Westermann draws on a vast range of newly unearthed material to explore how alcohol consumption served as a literal and metaphorical lubricant for mass murder. It facilitated "performative masculinity," expressly linked to physical or sexual violence. Such inebriated exhibitions extended from meetings of top Nazi officials to the rank and file, celebrating at the grave sites of their victims. Westermann argues that, contrary to the common misconception of the SS and police as stone-cold killers, they were, in fact, intoxicated with the act of murder itself. *Drunk on Genocide* highlights the intersections of masculinity, drinking ritual, sexual violence, and mass murder to expose the role of alcohol and celebratory ritual in the Nazi genocide of European Jews. Its surprising and disturbing findings offer a new perspective on the mindset, motivation, and mentality of killers as they prepared for, and participated in, mass extermination. Published in Association with the US Holocaust Memorial Museum.

The Rotarian - 1955-02

Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Gandhi to

Kurt Vonnegut Jr. – have written for the magazine.

Bulletin of the Atomic Scientists - 1970-06

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

Ebony - 2000-11

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Wild Swans - Jung Chang 2008-06-20

The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history. *"Yellow Peril"* - Richard Jaccoma 1978

Look Who's Back - Timur Vermes 2014-03-27

THE SMASH-HIT HITLER SATIRE - MORE THAN 3 MILLION COPIES SOLD "A brilliant book" RUSSELL KANE "Brilliant and hilarious" KEN FOLLETT A box-office-hit film now available on NETFLIX A two-part BBC Radio 4 Dramatisation directed by and starring David Threlfall (Shameless) Berlin, Summer 2011. Adolf Hitler wakes up on a patch of open ground, alive

and well. Things have changed - no Eva Braun, no Nazi party, no war. Hitler barely recognises his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognise him, albeit as a flawless impersonator who refuses to break character. The unthinkable, the inevitable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own T.V. show, and people begin to listen. But the Führer has another programme with even greater ambition - to set the country he finds a shambles back to rights. Look Who's Back stunned and then thrilled 1.5 million German readers with its fearless approach to the most taboo of subjects. Naive yet insightful, repellent yet strangely sympathetic, the revived Hitler unquestionably has a spring in his step. Translated from German by Jamie Bulloch

Bulletin of the Atomic Scientists - 1979-03

In the Garden of Beasts - Erik Larson 2011-05-10

Erik Larson, New York Times bestselling author of *Devil in the White City*, delivers a remarkable story set during Hitler's rise to power. The time is 1933, the place, Berlin, when William E. Dodd becomes America's first ambassador to Hitler's Nazi Germany in a year that proved to be a turning point in history. A mild-mannered professor from Chicago, Dodd brings along his wife, son, and flamboyant daughter, Martha. At first Martha is entranced by the parties and pomp, and the handsome young men of the Third Reich with their infectious enthusiasm for restoring Germany to a position of world prominence. Enamored of the "New Germany," she has one affair after another, including with the surprisingly honorable first chief of the Gestapo, Rudolf Diels. But as evidence of Jewish persecution mounts, confirmed by chilling first-person testimony, her father telegraphs his concerns to a largely indifferent State Department back home. Dodd watches with alarm as Jews are attacked, the press is censored, and drafts of frightening new laws begin to circulate. As that first year unfolds and the shadows deepen, the Dodds experience days full of excitement, intrigue, romance—and ultimately, horror, when a climactic spasm of violence and murder reveals Hitler's true character and ruthless ambition. Suffused with the tense atmosphere of the period, and with unforgettable portraits of the bizarre Göring and the expectedly charming--yet wholly sinister--Goebbels, *In the Garden of Beasts* lends a stunning, eyewitness perspective on events as they unfold in real time, revealing an era of surprising nuance and complexity. The result is a dazzling, addictively readable work that speaks volumes about why the world did not recognize the grave threat posed by Hitler until Berlin, and Europe, were awash in blood and terror.

The Advocate - 2005-09-13

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Mein Kampf - Adolf Hitler 2021-03-19

'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of 'MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole

book. A must read book, which is one of the most widely circulated and read books worldwide.

LIFE - 1941-01-27

LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

Blitzed - Norman Ohler 2017-03-07

A New York Times bestseller, Norman Ohler's *Blitzed* is a "fascinating, engrossing, often dark history of drug use in the Third Reich" (Washington Post). The Nazi regime preached an ideology of physical, mental, and moral purity. Yet as Norman Ohler reveals in this gripping history, the Third Reich was saturated with drugs: cocaine, opiates, and, most of all, methamphetamines, which were consumed by everyone from factory workers to housewives to German soldiers. In fact, troops were encouraged, and in some cases ordered, to take rations of a form of crystal meth—the elevated energy and feelings of invincibility associated with the high even help to account for the breakneck invasion that sealed the fall of France in 1940, as well as other German military victories. Hitler himself became increasingly dependent on injections of a cocktail of drugs—ultimately including Eukodal, a cousin of heroin—administered by his personal doctor. Thoroughly researched and rivetingly readable, *Blitzed* throws light on a history that, until now, has remained in the shadows. "Delightfully nuts."—The New Yorker

Five Modern No Plays - Yukio Mishima 2009-12-01

Japanese No drama is one of the great art forms that has fascinated people throughout the world. The late Yukio Mishima, one of Japan's outstanding post-war writers, infused new life into the form by using it for plays that preserve the style and inner spirit of No and are at the same time so modern, so direct, and intelligible that they could, as he suggested, be played on a bench in Central Park. Here are five of his No plays, stunning in their contemporary nature and relevance—and finally made available again for

readers to enjoy.

Books In Print 2004-2005 - Bowker Editorial Staff 2004

Hitler's American Model - James Q. Whitman 2017-02-14

How American race law provided a blueprint for Nazi Germany Nazism triumphed in Germany during the high era of Jim Crow laws in the United States. Did the American regime of racial oppression in any way inspire the Nazis? The unsettling answer is yes. In *Hitler's American Model*, James Whitman presents a detailed investigation of the American impact on the notorious Nuremberg Laws, the centerpiece anti-Jewish legislation of the Nazi regime. Contrary to those who have insisted that there was no meaningful connection between American and German racial repression, Whitman demonstrates that the Nazis took a real, sustained, significant, and revealing interest in American race policies. As Whitman shows, the Nuremberg Laws were crafted in an atmosphere of considerable attention to the precedents American race laws had to offer. German praise for American practices, already found in Hitler's *Mein Kampf*, was continuous throughout the early 1930s, and the most radical Nazi lawyers were eager advocates of the use of American models. But while Jim Crow segregation was one aspect of American law that appealed to Nazi radicals, it was not the most consequential one. Rather, both American citizenship and antimiscegenation laws proved directly relevant to the two principal Nuremberg Laws—the Citizenship Law and the Blood Law. Whitman looks at the ultimate, ugly irony that when Nazis rejected American practices, it was sometimes not because they found them too enlightened, but too harsh. Indelibly linking American race laws to the shaping of Nazi policies in Germany, *Hitler's American Model* upends understandings of America's influence on racist practices in the wider world.

All the Light We Cannot See - Anthony Doerr 2017-04-04

Winner of the Pulitzer Prize, a New York Times Book Review Top Ten Book, National Book Award finalist, more than two and a half years on the New York Times bestseller list From the highly acclaimed, multiple award-winning Anthony Doerr, the stunningly beautiful instant New York Times bestseller about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives in Paris near the Museum of Natural History, where her father works. When she is twelve, the Nazis occupy Paris and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, Werner Pfennig, an orphan, grows up with his younger sister, enchanted by a crude radio they find that brings them news and stories from places they have never seen or imagined. Werner becomes an expert at building and fixing these crucial new instruments and is enlisted to use his talent to track down the resistance. Deftly interweaving the lives of Marie-Laure and Werner, Doerr illuminates the ways, against all odds, people try to be good to one another. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Ten years in the writing, a National Book Award finalist, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

The Spectator - 2007

The Occult Roots of Nazism - Nicholas Goodrick-Clarke 2019-07-16

Over half a century after the defeat of the Third Reich the complexities of Nazi ideology are still being unravelled. This text is a serious attempt to

identify these ideological origins. It demonstrates the way in which Nazism was influenced by powerful occult and millenarian sects that thrived in Germany and Austria at the turn of the century. Their ideas and symbols filtered through to nationalist-racist groups associated with the infant Nazi party and their fantasies were played out with terrifying consequences in the Third Reich: Auschwitz, Sobibor and Treblinka are the hellish museums of the Nazi apocalypse. This bizarre and fascinating story contains lessons we cannot afford to ignore.

Congressional Record - United States. Congress 1944

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the

Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
