Includes 19th-century photographs of the Sioux holy man and chief, this volume is a complete biography of the legendary Sitting Bull. Leading years of resistance campaigns against the Indian policies of the United States, Sitting Bull is best known for his leading of his tribesmen to victory at the Battle of Little Bighorn against Lt. Col. George A. Custer on June 25, 1876.

Sitting Bull - Kathie Billingslea Smith 1987

Discusses the courageous Sioux Indian chief who led his people at Custer's Last Stand.

Sitting Bull - Randy T. Gosda 2002-09-01

A simple biography of the Sioux chief who worked to maintain the rights of Native American people.

Sitting Bull - Chris Hayhurst 2003-12-15

A biography of the Sioux chief who worked to maintain the rights of Native American people and who led the defeat of General Custer at the Little Big Horn in 1876.

Native American Icons - Charles River Editors 2013-09-09

*Includes pictures of important people, places, and events. *Explains several Lakota Sioux oral legends, as well as the origins of the names of each Native American icon. *Explains the Battle of the Little Bighorn, the Nez Perce War, and Geronimo's final campaign Five of the best known Native American legends in history are Geronimo, Sitting Bull, Crazy Horse, Chief Joseph and Red Cloud, celebrated by Americans today for the very reason they were reviled by Americans of their own day. Americans have always appreciated plucky, persistent, and dogged individuals, and there are few examples in the nation's history that represent the fighting spirit better than these Native American leaders. The name "Geronimo" evokes a number of different emotions. Those who believed in 19th century America's "Manifest Destiny" viewed Geronimo and all Native Americans as impediments to God's will for the nation. Even today, many Americans associate the name Geronimo with a war cry, and the name Geronimo itself only came about because of a

battle he fought against the Mexicans. Over time, however, those who empathized with the fate of the Native Americans saw Geronimo as one of a number of Native American leaders who resisted the U.S. and Mexican governments as their lands were being appropriated, often eluding large numbers of soldiers pursuing them. Around the same time, Sitting Bull and Crazy Horse became legends at the Battle of the Little Bighorn, during which an estimated 2,000 Sioux and Cheyenne warriors inspired by one of Sitting Bull's visions routed and then annihilated the 7th U.S. Cavalry led by George Custer. That disaster led the American government to double down on its efforts to "pacify" the Sioux, and by the end of the decade many of them had surrendered and been moved onto a reservation. Sitting Bull and Crazy Horse were two of the last Sioux leaders to surrender, and both suffered controversial deaths on reservations. Though he has not been remembered as vividly as another member of the Oglala Lakota, Crazy Horse, Red Cloud led the group for 40 years, in war, in peace, and on a reservation, becoming so esteemed and influential that Americans began to mistakenly take him for the leader of the entire Sioux tribe. When he died in 1904, most Americans who knew his people's story considered Chief Joseph, whose Nez Percé name is Himahtooyahlatkekt ("Thunder Rolling Down from the Mountains"), a military genius and an "Indian Napoleon." This assessment of the Native American leader was based on a 1,500-mile odyssey during which he and his people left their reservation in the hopes of escaping to Canada, where the Nez Percé intended to join Sitting Bull and his Hunkpapa Sioux band. The real Chief Joseph was a gifted speaker and more diplomat than war leader. It's not surprising that Chief Joseph was misunderstood and misrepresented by Americans because his people's name was as well; Nez Percé literally means "pierced nose" in French, but it is unclear whether the tribe ever used nose piercing as a form of ornament. Native American Icons profiles the amazing lives of the 5 Native American leaders, from their origins to their legendary confrontations with the U.S. Army, while also analyzing their lasting legacies. Along with pictures of the Native American icons and other important people, places, and events in their lives, you will learn about Geronimo, Sitting Bull, Crazy Horse, Chief Joseph and Red Cloud like you never have before.

Sitting Bull - Ernie LaPointe 2009-09-01

An intimate portrait of the Lakota chief by his great-grandson. Ernie LaPointe, born on the Pine Ridge Reservation in South Dakota, is a great-grandson of the famous Hunkpapa Lakota chief Sitting Bull, and in this book, the first by one of Sitting Bull's lineal descendants, he presents the family tales and memories told to him about his great-grandfather. LaPointe not only recounts the rich oral history of his family—the stories of Sitting Bull's childhood, his reputation as a fierce warrior, his growth into a sage and devoted leader of his people, and the betrayal that led to his murder—but also explains what it means to be Lakota in the time of Sitting Bull and now. In many ways, the oral history differs from what has become the standard and widely accepted biography of Sitting Bull. LaPointe explains the discrepancies, how they occurred, and why he wants to tell his story of Tatanka Iyotake. This is a powerful story of Native American history, told by a Native American, for all people to better understand a culture, a leader, and a man.

Sitting Bull and the Battle of the Little Bighorn - Dan Abnett 2006-08-01

Sitting Bull was a warrior, medicine-man, leader of the Sioux nation, and an inspiration to his

people to fight for their land. Travel back for a glimpse of this proud warrior's life and the sad plight of the Native Americans.

Sitting Bull - Bill Yenne 2008

Documents the life of Sitting Bull, from his youth as a warrior and rise as a tribal elder to his failed efforts to save the Lakota's land and culture through nonviolence and negotiations.

Blood Brothers - Deanne Stillman 2017-10-24

Winner of the 2018 Ohioana Book Award for Nonfiction "Deanne Stillman's splendid *Blood Brothers* eloquently explores the clash of cultures on the Great Plains that initially united the two legends and how this shared experience contributed to the creation of their ironic political alliance." —Bobby Bridger, *Austin Chronicle* It was in Brooklyn, New York, in 1883 that William F. Cody—known across the land as Buffalo Bill—conceived of his Wild West show, an "equestrian extravaganza" featuring cowboys and Indians. It was a great success, and for four months in 1885 the Lakota chief Sitting Bull appeared in the show. *Blood Brothers* tells the story of these two iconic figures through their brief but important collaboration, in "a compelling narrative that reads like a novel" (*Orange County Register*). "Thoroughly researched, Deanne Stillman's account of this period in American history is elucidating as well as entertaining" (*Booklist*), complete with little-told details about the two men whose alliance was eased by none other than Annie Oakley. When Sitting Bull joined the Wild West, the event spawned one of the earliest advertising slogans: "Foes in '76, Friends in '85." Cody paid his performers well, and he treated the Indians no differently from white performers. During this time, the Native American rights movement began to flourish. But with their way of life in tatters, the Lakota and others availed themselves of the chance to perform in the Wild West show. When Cody died in 1917, a large contingent of Native Americans attended his public funeral. An iconic friendship tale like no other, *Blood Brothers* is a timeless story of people from different cultures who crossed barriers to engage each other as human beings. Here, Stillman provides "an account of the tragic murder of Sitting Bull that's as good as any in the literature...Thoughtful and thoroughly well-told—just the right treatment for a subject about which many books have been written before, few so successfully" (*Kirkus Reviews*, starred review).

The Last Days of Sitting Bull - Usher Lloyd Burdick 1941

Lakota America - Pekka Hamalainen 2019-10-22

The first comprehensive history of the Lakota Indians and their profound role in shaping America's history Named One of the New York Times Critics' Top Books of 2019 - Named One of the 10 Best History Books of 2019 by Smithsonian Magazine - Winner of the MPIBA Reading the West Book Award for narrative nonfiction "Turned many of the stories I thought I knew about our nation inside out."--Cornelia Channing, *Paris Review*, Favorite Books of 2019 "My favorite non-fiction book of this year."--Tyler Cowen, *Bloomberg Opinion* "A brilliant, bold, gripping history."--Simon Sebag Montefiore, *London Evening Standard*, Best Books of 2019 "All nations deserve to have their stories told with this degree of attentiveness"--Parul Sehgal, *New York Times* This first complete account of the Lakota Indians traces their rich and often surprising history from the early sixteenth to the early twenty-first century. Pekka Hämäläinen explores the Lakotas' roots as marginal hunter-gatherers and reveals how they reinvented themselves twice: first as a river people who dominated the Missouri Valley, America's great commercial artery, and then--in what was America's first sweeping westward expansion--as a horse people who ruled supreme on the vast high plains. The Lakotas are imprinted in American historical memory. Red Cloud, Crazy Horse, and Sitting Bull are iconic figures in the American imagination, but in this groundbreaking book they emerge as something different: the architects of Lakota America, an expansive and enduring Indigenous regime that commanded human fates in the North American interior for generations. Hämäläinen's deeply researched and engagingly written history places the Lakotas at the center of American history, and the results are revelatory.

Sitting Bull - Connie Roop 2002-10

Using primary sources, historic prints, and photographs, profiles the brave warrior whose accomplishments and actions brought him a place in American history

Meet Sitting Bull - Jane Katirgis 2019-07-15

A man of renowned courage, Sitting Bull was a great leader. What path led him to be such a brave chief? Readers will be spellbound by the biographical details shared in this riveting biography. As a young man, Sitting Bull was a natural leader and great hunter. He was named leader of the Lakota nation and a holy man. General Custer and his troops were no match for Sitting Bull and his tribe when Custer attacked. Until his untimely death at Standing Rock Reservation, Sitting Bull was an important and influential figure in American history. Primary source images and engaging sidebars round out this easy-to-read text.

Sitting Bull - Gary Jeffrey 2005-01-15

1 CopyEngage your students as they develop their inference, comprehension, and vocabulary skills through this high-interest, graphic nonfiction reader. The content is correlated to national Social Studies curriculum standards.

Sitting Bull in His Own Words - Julia McDonnell 2014-08-01

In this book, readers learn about Sitting Bull, the well-known Native American chief, how he united the Lakota Sioux in the northern Great Plains and led a mighty resistance of tribes who refused to be placed on reservations.

Who Was Sitting Bull? - Stephanie Spinner 2018-09

No one knew the boy they called 'Jumping Badger' would grow to become a great leader. As the government seized Native American lands, Sitting Bull relied on his military cunning and strong spirituality to drive forces out of his territory and ensure a future homeland for his people.

Sitting Bull - Stanley Vestal 2014-12-17

"If that is Long Hair, I am the one who killed him," White Bull, the young nephew of Sitting Bull, said when Bad Juice pointed out Custer's body immediately after the Battle of the Little Big Horn. Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill's Wild West Show as "the warrior who killed Custer." But this new edition of Stanley Vestal's classic biography of the famous chief emphasizes that "Sitting Bull's fame does not rest upon the death of Custer's five troops. Had he been twenty miles away shooting antelope that morning, he would still remain the greatest of the Sioux." The stirring account of the death throes of a mighty nation and its leader is the story of the "greatest of the Sioux" and his struggle to keep his people free and united. The Sioux were formidable warriors, as attested to by men who fought against them, like General Anson Mills, who said, "They were the best cavalry in the world; their like will never be seen again," but they were up against an overwhelming tide of soldiers, homesteaders, and bureaucrats. Sitting Bull fought long and hard and "He was ... a statesman, one of the most farsighted we have had," but statesmanship could not prevail against such odds. This powerful biography of Sitting Bull is brought to a new generation of readers in a new and expanded edition, for much new material had been added to the original edition (published in 1932) that could not be disclosed while the informants were still living. Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people's rights.

The Last Sovereigns - Robert M. Utley 2020-10-01

The Last Sovereigns is the story of how Sioux chief Sitting Bull resisted the white man's ways as a last best hope for the survival of an indigenous way of life on the Great Plains—a nomadic life based on buffalo and indigenous plants scattered across the Sioux's historical territories that were sacred to him and his people. Robert M. Utley explores the final four years of Sitting Bull's life of freedom, from 1877 to 1881. To escape American vengeance for his assumed role in the annihilation of Gen. George Armstrong Custer's command at the Little Bighorn, Sitting Bull led his Hunkpapa following into Canada. There he and his people interacted with the North-West Mounted Police, in particular Maj. James M. Walsh. The Mounties welcomed the Lakota and permitted them to remain if they promised to abide by the laws and rules of Queen Victoria, the White Mother. But

the Canadian government wanted the Indians to return to their homeland and the police made every effort to persuade them to leave. They were aided by the diminishing herds of buffalo on which the Indians relied for sustenance and by the aggressions of Canadian Native groups that also relied on the buffalo. Sitting Bull and his people endured hostility, tragedy, heartache, indecision, uncertainty, and starvation and responded with stubborn resistance to the loss of their freedom and way of life. In the end, starvation doomed their sovereignty. This is their story.

Sitting Bull - S. D. Nelson 2015-11-03

“A reverent tribute to the great Hunkpapa chief and holy man, cast as a memoir with a rich array of new and contemporary illustrations.” —Kirkus Reviews *Sitting Bull* (c. 1831–1890) was one of the greatest Lakota/Sioux warriors and chiefs who ever lived. He was eventually named war chief, leader of the entire Sioux nation—a title never before bestowed on anyone. As a leader, Sitting Bull resisted the United States government’s attempt to move the Lakota/Sioux to reservations for more than twenty-five years. From Sitting Bull’s childhood—killing his first buffalo at age ten—to being named war chief, to leading his people against the U.S. Army, and to his surrender, *Sitting Bull: Lakota Warrior and Defender of His People* brings the story of the great chief to light. Sitting Bull was instrumental in the war against the invasive wasichus (White Man) and was at the forefront of the combat, including the Battles of Killdeer Mountain and the Little Bighorn. He and Crazy Horse were the last Lakota/Sioux to surrender their people to the U.S. government and resort to living on a reservation. Award-winning author and member of the Standing Rock Sioux tribe S. D. Nelson intersperses archival images with his own artwork, inspired by the ledger-art drawings of the nineteenth-century Lakota. Through the art and riveting story, Nelson conveys how Sitting Bull clung to his belief that the Lakota were a free people meant to live, hunt, and die on the Great Plains. “A tragic true story told in powerfully subdued tones.” —Booklist (starred review) “Both powerful and poignant.” —Publishers Weekly (starred review)

Sitting Bull - S.D. Nelson 2015-11-03

Sitting Bull (c. 1831-1890) was one of the greatest Lakota/Sioux warriors and chiefs who ever lived. From Sitting Bull's childhood--killing his first buffalo at age 10--to being named war chief to leading his people against the U.S. Army, *Sitting Bull: Lakota Warrior and Defender of His People* brings the story of the great chief to light. Sitting Bull was instrumental in the war against the invasive wasichus (white men) and was at the forefront of the combat, including the Battles of Killdeer Mountain and the Little Bighorn. He and Crazy Horse were the last Lakota/Sioux to surrender their people to the U.S. government and resort to living on a reservation. The book includes an extensive author's note and timeline, historical photographs, a map, a bibliography, endnotes, and an index.

Who Was Sitting Bull? - Stephanie Spinner 2014-12-26

No one knew the boy they called “Jumping Badger” would grow to become a great leader. Born on the banks of the Yellowstone River, Sitting Bull, as he was later called, was tribal chief and holy man of the Lakota Sioux tribe in a time of fierce conflict with the United States. As the government seized Native American lands, Sitting Bull relied on his military cunning and strong spirituality to drive forces out of his territory and ensure a future homeland for his people.

Sitting Bull - Sneed B. Collard 2009

All there is to know about American hero Sitting Bull

Sitting Bull, Prisoner of War - Dennis C. Pope 2010

After Sitting Bull's surrender at Fort Buford in what is now North Dakota in 1881, the United States Army transported the chief and his followers down the Missouri River to Fort Randall, roughly seventy miles west of Yankton. The famed Hunkpapa leader remained there for twenty-two months as a prisoner of war.

Life of Sitting Bull and History of the Indian War of 1890-91 - Willis Fletcher Johnson 1891

Sitting Bull - Bree Burns 1993

Profiles of twelve great tribal leaders, drawn from stunning photographs and archival material, are

accompanied by a discussion of the rites, customs, and histories of the tribes they led.

Sitting Bull - Roben Alarcon 2005-05-31

This enlightening biography introduces readers to the life of Sitting Bull, the Lakota Indian chief. Featuring engaging facts, easy-to-read text, vivid images, and a glossary for support, this book will have children enthralled as they learn the ways that Sitting Bull fought for Native Americans' rights to stay on their land, Indian treaties with the United States, and the history of Indian Reservations. Readers will be eager to learn more as they move from cover to cover.

Sitting Bull, Sioux Warrior - William Reynolds Sanford 1994

A biography of the greatest chief of the Sioux, who led the Sioux in their victory of the Battle of Little Bighorn.

Sitting Bull, Warrior of the Sioux - Jane Fleischer 1979

A brief biography of the only Indian ever to be chief of all the Plains Sioux.

Sitting Bull - Ann Weil 2014-11-01

This biography examines the life of Sitting Bull. The book includes biographies of other historical people and a family tree.

Sitting Bull - Sitting Bull 1998

Hunkpapa Lakota Chief Sitting Bull - William R. Sanford 2013-01-01

Sitting Bull was the greatest chief of the Sioux. As both war chief and medicine man, Sitting Bull led the Sioux in their victory at the Battle of Little Bighorn, but he also led them through their years of hardship and turmoil. Rather than surrender, Sitting Bull united many Native American tribes in the struggle to protect the great Plains and the sacred Black Hills of South Dakota.

Sitting Bull - Walter LaPlante 2015-07-15

Sitting Bull is best known for his part in the Battle of the Little Bighorn. He continually resisted the US government’s mandate that all Native Americans must move to reservations they set up. Sitting Bull became an important leader to his people, the Lakota, and a symbol to others who wished to resist the US laws as well. With an emphasis on the Native American experience, this volume introduces readers to Sitting Bull and his cause. Important events are enhanced by historical images and collected in a timeline to aid understanding of a trying time in US history.

Sitting Bull and the Paradox of Lakota Nationhood - Gary C. Anderson 2023-03

In this biography Gary C. Anderson profiles Sitting Bull, a military and spiritual leader of the Lakota people who remained a staunch defender of his nation and way of life until his untimely death.

Sitting Bull - Edward J. Rielly 2007-08-30

A revered political, spiritual, and military leader, Sitting Bull was legendary for his stubbornness and battle prowess as head of the Lakota Sioux in the 1860s. His resistance of U.S. government encroachment onto Native lands and his fight to preserve Sioux culture inspired his people to do the same, culminating in the Battle of Little Bighorn. Despite his eventual surrender, Sitting Bull was one of the most influential figures in the history of U.S.-Native American relations. This accessible biography marks the first of several Native American volumes to come in the Greenwood Biographies series and is an essential supplement to any American history or Native American studies curricula.

Sitting Bull - Robert M. Utley 2014-05-13

The definitive, award-winning biography of the legendary chief and his dramatic role in the history of westward expansion Reviled by the United States government as a troublemaker and a coward, revered by his people as a great warrior chief, Sitting Bull has long been one of the most fascinating and misunderstood figures in American history. Distinguished historian Robert M. Utley has forged a compelling portrait of Sitting Bull, presenting the Lakota perspective for the first time and rendering the most unbiased, historically accurate, and vivid portrait of the man to date. The Sitting Bull who emerges in this fast-paced narrative is a complex, towering figure: a great warrior whose skill and bravery in battle were unparalleled; the spiritual leader of his people; a dignified

but ultimately tragically stubborn defender of the traditional ways against the steadfast and unwelcome encroachment of the white man.

Sitting Bull - Randy T. Gosda 2002-09-01

A simple biography of the Sioux chief who worked to maintain the rights of Native American people.
