[Amal'ezulu](#) - Benedict Wallet Vilakazi 2021-10-01

Amal'ezulu (Zulu Horizons), first published in 1945 in the Bantu (later, African) Treasury Series by the University of the Witwatersrand Press, was the second volume of poetry produced by the renowned Zulu author B.W. Vilakazi. It was written during the ten years he spent living in Johannesburg, in 'exile' from his birthplace, KwaZulu-Natal. The poems in this collection represent a turning point in Vilakazi's life; they express yearnings for the beloved land, animals and ancestral spirits of his rural home, as well as expressions of deep disillusionment with the urban life he encountered in the 'City of Gold', and in particular the suffering of the black miners who brought this gold to the surface but never experienced the benefits of the wealth it produced for the mine owners. Vilakazi was deeply conscious of the subhuman system that held these miners in its grip, and gave voice to their suffering in many of the poems in the collection, in particular the now famous poem 'On the mine compounds.' Renowned as the father of Nguni literature, Vilakazi was both a traditional imbonji (bard) and a forward-looking poet who could fuse Western poetic forms with Zulu izibongo (praise poetry). In these poems he assumes the role of the voice of the voiceless, and gives poignant expression to the stoic endurance of those caught up in the brutalities of capitalist exploitation of African labour, and the appalling injustices of

the migrant labour system.

[Ukufa kukaShaka](#) - Elliot Zondi 2021-10-01

Ukufa kukaShaka is a historical drama by Elliot Zondi, first published in 1960 in the Bantu (later, African) Treasury Series by the University of the Witwatersrand Press. Its plot is based on the events surrounding the assassination of Shaka, the mighty Zulu king, by his two half-brothers, Dingane and Mhlangana, aided and abetted by his paternal aunt, Mkabayi, in 1828. The play explores the classic theme of the tragic hero's fatal flaws: hubris and overconfidence. Shaka's ruthless ambition led him to overstep human boundaries, kill with impunity, bar his warriors from having families and force them into endless wars. His blind spot seems to have been to put the survival and expansion of the Zulu kingdom first and the welfare of his subjects second. Against this backdrop Mkabayi, whose ambitions for a remarkable Zulu nation were more tempered, played a decisive role in his downfall. Zondi explores arguments both in favor of and against Shaka's assassination in a way

that allows the reader to sympathize with his greater vision and his thwarted plan to fight impending colonialism. His dramatization of the

conflict between Shaka and Mkabayi highlights questions of leadership and nation-building that continue to be relevant today.
