Yard Sale - Charleigh Rose 2018-07-27
Mollie I was freshly fired from my job and betrayed by my boyfriend. It was a new low for me. A one-night stand with an arrogant stranger was just what I needed. I didn't know that he was a famous snowboarder, or that he'd give me the best sex of my life. I wasn't ever supposed to see him again. Fate had other plans. Cam I was

young and rich with the whole world at my fingertips. I was in my prime. A one-night stand with a hot little tourist on the rebound was the perfect way to spend my weekend. I didn't know she'd leave in the middle of the night, or that I'd wake up wanting more. I never thought I'd see her again. Now she's back. She's been keeping a secret. One that will change everything.

Moby Dick - Herman Melville 2010-01-01

In Herman Melville's classic tale of revenge, Ishmael tells his story of becoming a whaler on the Pequod. When Ishmael and his unexpected friend Queequeg join Captain Ahab's hunt for Moby Dick, the voyage of a lifetime turns into tragedy. The adventures of sailing the seas on the hunt for the great white whale is retold in the Calico Illustrated Classics adaptation of Melville's *Moby Dick*. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.

Born a Crime - Trevor Noah 2016-11-15

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, *Time*), “poignant” (*Entertainment Weekly*), “soul-nourishing” (*USA Today*) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never

be forgotten.”—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah’s unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he

struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Mr. Bad Influence - M. A. Foster 2021-06-26

One year. That was how long it took to plan the

wedding of my dreams, from the dress all the way down to the shoes. It wasn't until the shoes went missing that I discovered the man I was supposed to marry in twenty-four hours wasn't the man I thought he was. Unfortunately, life doesn't always go according to plan. That's why my mom told me to always have a backup. So I called off the wedding and flew to Vegas with my girls. It was supposed to be a weekend getaway to nurse my broken heart. Waking up married to hot billionaire, Cooper Sullivan, was definitely not part of the plan.

Tell Me Pretty Lies - Charleigh Rose 2020
Three things my mother acquired when she became engaged: 1. A brand new Tiffany's ring. 2. A lavish home on Heartbreak Hill. 3. Three

privileged stepsons. The last thing I expected was to fall for one of them, least of all Thayer Ames. Beautiful, brooding, and untouchable. I knew it was a bad idea. He warned me himself. But he was a thunderstorm, and I never could resist the rain. It was perfect... Until it wasn't. One night was all it took for our world to crumble, leaving only secrets and lies between us. Now, I have to face him again, but the boy I used to know has become the man who loves to hate me.

The Rise of Liberal Religion - Matthew Hedstrom 2013

Winner of the Frank S. and Elizabeth D. Brewer

Best First Book Prize of the American Society of Church History Named a Society for U. S. Intellectual History Notable Title in American Intellectual History The story of liberal religion in the twentieth century, Matthew S. Hedstrom contends, is a story of cultural ascendancy. This may come as a surprise-most scholarship in American religious history, after all, equates the numerical decline of the Protestant mainline with the failure of religious liberalism. Yet a look beyond the pews, into the wider culture, reveals a more complex and fascinating story, one Hedstrom tells in *The Rise of Liberal Religion*. Hedstrom attends especially to the critically important yet little-studied arena of religious book culture-particularly the religious middlebrow of mid-century-as the site where religious liberalism was most effectively popularized. By looking at book weeks, book clubs, public libraries, new publishing enterprises, key authors and bestsellers, wartime reading programs, and fan mail, among other sources, Hedstrom is able

to provide a rich, on-the-ground account of the men, women, and organizations that drove religious liberalism's cultural rise in the 1920s, 1930s, and 1940s. Critically, by the post-WWII period the religious middlebrow had expanded beyond its Protestant roots, using mystical and psychological spirituality as a platform for interreligious exchange. This compelling history of religion and book culture not only shows how reading and book buying were critical twentieth-century religious practices, but also provides a model for thinking about the relationship of religion to consumer culture more broadly. In this way, *The Rise of Liberal Religion* offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times.

The Berenstain Bears and the Bad Influence

- Jan Berenstain 2008-06-24

Sister Bear and her new friend, Miranda, make a lot of bad decisions—riding down Dead Bear's Hill, eating Ben's apples, running through Mizz

McGrizz's tulips. When Mama Bear finds out about these things, she wants Sister to stop playing with their new neighbor. But is it really all Miranda's fault?

The Paradox of Vertical Flight - Emil Ostrovski

2013-09-24

Hilarious, deeply moving, mind-bending, original, romantic, and surprising, this debut teen novel by Emil Ostrovski will appeal to fans of John Green, Chris Crutcher, and Andrew Smith. Gary Shteyngart, author of the New York Times bestseller *Super Sad True Love Story*, says: "Do yourself a favor and get inside a car with Emil Ostrovski immediately! *The Paradox of Vertical Flight* is an amazing road trip. You're in for one heck of a ride." An Indie Next Pick! On the morning of his eighteenth birthday, Jack Polovsky kidnaps his own baby, names him Socrates, stocks up on baby supplies at Walmart, and hits the road with his best friend, Tommy, and with the baby's mother, Jess. As they head to Grandma's house (eluding the police at every

turn), Jack tells baby Socrates the Greek myths—because all stories spring from those stories, really. Even this one. By turns funny, heart wrenching, and wholly original, this debut novel by Emil Ostrovski explores the nature of family, love, friendship, fatherhood, and myth. "Shares a sense of humor and philosophical bent with such YA authors as John Green and Chris Crutcher. But the story and likable characters are Ostrovsky's own, a delightful mix of quirky, intelligent, naive, well-intentioned, and just plain dumb teens. A delightful success."—ALA Booklist
Plain Bad Heroines - Emily M. Danforth

2020-10-20

NATIONAL BESTSELLER "A delectable brew of gothic horror and Hollywood satire . . . [and] what makes all this so much fun is Danforth's deliciously ghoulish voice . . . exquisite." —Ron Charles, THE WASHINGTON POST "A multi-faceted novel, equal parts gothic, sharply funny, sapphic romance, historical, and, of course, spooky." —ENTERTAINMENT WEEKLY Named a

Most Anticipated Book by Entertainment Weekly • Washington Post • USA Today • Time • O, The Oprah Magazine • BuzzFeed • Harper's Bazaar • Vulture • Parade • HuffPost • Refinery29 • Popsugar • E! News • Bustle • The Millions • GoodReads • Autostraddle • Lambda Literary • Literary Hub • and more! The award-winning author of *The Miseducation of Cameron Post* makes her adult debut with this highly imaginative and original horror-comedy centered around a cursed New England boarding school for girls—a wickedly whimsical celebration of the art of storytelling, sapphic love, and the rebellious female spirit. Our story begins in 1902, at the Brookhants School for Girls. Flo and Clara, two impressionable students, are obsessed with each other and with a daring young writer named Mary MacLane, the author of a scandalous bestselling memoir. To show their devotion to Mary, the girls establish their own private club and call it the Plain Bad Heroine Society. They meet in secret in a nearby apple orchard, the setting of their

wildest happiness and, ultimately, of their macabre deaths. This is where their bodies are later discovered with a copy of Mary's book splayed beside them, the victims of a swarm of stinging, angry yellow jackets. Less than five years later, the Brookhants School for Girls closes its doors forever—but not before three more people mysteriously die on the property, each in a most troubling way. Over a century later, the now abandoned and crumbling Brookhants is back in the news when wunderkind writer Merritt Emmons publishes a breakout book celebrating the queer, feminist history surrounding the “haunted and cursed” Gilded Age institution. Her bestselling book inspires a controversial horror film adaptation starring celebrity actor and lesbian it girl Harper Harper playing the ill-fated heroine Flo, opposite B-list actress and former child star Audrey Wells as Clara. But as Brookhants opens its gates once again, and our three modern heroines arrive on set to begin filming, past and present become grimly

entangled—or perhaps just grimly exploited—and soon it's impossible to tell where the curse leaves off and Hollywood begins. A story within a story within a story and featuring black-and-white period-inspired illustrations, *Plain Bad Heroines* is a devilishly haunting, modern masterwork of metafiction that manages to combine the ghostly sensibility of Sarah Waters with the dark imagination of Marisha Pessl and the sharp humor and incisive social commentary of Curtis Sittenfeld into one laugh-out-loud funny, spellbinding, and wonderfully luxuriant read. "Full of Victorian sapphic romance, metafictional horror, biting misandrist humor, Hollywood intrigue, and multiple timeliness—all replete with evocative illustrations that are icing on a deviously delicious cake." -O, THE OPRAH MAGAZINE

Bad Intentions - Charleigh Rose 2018-04-26

Lo Moving to River's Edge was supposed to be a fresh start. Away from chaos. Away from bad influences and worse relationships. All I wanted was to give my little brother more of a chance than I ever had. It should've been simple. I didn't count on my transgressions following me. And I definitely didn't count on meeting Dare. Tall, tortured, and tattooed. A Lost Boy through and through. Falling for someone like him was asking for heartache. But I was a sucker for punishment. Dare I had a routine. Eat, work, sleep, repeat, only ever doing the bare minimum to keep up appearances. I kept my circle small and my guard high. I spent years making sure I didn't repeat the mistakes of my past, forming an impenetrable layer of ice around my heart. Then Logan showed up in my town, in my tattoo shop, testing my patience along with my self-control. She was fire and I was ice. I should've stayed away. But I had been cold for far too long.

1Q84 - Haruki Murakami 2011-10-25
NATIONAL BESTSELLER • The year is 1984 and

the city is Tokyo. A young woman named Aomame follows a taxi driver's enigmatic suggestion and begins to notice puzzling discrepancies in the world around her. She has entered, she realizes, a parallel existence, which she calls 1Q84 —“Q is for ‘question mark.’ A world that bears a question.” Meanwhile, an aspiring writer named Tengo takes on a suspect ghostwriting project. He becomes so wrapped up with the work and its unusual author that, soon, his previously placid life begins to come unraveled. As Aomame's and Tengo's narratives converge over the course of this single year, we learn of the profound and tangled connections that bind them ever closer: a beautiful, dyslexic teenage girl with a unique vision; a mysterious religious cult that instigated a shoot-out with the metropolitan police; a reclusive, wealthy dowager who runs a shelter for abused women; a hideously ugly private investigator; a mild-mannered yet ruthlessly efficient bodyguard; and a peculiarly insistent television-fee collector. A

love story, a mystery, a fantasy, a novel of self-discovery, a dystopia to rival George Orwell's—1Q84 is Haruki Murakami's most ambitious undertaking yet: an instant best seller in his native Japan, and a tremendous feat of imagination from one of our most revered contemporary writers.

Principles - Ray Dalio 2018-08-07
#1 New York Times Bestseller "Significant...The book is both instructive and surprisingly moving."
—The New York Times Ray Dalio, one of the world's most successful investors and entrepreneurs, shares the unconventional principles that he's developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to Fortune magazine. Dalio himself has been named to Time magazine's list of the 100 most influential people in the world. Along the way,

Dalio discovered a set of unique principles that have led to Bridgewater's exceptionally effective culture, which he describes as "an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency." It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In *Principles*, Dalio shares what he's learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book's hundreds of practical lessons, which are built around his cornerstones of "radical truth" and "radical transparency," include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life,

such as creating “baseball cards” for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, Principles also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they’re seeking to achieve. Here, from a man who has been called both “the Steve Jobs of investing” and “the philosopher king of the financial universe” (CIO magazine), is a rare opportunity to gain proven advice unlike anything you’ll find in the conventional business press.

Stepdaddy Savage - Charleigh Rose 2016-09-16
tepdaddy Savage is a smutty Taboo novella featuring an over-the-top alpha. Read at your own risk You do not say no to Graham Savage, because Graham Savage doesn’t ask. Just like his name suggests, he takes, and right now, he believes I’m his. He is a cold, calculated,

ruthless, formidable Irish mobster, and... my step-dad. Regardless of the fact that it's nothing more than a business transaction, he's technically married to my mom. Even still, I find myself scared to be caught, yet even more terrified of being cut loose. They say love is like a butterfly; well, we are about to prove to the world that it's also like a punch in the face. Sometimes inevitable; and always painful

Politics and the English Language - George Orwell
2021-01-01

George Orwell set out ‘to make political writing into an art’, and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell’s essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language,

the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Ovid, Amores (Book 1) - William Turpin
2016-05-15

From Catullus to Horace, the tradition of Latin erotic poetry produced works of literature which are still read throughout the world. Ovid's Amores, written in the first century BC, is arguably the best-known and most popular collection in this tradition. Born in 43 BC, Ovid was educated in Rome in preparation for a career in public services before finding his calling as a poet. He may have begun writing his Amores as

early as 25 BC. Although influenced by poets such as Catullus, Ovid demonstrates a much greater awareness of the funny side of love than any of his predecessors. The Amores is a collection of romantic poems centered on the poet's own complicated love life: he is involved with a woman, Corinna, who is sometimes unobtainable, sometimes compliant, and often difficult and domineering. Whether as a literary trope, or perhaps merely as a human response to the problems of love in the real world, the principal focus of these poems is the poet himself, and his failures, foolishness, and delusions. By the time he was in his forties, Ovid was Rome's most important living poet; his Metamorphoses, a kaleidoscopic epic poem about love and hatred among the gods and mortals, is one of the most admired and influential books of all time. In AD 8, Ovid was exiled by Augustus to Romania, for reasons that remain obscure. He died there in AD 17. The Amores were originally published in five books,

but reissued around 1 AD in their current three-book form. This edition of the first book of the collection contains the complete Latin text of Book 1, along with commentary, notes and full vocabulary. Both entertaining and thought-provoking, this book will provide an invaluable aid to students of Latin and general readers alike. This book contain embedded audio files of the original text read aloud by Aleksandra Szypowska.

Incognito - David Young 1986

The Outside Circle - Patti LaBoucane-Benson
2015-04-25

Winner, CODE's 2016 Burt Award for First Nation, Inuit and Métis Literature In this important graphic novel, two brothers surrounded by poverty, drug abuse, and gang violence, try to overcome centuries of historic trauma in very different ways to bring about positive change in their lives. Pete, a young Indigenous man wrapped up in gang violence, lives with his

younger brother, Joey, and his mother who is a heroin addict. One night, Pete and his mother's boyfriend, Dennis, get into a big fight, which sends Dennis to the morgue and Pete to jail. Initially, Pete keeps up ties to his crew, until a jail brawl forces him to realize the negative influence he has become on Joey, which encourages him to begin a process of rehabilitation that includes traditional Indigenous healing circles and ceremonies. Powerful, courageous, and deeply moving, *The Outside Circle* is drawn from the author's twenty years of work and research on healing and reconciliation of gang-affiliated or incarcerated Indigenous men.

The Effect - Nick Huntington-Klein 2021-12-20
The Effect: An Introduction to Research Design and Causality is about research design, specifically concerning research that uses observational data to make a causal inference. It is separated into two halves, each with different approaches to that subject. The first half goes through the concepts of causality, with very little

in the way of estimation. It introduces the concept of identification thoroughly and clearly and discusses it as a process of trying to isolate variation that has a causal interpretation. Subjects include heavy emphasis on data-generating processes and causal diagrams. Concepts are demonstrated with a heavy emphasis on graphical intuition and the question of what we do to data. When we “add a control variable” what does that actually do? Key Features: • Extensive code examples in R, Stata, and Python • Chapters on overlooked topics in econometrics classes: heterogeneous treatment effects, simulation and power analysis, new cutting-edge methods, and uncomfortable ignored assumptions • An easy-to-read conversational tone • Up-to-date coverage of methods with fast-moving literatures like difference-in-differences

Her Secret - Ivy Fox 2018-04-02

"Our love is so much more than a mere catastrophic occurrence." My name is Freya

Wilson. I am not your typical girl next door. I'm far from it. As my mother likes to point out since I graduated high school, I should be planning my life instead of wallowing around the house, in my pajamas all day. Girls my age are either preparing for college or taking advantage of the warm summer days that California provides in spades. She doesn't understand why I prefer to be stuck in my room, watching the world pass by. But there is a reason to my melancholy that she will never know. I'm in mourning. I mourn a love I can never have. A love that if anyone were to learn about its existence, I would be judged and ridiculed. Branded with names too ugly to mention. Years ago, I had made the ultimate sacrifice so no one would discover my secret. However, now my secret is being put to the test. I will need to overcome one last obstacle. When fate brings me to live under the same roof temptation lies, I fear I might not be strong enough to hide my feelings. The moment I set foot inside it, my life takes an unexpected turn

and the vision I once had of eternal solitude, seems out of reach. The chains I have weaved around me are no match for the allurements the house next door provides. There is no running away from love, and I was a fool to think otherwise. This love story involves five alpha knights that will do anything to get their princess back. If you believe that love conquers all, and adore all things Reverse Harem then this book is for you. *Bad Influence is a Contemporary Reverse Harem Romance series. Each book is a standalone novel, with all new characters and brand new love stories. *Recommended 18+ due to mature language and situations.

Bad Influence - Charleigh Rose 2019-06-13
AllieWhen I moved to River's Edge, dating was the last thing on my mind. I definitely didn't expect to fall for him. Jesse Shepherd. Popular. Star athlete. Cocky as hell. You know the type. But as time passed, I realized there was more lurking beneath that gorgeous exterior. Secretive. Angry. A little bit broken. The more I peeled back his layers, the deeper I fell. Until I slammed headfirst into his sea of lies. Jesse blew my shot. Pissed everything away—college, lacrosse, my future—only to end up right back where I started in River's Edge. I was content to revel in my misery, spending my days drowning

in a bottomless pit of booze and girls. Until I saw her. Allison Parrish. Beautiful. Sarcastic. Perpetual bad attitude. The pretty little distraction from the shit show that was my life. But the sins of my past were closing in on me, and I learned the hard way that nothing gold can stay.

[Archangels MC](#) - Ivy Fox 2018-06-21

"Even shattered wings hold heavenly beauty." I don't know who I am. I don't even remember what my name is. I was lost, confused and broken the day I met them. My Angels. To the world, they're nothing but leather wearing, foul-mouthed bikers, but to me, they are my saviors. The light at the end of a very dark tunnel. However, as my memory starts to come back to me in pieces, I fear the darkness ahead. Maybe the reason why I can't recollect anything is because I don't want to. Life is sweet in heaven.

But hell doesn't want to let me go. Archangels MC is a Contemporary Romance Reverse Harem Standalone story where the heroine is just as fearless as her men, but the mystery that torments her once unraveled might be too much for them to overcome. If you like hot bikers with attitude and a soft gooey center, a little suspense in a story with twists and spins that will make your jaw drop, and a whole bunch of hotness mixed with sweet tender moments, well then this baby is for you! *This is a full-length novel with over 100k words and a guaranteed HEA *Bad Influence is a Contemporary Reverse Harem Romance series. Each book is a standalone novel, with all new characters and brand new love stories. *Recommended 18+ due to mature language and situations.

[I Want to Die but I Want to Eat Tteokbokki](#) - Baek Sehee 2022-06-23

_____ THE PHENOMENAL KOREAN BESTSELLER TRANSLATED BY INTERNATIONAL BOOKER SHORTLISTEE ANTON HUR 'Will strike a

chord with anyone who feels that their public life is at odds with how they really feel inside.' - Red PSYCHIATRIST: So how can I help you? ME: I don't know, I'm - what's the word - depressed? Do I have to go into detail? Baek Sehee is a successful young social media director at a publishing house when she begins seeing a psychiatrist about her - what to call it? - depression? She feels persistently low, anxious, endlessly self-doubting, but also highly judgemental of others. She hides her feelings well at work and with friends; adept at performing the calmness, even ease, her lifestyle demands. The effort is exhausting, overwhelming, and keeps her from forming deep relationships. This can't be normal. But if she's so hopeless, why can she always summon a desire for her favourite street food, the hot, spicy rice cake, tteokbokki? Is this just what life is like? Recording her dialogues with her psychiatrist over a 12-week period, Baek begins to disentangle the feedback loops, knee-jerk reactions and harmful behaviours that keep her

locked in a cycle of self-abuse. Part memoir, part self-help book, *I Want to Die but I Want to Eat Tteokbokki* is a book to keep close and to reach for in times of darkness.

Misbehaved - Charleigh Rose 2017-04-27

Remington Stringer has never been like most girls. She's outspoken, brazen and wants nothing more than to escape the Nevadan hell hole that she calls home. On the brink of eighteen, with a deceased mother and a well-meaning, yet absent father, she is forced to fend for herself. The only person she's ever had to depend on is her borderline obsessive stepbrother, Ryan. But, what used to be her anchor is quickly becoming a loose cannon. When Remi gets the opportunity to attend the best private school in the state during her senior year of high school, she jumps at the chance. Then she meets Mr. James. Ornery, aloof, and totally irresistible. Most girls would swoon in secrecy. Most girls would doodle his name with hearts in their notebook. But Remi Stringer has never been like most girls.

Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology,

and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Bad Blood - John Carreyrou 2018-05-21
NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword covering her trial and sentencing, bringing the story to a close. “Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection.” —The New York Times Book Review
In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical

industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an estimated \$4.5 billion. There was just one problem: The technology didn’t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.
