The Next Generation Companion - Larry Nemecek 2012-09-25

First published in 1992 and last revised in 1995, this is a fitting record of a show that changed the rules by which television was made. The first adventure drama series ever to run to seven seasons and more than 170 episodes, Star Trek: The Next Generation broke audience records wherever it was shown and remains the most widely viewed and consistently popular of all the Star Trek series. This new edition of the series companion has been brought bang up to date to include not only all seven years of the TV series but also all four films which have featured the Next Generation crew. In addition to Generations (1994), we now have full details of First Contact (1997), Insurrection (1998) and the very latest incarnation, Nemesis (2002). A positive feast of information, the Companion includes complete plot summaries and credits for each individual episode and film. There are fascinating behind-the-scenes glimpses into how each one was made, and in-depth analysis really brings The Next Generation universe to life. Illustrated throughout with more than 150 black and white photographs, this is a truly invaluable reference guide.

Deep Space Nine Companion - Terry J. Erdmann 2000

Lavishly illustrated with a wealth of rare photos and drawings, this is the first and only fully authorized, comprehensive companion to seven seasons of the television show "TV Guide" called "the best acted, written, produced, and altogether finest of the four "Trek" series".

The Star Trek Companion - Larry Nemecek 1992

"Hailing frequencies open" - Thomas D. Parham, III 2019-07-15

Star Trek: The Next Generation blended speculative science fiction and space opera in its portrayal of communication. Multiple modes of communication used between characters are presented and the multilevel tapestry of communication in the series is critical in its appeal. This book proposes that these patterns of communication reveal a foundational philosophy of Star Trek (while enticing millions of viewers). These patterns serve both to cause strong empathetic connections with characters and to impel viewers to form relationships with the show, explaining their extreme devotion.

Star Trek: Discovery: Die Standing - John Jackson Miller 2020-07-14

An all-new novel based upon the explosive Star Trek TV series! No one in the history of histories has lost more than Philippa Georgiou, ruler of the Terran Empire. Forced to take refuge in the Federation's universe, she bides her time until Section 31, a rogue spy force within Starfleet, offers her a chance to work as their agent. She has no intention of serving under anyone else, of course; her only interest is escape. But when a young Trill, Emony Dax, discovers a powerful interstellar menace, Georgiou recognizes it as a superweapon that escaped her grasp in her own universe. Escorted by a team sent by an untrusting Federation to watch over her, the emperor journeys to a region forbidden to travelers. But will what she finds there end the threat—or give "Agent Georgiou" the means to create her old empire anew?

Fighting for the Future - Sabrina Mittermeier 2020

The first two seasons of Star Trek: Discovery, the newest instalment in the long-running and influential Star Trek franchise, received media and academic attention from the moment they arrived on screen. Discovery makes several key changes to Star Trek's well-known narrative formulae, particularly the use of more serialized storytelling, appealing to audiences' changed viewing habits in the streaming age - and yet the storylines, in their topical nature and the broad range of socio-political issues they engage with, continue in the political vein of the series' megatext. This volume brings together eighteen essays and one interview about the series, with contributions from a variety of disciplines including cultural studies, literary studies, media studies, fandom studies, history and political science. They explore representations of gender, sexuality and race, as well as topics such as shifts in storytelling and depictions of diplomacy. Examining Discovery alongside older entries into the Star Trek

canon and tracing emerging continuities and changes, this volume will be an invaluable resource for all those interested in Star Trek and science fiction in the franchise era.

Ships of the Line - Doug Drexler 2014-12-02

In celebration of one of science fiction's most beloved franchises, an updated edition of the acclaimed Ships of the Line hardcover collection. They dared to risk it all in a skiff of reeds or leather, on a ship of wood or steel, knowing the only thing between them and certain death was their ship. To explore, to seek out what lay beyond the close and comfortable, every explorer had to embrace danger. And as they did so, what arose was a mystical bond, a passion for the ships that carried them. From the very first time humans dared to warp the fabric of space, escaping from the ashes of the third World War, they also created ships. These vessels have become the icons of mankind's desire to rise above the everyday, to seek out and make the unknown known. And these ships that travel the stellar seas have stirred the same passions as the ones that floated in the oceans. While every captain has wished that their starship could be outfitted in the same manner as the sailing ship H.M.S. Beagle—without weapons—that proved untenable. From the start, Starfleet realized that each vessel, due to the limited range of the early warp engines, must be able to stand alone against any attack. Thus arose the idea, taken from the days of wooden sailing ships, that every Starfleet vessel must stand as a ship of the line. Through the actions of their captains and crews, countless starships have taken on that role. Here we remember some of those ships and their heroic crews. In celebration of one of science fiction's most beloved franchises, this updated edition of the acclaimed Ships of the Line hardcover collection now includes dozens of additional images brought together for the first time in book format—spectacular renderings featured in the highly successful Star Trek: Ships of the Line calendar series. With text by Star Trek's own Michael Okuda, the story of each of these valiant starships now comes to life. ™, ®, & © 2014 CBS Studios, Inc. Star Trek Discovery: The Book of Grudge - Robb Pearlman 2022-01-04

New York Times bestselling author Robb Pearlman focuses on STAR TREK: DISCOVERY's breakout star, Grudge the cat. Full of cat photos and whimsical illustrations! Sharper than a claw and more stunning than a phaser blast, The Book of Grudge's Prime Directive features her take on everything from space travel to the proper care and training of an array of alien species, STAR TREK-inspired quotes, and haiku meditations on

Grudge's most favorite things, including napping and people (as long as they're far enough away). Make no mistake, Cleveland Booker's massive – and massively cool – cat, Grudge is no mundane mouser. This taciturn tabby is, in fact, “a Queen.” She knows it, and everyone aboard the Discovery knows it, too... though some realize it just a bit too late!
The Star Trek, the Next Generation - Larry Nemecek 1995

Completely revised and updated, this guidebook takes readers all the way through the last two seasons of the series, including the Paramount Pictures release of the blockbuster film, *Star Trek: Generations*. The book includes fascinating behind-the-scenes information and specially selected photos (at least one from every episode).

Star Trek: Discovery: The Enterprise War - John Jackson Miller 2019-07-30

An all-new novel based upon the explosive Star Trek TV series! A shattered ship, a divided crew—trapped in the infernal nightmare of conflict! Hearing of the outbreak of hostilities between the United Federation of Planets and the Klingon Empire, Captain Christopher Pike attempts to bring the USS Enterprise home to join in the fight. But in the hellish nebula known as the Pergamum, the stalwart commander instead finds an epic battle of his own, pitting ancient enemies against one another—with not just the Enterprise, but her crew as the spoils of war. Lost and out of contact with Earth for an entire year, Pike and his trusted first officer, Number One, struggle to find and reunite the ship's crew—all while Science Officer Spock confronts a mystery that puts even his exceptional skills to the test...with more than their own survival possibly riding on the outcome...

Star Trek: Discovery: Wonderlands - Una McCormack 2021-05-18

An all-new novel based upon the explosive Star Trek TV series! In a desperate attempt to prevent the artificial intelligence known as Control from seizing crucial information that could destroy all sentient life, Commander Michael Burnham donned the “Red Angel” time-travel suit and guided the USS Discovery into the future and out of harm's way. But something has gone terribly wrong, and Burnham has somehow arrived in a place far different from anything she could have imagined—more than nine hundred years out of her time, with Discovery nowhere to be found, and where the mysterious and cataclysmic event known as “the Burn” has utterly decimated Starfleet and, with it, the United Federation of Planets. How then can she possibly exist day-to-day in this strange place? What worlds are out there waiting to be discovered? Do any remnants of Starfleet and the Federation possibly endure? With more questions than answers, Burnham must nevertheless forge new friendships and new alliances if she hopes to survive this future long enough for the Discovery crew to find her.... ™, ®, & © 2021 CBS Studios, Inc. Star Trek: Discovery: Somewhere to Belong - Dayton Ward 2023-05-30

An all-new novel based upon the acclaimed Star Trek TV series! Captain Michael Burnham and the crew of the USS Discovery are finding that each day is a critical adjustment to their new lives and new missions in an Alpha Quadrant more than nine hundred years in the future. It's here that Discovery is reconnecting with various worlds where the cataclysmic event known as “the Burn” has decimated Starfleet and, with it, the United Federation of Planets. There's been precious little time for the crew to truly come to terms with their present reality, as their devotion to duty hides the emotional stress that could impact their effectiveness, and even threaten themselves or others. After a successful journey to yet another planet cut off from the Federation, Discovery picks up a distress signal located in a nearby star system—a plea that harbors roots from their past lives in the 23rd century, and which may now lead to an entirely new crisis, plunging them all into mortal danger... ™ and © 2022 by CBS Studios Inc. Star Trek: Discovery: Dead Endless - Dave Galanter 2019-12-17

A novel based upon the explosive Star Trek TV series! The U.S.S. Discovery's specialty is using its spore-based hub drive to jump great distances faster than any warp-faring vessel in Starfleet. To do this, Lieutenant Paul Stamets navigates the ship through the recently revealed mycelial network, a subspace domain Discovery can briefly transit but in which it cannot remain. After responding to a startling distress call originating from within the network, the Discovery crew find themselves trapped in an inescapable realm where they will surely perish unless their missing mycelial fuel is found or restored. Is the seemingly human man found alone and alive inside the network the Starfleet officer he claims to be, or an impostor created by alien intruders who hope to extract themselves from the mycelial plane at the expense of all lives aboard Discovery?

raised and educated among Vulcans, is promoted to acting first officer. But if she wants to keep the job, she must prove to Captain Philippa Georgiou that she deserves to have it. She gets her chance when the Shenzhou must protect a Federation colony that is under attack by an ancient alien vessel that has surfaced from the deepest fathoms of the planet's dark, uncharted sea. As the menace from this mysterious vessel grows stronger, Starfleet declares the colony expendable in the name of halting the threat. To save thousands of innocent lives, Burnham must infiltrate the alien ship. But to do so, she needs to face the truth of her troubled past, and seek the aid of a man she has tried to avoid her entire life—until now.

Star Trek Voyager: A Celebration - Ben Robinson 2022-02-15

Celebrate Star Trek: Voyager with this epic coffee-table book! This fully authorized edition includes new interviews, archival conversations, never-before-seen art and sketches, and more! Everything you want to know about Captain Kathryn Janeway's Starship Voyager and crew. Just wonderful and so well written - stuff I never knew which surprised me - and I was on the show! You will enjoy this I guarantee. - Ethan Phillips, Neelix from Star Trek: Voyager Go behind the scenes of the making of a television classic, with the cast and crew who brought the adventures of the intrepid U.S.S. Voyager to life. Packed with in-depth features on each creative department, from visual effects and art to costume and makeup, this volume celebrates STAR TREK's epic adventure in the Delta Quadrant. Alongside production and concept art, the cast - including Kate Mulgrew and Jeri Ryan - share their personal highlights from seven seasons and 172 episodes of STAR TREK: VOYAGER. STAR TREK: VOYAGER was groundbreaking. It was the first STAR TREK show with a female captain and had the franchise's most diverse cast. It pushed the boundaries of visual effects and makeup further than ever before, and literally took the show into new territory when Voyager was stranded in the Delta Quadrant, home of the Borg Collective. STAR TREK: VOYAGER - A CELEBRATION tells the behind-the-scenes story of Voyager's epic journey, from its earliest origins and pivotal episodes to in-depth features on writing, directing, visual effects, production art and more. The ultimate guide to the making of a television classic, based on more than 30 new interviews, featuring the nine principal cast members, including Kate Mulgrew, Jeri Ryan, and Robert Picardo, and key behind-the-scenes personnel who reveal the stories and secrets behind the show. STAR TREK: VOYAGER first appeared on TV on 16 January 1995, running for 172 episodes over seven seasons.
