Rachel, a beautiful black woman, has her eyes set on Brian and she scoops him up rather quickly. She has every intention to mold him into the submissive man she thinks he is. The Marriage Counselor - Mistress Ivey 2017-01-15

The ad read: "Kathryn's Counseling Service. We can save your marriage. Success is guaranteed! Call 555-5432" Even though Jane was skeptical, she decided to give this woman a call. "After all," she thought, "what could it hurt?" Things had been so bad in her marriage for so long, Jane had almost given up hope of ever getting things back to the way they used to be. Frank has never had any real drive to improve himself or his situation. He has been happy just coasting through life. Playing it safe was always his way. Even though his fantasies were about more than money and power, he never had the nerve to act upon them, nor to even tell Jane about them. His fantasies involved such things as being ruled by a strict Mistress type, and to be forced into doing all sorts of humiliating things, he could never tell Jane about them. She would think he was sick and perverted. So he just coasted. Here's what one reader said: "This is Mistress Ivey's second book but her first published fiction. The book falls within the FemDom, Male Chastity and Female Led Relationship sub-genres and if any of these things float your boat you're in for a treat. The story follows a married couples' journey from being stuck in a stale relationship with the only way out appearing to be divorce to the involvement of a very special Marriage Counsellor who applies her brand of therapy on their marriage to bring the old flames back to life. The first volume, takes us through the initial stages to the point where their FLR is firmly in place. Unlike the authors of the majority of erotica books and stories out there its clear that Mistress Ivey can write. The story flowed and never got bogged down in one specific area for too long. Here's something I really appreciated about her book. There are no billionaires in sight! What I mean by that is that she didn't have to revert to slotting in a Billionaire to make things feasible the characters were normal people dealing with normal issues in wild and inventive ways." Quote by John Ricke
