Case for Christ for Kids 90-Day Devotional - Lee Strobel 2013-09-24
Based on the eye-opening best-selling series, this 90-day devotional for kids ages 9-12 explores the life of Jesus and what it means to be a Christian, while also tackling tough questions kids ask about God. For kids

who want to learn more about their faith so they can share with others, this devotional uses light-hearted prose, illustrations, historical facts, research and true stories to bring to life the miracles, ministry and way of life of Jesus.
Person of Interest - J. Warner Wallace 2021-09-21

Can the truth about Jesus be uncovered--even without a body or a crime scene? Join cold-case detective and bestselling author J. Warner Wallace as he investigates Jesus using an innovative and unique approach he employs to solve real missing person murder cases. In *Person of Interest*, Wallace carefully sifts through the evidence from history alone, without relying on the New Testament. You'll understand like never before how Jesus, the most significant person in history, changed the world.

Features: Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases. Marvel at the way Jesus changed the world as you investigate why Jesus still matters today. Learn how to use an innovative and unique "fuse and fallout" investigative strategy that you can also use to examine other claims of history.

Explore and learn how to respond to common objections to Christianity. Detective J. Warner Wallace listened to a pastor talk about Jesus and wondered why anyone would think Jesus was a person of interest. Wallace was skeptical of the Bible, but he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. Could the historical life and actions of Jesus be investigated in the same way? In *Person of Interest*, Wallace describes his own personal investigative journey from atheism to Christianity as he carefully considers the evidence. Creative, compelling, and fully illustrated, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament. "Wallace has an uncanny ability to discover clues where no one else sees them. Now he tackles

perhaps his toughest case ever: solving a deeply personal mystery involving his own religious faith." —ROBERT DEAN, producer of NBC News Dateline "A creative and eye-opening work. You'll be captivated as Wallace takes you on a thrilling journey of discovery." —LEE STROBEL, bestselling author of The Case for Christ "If you read this book, you will have to reckon with Jesus, not just as a historical person but as Lord and Savior. This is not your typical apologetics book!" —ALISA CHILDERS, author of Another Gospel "Bring your doubts, bring your skepticism--but if you bring them in open-minded honesty . . . be prepared to render a shocking verdict." —SCOTT HANSON, host of NFL RedZone

TV Guide - 2005

Charcutería - Jeffrey Weiss
2014-03-17

"Brings to life—with real heart, history and technique—an astonishing

look at the legacy of Spain's flavorful meats." —José Andrés, 2011 "Outstanding Chef," James Beard Foundation *Charcutería: The Soul of Spain* is the first book to introduce authentic Spanish butchering and meat-curing techniques to the American market. Included are more than 100 traditional Spanish recipes, straightforward illustrations providing easy-to-follow steps for amateur and professional butchers, and gorgeous full-color photography of savory dishes, Iberian countrysides, and centuries-old Spanish cityscapes. Author Jeffrey Weiss has written an entertaining, extravagantly detailed guide on Spain's unique cuisine and its history of charcutería, which is deservedly becoming more celebrated on the global stage. While Spain stands porky cheek-to-jowl with other great cured-meat-producing nations like Italy and France, the charcuterie traditions of

Spain are perhaps the least understood of this trifecta. Americans have most likely never tasted the sheer eye-rolling deliciousness that is cured Spanish meats: chorizo, the garlic-and-pimentón-spiked ambassador of Spanish cuisine; morcilla, the family of blood sausages flavoring regional cuisine from Barcelona to Badajoz; and jamón, the acorn-scented, modern-day crown jewel of Spain's charcutería legacy. Charcutería: The Soul of Spain is a collection of delicious recipes, uproarious anecdotes, and time-honored Spanish culinary traditions. The author has amassed years of experience working with the cured meat traditions of Spain, and this book will surely become a standard guide for both professional and home cooks. "A lovely, loving, fascinating, and, most all, useful book all lovers of the craft should be grateful for." —Michael Ruhlman, James Beard

Award-winning author of Ruhlman's Twenty **God's Crime Scene** - J. Warner Wallace 2015-08-01 There are four ways to die, and only one of them requires an intruder. Suicides, accidental, and natural deaths can occur without any evidence from outside the room. But murders typically involve suspects external to the crime scene. If there's evidence of an outside intruder, homicide detectives have to prepare for a chase. Intruders turn death scenes into crime scenes. Join J. Warner Wallace, former atheist, seasoned cold-case detective, and popular national speaker as he tackles his most important case ... with you on the jury! With the expertise of a cold-case detective, J. Warner examines eight critical pieces of evidence in the "crime scene" of the universe to determine if they point to a Divine Intruder. If you have ever

wondered if something (or someone) outside the natural realm created the universe and everything in it, this is the case for you.

Alive - J. Warner Wallace
2014-03-01

"If Christ has not been raised, your faith is futile; you are still in your sins" (1 Cor. 15:17). The resurrection. As far as doctrines go, it's a game changer. Many accept the resurrection without giving it much thought. But isn't something so important worthy of our wrestling with it? What if we approached the issue of the resurrection in an unbiased manner and assessed it as a cold case detective would evaluate a crime scene? Author J. Warner Wallace is a cold-case detective. He also used to be an atheist. Follow along in this brief presentation of his approach in applying his detective's expertise to the accounts of the resurrection. Wallace believes the case is nothing but compelling: Jesus is

alive!

The Rise of Liberal Religion -

Matthew Hedstrom 2013

Winner of the Frank S. and Elizabeth D. Brewer Best

First Book Prize of the

American Society of Church

History Named a Society for

U. S. Intellectual History

Notable Title in American

Intellectual History The story

of liberal religion in the

twentieth century, Matthew

S. Hedstrom contends, is a

story of cultural ascendancy.

This may come as a

surprise-most scholarship in

American religious history,

after all, equates the

numerical decline of the

Protestant mainline with the

failure of religious

liberalism. Yet a look beyond

the pews, into the wider

culture, reveals a more

complex and fascinating

story, one Hedstrom tells in

The Rise of Liberal Religion.

Hedstrom attends especially

to the critically important

yet little-studied arena of

religious book culture-

particularly the religious

middlebrow of mid-century-

as the site where religious liberalism was most effectively popularized. By looking at book weeks, book clubs, public libraries, new publishing enterprises, key authors and bestsellers, wartime reading programs, and fan mail, among other sources, Hedstrom is able to provide a rich, on-the-ground account of the men, women, and organizations that drove religious liberalism's cultural rise in the 1920s, 1930s, and 1940s. Critically, by the post-WWII period the religious middlebrow had expanded beyond its Protestant roots, using mystical and psychological spirituality as a platform for interreligious exchange. This compelling history of religion and book culture not only shows how reading and book buying were critical twentieth-century religious practices, but also provides a model for thinking about the relationship of religion to consumer culture more broadly. In this way, The

Rise of Liberal Religion offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times.

So the Next Generation Will Know - Sean McDowell
2019-05-01

Whether you're a Christian parent, youth leader, or educator who works with Generation Z, this book was written for you. As powerful ideas in our increasingly secular culture shape more of this generation, trusted leaders must share what they know about Jesus in ways that will reach them. But how? Backed by the latest research and first hand experience, this powerful book shows how to share biblical truth with a generation that desperately needs to hear it in a way that draws them in instead of pushing them away. Written by two youth influencers and experts on Generation Z, Sean McDowell, Ph.D., and J. Warner Wallace, So the Next

Generation Will Know is an extraordinarily practical and relatable guide for anyone concerned with ensuring the next generation understands and embraces a biblical worldview.

Physical Metallurgy of High Manganese Steels -

Wolfgang Bleck 2019-12-06

The Special Issue 'Physical Metallurgy of High Manganese Steels' addresses the highly fascinating class of manganese-alloyed steels with manganese contents well above 3 mass%. The book gathers manuscripts from internationally recognized researchers with stimulating new ideas and original results. It consists of fifteen original research papers. Seven contributions focus on steels with manganese contents above 12 mass%. These contributions cover fundamental aspects of process-microstructure-properties relationships with processes ranging from cold and warm rolling over deep

rolling to heat treatment. Novel findings regarding the fatigue and fracture behavior, deformation mechanisms, and computer-aided design are presented. Additionally, the Special Issue also reflects the current trend of reduced Mn content (3-12 mass%) in advanced high strength steels (AHSS). Eight contributions were dedicated to these alloys, which are often referred to as 3rd generation AHSS, medium manganese steels or quenching and partitioning (Q&P/Q+P) steels. The interplay between advanced processing, mainly novel annealing variants, and microstructure evolution has been addressed using computational and experimental approaches. A deeper understanding of strain-rate sensitivity, hydrogen embrittlement, phase transformations, and the consequences for the materials' properties has been developed. Hence, the

topics included are manifold, fundamental-science oriented and, at the same time, relevant to industrial application.

The Lucifer Effect - Philip
Zimbardo 2007-03-27

The definitive firsthand account of the groundbreaking research of Philip Zimbardo—the basis for the award-winning film *The Stanford Prison Experiment*. Renowned social psychologist and creator of the Stanford Prison Experiment, Philip Zimbardo explores the mechanisms that make good people do bad things, how moral people can be seduced into acting immorally, and what this says about the line separating good from evil. *The Lucifer Effect* explains how—and the myriad reasons why—we are all susceptible to the lure of “the dark side.” Drawing on examples from history as well as his own trailblazing research, Zimbardo details how situational forces and group dynamics can work in

concert to make monsters out of decent men and women. Here, for the first time and in detail, Zimbardo tells the full story of the Stanford Prison Experiment, the landmark study in which a group of college-student volunteers was randomly divided into “guards” and “inmates” and then placed in a mock prison environment. Within a week the study was abandoned, as ordinary college students were transformed into either brutal, sadistic guards or emotionally broken prisoners. By illuminating the psychological causes behind such disturbing metamorphoses, Zimbardo enables us to better understand a variety of harrowing phenomena, from corporate malfeasance to organized genocide to how once upstanding American soldiers came to abuse and torture Iraqi detainees in Abu Ghraib. He replaces the long-held notion of the “bad apple” with that of the “bad barrel”—the idea that the

social setting and the system contaminate the individual, rather than the other way around. This is a book that dares to hold a mirror up to mankind, showing us that we might not be who we think we are. While forcing us to reexamine what we are capable of doing when caught up in the crucible of behavioral dynamics, though, Zimbardo also offers hope. We are capable of resisting evil, he argues, and can even teach ourselves to act heroically. Like Hannah Arendt's Eichmann in Jerusalem and Steven Pinker's *The Blank Slate*, *The Lucifer Effect* is a shocking, engrossing study that will change the way we view human behavior. Praise for *The Lucifer Effect* "The *Lucifer Effect* will change forever the way you think about why we behave the way we do—and, in particular, about the human potential for evil. This is a disturbing book, but one that has never been more

necessary."—Malcolm Gladwell "An important book . . . All politicians and social commentators . . . should read this."—*The Times* (London) "Powerful . . . an extraordinarily valuable addition to the literature of the psychology of violence or 'evil.'"—*The American Prospect* "Penetrating . . . Combining a dense but readable and often engrossing exposition of social psychology research with an impassioned moral seriousness, Zimbardo challenges readers to look beyond glib denunciations of evil-doers and ponder our collective responsibility for the world's ills."—*Publishers Weekly* "A sprawling discussion . . . Zimbardo couples a thorough narrative of the Stanford Prison Experiment with an analysis of the social dynamics of the Abu Ghraib prison in Iraq."—*Booklist* "Zimbardo bottled evil in a laboratory. The lessons he learned show us our dark nature but also fill us with hope if we heed

their counsel. The Lucifer Effect reads like a novel.”—Anthony Pratkanis, Ph.D., professor emeritus of psychology, University of California

A Continual Feast - Evelyn Vitz 2013-12-13

An ideal Christmas, birthday or shower present! A Continual Feast continues online! to follow the blog. A cookbook full of wonderful recipes and ideas drawn from throughout the Christian tradition, with suggestions about when, and why, these dishes might be served. It contains more than 275 recipes with which to celebrate all the holidays throughout the Christian year, as well as the many shared rituals that strengthen family bonds and enrich the significance of the day to day events of our lives. How these rituals, rites and feasts came about, how they are celebrated around the world, and how you can bring them into your home are described every step of the way. Includes wonderful

illustrations. A Continual Feast brings new meaning to "breaking bread together." A book to cook from and learn from, it includes: menus for holidays and every day recipes for all occasions from church picnics and Sunday suppers to birthdays, namedays, confirmations, and baptisms; wonderful cooking projects for children; recipes for Christmas giving; thoughtful suggestions on taking food to others; customs associated with many great Christian holidays from Advent through Pentecost as well as various saints days around the world; traditional meanings associated with particular foods; tips on fasting and abstinence; recipes that incorporate leftovers; quotations from the Bible and various theological and gastronomic sources; many recipes of varied ethnic origins; a wealth of Christian history and thought.

Jesus Outside the New

Testament - Robert Van Voorst 2000-04-13
Presents evidence and information, aside from the Christian scriptures, on the life and teaching of Jesus Christ. Features excerpts in Roman correspondence and the early Christian writings known as the "New Testament Apocrypha."

A 30-Minute Overview of Cold-Case Christianity - J. Warner Wallace 2018-12-01
You're busy with work, family, and life; but with the new Faith Blueprints series from David C Cook, there is still time to learn from some of the world's best thinkers on the subjects of faith and culture. Faith Blueprints are executive summaries, designed to quickly and efficiently provide you with the main concepts and highlights from some of David C Cook's best books. These blueprints are most effective when used alongside the original book as a quick reference or outline, but they can also be used by themselves. Written

by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ

as it prepares them to articulate the case for Christianity.

Charisma and Christian Life - 2003

New York Magazine -

1991-12-23

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Christian Index - 1830

A Confident Heart - Renee Swope 2011-08

The radio host and speaker with Proverbs 31 shows women how to develop a confident heart and

overcome insecurity and fears.

Bagaimana memenangi hati kawan & mempengaruhi orang lain - Dale Carnegie 2010

Cold Case - Jodie M. Amey 2015-04-22

A detective reporter investigates a cold case involving a family member he thought was deceased. He is determined to find the truth.

Murder in the first life - Dirk Lützelberger 2020-09-06

Anonymous figures surf the Internet every day to pursue their secret fantasies undetected. In her first case, Chief Inspector Gwen Fisher has to learn how closely the virtual and real worlds are connected. The single mother, who has only recently lost her beloved husband, is trying to get her life back under control when the killer strikes for the first time. With the help of her 14-year-old son, she learns things from a virtual parallel world on the Internet that

she never thought possible. Sparse clues point to connections that she is initially unable to interpret properly. Too late she realizes that the killer has already taken up the trail to her family in the real world.

Mindful Willpower -

Samara Serotkin 2021-01-05

Find the strength to achieve your goals--strategies for building willpower with mindfulness It's not easy to make big, lasting changes to your habits, but Mindful Willpower can show you the way. This simple, actionable guide will help you reclaim your sense of self-control with practices based on mindfulness--the act of fully experiencing just one moment at a time. Develop your

willpower gradually and sustainably with: Healthy habits--Explore a variety of exercises for using mindfulness meditations to disengage from bad habits, replace them with better ones, and stay focused on the lasting changes you want to make in your life. Fast and easy techniques-- Practice quick, mindset-altering exercises for controlling impulses, managing procrastination, delaying gratification, and more that you can use no matter where you are. Research-based advice-- Discover a concise overview of the psychology and science behind willpower, so you can understand exactly how and why these strategies work. Get focused, build better habits, and increase your self-control with Mindful Willpower.

Thinking About God -

Gregory E. Ganssle

2010-07-18

Can we really think about God? Can we prove God s

existence? What about faith? Are there good reasons to believe in the Christian God? What about evil? Can we really know anything for sure about a transcendent God? Can we avoid thinking about God? The real problem, says philosopher Gregory E. Ganssle, is not whether we can think about God, but whether we will think well or poorly about God.

Admittedly there is a lot of bad thinking going around. But Ganssle, who teaches students, wants to help us think better, especially about God. He thinks philosophy can actually help. In the first part of this book Ganssle lays the groundwork for clear and careful thinking, providing us an introductory guide to doing philosophy. In the second part Ganssle then takes us through the process of thinking well about God in particular. He asks us to consider whether there are good reasons to

believe that God exists. He thinks there are! In a third part Ganssle addresses the thorny issue of the existence both of God and of evil. He thinks there is a valid way through this problem. In the final part Ganssle helps us thread our way through questions like: What is God like? What can God do? What can God know? How does God communicate? He thinks that there are some clear answers to these questions, at least if you're talking about the God of Christianity. If you're looking for your first book for thinking clearly and carefully about God, then you'll appreciate the good thinking found in this book.

Forensic Faith - J. Warner Wallace 2017-05-01
Forensic Faith: Christian Apologetics for people seeking truth. Discover the captivating secrets of Christian apologetics, and dive deep into the realm of forensic faith with this compelling book. Embark on an adventure where truth-

Warner Wallace presents a riveting exploration of investigative disciplines, bringing together the world of

apologetics and Christian faith. Join this engaging journey and take a fresh look at what it means to be a Christian with this thought-provoking book.

The Case for Christ - Lee Strobel 1998

A journalist's personal investigation of the evidence for Jesus.

The Columbian Star and Christian Index - 1830

Cold-Case Christianity Participant's Guide - J.

Warner Wallace 2018-10-01

This fully-illustrated, eight-session guide takes participants through ten important principles employed by detectives, applying these techniques to the New Testament Gospel accounts. Designed to work seamlessly with the original book and DVD, this guide is accessible and engaging for participants and leaders alike. It includes questions for reflection, notes for discussion, and examples to help users investigate the claims of Christianity using

the skills of a cold-case detective. Participants will grow in certainty and unite in confidence as they learn how to defend the truth through this unique investigative experience.

One Nation Under God -

Kevin M. Kruse 2015-04-14

The provocative and authoritative history of the origins of Christian America in the New Deal era We're often told that the United States is, was, and always has been a Christian nation. But in *One Nation Under God*, historian Kevin M. Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s. To fight the "slavery" of FDR's New Deal, businessmen enlisted religious activists in a campaign for "freedom under God" that culminated in the election of their ally Dwight Eisenhower in 1952. The new president revolutionized the role of religion in American politics. He inaugurated new

traditions like the National Prayer Breakfast, as Congress added the phrase "under God" to the Pledge of Allegiance and made "In God We Trust" the country's first official motto. Church membership soon soared to an all-time high of 69 percent. Americans across the religious and political spectrum agreed that their country was "one nation under God." Provocative and authoritative, *One Nation Under God* reveals how an unholy alliance of money, religion, and politics created a false origin story that continues to define and divide American politics to this day.

In Cold Blood - Truman

Capote 2001-10-09

NATIONAL BESTSELLER •

The most famous true crime novel of all time "chills the blood and exercises the intelligence" (The New York Review of Books)—and haunted its author long after he finished writing it. On November 15, 1959, in the small town of Holcomb,

Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. In one of the first non-fiction novels ever written, Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, generating both mesmerizing suspense and astonishing empathy. In *Cold Blood* is a work that transcends its moment, yielding poignant insights into the nature of American violence.

Why Does God Allow Evil? -

Clay Jones 2017-08-01

"If you are looking for one book to make sense of the problem of evil, this book is for you." Sean McDowell
Grasping This Truth Will Change Your View of God Forever
If God is good and all-powerful, why doesn't He put a stop to the evil in this world? Christians and non-

Christians alike struggle with the concept of a loving God who allows widespread suffering in this life and never-ending punishment in hell. We wrestle with questions such as... Why do bad things happen to good people? Why should we have to pay for Adam's sin? How can eternal judgment be fair? But what if the real problem doesn't start with God...but with us? Clay Jones, an associate professor of Christian apologetics at Biola University, examines what Scripture truly says about the nature of evil and why God allows it. Along the way, he'll help you discover the contrasting abundance of God's grace, the overwhelming joy of heaven, and the extraordinary destiny of believers.

New York Magazine -
1991-12-09

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as

the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea. Cold-Case Christianity - J. Warner Wallace 2013-01-01 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Talking with Your Kids about Jesus - Natasha Crain 2020-03-31

You already know the world is becoming an increasingly secular place that will undoubtedly challenge your child's faith in Jesus. But do you know specifically what those faith challenges are, how to effectively talk with your child about them, and what that means for you as a Christian parent on a day-to-day basis? If your answer is "no," you're not alone.

Many Christian parents feel the same. But here's the good news: Talking with Your Kids about Jesus will give you the confidence you need to have the conversations that matter most in today's skeptical world. In a friendly, parent-to-parent voice, Natasha Crain will walk you through essential topics on Jesus's identity, teachings, death, and resurrection. Each chapter clearly explains what skeptics are saying and provides a concise, easy-to-understand response you can discuss with your child (one that can be tailored for any age). Chapters are sequenced in a curriculum-oriented way to provide a cumulative learning experience, making this book a flexible resource for use in multiple settings: homes, church classes, youth groups, small groups, private Christian schools, and homeschools. Every chapter has a step-by-step conversation guide with discussion questions and

tips, and content is readily adaptable for use with kids of any age.

Christian Paths to Health and Wellness - John Byl
2013-03-26

Christian Paths to Health and Wellness, Second Edition, offers a unique, faith-based perspective on the pursuit of wellness for body, mind, and spirit. Written for undergraduate students attending Christian universities, this updated edition also serves as a reference for anyone seeking God-pleasing guidance to make positive life changes. *Christian Paths to Health and Wellness* will help you • develop cardiorespiratory endurance, muscular strength, and flexibility; • apply principles of good nutrition; • manage stress and better understand other issues affecting emotional wellness; • learn the importance of regular, sound sleep; and • understand how to develop and maintain healthy

relationships. In this new edition, you'll find the latest research on nutrition and fitness woven into an engaging narrative complemented by true stories of personal empowerment. This inspiring book will help you take charge of your health, learn about the importance of physical wellness to the whole person, and apply aspects of behavior modification in reaching your goals. Like the first edition, *Christian Paths to Health and Wellness, Second Edition*, draws on the expertise and perspective of a team of Christian academics engaged in teaching health and wellness courses with a Christian foundation. Learning features in the text, including chapter outcomes and review questions, offer guideposts for retaining and referencing information. Application activities help you reflect on chapter content as you consider, through exercises

and written reflections, how to translate what you've learned to your own life. "Point/counterpoint" discussions give you a forum for discussing a topic from alternative perspectives. In addition, a glossary defines new terms, which are highlighted in bold type throughout the text and included in lists of key terms in each chapter. For instructors, free access to online ancillaries, including an instructor guide, presentation package with image bank, and test package, offer comprehensive support for course delivery and assessment. Psalm 119 reminds us that God's word "is a lamp for my feet, a light on my path." In this way, the second edition of *Christian Paths to Health and Wellness* considers how scripture speaks about caring for your whole being and encourages you—through tools, information, and strategies—to live a focused

life fixed on godly physical goals.

The Garden State Parkway Murders -

Christian Barth 2020-01-21
Attorney and true crime writer examines the unsolved 1969 murders of two female college students whose bodies were left off the Garden State Parkway. In the early hours of May 30, 1969, the brutally stabbed bodies of two nineteen-year-old friends, Elizabeth Perry and Susan Davis, were dumped near Ocean City, New Jersey. This is the story of their case. Among the numerous suspects author and attorney Christian Barth identifies are infamous serial killers Ted Bundy and Gerald Eugene Stano, who were living within an hour's drive from the murder scene. The killers also resided next to one another on Florida's Death Row, and indirectly confessed to the double homicide. A culmination of more than nine years of research, Barth's book is compiled from multiple

sources, including interviews with retired New Jersey State Police detectives, law enforcement officials from other jurisdictions, federal agents, possible witnesses, victim family members, as well as information gathered from FBI case files, letters, journals, libraries, newspaper articles, and university archives. In scintillating detail, Barth presents the case, including previously undisclosed information surrounding these brutal murders, as well as an examination of recent technological advancements in crime scene analysis and FBI serial killer profiling that could help identify the killer. When all is said and done, the reader is asked to consider: Why hasn't this cold case been solved? "The definitive book on the case of the coeds murdered on the Garden State Parkway...Barth has done a remarkable job of gathering all of the information and putting it into a readable

narrative.”—William Kelley,
Jersey Shore Nightbeat
**Never Let Go (Uncommon
Justice Book #1) -**

Elizabeth Goddard
2019-02-05

As a forensic genealogist, Willow Anderson is following in her late grandfather's footsteps in her quest for answers about a baby abducted from the hospital more than twenty years ago. The case may be cold, but things are about to heat up when someone makes an attempt on her life to keep her from discovering the truth. Ex-FBI agent--and Willow's ex-flame--Austin McKade readily offers his help to protect the woman he never should have let get away. Together they'll follow where the clues lead them, even if it means Austin must face the past he's spent much of his life trying to forget. And even if it puts Willow's tender heart at risk. In this fast-paced and emotional page-turner, bestselling author Elizabeth Goddard keeps the stakes

high, the romantic tension sparking, and the outcome uncertain until the very end. The Thursday Murder Club - Richard Osman 2020-09-03 THE FIRST NOVEL IN THE RECORD-BREAKING, MILLION-COPY BESTSELLING THURSDAY MURDER CLUB SERIES BY RICHARD OSMAN ----- 'Smart, compassionate, warm, moving and so VERY funny' Marian Keyes 'So smart and funny. Deplorably good' Ian Rankin 'Thrilling, moving, laugh-out-loud funny' Mark Billingham In a peaceful retirement village, four unlikely friends meet up once a week to investigate unsolved murders. But when a brutal killing takes place on their very doorstep, the Thursday Murder Club find themselves in the middle of their first live case. Elizabeth, Joyce, Ibrahim and Ron might be pushing eighty but they still have a few tricks up their sleeves. Can our unorthodox but brilliant gang catch the killer before it's too late? The

Times Crime Book of the Month Guardian Best Crime and Thrillers ----- 'A warm, wise and witty warning never to underestimate the elderly' Val McDermid 'I completely fell in love with it' Shari Lapena 'This is properly brilliant. This Is Where It Ends - Marieke Nijkamp 2016-01-05
The reviews are in! *This Is Where It Ends*, the #1 New York Times bestseller and one of the Best Books of the Decade (Buzzfeed, Paste Magazine, BookRiot), "could break you." "I am speechless." "The saddest book I have ever read." "Literally tore my heart out."

Go inside a heartbreaking fictional school shooting, minute-by-terrifying-minute. Everyone has a reason to fear the boy with the gun...
10:00 a.m.: The principal of Opportunity, Alabama's high school finishes her speech, welcoming the entire student body to a new semester and encouraging them to excel and achieve.
10:02 a.m.: The students get up to leave the auditorium for their next class.
10:03 a.m.: The auditorium doors won't open.
10:05 a.m.: Someone starts shooting. Over the course of 54 minutes, four students must confront their greatest hopes, and darkest fears, as they come face-to-face with the boy with the gun. In a world where violence in schools is at an all-time high and school shootings are a horrifyingly common reality for teenagers, *This Is Where It Ends* is a rallying cry to end the gun violence epidemic for good. Praise for *This Is Where It Ends*: A BuzzFeed Best Young Adult

Nijkamp portrays the events thoughtfully, recounting fifty-four intense minutes of bravery, love, and loss." —BookRiot
Mad Honey - Jodi Picoult
2022-10-04
NEW YORK TIMES

BESTSELLER • “Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily’s journeys, creating a provocative exploration of the strength that love and acceptance require.”—The Washington Post GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE’S BOOK OF THE WEEK • ONE OF THE BEST BOOKS OF THE YEAR: PopSugar Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father’s beekeeping business. Lily Campanello is familiar with do-overs, too.

When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can't help but fall for him, too. With Ash, she feels happy for the first time. Yet she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. Mad Honey is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we

take in order to become ourselves.

Inside the Nye Ham

Debate - Ken Ham

2014-10-25

With Millions watching this live debate on February 4, 2014, "Bill Nye, the Science Guy" squared off with Answers in Genesis founder and president Ken Ham. This event echoed the worldviews at work in our lives today and put two of the most unique and recognizable advocates of their positions on the same stage to face not only each other, but the many who watched. More answers, more perspectives, more truth to answer the world's most critical question: How did we and all we know come to be here, at this place and this time in the history of the universe? Are we accidental products of evolution or the centerpiece of God's marvelous creation? Debate Stats: Over 3.8 Million computers watched the debate live 7.6 Million people watched

(Based on an extremely conservative estimate of 2 viewers per stream, or 11.4 Million based on 3 people per stream) 3.5 million views on You Tube Note: The YouTube Page only shows views AFTER the event, not Live views

Cold-Case Christianity for Kids - J. Warner Wallace
2016-10-01

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In Cold-Case Christianity for Kids, detective J. Warner Wallace draws readers into the thrill of high-stakes investigation by showing them how to think rather

than telling them what to think. In this children's companion to the bestselling Cold-Case Christianity, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website (coldcasechristianityforkids.com) where kids can download activities, fill in case notes, and earn a certificate of merit. Detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity.
