[The Secret Barrister](#) - The Secret Barrister 2018-03-22
The Sunday Times number one bestseller. Winner of the Books are My Bag Non-Fiction Award. Shortlisted for Waterstones Book of the Year. Shortlisted for Specsavers Non-Fiction Book of the Year. You may not wish to think about it, but one day you or someone you love will almost certainly appear in a criminal courtroom. You might be a juror, a victim, a witness or – perhaps through no fault of your own – a defendant. Whatever your role, you'd expect a fair trial. I'm a barrister. I work in the criminal justice system, and every day I see how fairness is not guaranteed. Too often the system fails those it is meant to protect. The innocent are wronged and the guilty allowed to walk free. In The Secret Barrister: Stories of the Law and How It's Broken I want to share some stories from my daily life to show you how the system is broken, who broke it and why we should start caring before it's too late. A Sunday Times top ten bestseller for twenty-four weeks. 'Eye-opening, funny and horrifying' – Observer 'Everyone who has any interest in public life should read it' – Daily Mail

Intellectually Impaired People - Klaus Rose 2023-03-21

Intellectually Impaired People: The Ongoing Battle addresses challenges against the background of history, changing societal environments, and current intellectual approaches and attitudes toward persons with disabilities. The book discusses national and international conventions, societal attitudes, sheltered workshops, the right of intellectually impaired persons for self-responsibility and its limitations, and the place of mentally impaired persons in the public image. Additionally, the book attempts to capture the forces that drive the changes of our conceptual frameworks. The US Tuskegee study which withheld antibiotics from black men with syphilis was not ended by scientific criticism but by a courageous man, press reports, and a changed social perception. The non-hiding of handicapped children is not the result of government orders, there are many non-resolvable dilemmas and tension between supporting, understanding, and patronizing a complex situation with many potential future avenues. Recognizes how contradictory feelings and attitudes toward impaired persons have a complex historical background Sheds light on society and our institutions that deal with disabled people and the limitations of an isolated medical approach Covers national and international conventions of mentally impaired persons

Health Insurance and Managed Care - Peter R. Kongstvedt 2019-02-14

Health Insurance and Managed Care: What They Are and How They Work is a concise introduction to the workings of health insurance and managed care within the American health care system. Written in clear and accessible language, this text offers an historical overview of managed care before walking the reader through the organizational structures, concepts, and practices of the health insurance and managed care industry. The Fifth Edition is a thorough update that addresses the current status of The Patient Protection and Affordable Care Act (ACA), including political pressures that have been partially successful in implementing changes. This new edition also explores the changes in provider payment models and medical management methodologies that can affect managed care plans and health insurer.
