Not only is he famous on Facebook, but he has proven, thanks to the kindness of others that there are ways to deal with unexpected challenges...like his Degenerative Myelopathy. Brody's back legs no longer work, but with his own special doggy wheelchair and roller skates, he still gets to enjoy all the same kinds of things he did before he developed this disease. Brody is a very special dog who wins the hearts of children, adults and other dogs as well. Children may be surprised by some of the things they learn about him in this introductory book.
