Extreme Prejudice - James A. Ellison Returning home to bury his murdered mom and dad, Chad Johnson gets caught up in the effort to learn who could want to kill his loving, Christian parents. What is the significance of the brochure advertising a prophecy seminar found in his dead father's hand? Why had his parents left the

church of his childhood for a strange, new congregation? Was it a cult? Or an honest, Bible-believing denomination? With so many questions to answer, Chad needs a friend to lean on, and Diana Cross is more than happy to fill that role. Gradually, after being pulled in two directions by his childhood church on one side, and the Holy Spirit through the pastor and people from his folks' new church on the other, Chad comes to understand new Bible truths. He learns about the Sabbath, the state of the dead, and the momentous LAST BATTLE on earth's horizon that ends in the very soon coming of Jesus. Mr. Ellison weaves an intriguing, compelling story of end times through the lives of a rich cast of characters who must study the Bible and use their faith to navigate their way through the LAST DAYS of the world as we know it. The only thing that keeps them going is knowing what waits for them on the other side of the apocalypse.

Playing the Piano for the Rest of Us... - Victor Aramanda 2015-11-01 For Beginners. No Reading Sheet Music Required! "Playing the Piano for the rest of us" is a course created for people who want to play the piano without having to commit to years of study and practice before being able to play songs they really want to. Finally a piano course for people who want to play with other musicians without having to learn to read sheet music, to enjoy themselves or be included in groups, like church groups or bands, or just friends and family. Most of the piano instruction I have seen falls into two categories... it's too hard, so you quit, or, it doesn't teach enough foundational skills and knowledge so the only thing learned is how to play songs that the course taught. I like the saying, "Give a man a fish, feed him for a day. Teach him to fish, feed him for a lifetime." This course hopes to be part of the latter, for people who want to play and enjoy the piano or keyboard. Many existing courses teach too much at once like classical piano finger-skills, music theory and how to read sheet music. Students often get lost and discouraged somewhere between reading sheet music and having too hard of a time getting their hands to work together, others teach a set of playing skills that allow the student to play a limited amount of songs or music, but no freedom to find and play what the student really wanted to in the first place. Classical training is fantastic, but can often times be overkill for people who want to accompany others or want to play and / or sing using chord music. Ultimately the student gets rolled over from too much and too hard of a

learning curve, like a wave that came crashing down on their hopes and dreams. Some training methods don't provide enough foundation to enable the student to continue growing themselves, at their own pace, as they desire after they've completed the course. This course hopes to open the door for people to play the piano and then release them to grow-on! Learning to read chord music is the difference between a person having to "learn, read and interpret an extremely complicated map with a key of over 20 symbols," compared to having to read a simple map of "start point, landmark, end point."

Praise & Worship Piano Tab: Easy to Read Visual Sheet Music with Letters

- Joseph Caligiuri 2019-03-14

This book contains 18 Worship Favorites in piano tab; a color coded, easy interpretation of piano music that requires little training. The piano tabs display right and left-hand fingering numbers with red and blue note letters. The Praise & Worship Piano Tab - Easy to Read Visual Sheet Music with Letters book is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and

uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn a Praise & Worship song this book is for you. This method of tablature is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano. Song List: You Say, How Can It Be, 10,000 Reasons, I Can Only Imagine, No Longer Slaves, King of My Heart, Great Are You Lord, Living Hope, Reckless Love, O Come To The Altar, Who You Say I Am, Here's My Heart, Sinking Deep, Oceans, Blessed Assurance, Nearer My God To Thee, How Great Thou Art and Amazing Grace.

Numbered Sheet Music with Worship Songs for 8-Note Tongue Drum: Gospel Songbook - Helen Winter

You have never played music before or you cannot read sheet music, but you want to play famous and inspiring hymns and spirituals. Don't worry! You will begin to play right away. We made our pictured sheet music as simple as possible. You'll play by number-coded circles. No musical staff or notes. The easy-to-play songs and melodies were adapted especially for beginners. The melodies have been transposed to one octave and simplified. Also, the number-coded notations have been added and complex notes and symbols have been reduced. Such simplification makes it possible for people to play melodies, especially those who can't read music or who have never played music before. The steel tongue drum and the handpan are percussion musical instruments designed to help you focus on your feelings, sensations, and body. You don't need classical music training or knowledge of music theory to play them. The primary purpose is relaxation, meditation, and traveling through your inner world. No previous training or skills are necessary to enjoy these fascinating instruments.

For tongue drums that have numbered musical notation, numbers 1 to 7 represent the keys of the diatonic major scale. For example, a C Major scale would be: 1 =C (do), 2 =D (re), 3 = E (mi), 4= F (fa), 5 = G (sol), 6 = A (la), 7 =B (ti / si), 8 (i) = C (do) Your drum can be numbered from 1 to 8, where 8 is note C of the next octave. We use the number 1 with a dot above the digit for this note because the most popular models of tongue drums use this enumeration. All songs in this book have been written with numbers because most modern tongue drums have numbers engraved or painted on their keys. This book is aimed at those new to music and musical instruments, whether child or adult. It allows for simple and easy learning that requires no previous knowledge of reading music. Because most tongue drums include and are tuned to involve the notes of the main octave, all songs from this book are possible to play in one octave. You may need to skip some songs if you have less than one octave of keys on your drum. Each tongue drum is very different and it is impossible to accommodate songs for all kinds of tongue drums in one book. There are the following hymns and spirituals in this book: Amazing Grace Babylon's Falling Be Still My Soul Christ Was Born on Christmas Day Deck the Halls with Boughs of Holly Elijah Rock Every Time I Feel the Spirit God Is So Good Great Big Stars Great Day He's Got the Whole World in His Hands Holy, Holy, Holy I've Got Peace Like a River Jesus Loves Me Jingle Bells Jolly Old Saint Nicholas Joy to the World! The Lord is Come! Just As I Am Kumbaya, My Lord Michael Row the Boat Ashore O Sanctissima! Praise Him, All You Little Children Shall We Gather at the River Silent Night, Holy Night Sinner Man Soldier of the Cross Song of Praise The First Noel Twinkle,

Twinkle Little Star We Are Climbing Jacob's Ladder We Are Marching (Siyahamba) We Wish You a Merry Christmas When the Saints Go Marching In Who Built the Ark?
