Mienie-Die-Poeh Winnie-the-Pooh translated into Afrikaans A Translation by Gratia Hess of A. A.

Milne's "Winnie-the-Pooh" - A. A. Milne
2017-10-07

Winnie-the-Pooh is the most popular children's book in the world. Afrikaans is an Indo-European Language. Afrikaans is a language read and spoken by 18 to 24 million people in South Africa and Namibia, and to a lesser extent in Botswana and Zimbabwe. Winnie-the-Pooh is less popular in Africa than it is in other countries because there are no bears in Africa. Afrikaans is a mixture of Dutch and several African languages including Bantu and Zulu. Indians and Malays who were brought here by the British have also made contributions to the language. Afrikaans is the second most widely spoken language in South Africa, after English. It is spoken as the primary language by 22% of the population. It is taught in the schools of South Africa. The purpose of this book is to help Afrikaans speakers learn English and to help English speakers learn Afrikaans. To have a translation as close as possible to the original is the most useful. The name for Winnie-the-Pooh in Afrikaans is Poeh. The Rabbit is Hasie. Christopher Robin is Christof Robertus. Ishi Press has reprinted translations of Winnie-the-Pooh into 30 languages thus far. We have published it in Armenian, Bengali, Bulgarian, Chinese, Croatian, Danish, Dutch, Esperanto, Finnish, French, German, Greek, Hungarian, Icelandic, Italian, Korean, Persian, Polish, Russian, Serbian, Spanish, Turkish, Yiddish, Hindi, Urdu, Khowar, Kalasha and Latin. We have six more languages lined up, including Japanese and Latvian. This translation into Afrikaans is part of project to translate Winnie-the-Pooh into other languages. The idea is children need to learn to read at an early age and the best way to teach them to read is to provide reading materials that

they find interesting. Children around the world laugh when they see Winnie-the-Pooh saying and doing silly things. Since Winnie-the-Pooh is the most popular children's book world-wide, translating this book into the different languages of the world will be conducive to teaching children to read in those languages.

The Elephant and the Sheep -

2017-11-02

With poetic rhymes this striking picture book about the love and the simple kindness of a stranger is sure to touch a deep chord, particularly with fans of John Lennon's

"Imagine." When a lamb meets an elephant calf the two are happy to share a small patch of grass and a tiny water puddle available during the Big-Bad Thirst. None of the two notices how different their bodies are, as the two are happy to spend their days together. Soon the sheep wishes that he, too, would arrive first at their meeting place and so he wakes up earlier and earlier each day. But no matter how hard he tries he cannot arrive before the elephant - because the elephant never left their tree, not having a home of his own. The sheep invites friend elephant to join her and her flock so that he will also have a family. Inspired by the true story of Themba, the orphan elephant and Albert the good-hearted sheep that adopted him and cuddled him, the two remaining log-life best friends, "The Elephant and the Sheep" is a hymn to innocence and unconditional love, a read that is sure to warm up everyone's heart. Similar books: "The Lion and the Dog", "The Cheetah and the Dog". The Elephant and the Sheep by Patricia Furstenberg is a fun little book. The story is about an elephant and a sheep that become friends. Each day they meet at the water puddle, but somehow the elephant always arrives first. The

sheep tries to beat the elephant to the water puddle first, but each day manages to always arrive second. Until one day the sheep discovers what the elephant's secret is. I liked The Elephant and the Sheep, but at the same time it made me sad. The elephant's secret was heartbreaking. The sheep was a very good friend to invite the elephant back to his home. I could not help but wonder what adventures lay ahead for this unique duo. I was surprised that this book was inspired by a true

story. Furstenberg has piqued my interest in learning more about the original story. I read this story with my six-year-old daughter who loves animals; she thought the sheep and the elephant were a funny pair. She was wondering why the elephant lived where he did. The wording in the book is easy to read and in a poetic style. We both liked the illustrations. They are colorful and cute. I really liked the message that Furstenberg put into this story. It is one that children need to learn at an early age. Overall, my child and I enjoyed this book. My child was curious about the other animal books that Furstenberg has written. So, we plan on reading the others together soon. I recommend this book for anyone with young

children.*****Reviewed by Jessyca Garcia for Readers' Favorite*****

I Love Animals English - Afrikaans -
Gilad Soffer 2016-09-28

"I Love Animals English - Afrikaans" is a list of 50 Animals images and their names in English and Afrikaans. This is the perfect book for kids who love Animals. With this book children can build their Animals vocabulary and start to develop word and picture association.

The Cheetah and the Dog - 2017-11-02

Read a cheerful story book with sweet rhymes that celebrates diversity and promotes friendship, sure to resonate

with families - particularly non-traditional ones and with the fans of Michael Jackson's "Black or White". When a cheetah cub and a puppy dog bump into each other while chasing the same prey, it is only natural for them to play together until sundown; and the next day; and the following one. The two animals care for each other so much that they even rescue their respective packs, thus becoming an African tale. Inspired by the true story of Kasi, the orphaned male cheetah, and Mtani, the female Labrador, which struck a remarkable friendship and remained life-long friends, "The Cheetah and the Dog" is a glorious celebration of curiosity, respect for life, and unconventional wisdom, a heart-warming, fun read that belongs on any family's bedtime shelf. Similar books: "The Lion and the Dog", "The Elephant and the Sheep". A perfect gift, a story books for 3-5 years, a wonderful bedtime story for toddlers, a great read for grandparents. "The Cheetah and the Dog" by Patricia Furstenberg, like her other animal story books, is inspired by the real life story of Kasi the cheetah and Mtani the Labrador dog and their friendship. The story gives insight on the importance of friendship. Kasi and Mtani meet by accident one hot day on Africa's wild plains. Though they both looked different, they liked to chase each other and hide in the dust. One day while playing, they see a rabbit and they decide to run after the rabbit. Later they realize hunting can become boring and it is best to play and explore. The author discusses the topic of friendship through this story, and tells readers how friendship can be fun and it is not about color, race, caste, and creed. The concept of the book extends to young and old alike. Friendship has no boundaries and the author

encourages readers to be like Kasi and Mtani, just smile and care. The rhyming verses give the story a good pace and movement and introduce young children to rhyming words and how these can be used while writing poems. The illustrations are wonderful and make the story vivid and the concept clear. The story is refreshing and delightful and Kasi and Mtani will win the hearts of all young readers with their remarkable friendship that transcends all boundaries. It is a good book for bedtime storytelling and is good for read aloud sessions in classrooms as it handles a relevant topic which is important to everyone. "Reviewed By Mamta Madhavan for Readers' Favorite [Wild at Heart](#) - Michael Morpurgo 2008 An anthology of stories about animals written by well-known authors past and present.

National Character in South African English Children's Literature - Elwyn Jenkins 2006

"This is the first full-length study

of South African English youth literature to cover the entire period of its publication, from the late nineteenth century to the early twenty-first century. What gives this book particular strength is its coverage of literature up to the 1960s, which has until now received almost no scholarly attention. Not only is this earlier literature a rewarding subject for study in itself, but it also throws light on subsequent literary developments. Jenkins also makes comparisons with American, Canadian and Australian children's literature. This book is essential reading for anyone seeking to understand children's literature in the context of adult South African literature and South African cultural history."--BOOK JACKET.

Animal Stories for Eight Year Olds - 1998

Can Camels Dance? - Norma MacDonald 2018-03-08

Is Winning Everything? Every year, a bunch of different kinds of animals from all over the huge Sahara desert gather at the Lakes of Ounianga for a very exciting event! The Sahara is the world's largest hot desert and is one of the hardest places to live on the planet. Some of the animals travel across the dry, hot desert for days and days to get to the oasis. By the time the animals who will take part in the competition arrive at the Lakes of Ounianga, they are very tired and hungry. Some will dance, some will sing, and others will run a race. The question is who will win? And what lessons do they learn along the way? Fun and interesting short stories with lessons on: -Respect - Diversity -Patience -Kindness - Honesty -Forgiveness -Teamwork We once knew a beautiful Labrador Retriever named Karma. Yes, Karma is a retriever. Whatever we threw out, Karma was happy to bring it back. It

didn't matter what it was, she always brought it back. It's the same in life. We reap what we sow. Whatever we send out, is what we will get back. Our Karma for Kids Books hopes to instill this simple lesson into the lives of young children everywhere. Life can be amazing! Scroll up and click 'buy' and spend some quality time with your child! You'll be glad you did! Thanks for picking up this children's book! You are participating in making our world a better place to live and grow. When children learn that they will always get back what they give, they will start to navigate their lives in incredible ways. When you give a smile and make someone's heart feel lighter and happier, because of it, you can be sure that you will receive something in the near future that will make your heart happier as well. When you do something kind for someone, you can be sure that someone will do something kind for you in the coming days ahead. It is truly amazing how it works! Have fun with it and enjoy! Download it NOW and watch positive changes start to take place. And please share with others so they can benefit as well! Thank you so much! Kids deserve to have the best life possible! Life can get so busy and hectic for parents and caregivers, but these books help open the door to discussions on positive lessons in life that will last a lifetime. Once children learn the valuable lesson of reaping what we sow, everything has the potential to change for the benefit! It's a ripple effect! Spending precious time with a child, reading this book, can create a positive difference for years to come, generation to generation. Yes! This book is especially great for family time, traveling, waiting rooms, and read aloud at home. Excellent for beginning and early readers. Cute short stories that are

great for a quick bedtime story, but still give a great lesson that can be discussed. This story is great for be read aloud by friends, family, babysitters, and more! For more of our Karma for Kids Books please visit us at:

Circles In A Forest - Dalene Matthee
2006-12-01

Saul Barnard is a man with a self-imposed mission - to halt the wanton destruction of the Knysna Forest, home of wild elephants and the fiercely independent families of woodcutters. For years he has protected the forest from intruders, and has developed a mystical kinship with the spirit of Old Foot, the majestic and indomitable bull elephant. When word goes round that Old Foot is on the rampage, Saul is propelled towards a terrible confrontation that will change his future for ever.

Just So Stories for Little Children -

Rudyard Kipling 1946

Animal Stories - Rudyard KIPLING

2019-04-05

This wild and wonderful collection of stories features a host of familiar animal faces from Shere Khan to Black Beauty. Themed sections such as Friends and Companions and Tricks, Traps and Mischief introduce children to a wide variety of animal literature and renowned storytellers including Rudyard Kipling, Kenneth Grahame and Anna Sewell.

Just So Stories - Rudyard Kipling

1987-08

Drawing from the oral storytelling traditions of India and Africa, Noble prizewinner Rudyard Kipling's vigorous, amusing tales offer imaginative answers to unanswered questions about animals and provide little pearls of wisdom. These classic tales, filled with playfully clever animals and people have entertained young and old alike for over a hundred years.

My own book of animal stories - Roald

Dahl 1994

This work contains short stories featuring animal characters, both old and new, by authors such as Roald

Dahl, Stephen Corrin, Ted Hughes, Wanda Ga'g and Arnold Lobel. The illustrations are also a mixture of classic and modern, and include paintings by Martin Ursell and Angel Dominguez.

Animal Stories for Little Children -

Rosie Dickens 2021-07-28

A beautifully illustrated story collection, perfect for young animal lovers. This delightful illustrated book includes five animal stories from around the world, specially selected and retold for younger children. The five classic stories are: The Fox and the Tiger, Chicken Licken, How the Zebra Got His Stripes, The Greedy Dog and The Brave Little Hare.

Animal Stories for Seven Year Olds - 1998

Animals and More Animals - Linda L.

Sheehan 2012-06-01

This book contains beautiful, colorful pictures of South African animals and real-life stories about how Grandma first met them. Fun facts and descriptions of the animals and their habits get the attention of even the tiniest toddler when parents read. The book is geared to increase awareness of these magnificent African animals as well as encourage the young reader to read by himself. It also awakens the reader to marvel the animals. Each animal is unique and some endangered. As an educational children's book, it contains descriptive animal stories written at third grade reading level. It also contains listening comprehension questions and "New Words for You?" vocabulary at the end of each book section.

The Animal Story Book - Andrew Lang

1927

The Lion and the Dog - 2017-11-02

Here is a beautiful picture book with musical rhymes that celebrates

diversity and promotes kindness, sure to strike a chord with the many fans of Louis Armstrong's "What a Wonderful World". When a lion is removed from his natural habitat, forced to leave his African land and his pride behind and crowned King of Animals in a zoo, but acts out and becomes a secluded, captive beast all humans give up hope. Only a patient and observant brown little dog stands by his side and, through his optimism and kindness, turns the beast into a friend for life. Inspired by the true story of Bonedigger, the disabled lion and the friendly Dachshund Milo who proved that friendship knows no boundaries, "The Lion and the Dog" is a brilliant, colourful tale that shines when read aloud and is a definitive must-have for all collections. Similar books by the same author: "The Cheetah and the Dog", "The Elephant and the Sheep". "Inspired by a true story, The Lion and the Dog by Patricia Furstenberg is a heartwarming story about the friendship between a Dachshund dog, Milo, and Leo the lion who lives in the heart of a zoo. The dog's best friend is the frog whom he meets one day on his morning walk. The lion is brought in one day and kept in a cage

for people to say WOW, and he is crowned as the King of the Zoo. Everyone feared the lion while the Dog was free to roam around the zoo. Milo the dog meets Leo the lion across the cage bars. Milo wants to share his joy with the lion. Leo is rude but Milo is not going to give up. The lion tries to scare Milo by saying he is from Africa and has seen the world. He also roars, showing off his huge teeth. Things change when Leo falls sick and readers get to see Leo and Milo becoming friends. I like the beautiful messages of friendship, faith, optimism, and kindness conveyed through this story. The rhyme scheme makes it a lyrical read, making it appealing to the children. The illustrations are wonderful and they give clarity to the author's concept and words. What a beautiful story for parents to read out to children and help them understand the true meaning of friendship and how it has no boundaries! I would recommend the story for read aloud sessions in classrooms for students to understand that the right friends will come along if one has faith, and there is no need to feel lonely."
