Dotcom Secrets - Russell Brunson 2020-04-07

Master the science of funnel building to grow your company online with sales funnels in this updated edition from the \$100M entrepreneur and co-founder of the software company ClickFunnels. DotCom Secrets is not just another "how-to" book on internet marketing. This book is not about getting more traffic to your website--yet the secrets you'll learn will help you to get exponentially more traffic than ever before. This book is not about increasing your conversions--yet these secrets will increase your conversions more than any headline tweak or split test you could ever hope to make. Low traffic or low conversion rates are symptoms of a much greater problem that's a little harder to see (that's the bad news), but a lot easier to fix (that's the good news). What most businesses really have is a "funnel" problem. Your funnel is the online process that you take your potential customers through to turn them into actual customers. Everyone has a funnel (even if they don't realize it), and yours is either bringing more customers to you, or repelling them. In this updated edition, Russell Brunson, CEO and co-founder of the multimillion-dollar software company ClickFunnels, reveals his greatest secrets to generating leads and selling products and services after running tens of thousands of his own split tests. Stop repelling potential customers. Implement these processes, funnels, frameworks, and scripts now so you can fix your funnel, turn it into the most profitable member of your team, and grow your company online.

Das 7-Tage-Business - Thomas Dahlmann 2017-01-28

Im Buch das 7-Tage-Business lernst du wie du innerhalb von 7 Tagen dein eigenes profitables Online-Business aufbaust und Geld online verdienst. In einem klaren 7-Schritte Fahrplan geht das Buch mit dir alle wichtigen Schritte durch. Zusätzlich erhältst du wertvolle Tipps zur richtigen geistigen Haltung und lernst aus Beispielen anderer erfolgreicher Gründer. Der Fahrplan zu deinem profitablen Online-Business Tag 1: Am ersten Tag dreht sich alles um die Idee, deine Marke und wie du dich am Markt positionierst. Du erfährst die wichtigsten Kriterien für gute Ideen, wie du eine Idee findest, wie du ein Angebot daraus machst und an wen sich dein Angebot richten sollte. Tag 2: Am zweiten Tag erstellst du eine Webseite, auf der du dein Angebot verkaufst und Bezahlungen entgegennehmen kannst. Tag 3: Nachdem Idee, Angebot und Webseite fertig sind, ist es an der Zeit, dein Produkt zu erstellen. Am dritten Tag baust du also eine minimale Version deines Produktes, welches die Benutzererfahrung des fertigen Angebotes so gut wie möglich widerspiegelt. Tag 4: Du hast eine Webseite und etwas, was du anbieten kannst. Am vierten Tag ist es Zeit, den Verkaufsprozess zu erstellen. Du lernst, wie du aus einem Besucher deiner Webseite einen zahlenden Kunden machst. Tag 5: Das beste Angebot ist nutzlos, wenn es niemand sieht. Deshalb lernst du am fünften Tag, wie du dein Angebot vermarktest und möglichst vielen potentiellen Kunden zeigst. Du lernst, wie du deine ersten Kunden gewinnst, die bereit sind, für dein Angebot Geld zu bezahlen. Tag 6: Nachdem du dein Produkt und dein Angebot hast, gilt es jetzt, dieses am Markt zu validieren. Du lernst, wie du herausfindest, ob die Idee gut ist und ob jemand bereit ist, dafür Geld auszugeben. Dazu verwendest du die Webseite, das Angebot und die Marketing-Techniken aus den vorherigen Tagen. Tag 7: Das schwerste liegt jetzt hinter dir. Jetzt geht es um rechtliche und steuerliche Themen, die für dein Online-Business wichtig sein können, und du startest endlich. Vorwort von Tim Chimoy Der Titel meines ersten Buches lautet "Kündige deinen Job und starte ein Freiheits-Business". Ich widmete mein Handbuch für ortsunabhängiges Arbeiten allen Querdenkern und Thomas ist einer von ihnen. Das zeigt er auch mit seinem Buch: "Das 7-Tage-Business". Während andere oftmals monate- oder jahrelang hinter verschlossenen Türen an ihren Ideen arbeiten,

Investoren oder Kredite suchen, um Startkapital zu sammeln oder aufgrund von Unsicherheit und Selbstzweifeln gar nicht erst starten, geht Thomas in seinem Buch einen komplett anderen, viel offensiveren Weg. Du lernst, wie du in nur 7 Tagen dein Projekt startest und erste zahlende Kunden gewinnst. Natürlich hast du nach 7 Tagen kein „fertiges Business“ - aber du kannst in dieser Zeit durchaus mit einigen digitalen Geschäftsmodellen bereits profitabel sein, und darauf dann weiter aufbauen - und darauf kommt es auch Thomas an: Validierung. Durch die knappe Deadline, die kleinen Teilschritte, den Fokus auf die Vermarktung und zahlende Kunden vermeidest du viele Anfängerfehler. Neben dem klaren 7-Schritte-Fahrplan erhältst du von ihm wichtige Hinweise zur geistigen Einstellung, die er aus über 10 Jahren Erfahrung im Bereich Online-Business sammelte. Dieses Buch wird all jenen besonders helfen, die noch ganz neu in dem Thema Online-Business sind und einen Leitfaden für den erfolgreichen Start benötigen. Aber auch als Fortgeschrittener, der bisher keine Erfolge erzielen konnte oder Probleme damit hatte, Projekte zu beenden, ist dieses Buch ein interessanter Weg, das Thema anzugehen. Ich wünsche dir auf deiner Reise zum profitablen Online-Business viel Erfolg. (Tim Chimoy)

A Practice Grammar of German - Hueber Verlag 2010

New Dawn - Christopher Lapidus 2020-09-26

In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

Chillpreneur - Denise Duffield-Thomas 2019

Plus, Denise talks you through the smaller - but no less important - details of being an entrepreneur, including how to deal with awkward money situations and find the most effective ways to price your offers. Full of reassuring and practical advice, Chillpreneur challenges the old, boring assumptions of what it takes to create success in business, so you can create financial independence with ease and grace -- Description from dust jacket.

How to be German in 50 easy steps - Adam Fletcher 2013-07-10

Breakfast lavishly, pre-book all your holidays years in advance, dress sensibly and obey the red man! «How to be German» presents all the little absurdities that make living in Germany such a pleasure. It's required reading for all Ausländer and for Germans who sometimes have the feeling they don't understand their own country. We learn why the Germans speak so freely about sex, why they are so obsessed with «Spiegel Online» and why they all dream of being naked in a lake of Apfelsaftschorle. At the end, the only thing left to say to Adam Fletcher's love letter to Germany is «Alles klar!» This e-book is also available in German: «Wie man Deutscher wird in 50 einfachen Schritten. Eine Anleitung von Apfelsaftschorle bis Tschüss». The printed edition has been published as a bilingual turn-around book.

Power Days - Jeffrey D. Hill 2022-01-14

This book is a daily devotional using Scripture and comments about that and a few quotes from the public domain to illustrate a point here and there, as well as examples from my own life experiences all working together to show a more practical side to living the Christian life on a daily basis. "For years Jeff Hill has shared daily thoughts, encouragements, and devotions with those who know him... I am grateful to see so many of them bound together in this book! Jeff's heart is to point people toward the grace and mercy of God, which is my prayer for every reader. May you walk with the power that comes in the name of Jesus, and may this book help you to do so!" —Josh Whelchel, Campus Pastor, BattleCreek Church "Jeff Hill's devotional "Power Days" is a remarkable uniting of truths from God's Word written through the perspective of personal reflections, relatable stories, and scriptural connections. He created meaningful moments throughout the book for you to have intimate conversations with Jesus. My prayer is that you the reader will have your soul nourished and that you will find yourself in the presence of God...because I believe His presence changes everything." —Alex Himaya, Pastor, BattleCreek Church

Getting to Yes - Roger Fisher 1991

How to Write a Good Advertisement - Victor O. Schwab 2015-10-28

This book might well have carried the subtitle *Or 44 Years in the Copy Department* instead of its present one. Even a copywriter, whose breed is not noteworthy for arithmetical prowess, could not escape arriving at the conclusion that the number of years from 1917 to 1961 totals forty-four. And, Heaven help me!, for that seeming aeon of time the major interest of the author has been advertising copy—good, bad, and indifferent. That a large measure of this past experience has been associated with a particularly demanding kind of advertising copy may, as will be explained, be an advantageous circumstance for the reader of this book, regardless of what type of copywriting job confronts him. For the subject of the book is not the writing of mail-order copy. Its sole purpose is to lend a hand to any copywriter (or student of copy-writing) whose ambition is to create advertisements which are more resultful, no matter what the product is or how and where it is sold. As to why the author's background of experience may represent an advantageous circumstance for such copywriters, I will leave to an infinitely more capable pen than mine—that of no less an authority than Claude G. Hopkins, one of the greatest copywriters of "general" advertising who ever lived: "Mail-order advertising is difficult. But it is educational. It keeps one on his mettle. It fixes one's viewpoint on cost and result. The advertising-writer learns more from mail-order advertising than from any other." Therefore, if you are looking for guidance specifically concerned with the writing of mail-order advertising, this is not your book. On the other hand, if in the writing of any type of advertising you want more of your copy to achieve the selling effectiveness imperative for any mail-order man who wants to continue eating heartily, this book may prove helpful to you. At any rate, you are the person for whom it was written. Much of its information will probably recall to your mind the aphorism, "We need not so much to be instructed as to be reminded." And that's all to the good. Finally, and appertaining to the passages which are reminiscent in nature, the author has tried to avoid any necessity for later having to admit, like Mark Twain, that "When I was very young I could remember anything, whether it happened or not. But now I am older and I can only remember the latter." Victor O. Schwab

The Braid - Laetitia Colombani 2019-09-24

In this unforgettable international bestseller, three women from very different circumstances around the world find their lives intertwined by a single object and discover what connects us—across cultures, across backgrounds, and across borders. In India, Smita is an untouchable. Desperate to give her daughter an education, she takes her child and flees her small village with nothing but resourcefulness, eventually heading to a temple where she will experience a rebirth. In Sicily, Giulia works in her father's wig workshop, the last of its kind in Palermo. She washes, bleaches, and dyes the hair provided by the city's hairdressers,

which is now in short supply. But when her father is the victim of a serious accident, she discovers that the company's financial situation is dire. Now she must find a way to save her family's livelihood. In Canada, Sarah is a successful lawyer and twice-divorced mother of three children whose identity is wrapped up in her work. Just as she expects a big promotion, her life is shattered when she's diagnosed with cancer. A moving novel of hope and renewal, *The Braid* is a celebration of womanhood and the power of connection and perseverance.

The Economics of Open Access - Thomas Eger 2018-06-29

Addressing the recent debate on how the future of academic publishing might look in a purely digital environment, this book analyzes the experiences of researchers with, as well as attitudes towards, 'Open Access' (OA) publishing. Drawing on a unique, in-depth survey with more than 10,000 respondents from 25 countries, Thomas Eger and Marc Scheufen discuss their findings in the light of recent policy attempts which have been trying to foster OA, revealing considerable shortcomings and lack of knowledge on fundamental features of the academic publishing market.

Exceptional Selling - Jeff Thull 2010-12-15

Praise for *Exceptional Selling* "Thull's leading-edge thinking makes this book extraordinary. This straightforward guide to communicating across all cultures with credibility and respect will give you a significant competitive advantage in a complex and crowded global marketplace." —Guenter Lauber, Vice President, Siemens Energy & Automation, Inc., EA Systems "Exceptional Selling may be one of the most important books written on sales and marketing communications for high stakes sales. It shows you how to stand apart from your competition, communicate with great clarity, and position your solution as the most compelling choice for the long term." —Rob Mancuso, Senior Vice President, Investors Financial Services Corp. "Thull has taken consultative and collaborative sales to new heights. The knowledge in this book is priceless. The trust and respect created by the diagnostic process is a must-have for success here in Asia and around the globe. It enables us to differentiate ourselves early and achieve long-lasting success." —Tay Chong Siew, Major Customer Director, North Asia, BOC Gases "Having achieved exceptional success by working with Thull and implementing the strategy and process in his first two books, I'm astounded that his leading-edge thinking is captured in yet more detail in another brilliant book. The conversation examples of his powerful diagnostic approach will bring even greater success to our organization. Truly exceptional!" —Alberto Chacin, Director of On Demand Services LAD, Oracle USA "Exceptional Selling is a dramatic departure from the vast majority of sales books. It scares me to see all the ways in which we can self-sabotage our sales opportunities-but that's only chapter one. Throughout the book, Thull describes compelling examples of how to succeed in a cluttered marketplace." —Steven Rodriguez, Senior Vice President, Ceridian Corporation "Thull has again extended the concepts and thinking he developed in *The Prime Solution* and *Mastering the Complex Sale*. This is an essential read for anyone working to understand his customers in a complex world." —Wayne Hutchinson, Vice President of SalesMarketing and Consulting, Shell Global Solutions International B.V.

Jewish Refugees in Shanghai 1933-1947 - Irene Eber 2018-11-12

Around 20,000 Jews, mostly from Germany and Austria, managed to escape Nazi persecution in the late 1930s and fled to Shanghai, where they found a safe refuge despite the increasing harassment of the Japanese authorities. In the face of difficult conditions, the Jewish refugees tried to arrange for both their material needs and the continuation of their communal cultural life. The 184 sources collected in the present volume document not only these efforts, but also the support of the local Jewish aid committees and other, mostly Jewish international aid organizations. The reactions of Nazi authorities in Germany and their representatives in Shanghai are included as well, as are impressions from the Japanese and Chinese sides. The documents – in German, English, Yiddish, Hebrew, Russian, and Chinese – are annotated, partially translated, and accompanied by introductions, maps, and photographs.

Mother Holle (Illustrated) - Brothers Grimm 2018-10-13

Rare edition with unique illustrations. When Jacob and Wilhelm Grimm published their *Children's and Household Tales* in 1812, followed by a second volume in 1815, they had no idea that such stories as "Rapunzel," "Hansel and Gretel," and "Cinderella" would become the most celebrated in the world. From "The Frog King" to "The Golden Key," wondrous worlds unfold--heroes and heroines are rewarded, weaker animals

triumph over the strong, and simple bumpkins prove themselves not so simple after all. A delight to read, *The Original Folk and Fairy Tales of the Brothers Grimm* presents these peerless stories to a whole new generation of readers. *Mother Holle* is a German fairy tale collected by the Brothers Grimm and first published in 1812 as part of *Children's and Household Tales*. It was originally known as *Frau Holle* and is tale number 24. *Mother Holle* is one of Germany's most durable female legendary figures and one who without doubt[citation needed] represents a pre-Christian deity who survived in popular belief and in the memory of common people well into the nineteenth century. *Mother Holle* is featured in *Grimm's Fairy Tale Classics*.

Wie Sie 700 Euro in 7 Tagen machen - Andre Sternberg 2019-12-27

Ohne Hype oder die geringste Übertreibung ist das Internet das größte wirtschaftliche Tor, das die Welt jemals gekannt hat. Nie zuvor war es für eine Person so einfach, Einnahmen von zu Hause aus zu erzielen und finanzielle Unabhängigkeit zu erlangen. Und ja, Beispiele wie Yahoo, Google und e-Bay sind die Superstars der e-world. Das Internet bietet immer noch jedem, der über einen Computer und Zugang zum Internet verfügt, das Potenzial, exponentielle Gewinne zu erzielen. Natürlich sind mit jedem neuen Medium neue Regeln, Verfahren und eine Vielzahl von unentdeckten Problemen verbunden. Inzwischen wissen wir alle, dass die DotCom-Blase geplatzt ist und Millionen von Investoren und Tausende von Unternehmen mit sich gebracht hat. Gibt es heute im Internet Risiken für jemanden, der sich selbstständig machen möchte? Natürlich gibt es sie - aber besteht das Risiko, dass Ihr Job morgen ausgelagert wird oder das gesamte Unternehmen nach Asien verlagert wird? Dieser Bericht soll den Leser nicht irreführen, zu glauben, dass mit einem langfristigen Geschäftsvorhaben keine echten Risiken verbunden sind - denn es gibt immer Risiken und sie sind es, die das Gewinnpotenzial schaffen. Dieser Bericht wird nicht versprechen, dass der Leser wie viele der Verkaufsseiten, die Sie heute im Web sehen, mit ein oder zwei Stunden arbeiten täglich Millionen verdienen kann. Was verspricht dieser Bericht dem Leser? Dieser Bericht verspricht, dass 700 Euro in sieben Tagen nur ein Tropfen auf den heißen Stein sind, wenn es darum geht, im Internet Geld zu verdienen. Jedes Jahr hüpfen Millionen weiterer Surfer online, was zu dem bereits massiven Markt beiträgt, der durch das Internet geschaffen wurde. Während Risiken mit legitimen Geschäftschancen verbunden sind, tragen genaue Informationen dazu bei, diese Risiken zu verringern und Ihre Erfolgchancen zu verbessern. In diesem Bericht finden Sie 10 Möglichkeiten im Internet, innerhalb von 7 Tagen 700 Euro zu verdienen. Die Prinzipien hinter jeder dieser Methoden können immer wieder wiederholt werden - und haben somit das Potenzial, sich als reine Einnahmequellen zu entwickeln und ein bedeutendes E-Business mit Stammkunden und einer wachsenden Kundenbasis zu werden. Die Lektüre dieses Berichts könnte zu einem entscheidenden Moment in Ihrem Leben werden, wenn Sie aufhören, "defensiv" über Ihre Karriere nachzudenken (d. h. "Verliere ich meinen Job durch Outsourcing?") Und die Offensive auf dem Weg zu finanzieller Unabhängigkeit und Sicherheit beginnen. Bitte zögern Sie nicht, jedes Kapitel zu lesen, das Ihrer Meinung nach Ihren Fähigkeiten,

finanziellen Umständen und Ihrem Interesse am besten entspricht.

The Science of Happiness - Stefan Klein 2006-11-20

The international bestseller. An enthralling exploration of the science of happiness. We all know what it feels like to be happy, but what mechanisms inside our brains trigger such a positive emotion? What does it really mean to be happy, and why can't we feel that way all of the time? Psychologists and neuroscientists have been studying negative emotions for decades, but until recently few have focused on the subject of happiness. Now, in The Science of Happiness, leading science journalist Stefan Klein ranges widely across the latest frontiers of neuroscience and psychology to explain how happiness is generated in our brains, what biological purpose it serves, and the conditions required to foster the 'pursuit of happiness'. A remarkable synthesis of a growing body of research that has not been brought together before, The Science of Happiness is, ultimately, a book that helps us understand our own quest for happiness — and is certain to help make you happier.

The New Market Wizards - Jack D. Schwager 2012-10-10

Praise for THE NEW MARKET WIZARDS "Jack Schwager simply writes the best books about trading I've ever read. These interviews always give me a lot to think about. If you like learning about traders and trading, you'll find that reading this book is time well spent." -Richard Dennis, President, The Dennis Trading Group, Inc. "Jack Schwager's deep knowledge of the markets and his extensive network of personal contacts throughout the industry have set him apart as the definitive market chronicler of our age." -Ed Seykota "Very interesting indeed!" -John Train, author of The Money Masters "Successful trading demands longtime experience because it requires firsthand knowledge. If there is a shortcut to this requirement, however, it is in reading about the experiences of others. Jack Schwager's book provides that shortcut. If you find yourself sweating upon occasion as you read, then you're as close to the trading experience as you can get without actually doing it yourself." -Robert R. Prechter, Jr., editor, The Elliott Wave Theorist THE NEW MARKET WIZARDS Some traders distinguish themselves from the herd. These supertraders make millions of dollars—sometimes in hours—and consistently outperform their peers. As he did in his acclaimed national bestseller, Market Wizards, Jack Schwager interviews a host of these supertraders, spectacular winners whose success occurs across a spectrum of financial markets. These traders use different methods, but they all share an edge. How do they do it? What separates them from the others? What can they teach the average trader or investor? In The New Market Wizards, these wildly successful traders relate the financial strategies that have rocketed them to success, as well as the embarrassing losses that have proven them all too human. Meet the Wizards of Wall Street: * Stan Druckenmiller, who, as manager of the Soros Quantum Fund, realized an average annual return of more than 38 percent on assets ranging between \$2.0 and \$3.5 billion * William Eckhardt, a mathematician who, in collaboration with trader Richard Dennis, selected and trained the now-legendary circle known as the Turtles * Bill Lipschutz, a former architect who, for eight years, was Salomon Brothers' largest and most successful currency trader * Blair Hull, a one-time blackjack player who began an options trading company with Asking the questions that readers with an interest in the financial markets would love to pose to the financial superstars, and filled with candid appraisals, The New Market Wizards takes its place as a classic.

A New Dawn - John Jackson Miller 2015-04-23

A long time ago in a galaxy far, far away. . . . "The war is over. The Separatists have been defeated, and the Jedi rebellion has been foiled. We stand on the threshold of a new beginning."-Emperor Palpatine, Star Wars: Episode III: Revenge of the Sith For a thousand generations, the Jedi Knights brought peace and order to the Galactic Republic, aided by their connection to the mystical energy field known as the Force. But they were betrayed-and the entire galaxy has paid the price. It is the Age of the Empire. Now Emperor Palpatine, once Chancellor of the Republic and secretly a Sith follower of the dark side of the Force, has brought his own peace and order to the galaxy. Peace through brutal repression, and order through increasing control of his subjects' lives. But even as the Emperor tightens his iron grip, others have begun to question his means and motives. And still others, whose lives were destroyed by Palpatine's machinations, lay scattered about the galaxy like unexploded bombs, waiting to go off. . . .

Translation and Identity - Michael Cronin 2006-09-27

Michael Cronin looks at how translation has played a crucial role in shaping debates about identity, language and cultural survival in the past and in the present. He explores how everything from the impact of migration on the curricula for national literature courses, to the way in which nations wage war in the modern era is bound up with urgent questions of translation and identity. Examining translation practices and experiences across continents to show how translation is an integral part of how cultures are evolving, the volume presents new perspectives on how translation can be a powerful tool in enhancing difference and promoting intercultural dialogue. Drawing on a wide range of materials from official government reports to Shakespearean drama and Hollywood films, Cronin demonstrates how translation is central to any proper understanding of how cultural identity has emerged in human history, and suggests an innovative and positive vision of how translation can be used to deal with one of the most salient issues in an increasingly borderless world.

The Motley Fool's Rule Breakers, Rule Makers - David Gardner 2010-05-11

THE NEW YORK TIMES BESTSELLER From the bestselling authors of The Motley Fool Investment Guide and its successful, savvy prequel, The Motley Fool's You Have More Than You Think, here's an engaging, humorous, and practical stock-picking guide, packed with Foolish insights, that caps off this invaluable personal finance trilogy from David and Tom Gardner. The Motley Fool's Rule Breakers, Rule Makers presents the sophisticated, yet easy-to-understand stock-picking methods that have kept the Motley Fool portfolio beating the Standard & Poor's averages by more than 30 percent. The key is investing in small start-up companies that have historically offered the greatest investment returns (the "rule breakers") as well as huge companies that maintain legal monopolies in their fields (the "rule makers"). The Gardner brothers explain * How to identify the best investments in today's public markets: the rule breakers and the rule makers * The definition of a "tweener" -- a maturing rule breaker -- and how to detect the Tweener Death Rattle * When to buy and when to sell, and how to manage your portfolio on a regular basis In their first two books, the Fools got you started in investing and freed you from the fees and worries that Wall Street's Wise Men have been imposing on investors for decades. Now, by sharing their methods for picking rule breakers and rule makers, they guide you through a stock market that has seen company valuations soar to unprecedented heights and that promises to continue providing roller-coaster thrills. The Motley Fools are the ultimate companions to bring along for a safe, fun, and profitable ride.

Novel Translations - Bethany Wiggin 2011-06-15

Many early novels were cosmopolitan books, read from London to Leipzig and beyond, available in nearly simultaneous translations into French, English, German, and other European languages. In Novel Translations, Bethany Wiggin charts just one of the paths by which newness—in its avatars as fashion, novelties, and the novel—entered the European world in the decades around 1700. As readers across Europe snapped up novels, they domesticated the genre. Across borders, the novel lent readers everywhere a suggestion of sophistication, a familiarity with circumstances beyond their local ken. Into the eighteenth century, the modern German novel was not German at all; rather, it was French, as suggested by Germans' usage of the French word Roman to describe a wide variety of genres: pastoral romances, war and travel chronicles, heroic narratives, and courtly fictions. Carried in large part on the coattails of the Huguenot diaspora, these romans, nouvelles, amours secrets, histoires galantes, and histories scandaleuses shaped German literary culture to a previously unrecognized extent. Wiggin contends that this French chapter in the German novel's history began to draw to a close only in the 1720s, more than sixty years after the word first migrated into German. Only gradually did the Roman go native; it remained laden with the baggage from its "French" origins even into the nineteenth century.

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE.

You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build

momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?
