TO Mrs. Saville, England St. Petersburg, Dec.

11th, 17- You will rejoice to hear that no disaster has accompanied the commencement of an

enterprise which you have regarded with such evil

forebodings. I arrived here yesterday, and my first task is to assure my dear sister of my welfare and increasing confidence in the success of my undertaking. I am already far north of London, and as I walk in the streets of Petersburg, I feel a cold northern breeze play upon my cheeks, which braces my nerves and fills me with delight. Do you understand this feeling? This breeze, which has travelled from the regions towards which I am advancing, gives me a foretaste of those icy climes. Inspired by this wind of promise, my daydreams become more fervent and vivid. I try in vain to be persuaded that the

pole is the seat of frost and desolation; it ever presents itself to my imagination as the region of beauty and delight. There, Margaret, the sun is forever visible, its broad disk just skirting the horizon and diffusing a perpetual splendour. There-for with your leave, my sister, I will put some trust in preceding navigators-there snow and frost are banished; and, sailing over a calm sea, we may be wafted to a land surpassing in wonders and in beauty every region hitherto discovered on the habitable globe. Its productions and features may be without example, as the phenomena of the heavenly bodies undoubtedly

are in those undiscovered solitudes. What may not be expected in a country of eternal light? I may there discover the wondrous power which attracts the needle and may regulate a thousand celestial observations that require only this voyage to render their seeming eccentricities consistent forever. I shall satiate my ardent curiosity with the sight of a part of the world never before visited, and may tread a land never before imprinted by the foot of man. These are my enticements, and they are sufficient to conquer all fear of danger or death and to induce me to commence this laborious voyage with the

joy a child feels when he embarks in a little boat, with his holiday mates, on an expedition of discovery up his native river. But supposing all these conjectures to be false, you cannot contest the inestimable benefit which I shall confer on all mankind, to the last generation, by discovering a passage near the pole to those countries, to reach which at present so many months are requisite; or by ascertaining the secret of the magnet, which, if at all possible, can only be effected by an undertaking such as mine.

*The Truth about Marie* - Jean-Philippe Toussaint  
2011-09-06

Moving through a variety of locales and adventures, *The Truth about Marie* revisits the unnamed narrator of Toussaint's acclaimed *Running Away*, reporting on his now disintegrated relationship with the titular Marie—the story switching deftly between first- and third-person as the narrator continues to drift through life, and Marie does her best to get on with hers. Like all of Toussaint's novels, *The Truth about Marie's* plot matters far less than its pace and tempo, its chain of images, its sequence of events. From pouring rain in Paris to blazing fires on the island of Elba, from moments of intense action to

perfectly paced lulls, *The Truth about Marie* relies on a series of contrasts to tell a beguiling, and finally touching, story of intimacy forever being regained and lost.

Proust Between Two Centuries - Antoine

Compagnon 1992

This book explores the formative period when Scotland acquired the characteristics that enabled it to enter fully into the comity of medieval Christendom. These included a monarchy of a recognizably continental type, a feudal organisation of aristocratic landholding and military service, national boundaries, and a body of settled law and custom.

Gold - Blaise Cendrars 2003

In January 1848, John Augustus Sutter, "the first American millionaire," was ruined by one blow of a pickaxe. That blow revealed gold in one of the streams in Sutter's Californian estate, triggering the Gold Rush that brought hordes of greedy miners from every corner of the world to Sutter's vast domain. This is the story of this bankrupt

Swiss paper maker who abandoned his family and made his way to America to seek his fortune. From New York he pushed westward, eventually acquiring a huge tract of land of which he was virtually an independent ruler and which was on the point of making him "the richest man in the world" when the Gold Rush brought disaster. For the last 30 years of his life, Sutter tried vainly to get compensation from the U.S. government. He died in 1880, a broken old man. This is a work of breathless pace, fantastic humor, and soaring invention: an extraordinary story extraordinarily told.

The End of Kings - William R. Everdell

2000-04-15

Written in clear, lively prose, The End of Kings traces the history of republican governments and the key figures that are united by the simple republican maxim: No man shall rule alone. Breathtaking in its scope, Everdell's book moves from the Hebrew Bible, Solon's Athens and Brutus's Rome to the impeachment trial of Andrew Johnson and the Watergate proceedings during which Nixon resigned. Along the way, he carefully builds a definition of "republic" which distinguishes democratic republics from aristocratic ones for both history and political science. In a new foreword, Everdell addresses

the impeachment trial of President Clinton and argues that impeachment was never meant to punish private crimes. Ultimately, Everdell's brilliant analysis helps us understand how examining the past can shed light on the present. "[An] energetic, aphoristic, wide-ranging book."—Marcus Cunliffe, Washington Post Book World "Ambitious in conception and presented in a clear and sprightly prose. . . . [This] excellent study . . . is the best statement of the republican faith since Alphonse Aulard's essays almost a century ago." —Choice "A book which ought to be in the hand of every American who agrees with

Benjamin Franklin that the Founding Fathers gave us a Republic and hoped that we would be able to keep it."—Sam J. Ervin, Jr.

**Proust and Emotion** - Inge Crosman Wimmers

2003-01-01

In *Proust and Emotion*, Inge Crosman Wimmers proposes a new approach to *A la recherche du temps perdu* that centres on the role of affect.

Through close reading of the hero-narrator's personal history, the author shows how emotional paradigms (especially separation anxiety), involuntary memory, and other compelling impressions give focus and structure to Proust's

novel. Drawing on reader-oriented and emotion theories, she shows how affect commands the attention of the 'motivated reader' and is crucial to the process of self-understanding for both the narrator and the reader. This is the first extensive study in English to take fully into consideration the drafts (esquisses) published in the new Pléiade edition of the novel, the Mauriac edition of *Albertine disparue*, and material from the unpublished Proust manuscripts - all of which shed further light on the importance of affect in *À la recherche*. *Proust and Emotion* will appeal to readers interested in an approach to Proust that

combines insights from philosophy, psychology, and literary aesthetics and in a poetics of reading that pays particular attention to emotion.

**Le grand livre des abeilles** - Melchiorre Biri 1997

*Scent* - Annick Le Guérer 1994

In this entertaining tour de force into the most elusive of our five senses, Le Guerer investigates scent and its relationship to myth, psychology, religion, ritual, sex, seduction, magic, social classes, and early pharmacology and healing practices.

**Selected Letters of Vernon Lee, 1856–1935** -

Sophie Geoffroy 2020-09-16

Vernon Lee was the pen name of Violet Paget (1856–1935) – a prolific author best known for her supernatural fiction and her radical polemics. She was also an active letter writer whose correspondents include many well-known figures in fin de siècle intellectual circles across Europe. However, until now no attempt has been made to make these letters widely available in their complete form. This multi-volume scholarly edition presents a comprehensive selection of her English, French, Italian, and German correspondence – compiled from more than 30

archives worldwide – that reflect her wide variety of interests and occupations as a Woman of Letters and contributor to scholarship and political activism. Letters written in a language other than English have been expertly translated by scholars Sophie Geoffroy (from the French), Crystal Hall (from the Italian), and Christa Zorn (from the German). The edition focuses on those letters concerning the writing, ideas and aesthetics that influenced Lee’s articles, books and stories. Full transcriptions of some 500 letters, covering the years 1856-1935, are arranged in chronological order along with newly written introductions that

explain their context and identifies the recipients, friends and colleagues mentioned. Since scholarship on Lee's critical and creative output is still in the beginning stages, these letters will serve a purpose to students and researchers in a number of academic fields. In this second volume, covering the years 1885–1889, the 421 assembled letters follow Violet Paget-Vernon Lee in her early thirties. Recovering from the stinging reception of her first novel and from Annie Meyer's death, she turns to essay writing on aesthetics and ethics and ghost stories. After Mary Robinson's engagement to marry French

orientalist Prof. Darmesteter, she travels to Spain, Gibraltar and Tangiers and briefly falls under the spell of the Orient. She also takes a liking to Scotland, and many of her close friends are Scottish --Alice Callander, Lady "Archie" (Janey Sevilla Archibald Campbell)—and so is her future partner Clementina Anstruther-Thomson. The letters reflect the expansion of her subject matter from cultural studies, art history and aesthetic philosophy. Her charity work in hospitals in Florence and her readings in Political Economy lead her thinking towards social reform and political issues. Her brother's mental illness and

her own breakdown bring about an awareness of body and mind balance and a taste for outdoor pursuits (mountaineering; bicycling; horse riding; swimming) and for experimental psychology (rotating mirrors; hypnosis) and therapies (hydrotherapy). The Pagets move away from the city center of Florence into the Villa Il Palmerino, then in the countryside, where both Eugene and Vernon recover. Correspondents include Lee's parents, Matilda and Henry Ferguson Paget; her step-brother poet Eugene Lee-Hamilton; English poetess Mary Robinson; English poet Robert Browning; British novelist and journalist Ellen

Mary Abdy-Williams; British social reform activist and editor Percy William Bunting; Irish journalist and activist Frances Power Cobbe; Irish scholar and novelist Bella Duffy; British eugenicist Karl Pearson; British publisher William Blackwood; Scottish writer Robert Louis Stevenson; American novelist Henry James; American connoisseur and arts patron Isabella Stuart Gardner; French translator and critic Marie-Thérèse Blanc ("Th. Bentzon"); Lady Louisa Wolseley; Irish historian and activist Alice Stopford-Green; Italian Countess Angelica (Pasolini) Rasponi; Italian poet, writer and critic Enrico Nencioni; Italian

novelist, essayist and critic Mario Pratesi; Italian editor and man of letters Francesco Protonotari; Italian painter Telemaco Signorini.

**Monsieur Proust** - Céleste Albaret 2003-10-31

Céleste Albaret was Marcel Proust's housekeeper in his last years, when he retreated from the

world to devote himself to *In Search of Lost Time*. She could imitate his voice to perfection, and Proust himself said to her, "You know everything about me." Her reminiscences of her employer present an intimate picture of the daily life of a great writer who was also a deeply peculiar man, while Madame Albaret herself proves to be a shrewd and engaging companion.

**The Guermantes Way** - Marcel Proust 2005-05-31

The third volume of one of the greatest novels of the twentieth century Mark Treharne's acclaimed new translation of *The Guermantes Way* will introduce a new generation of American readers to the literary richness of Marcel Proust. The third volume in Penguin Classics' superb new edition of *In Search of Lost Time*—the first completely new translation of Proust's masterpiece since the 1920s—brings us a more comic and lucid prose than English readers have previously been able to enjoy. After the relative intimacy of the first two volumes of *In Search of Lost Time*, *The Guermantes Way* opens up a vast, dazzling

landscape of fashionable Parisian life in the late nineteenth century, as the narrator enters the brilliant, shallow world of the literary and aristocratic salons. Both a salute to and a devastating satire of a time, place, and culture, *The Guermantes Way* defines the great tradition of novels that follow the initiation of a young man into the ways of the world.

In Search of Lost Time, Vol 3 - Marcel Proust

2010-10-31

THE ACCLAIMED FULLY REVISED EDITION OF THE SCOTT MONCRIEFF AND KILMARTIN

TRANSLATION In The Guermites Way Proust's narrator recalls his initiation into the dazzling

world of Parisian high society. Looking back over his time in the glamorous salons of the

aristocracy, he satirises this shallow world and his own youthful infatuation with it. His observations,

and his experiences with his lover Albertine, also

educate him in the volatile nature of desire as he walks the path towards adulthood.

**Swann in Love** - Marcel Proust 2017-11-16

'Swann's love . . . could not have been torn out of him without destroying him almost entirely' Swann

in Love is a brilliant, devastating novella that tells of infatuation, love, and jealousy. Set against the

backdrop of Paris at the end of the nineteenth century, the story of Charles Swann illuminates

the fragilities and foibles of human beings when in the grip of desire. Swann is a highly cultured

man-about-town who is plunged into turmoil when he falls for a young woman called Odette de

Cr cy. The novel traces the progress of Swann's emotions with penetrating exactitude as he encounters Odette at the regular gatherings in the salon of the Verdurins. His wilful self-delusion is both poignant and ridiculous , and his tormented feelings play out in scenes of high comedy amongst Odette's socially pretentious circle.

Swann in Love is part of Proust's monumental masterpiece *In Search of Lost Time*, and it is also a captivating self-contained story. This new translation encapsulates the qualities that have secured Proust's reputation, and serves as a perfect introduction to his writing.
