The Invention of Solitude - Paul Auster 2010-11-25

' One day there is life . . . And then, suddenly, it happens there is death.' So begins Paul Auster's moving and personal meditation on fatherhood, *The Invention of Solitude*. The first section, 'Portrait of an Invisible Man', reveals Auster's memories and feelings after the death of his father. In 'The Book of Memory' the perspective shifts to Auster's role as a father. The narrator, 'A.', contemplates his separation from his son, his dying

grandfather and the solitary nature of writing and storytelling. With all the keen literary intelligence familiar from *The New York Trilogy* or *Sunset Park*, Paul Auster crafts an intensely intimate work from a ground-breaking combination of introspection, meditation and biography.

Older Brother - Daniel Mella
2018

"This slim and vital novel is a tour de force; it will floor you, and lift you right the way up--I adored it." --Claire-Louise Bennett, author of Pond During the summer of 2014, on one of the stormiest days on record to hit the coast of Uruguay, 31-year old Alejandro, lifeguard and younger brother of our protagonist and narrator, dies after being struck by lightning. This marks the opening of a novel that combines memoir and fiction, as it unveils an urgent exploration of the brotherly bond, and the effects that death can have on our

most intimate circles as well as on ourselves. It's always the happiest and most talented who die young. People who die young are always the happiest of all... Can grief be put into words? Can we truly rationalise death and cohabit with it? Pain can only really be described in the past, not in the present; however, Mella chooses to narrate it in the future, as if all calamities are yet to unfold. In a style that recalls David Cronenberg's or Anthony Burgess's examination of violence in society, Mella takes us with him in this dizzying journey right into the centre of his own neurosis and obsessions, where fatality is skillfully turned into an absorbing meditation on love, grief, art and belief.

World Literature.

Cosmopolitanism, Globality -

Gesine Müller 2019-10-21

From today's vantage point it can be denied that the confidence in the abilities of globalism, mobility, and cosmopolitanism to illuminate cultural signification processes of our time has been severely shaken. In the face of this crisis, a key concept of this globalizing optimism as World Literature has been for the past twenty years necessarily is in the need of a comprehensive revision. *World Literature, Cosmopolitanism, Globality: Beyond, Against, Post, Otherwise* offers a wide range of contributions approaching the blind spots of the globally oriented Humanities for phenomena that in one way or another have gone beyond the discourses, aesthetics, and political positions of liberal cosmopolitanism and neoliberal globalization. Departing basically (but not exclusively) from different examples of Latin American literatures and cultures in globalized contexts, this volume provides innovative

insights into critical readings of World Literature and its related conceptualizations. A timely book that embraces highly innovative perspectives, it will be a mustread for all scholars involved in the field of the global dimensions of literature.

[Upside Down](#) - Eduardo Galeano
2014-05-13

From the winner of the first Lannan Prize for Cultural Freedom, a biting funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire Trilogy*, combines a novelist's intensity, a poet's lyricism, a journalist's

fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right.

"Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." - Los Angeles Times, front page

The Recognitions - William Gaddis 2020-11-24

A postmodern masterpiece about fraud and forgery by one of the most distinctive, accomplished novelists of the last century. *The Recognitions* is a sweeping depiction of a world in which everything that anyone recognizes as beautiful or true or good emerges as anything but: our world. The book is a masquerade, moving from New England to New York to Madrid, from the art world to the underworld, but it centers on the story of Wyatt Gwyon, the son of a New England

minister, who forsakes religion to devote himself to painting, only to despair of his inspiration. In expiation, he will paint nothing but flawless copies of his revered old masters—copies, however, that find their way into the hands of a sinister financial wizard by the name of Recktall Brown, who of course sells them as the real thing. Dismissed uncomprehendingly by reviewers on publication in 1955 and ignored by the literary world for decades after, *The Recognitions* is now established as one of the great American novels, immensely ambitious and entirely unique, a book of wild, Boschian inspiration and outrageous comedy that is also profoundly serious and sad.

Funny, touching, and wonderfully sensuous, *Along Came a Duke* is a prime example of the exceptional romantic magic that puts Elizabeth Boyle in the same master class as Lisa Kleypas and Christina Dodd.

Envy - Dylan Allen 2018-06
If envy is a sin, then let me be damned. Graham was born to be a star. Once upon a time, that star shone only for me. Now, I have to share him with the rest of the world. For a while, I thought I could do it. Because, beneath the hypnotic

smile, gorgeous body and God-given charm that made him famous, I still caught glimpses of my best friend. Of the boy who called me sunshine and loved me. I wore that love like a crown . . . until he placed it on another's head. Losing him was agony, distance felt like the only cure. When tragedy reunites us after years apart, it only takes one touch to erase the past. Just like that, I'm back in his arms. He promises this time will be different. But I'm afraid to believe him. Because behind his star's blinding brilliance is a darkness that doesn't want to let him go. I know a star that bright can't belong to just one person, but my jealous heart doesn't want to share him. I want all of him . . . even if wanting what doesn't belong to me leads me to ruin.
