Kushiel's Chosen - Jacqueline Carey 2003-03-14

Following hard on the heels of *Kushiel's Dart*, Jacqueline Carey's spectacular debut novel, comes *Kushiel's Chosen*, a glittering and riveting historical fantasy. The land of Terre d'Ange is a place of unsurpassed beauty and grace. It is said that the angels found the land and saw it was good, and the ensuing race that rose from the seed of angels and men live by one simple rule: Love as thou wilt. Phèdre née Delaunay is a young woman who was born with a scarlet mote in her left eye and sold into indentured servitude as a child. Her bond was purchased by Anafiel Delaunay, a nobleman with a very special mission--and the first to recognize her for who and what she is: one pricked by *Kushiel's Dart*, chosen to forever experience pain and pleasure as one. Phèdre has trained in the courtly arts and the talents of the bedchamber, but, above all, the ability to observe, remember, and analyze. Having stumbled upon a plot that threatened the very foundations of her homeland, she gave up almost everything she held dear to save it. She survived, and lived to have others tell her story, and if they embellished the tale with fabric of mythical splendor, they weren't far off the mark. The hands of the gods weigh heavily upon Phèdre's brow, and they are not yet done with their charge--for while

the young queen who sits upon the throne is well loved by the people, there are those who believe that other heads should wear the crown. And those who escaped the wrath of the mighty are not yet done with their schemes for power and revenge. To protect and serve, Phèdre will once again leave her beloved homeland. From the sun-drenched villas of La Serenissima to the wilds of old Hellas, from a prison designed to drive the very gods mad to an island of immutable joy. Phèdre will meet old friends and new enemies and discover a plot so dreadful as to make the earth tremble, masterminded by the one person she cannot turn away from. Bereft - Chris Womersley 2010-08-30

2011 ABIA LITERARY FICTION BOOK OF THE YEAR WINNER OF THE 2011 INDIE AWARD FOR FICTION SHORTLISTED FOR THE 2011 MILES FRANKLIN AWARD It is 1919. The Great War has ended, but the Spanish flu epidemic is raging across Australia. Schools are closed, state borders are guarded by armed men, and train travel is severely restricted. There are rumours it is the end of the world. In the NSW town of Flint, Quinn Walker returns to the home he fled ten years earlier when he was accused of an unspeakable crime. Aware that his father and uncle would surely hang him, Quinn hides in the hills surrounding Flint. There, he meets the orphan Sadie Fox — a mysterious young girl who seems to know more about the crime than she should. A searing gothic novel of love, longing and justice, *Bereft* is

about the suffering endured by those who go to war and those who are forever left behind. PRAISE FOR CHRIS WOMERSLEY 'Beautifully written and conceived, *Bereft* pushes at the borders of literary fiction and thriller, spinning a horrific incident in one man's life into a page-turning reflection on grief and guilt, on the nature of storytelling and its inevitable joys and shortcomings, on what we have to believe in order to survive.' The Age 'Chris Womersley, in plain and startling yet tender and lyrical prose, has constructed a moving narrative that opens up the wounds of war, laying bare the events that pre-date the conflict and reach forward into the collective memory ... War is the big drama of human horror, but the basest acts of cruelty are also enacted in what passes for peacetime. That Womersley can marry these two extremes, and construct a narrative in which the reader is left with a burning sense of regret and tenderness, is a mark of his skill and of his fictional reach.' Le terrible sorcier Sidi a décidé de porter un coup fatal au royaume. Il envoie Ours, le pirate assassin, à la poursuite du vaisseau qui transporte l'objet le plus sacré de Midkemia : la Larme des dieux. On pense en effet que tous les pouvoirs magiques découlent de cette pierre miraculeuse. Or, si la Larme devenait le jouet du sorcier, l'avenir ne serait plus que terreur mort et nuit éternelle. L'écuyer James, le lieutenant William et la magicienne Jazhara se lancent alors dans une mission périlleuse pour secourir le précieux artefact. Pendant ce temps, de noires créatures se rassemblent dans un dessein inavouable : créer le chaos qui précipitera la perte de James et de ses braves compagnons et qui permettra de corrompre totalement la Larme des dieux...

When I Was Five I Killed Myself - Howard Buten 2014-07-01

"[A] graceful and brilliant novel . . . leads the reader on a journey through childhood autism that proves enlightening as well as fascinating." —ForeWord Magazine Burton Rembrandt has the sort of perspective on life that is almost impossible for adults to understand: the perspective of an eight-year-old. And to Burt, his parents and teachers seem to be speaking a language he cannot understand. This is Burt's story as written in pencil on the walls of the Quiet

Room in the Children's Trust Residence Center, where he lands after expressing his ardent feelings for a classmate. It begins: When I was five I killed myself . . . In this rediscovered modern classic from "one of France's best-loved contemporary writers," Howard Buten renders with astounding insight and wry language the tale of a troubled—or perhaps just perfectly normal—young boy testing the boundaries of love and life (Time). "Buten uses his wit like a whip to get at the heart of this boy's own story . . . bringing some shock and some power to that delicate line between youth and the rest of the world." —The Austin Chronicle "This psychologically intense tale moves quickly, and the difficult task of creating a child's voice with authenticity and depth proves Buten a gifted stylist and storyteller . . . [an] imaginative and provocative book." —Publishers Weekly, starred review "A Kingdom Besieged offers some insight into a troubled child's mind." —The New York Times Book Review
