*A Betrayal in Winter* -

Daniel Abraham 2007-08-21

Daniel Abraham delighted fantasy readers with his brilliant, original, and engaging first novel, *A Shadow in Summer*. Now he has produced an even more powerful sequel, a tragedy as darkly personal and violent as Shakespeare's *Macbeth*. As a boy, Otah Machi was exiled from his family, Machi's ruling house. Decades later, he has witnessed and been part of world-changing events. Yet he has never returned to Machi. Now his father--the Khai, or ruler, of Machi--is dying and his eldest brother Biitrah has been assassinated, Otah realizes that he must return to Machi, for reasons not even he understands.

Tradition dictates that the sons of a dying Khai fall upon each other until only one remains to succeed his father. But something even worse is occurring in Machi. The Galts, an expansive empire, has allied with someone in Machi to bring down the ruling house. Otah is accused, the long-missing brother with an all-too-obvious motive for murder. With the subtlety and wonderful storytelling skill of his first novel, Abraham has created a masterful drama filled with a unique magic, a suspenseful thriller of sexual betrayal, and Machiavellian politics. *An Autumn War* - Daniel Abraham 2008-07-22

Daniel Abraham delighted fantasy readers with his brilliantly original and engaging first novel, and in his second penned a tragedy as darkly personal and violent as Shakespeare's *King Lear*. Now he has written an epic fantasy of much wider scope and appeal that will thrill his fans and enthrall legions of new readers. Otah Machi, ruler of the city of Machi, has tried for years to prepare his people for a future in which the magical *andat*, entities that support their commerce and intimidate all foes, can no longer be safely harnessed. But his efforts are too little, too late. The Galts, an expansionist empire from across the sea, have tired of games of political espionage and low-stakes sabotage. Their general, a ruthless veteran, has found a way to do what was thought impossible: neutralize the *andat*. As the Galtic army advances, the Poets who control the *andat* wage their

own battle to save their loved-ones and their nation. Failure seems inevitable, but success would end the Galtic threat. With wonderful storytelling skill, Abraham has wedded the unique magic, high-stakes betrayal and political intrigue of his previous works with a broad tapestry of action in a spectacular fantasy epic. *Cerulean Sins* - Laurell K. Hamilton  
2010-02

'People don't like dealing with people who raise the dead. Don't ask me why, but we make them nervous.' There's something about Leo Harlan that I don't like. He's asked me to reanimate his long-dead ancestor, and it seems like a perfectly ordinary case for someone like me: Anita Blake, preternatural expert, vampire hunter and raiser of the dead. So I agree - sometimes you deal with the devil not because you want to, but because if you don't, someone else will. But what he hasn't told me is that the corpse may hold the secret to an ancient crime that not

everyone wants to be remembered.

Seduced By Moonlight -

Laurell K. Hamilton

2004-02-03

I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I've awakened the dazzling magic that's slumbered in them for thousands of years. But the thing is, I can't figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen's Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic

courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings

the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

**A Stroke of Midnight** - Laurell K. Hamilton  
2005-04-12

I am Meredith Gentry, P.I., solving cases in Los Angeles, far from the peril and deception of my real home—because I am also Princess Meredith, heir to the darkest throne faerie

has to offer. The Unseelie Court infuses me with its power. But at what price does such magic come? How much of my human side will I have to give up, and how much of the sinister side of faerie will I have to embrace? To sit on a throne that has ruled through bloodshed and violence for centuries, I might have to become that which I dread the most. Enemies watch my every move. My cousin Cel strives to have me killed even now from his prison cell. But not all the assassination attempts are his. Some Unseelie nobles have waited centuries for my aunt Andais, Queen of Air and Darkness, to become weak enough that she might be toppled from her throne. Enemies unforeseen move against us—enemies who would murder the least among us. The threat will drive us to allow human police into faerie for the first time in our history. I need my allies now more

than ever, especially since fate will lead me into the arm of Mistral, Master of Storms, the queen's new captain of her guard. Our passion will reawaken powers long forgotten among the warriors of the sidhe. Pain and pleasure await me—and danger, as well, for some at that court seek only death. I will find new joys with the butterfly-winged demi-fey. My guards and I will show all of faerie that violence and sex are as popular among the sidhe as they are among the lesser fey of our court. The Darkness will weep, and Frost will comfort him. The gentlest of my guards will find new strength and break my heart. Passions undreamed of await us—and my enemies gather, for the future of both courts of faerie begins to unravel.

Times–bestselling author, a powerless succubus must save the supernatural community of Seattle.

### **Succubus On Top** -

Richelle Mead 2011-01-28

A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times–bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the

shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line... Praise for Richelle Mead and her Succubus series "Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!"—Lilith

Saintcrow, author of *The Devil's Right Hand* "This is one of those series I'm going to keep following."—Jim Butcher, *New York Times* bestselling author of the *Harry Dresden* series "The mix of supernatural mystery, romance, and reluctant succubus is great fun."—Locus "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism."—Booklist
