to be hers. Frederick Bartholomew is a valet who can't deny his master's request to step in for him—for just two weeks—while he has one last fling before marriage shackles him for life. In *Love With a Charming Brunette* Lady Mercy Granville never wanted to marry a man who was chosen for her. She heads to Brighton to enjoy the last of her freedom, never knowing what awaits her there. As a gentleman, Mr. Rafe Pinehurst is honor bound to rescue the damsel in distress as scandal looms.

The Wagered Miss Winslow (Alphabet Regency Romance) - Kasey Michaels  
1992-10-01

A Kasey Michaels Alphabet Regency Romance Classic. "Using wit and romance with a master's skill, Kasey Michaels aims for the heart and never misses." -- Nora Roberts Beaumont Remington -- known only as "Fish" in The Haunted Miss Hampshire, is a man searching for revenge ... but what he finds with Rosalind Winslow, the sister of his enemy, is something much more satisfying: She was a pretty enough little thing, he granted to himself, and she would have brought out more of his protective tendencies if he didn't believe she could probably hold off an army on her own, if not with weapons then with her sharp tongue and even sharper intellect. And it wasn't as if he had ever held out any great hopes for a love match. He was too raw, too uneducated, and too set in his ways to ever believe he was the sort females of Rosalind Winslow's birth and breeding might flock to with visions of happily-ever-after gleaming in their eyes. But she was a Winslow, and her family and his were sworn enemies, not that he had so far been able to summon up any real animosity toward her. Did this house, this property, mean enough to him that he would even consider marrying a

Winslow? He looked around the large room, taking in the purity of its architecture, the beauty of its furnishings. This was only one room. If the rest of the house lived up to its first impression, how could he turn his back and walk away? This was his family inheritance, the place of his birth. His parents, or so said Bridget, had been immensely happy here, and their bodies, as well as those of his grandparents and great-grandparents, were interred in a mausoleum somewhere on the property. He had been robbed, cheated of his home by an unscrupulous Winslow who had preyed on a disconsolate, grieving man. For twelve years Beau had believed himself to be someone else, and for the past twenty-three years, two months, and six days he had been living only for the moment he would walk back into this house and claim it for his family, for the Remingtons. Could he marry Rosalind Winslow in order to secure the house and estate grounds? He could. He would. But he would have to be careful how he went about it ... Christine gains a tutor in the finer arts of polite behavior, while Thomas is given access to the finest equine bloodlines in England. **Song for a Lady** - Jacqueline Diamond  
2011-01-03

A Regency Cinderella fights back. Unfairly blamed for her mother's sins, Lady Deborah Martin can't seem to please her father. Then, in standing up for herself, she offends another important man in her life, handsome Lord Foxborough. Treated as little more than a servant, this Regency-era Cinderella has her own plans to make a life on the stage, and if the men disapprove, they'd best watch out! And one in particular just might fall in love. This is a lighthearted tale in the traditional Regency style of Jane Austen and Georgette Heyer—no sex, but plenty of romantic complications and a happy ending. "Ms. Diamond is one of the most consistently enjoyable Regency authors around." —Romantic Times "Clear and crisp ... Elevated above the ordinary by the inclusion of some delightful dialogue and some very funny scenes."--Library Journal "The genre is well served in author Diamond's second novel, the first being *Lady in Disguise*."--Publishers Weekly

*Merely a Miss* - Catherine Gayle 2011-07-28  
Miss Jane Matthews feels completely out of place amongst the finery of the ton. She's the daughter of a country vicar, for goodness sake, and nearly a spinster to boot. Frankly, she would prefer to stay that way. How can a lady of Quality start up her own modiste shop, after all? But when her distant cousin—the Dowager Duchess of Somerton, of all people—offers to sponsor her for a Season in London, she agrees, but only so she can take the opportunity to search for a storefront for her business. Perhaps, in that regard, the Season won't all be in vain. The widower of a loveless marriage, Peter Hardwicke, the Duke of Somerton, has already done his duty and provided an heir for his dukedom, so he sees no reason whatsoever to remarry. Even if, heaven forbid, something should happen to his son, he still has three younger brothers who are each quite capable of inheriting. Taking a wife would only mean adding a new responsibility to his already too-full schedule. He's more than busy enough keeping his mother, siblings, and children in line—not to mention sorting out the myriad problems plaguing one of his estates. But when Lord Utley, one of Peter's childhood friends and a man who has been on the wrong side of Peter's ire for many years now, takes an unlikely interest in Jane, he has to intervene. Peter will be damned if he'll allow Utley to ruin yet another life. But will rescuing Jane from Utley's clutches land Peter with another loveless marriage?
