Yes, You Can! - Loretta Land

2019-04-09
Land's writing is the story of fourteen years of her life, taking the reader through a time line direct from God. A true story of first the annoyance of seeing her carefully laid-out plan for future years to amazement at how divine wisdom intervened and was perfect as to where the

author was to be and when, who she was to meet and why, and how the future would be forever changed even if the yielding of plan A (the author's) to plan B (God's) was done with hesitancy. A life of overseas adventure takes the reader to Armenia, Georgia, Uzbekistan, Ghana, and China. It is interspersed with bits of history, current events, and future opportunities of humans. It gives the reader an opportunity to understand why letting God be in control works best for humanity at any age.

Being an Octopus. Libby comes from a long line of bullies. She wants to be different, but sometimes that doesn't work out. To bolster herself, she makes a card with the message "You are amazing." That card sets off a chain reaction that ends up making a difference in the lives of some kids who could also use a boost—be it from dealing with bullies, unaccepting families, or the hole that grief leaves. Receiving an encouraging message helps each kid summon up the thing they need most, whether it's bravery, empathy, or understanding. Because it helps them realize they matter—and that they're not flying solo anymore.

Tarnished Gold - R. Serge

Denisoff 1986-01-01

The great depression in the popular recording industry that

began in 1979 still continues.

There are signs, however, that the industry is adjusting to new technologies and may soon revive. R. Serge Denisoff documents the decline and possible revival of this comprehensive study of the recording business, a sequel to his widely acclaimed *Solid Gold: The Popular Record Industry*.

Denisoff offers a brief history of popular music and then, in detail, traces the life cycle of a record, beginning with the artist in the studio and following the record until its purchase. He explains the relationships between artist, manager, producer, company, distributor, merchandiser, and media. They all play roles in the scenario of a hit record. He also discusses the new technologies and how they may affect record sales, especially round-the-clock rock and roll on cable television. *Tarnished Gold* joins *Solid Gold* as a staple in the popular culture literature.

We Will Be Crashing Shortly -

Hollis Gillespie 2015-05-01

April Mae Manning from *Unaccompanied Minor* is back, and back in trouble, but this time, she's run out of chances... April Mae was raised on airplanes by her flight-attendant parents. But

since her dad's death and her mom's remarriage to the nefarious pilot Ash Manning, April's been in nothing but danger: two airplane crashes; two car crashes; and now, as a student pilot, in an old plane crippled over the Caribbean. Can she survive, and save her friends, or is this the watery end to "Crash" Manning's story? Praise for *Unaccompanied Minor*: "A laugh-out-loud thriller about family court, money laundering and skyjacking" ~Kirkus Reviews *Kuwait Diary* - Holly Doyne 2006

In April 2003, I said goodbye to my husband and children before leaving for Kuwait on a 12-month hardship tour. It was to be at least six months before mid-tour, if leave would be allowed by then. Checked in, and caught Lufthansa out of Frankfurt. Ever have one of those dreams in which you taxi forever and go nowhere? This was one of those off the end of the earth type

experiences. With that, U.S. Army Physician Holly Doyne departed Germany for an assignment to Camp Doha as Command Surgeon, ARCENT-Kuwait, for what became a prolonged tour. This is her record of that time. It is about battling with the heat and the dust in the desert. It is about ordered chaos and confusion tempered with caring. It is a warm and lively account by a determined and compassionate physician who went to conquer, assigned to a location where making a difference really mattered.
