**'Return To Me'** - Mark J. Boda 2015-05-18

The theme of repentance is evident in almost every Old and New Testament corpus. However, it has received little sustained attention over the past half-century of scholarship. In this New Studies in Biblical Theology volume, Mark Boda offers a comprehensive overview of the theological witness of Scripture to the theme of repentance, a return to intimate fellowship with the triune God, our Creator and Redeemer.

[Luke](#) - Diane G. Chen 2017-08-31

In this highly readable and engaging commentary on the Gospel of Luke, Diane Chen introduces her readers to the particularities of the world of Jesus, steeped in Jewish history and convictions yet threatened by Roman power and hegemony. In story after story, Chen brings to focus the diligence of a faithful historian, the artistry of a masterful storyteller, and the courage of an insightful theologian behind this well-loved Gospel. In it Luke presents God's plan of salvation in the birth and death, word and deed, and identity and mission of Jesus of Nazareth—a plan that is unapologetically counterintuitive: the proud is humbled and the lowly is lifted up; the ostracized is embraced and the religious elite is rejected. Modern readers will

receive more than a lucid explanation of the biblical text; they will be challenged to find their own place in Jesus' story, one that encourages self-reflection and necessitates a personal response.

**The Politics of Discipleship (The Church and Postmodern Culture)** - Graham Ward 2009-09-01  
Internationally acclaimed theologian Graham Ward is well known for his thoughtful engagement with postmodernism. This volume, the fourth in The Church and Postmodern Culture series, offers an engaging look at the political nature of the postmodern world. In the first section, "The World," Ward considers "the signs of the times" and the political nature of contemporary postmodernism. It is imperative, he suggests, that the church understand the world to be able to address it thoughtfully. In the second section, "The Church," he turns to practical application, examining what faithful discipleship looks like within this political context. Clergy and those interested in the emerging church will find this work particularly thought provoking.

Food Justice and Hospitality in Luke-Acts - Gideon S. S. Paulraj 2023-05-23

Food security is a multifaceted concept and extends beyond the production of, availability of, and demand for food. This book attempts to explore the meal narrations in Luke-Acts as a source for a theology of hospitality to ascertain Luke's concern for the immigrant, the poor, the homeless, the hungry, and the outcasts. This book focuses on fifteen meal scenes in Luke-Acts and contributes to Lukan scholarship on meals, particularly in addressing the issue of food insecurity. Firstly, by

incorporating cultural dimensions and anthropology to understand the social context of the first-century world, this book contributes a new perspective on the Lukan audience, which was stratified by socioeconomic and religious disparities in terms of privilege, wealth, and power. Secondly, this book analyzes the Lukan concern with the social structure and the social, political, economic, and religious setting behind his emphasis on the pto[set macron over o]choi and the marginalized concerning livelihood needs such as food and shelter. Thirdly, this book connects Lukan concern with contemporary theologies that include an emphasis on hunger and hospitality, such as liberation theology, Dalit theology, and practical theology. Thus, the book challenges readers and offers a few recommendations for implementations to combat hunger and destitution.

Repentance and the Mission of the Church - W. Ryan Vanderland 2023-05-03

What does it mean when we call men and women to repent? What if repentance is more than just turning from individual sin? What if repentance is more than merely a step in the process of conversion? What if repentance is actually part of God's mission in the world? In this book, W. Ryan Vanderland argues for this very understanding of

repentance. Building on the work of other scholars of repentance and engaging with Old Testament and New Testament texts, this book shows how repentance is indeed part of God's mission in the world, part of the mission of the church in the world, and therefore part of the mission of God's people. Finally, this work takes this missional understanding of repentance and applies it to issues facing the contemporary church.

**Truth Versus Man'S Religious Systems** - Terry W. McHenry 2018-01-27

The book in overview is historical and instructional in content, with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically, textually, historically, culturally, and literarily. It stresses the importance of moving from a knowledge of the Bible to an understanding of its life-giving instructions, being studied in its entirety as a gift to mankind from a loving creator, Elohim. The thrust of the book is accordingly threefold: An indictment of two of mans religious systems (Judaism and Christianity) for syncretism, corruption of Elohim's written Word of truth, and abuses of religious authority, plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word. A call to return to the one

source of truth the written Word of Elohim understood in its originally written form and in its full and proper context. Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life-giving instructions how to live a redeemed life as Elohim intended for all mankind.

Any Christian who desires to draw close to God and know the fulness of life in Him must be serious about repentance. Repentance is not so much a single act but rather a whole manner of living, an attitude of the heart and a lifestyle that says 'yes' to God in all things. In this book, Luke Maguire explores the theme of repentance and offers some practical guidance on how to get serious about drawing closer to God. What lies behind this book is the conviction that repentance leads to joy because repentance brings us closer to the God in whom we find our deepest delight. If you want to mature in your faith and grow in your love for Christ, then this book might just be for you. Exploring some of the key doctrines of the Christian faith, this book is intended to encourage the believer and to strengthen the spiritual foundations upon which a solid Christian life can be built.

*Mission from a Position of Weakness* - Paul

Yonggap Jeong 2007

This book deals with mission from a position of weakness from the perspective of Kingdom of God missiology. Both in the Bible and history, God's power in mission is manifested through the weakness of the cross of Jesus and of his disciples in any era. In this book, the author asserts that the principles of mission from a position of weakness should be the foundational and guiding value for mission of the whole Church of Christ.

**By the Merciful Heart of Our God** - Yena Park 2022

This study explores the two love commands in Luke, the command to love one's enemy in 6:27-36 and the command to love one's neighbor in 10:25-37, in light of Luke's conception of God as it is found in the history of Israel that Luke illustrates in the larger context of Luke-Acts. Beginning with a survey of monographs on the love commands in the NT from the twentieth to twenty-first century, it proposes that it is essential to attend to the portrait of God as delineated in Luke-Acts as the key ethical basis of the commands. By examining Luke's conception of God in his construal of Israel's history in Acts 7 and Luke 1, this study notes that Luke especially highlights the merciful character of God, which consists in his saving work that forgives the sin and disobedience of Israel and restores the broken relationship between God and his people. This study demonstrates that this portrait of the merciful God forms the foundation of the two love commands in Luke, in which Luke invites the reader to reflect the mercy of God and participate in his glory and eternal presence.

**The Preliminaries of Repentance. A Sermon [on Luke Iii. 10-14], Etc** - John William LAUGHLIN 1853

*The Sinner in Luke* - Dwayne H. Adams 2008-01-01

This study examines the use of the term "sinner" in Luke -Acts. There is at present no scholarly consensus on the identity of the "sinner" in the Synoptic Gospels. Although the term is important in

the Gospel of Luke, few works target the role of the sinner in it. Even fewer address the curious absence of "sinner" in Acts. Luke's narrative of Jesus's mission to "sinners," together with the comments about Gentiles in the Gospel, prepare readers for the mission to Gentiles in Acts. Luke provides a link for readers by demonstrating how a Jewish religious sect made up of fishermen, toll-collectors, and "sinners," who claimed to have found the Messiah, became a religion with a wide Gentile following. In his use of the term "sinner," Luke suggests that "repentant Jewish sinners" and "repentant Gentile followers" of Jesus represent a fulfillment of God's promise of universal salvation. "The Sinner in Luke is an important study of a key Lucan theme. When Jesus proclaims release for the sinners as a core element of his message, it is crucial to understand who the sinner is, whether he be a tax collector or a religious leader---or even us. Dwayne Adams's study shows the moral-relational base that is central to the term in the face of other claims about this term's meaning and role in Luke. If one understands this category, one can appreciate Jesus's mission better." The result is a study well worth reading." ---DARRELL L. BOCK, Dallas Theological Seminary.

**Preaching Repentance** - Jason Davis Noble  
2016-04-01

Luke's unique teaching on repentance is woven throughout his gospel in literary brilliance, as he retells Jesus' explicit teachings on repentance and demonstrates repentance through the use of story. Without Luke's detailed accounting, many of these teachings and stories would be lost to history, as they are not found in any of the other three canonical gospels. This commentary covers ten Lukan repentance passages for the purpose of informing the church's proclamation and practice of

repentance. Repentance is a central component to the Christian message. Its centrality is demonstrated by Luke as he embeds the repentance motif in his own proclamation-his gospel. Both proclaimers and practitioners of repentance today can ground their message and lives in the Lukan tradition by paying attention to Luke's gospel. The story Luke tells contains demonstrative power as it shows readers what repentance looks like as it is lived out in the lives of those who accept Christ and His message.

**The Feasts of Repentance** - Michael J. Ovey

Valuable study of repentance in Scripture, theology and the Christian life

**The Appropriation of Passover in Luke-Acts** - Dany Christopher 2018

Within Lukan scholarship, studies on the theme of Passover have mostly been confined to the pericope of the Last Supper (Luke 22:1-20). Few have ventured outside it and explored the presence, let alone the significance, of the theme in other passages throughout Luke-Acts. Thus, the aim of this study by Dany Christopher is to show where, how, and why Luke appropriates the theme of Passover in his writings. The author proposes that besides the passion narrative, allusions to Passover can be found in three other sets of passages: the infancy narrative, the Parousia discourses in Luke ~~and Luke Acts~~ and the rescue stories of Peter (Acts 12) and Paul (Acts 27). He shows that the theme of Passover plays a major role in how Luke structures his narratives and conveys the message of God's salvation.
