What he shows Ava challenges her view of the world, shaking it to its very core. Because Caleb isn't quite what he seems. In fact, he's not entirely human, and he's not the only one. [Witchling Academy](#) - Avery Song 2019-07-11

Finishing our first year at Witchling Academy brings a wave of new experiences. Now with Semester Three approaching it's time for me to decide what path I want to walk as I enter young adulthood. I, Brienne Marie Harlow, am now dating the Notorious Four. It's still quite a shock in my mind, but to be surrounded by my supportive family and friends, it's become something life changing for me and my four amazing boyfriends - Jax, Connor, Finnick, and Kaito. With summer break, brings moments of adventure and exploration, as I begin to figure out what I want in this group relationship and deal with my own insecurities. Adding my new familiar to the mix and having two amazing best friends to help me figure out the goods and bads about dating, summer goes by like a breeze. Semester Three is where things start getting messy. When the professors warned us about the change in dynamic with year one to year two, we never would have thought it would escalate to magic battles, car chases, and end us in the middle of a magic crime case. Adding the continuous bullying, old memories, girl jealousy, and issues developing within my own team, we're going to have to stick tightly together or we'll be pulled apart forever. Thankfully, I won't let that happen. If I'd have to be the middle ground to keep my Notorious Four from tearing apart, I'd do it right here and now. All in the name of protecting the people I love. Now let's all pray this goes as well as it does in my head.

[Making Bombs for Hitler](#) - Marsha Forchuk Skrypuch 2012-01-01

In this companion book to the award-winning *Stolen Child*, a young girl is forced into slave labour in a

munitions factory in Nazi Germany. In *Stolen Child*, Marsha Forchuk Skrypuch introduced readers to Larissa, a victim of Hitler's largely unknown Lebensborn program. In this companion novel, readers will learn the fate of Lida, her sister, who was also kidnapped by the Germans and forced into slave labour — an Ostarbeiter. In addition to her other tasks, Lida's small hands make her the perfect candidate to handle delicate munitions work, so she is sent to a factory that makes bombs. The gruelling work and conditions leave her severely malnourished and emotionally traumatized, but overriding all of this is her concern and determination to find out what happened to her vulnerable younger sister. With rumours of the Allies turning the tide in the war, Lida and her friends conspire to sabotage the bombs to help block the Nazis' war effort. When her work camp is finally liberated, she is able to begin her search to learn the fate of her sister. In this exceptional novel Marsha Forchuk Skrypuch delivers a powerful story of hope and courage in the face of incredible odds.

[Oath Sworn](#) - K. N. Banet 2021-09-14

I've never been the type to find trouble. Owning a bar takes work and that was all I wanted. Serving cold beers and paying my taxes. Those were the responsibilities I wanted for the rest of my life. I didn't ask to be a werecat. I didn't ask for the responsibility to uphold an ancient treaty. I didn't ask to get pulled into the middle of a werewolf pack's coup. But Carey Everson, the very human daughter of a werewolf Alpha, needs me. Her father's enemies are on her heels and I'm her last defense. And I'll be that defense until my final breath, even if it means challenging the very Laws that govern the supernatural. I gave her my word. My name is Jacky Leon and nothing is going to stop me from honoring my word.

**Fire and Brimstone** - J. B. Trepagnier 2019-07-17

What exactly did dear old mum get up to before I was born? I was supposed to be going to Harvard on a full ride. I've always been excellent at chemistry. Turns out my knack for chemicals was because my mum is a witch and a potions master. Did I mention she summoned a demon for a ritual and Lucifer himself came? Can I tell you how weird it is to go from card carrying atheist to finding out Satan is your dad? Harvard is out. My magic was bound when I was a baby. Apparently, now I'm going to Fortuna Conservatory instead because once I'm unbound, I can cause hell on earth. Something about being the princess of Hell. I'm engaged to be married to who I thought was my mother's cat and a boy from my high school I've nicknamed Cockblocker. Oh, he's actually a hellcat and I hate him. I'm trying to get out of it. My high school ex is a hellhound and he's at Fortuna with me. He's unusually interested in who my father is and would have known what I was when we were dating. In fact, there are two hellhound leaders here that are just a little too interested in dear old dad. I'm woefully behind in everything since I was raised as human. A green haired warlock has taken me under his wing to help me with magic. A vampire tutor was arranged for me by the woman who foretold my birth. All the answers about me came in a vision to the hellcat's mother, Lilith. She's the one moving pieces in the background. She's arranging marriages, choosing my classes, and putting people in my path. She's also avoiding giving us any answers. Can I navigate a magical school when I have no training, not kill this hellcat I'm engaged to, manage my crushes on the warlock and vampire, and still survive with two huge hellhounds sniffing around? Something big is happening. My birth wouldn't have been foretold if it wasn't. I need to unlock all of my gifts as half angel half witch because whatever is going on, I've only scratched the surface.

### **Horrid Charms** - Eva Chase 2019-11-03

Every time I turn around, new opponents are looking to knock me down. No part of the magical community is safe. And now my enemies have left me with a horrible accusation hanging over my head, using so many tricks I can barely defend myself. If I want to clear my name and keep my freedom, I have to turn to the guys who once made my life hell. They've changed their tune and made amends, but how far can I really count on them? Especially if they discover that my greatest foes are within their families. I'm going to have to find out. The truth can't stay hidden forever. But no matter what the villains in the university and beyond it throw at me, I won't give in. I'm the last of the Bloodstones... and hanging onto that role may be the only way I can save everything that matters to me.

### **Addie** - Raven Kennedy 2019-06-28

I live with a pack of misfit shifters. Freaks. Rogues. Oddballs. Prey. Runts. Deformed. We're all welcome in Pack Aberrant. We aren't going to be winning any popularity contests, but our hodgepodge bunch is more loyal than even the strongest pred packs. I should know. I grew up in one of them. As soon as they realized I was different, I was despised, even by my own family. So I left, joined Pack Aberrant, and I've steered clear of alpha pred assholes ever since. Until my heatwave hits, and I accidentally jump three coyote shifters in a parking lot. Whoopsie. Once they realize what my animal is, they're gonna kick me to the curb just like every other pred shifter has. And my old pack? They come back to haunt me. I'm unwanted by the three hotties, threatened by my old pack, and to top it all off, I have to find a new job because I attacked a bank robber. Accidentally. Being a misfit really sucks sometimes. Author's Note: Addie's story is book one in the Pack of Misfits series. Every book will be a standalone for that character, but a continuation of the Pack Aberrant story. Book one is a reverse harem with multiple love interests with the main character. However, this is not a reverse harem series. Some main characters in this series will have monogamous relationships. \*This is intended for ages 18 and older due to sexual content and strong language.

### **Game Changer** - Neal Shusterman 2021-02-09

"A timely, speculative thought experiment in perspective, privilege, and identity." —Kirkus "The conceit behind Shusterman's latest is truly unique. While it exhibits the author's usual storytelling aplomb, it also manages to delve into more serious and timely subject matter, such as racism, sexism, and homophobia. Despite these heavy topics, the story still moves at a lively pace and, thanks to a zany sci-fi twist, manages to pack in a few laughs as well." —Booklist All it takes is one hit on the football field, and suddenly Ash's life doesn't look quite the way he remembers it. Impossible though it seems, he's been hit into another dimension—and keeps on bouncing through worlds that are almost-but-not-really his own. The changes start small, but they quickly spiral out of control as Ash slides into universes where he has everything he's ever wanted, universes where society is stuck in the past...universes where he finds himself looking at life through entirely different eyes. And if he isn't careful, the world he's learning to see more clearly could blink out of existence... This high-concept novel from the National Book Award-winning and New York Times-bestselling author of the Arc of a Scythe series tackles the most urgent themes of our time, making this a must-buy for readers who are starting to ask big questions about their own role in the universe.

**American Supernatural Tales** - S. T. Joshi 2013-10-01

Part of a new six-volume series of the best in classic horror, selected by Academy Award-winning director of The Shape of Water Guillermo del Toro American Supernatural Tales is the ultimate collection of weird and frightening American short fiction. As Stephen King will attest, the popularity of the occult in American literature has only grown since the days of Edgar Allan Poe. The book celebrates the richness of this tradition with chilling contributions from some of the nation's brightest literary lights, including Poe himself, H. P. Lovecraft, Shirley Jackson, Ray Bradbury, Nathaniel Hawthorne, and—of course—Stephen King. This volumes also includes "The Yellow Sign," the most horrific story from The King in Yellow, the classic horror collection by Robert W. Chambers featured on HBO's hit TV series True Detective. By turns phantasmagoric, spectral, and demonic, this is a frighteningly good collection of stories. Filmmaker and longtime horror literature fan Guillermo del Toro serves as the curator for the Penguin Horror series, a new collection of classic tales and poems by masters of the genre. Included here are some of del Toro's favorites, from Mary Shelley's Frankenstein and Ray Russell's short story "Sardonicus," considered by Stephen King to be "perhaps the finest example of the modern Gothic ever written," to Shirley Jackson's The Haunting of Hill House and stories by Ray Bradbury, Joyce Carol Oates, Ted Klein, and Robert E. Howard. Featuring original cover art by Penguin Art Director Paul Buckley, these stunningly creepy deluxe hardcovers will be perfect additions to the shelves of horror, sci-fi, fantasy, and paranormal aficionados everywhere.

**Descendant of Blood** - M. Sinclair 2020-02-24

My father is a serial killer. No big deal. I promise. Me? Upset? No. Never. In fact, it would be really easy to pretend that the man never existed in the first place... if it wasn't for the bodies. What bodies? Only about 200 of them. Like I said. No big deal. What is even worse? He has had a dual purpose for killing them and it isn't just because he's a sadistic monster. No. It is far worse than that. And if all of this wasn't enough to deal with... I had eight men in my life. Yes. Eight. So how am I supposed to handle this? Who knows? Most likely it will end in blood and chaos. Wish me luck! Join Nova on her 9 book series adventure! Book 1 contains a very small cliff hanger that simply pushes the plot along. This Fantasy slow/medium burn RH contains several dark themes that readers should be aware of: swearing (I know surprising, right?), gore, violence, assault, PTSD, and sexual themes suitable for +18. Additionally, this book does have mature m/m themes that develop over time.

**Nightworld Academy** - L. J. Swallow 2019-04-14

Welcome to the Nightworld Academy, attended by vampires, shifters, and witches. A place filled with harmony and mutual respect between the supernatural races. Sometimes. I'm told my curse is a gift. A valuable one that could cost me my life. My visions of the future are weird, but my new school is weirder. All lessons take place in the evening and the majority of students are on an advanced program where they take extra classes late into the night. I enrolled at the academy because my last school expelled me for punching another student. Nobody believed that I knocked Tyler unconscious to stop somebody else dying. But why would they believe the crazy girl? I expected to meet other troubled teens here, but the pupils are predictable for an English boarding school. There's Ash, the rugby team captain and the academy's most popular guy. Then there's Andrei, the moody guy with a bad attitude who takes pleasure in annoying me. And Jamie who's studious and friendly but intense. I thought I had the academy figured out: the mean girl, the quirky friend, the nerd, the emo, and the jock. But on the evening I swear allegiance to my new school house, everything spins out of control and I realise I'm dealing with more. Much more. One of us will die, and I know who. Term One is the first in this new upper YA/NA series of magic academy books. The main characters are eighteen and older and this is a slow burn RH. As the series is set at a school in England, the books are written in British English. **Bloodwood Academy** - Rebecca Ethington 2021-08-20

It all started when I was doing some bare-back riding with my boyfriend, Tommy, atop a rock in Middle-of-Nowhere, Nevada. In walked this wolf like he's my mom on a meth trip, staring at us and growling like he's an over-protective husband. Worse, according to Tommy, I'm growling back. Next thing I know, Tommy is halfway across the desert and I'm at an elite academy for Witches, Shifters, Vampires, and Fae looking like I was plucked out of the local trailer park. Oh wait, I was. Bloodwood Academy for the Supernatural has only one rule: Don't mingle with students outside your race. So, of course, that just so happens to be the first thing I do. How can you say no to a Fae God with golden eyes, a moody Werewolf with pack issues, and a Vampire with magic fingers. My men are not only sending everything into a whirlwind, but now my life is in danger. It turns out that if I don't go back to my single wide, some jealous females are going to rip my throat out. I need to figure out why I'm connected to all of my mates, and why the headmaster has it out for me, before I find myself ten feet under.

**First Time's A Charm** - Laura Greenwood 2019-06-24

Now, the end of year exams are coming up, and I need to find a way to stop my magic going haywire all the time or I'm going to fail. At least matters of my heart are easy enough...for now. - First Time's A Charm is the first book in the Grimalkin Academy: Kittens series. It is slow burn paranormal reverse harem. First Time's A Charm is the first book in the Grimalkin Academy: Kittens series. It is a paranormal/fantasy academy full of witches, warlocks, and wizards. **Darkblood Academy** - G K DeRosa 2019-06-04

Welcome to Darkblood-oops, I mean Darkhen Academy. There are three rules to survive the elite supernatural school: 1. Do not talk or even look at The Seven, the uber-powerful supes that rule the academy. 2. Never go into the Fae forest on a full moon... or else. 3. And most definitely do not fall for one of the extremely hot and unattainable instructors. Too bad I've never really been a rule follower... A year ago the supernaturals came out of the closet on primetime TV, and about a minute ago I, Luna Hallows, found out I was one of them-well, a half-blood anyway. So here I am at Darkhen Academy, the only human and no magical abilities to speak of. The only reason I'm here is because of my father—a man I didn't even know existed until now. He's crazy powerful, and they think I could be too. But what could I possibly contribute to an exclusive squad of dragon shifters, fae, witches, and vampires? I guess we're about to find out because the merging of the supernatural and human realms isn't going as smoothly as planned. If word gets out that humans are no longer safe from the supes, our worlds will once again be closed off. It's up to us to stop that from happening. \*\*\*This is an upper YA/NA crossover with schmexy supernatural guys and is best suited for age 16 and over. Be warned, the steaminess factor does increase through the course of the series! \*\*\*Darkblood Academy is set within the world of Hitched but it's not necessary to read that series first to enjoy this one.

A few broodingly protective roommates and a scary fake boyfriend could help. Or make her life impossibly harder. Pretend to date the emotionally detached demon, they said. What's the worst that could happen, they said. It's make or break within this prison of a school. If she succeeds, she'll finally know what she's capable of, who she truly is, and where she came from. If she fails...she dies. This is Reverse Harem series containing M/M themes. *Elemental Fae Academy* - Lexi C. Foss 2019-08

My one piece of advice: Never kiss a stranger. See, I kind of kissed this sexy man at the bar on a dare once, and it turns out he's a Royal Fae destined to be my mate. Now I've been dragged to the Elemental Fae Academy to control the powers I unlocked that night. So kissing? Yeah, that won't happen again. Nope. Lesson learned. Except, I kind of kissed Titus, too. And well, now, I'm in a world of trouble. I keep burning things down, flooding dorms, and I've attracted the campus mean girl brigade. This Fae Realm is a nightmare come to life. Truly. But there are dreams here, too. Sexy ones. And they're in the form of five Elemental Fae mentors. They're supposed to help me control my powers, but who's going to keep the elements from controlling me? Note: This is a medium burn reverse harem paranormal romance, and book one of the Elemental Fae Academy trilogy.
