The Prentice Hall Reader

- George Miller 1997

A perfect guide for those interested in composition, this user-friendly reader offers an abundance of interesting and appealing essay examples, easily implemented classroom suggestions, and varied writing assignments. Presents 64 selections that demonstrate how writers organize and structure their essay using the four traditional modes of discourse -- narration, description, exposition, and argumentation. Features a wide range of essays -- from classic to contemporary selections, and including 23 new essays on current topics like electronic communication, e-mail, cyberspace, and the Internet -- all arranged in difficulty from fairly simple to somewhat complex. Provides prewriting and rewriting suggestions to emphasize the writing

process. Contains a chapter on how to write an essay, with advice on every stage of the writing process.

Examines how to gather and use information from electronic sources, including tips about keyword searches and web search engines. Now comes with its own web site.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Forming the building blocks you need for academic writing in any course. The Prentice Hall Reader helps you organize your writing around structural patterns and engage in these patterns by reading. These patterns help you organize your knowledge

to see different ways in which information can be conveyed. Most commonly used in academic writing, the structural patterns will guide you through skills such as narration, description, classification, comparison, explanation, analysis, definition, and argument across all subject matter you may encounter in a classroom. These skills will extend to your academic work across subjects. The 12th Edition expands on previous editions with 43 essays. This includes 26 new essays, 11 written by students, and 27 that employ examples of the organizational strategies emphasized throughout the book, used in academic and literary texts, and visuals. Readings are chosen based on how well they demonstrate a particular pattern of organization, appeal to an audience of first-year students, and promote interesting discussion and writing activities.
