2018-05-15

In Petra Postert and Jens

Rasmus's illustrated I Need All of It, a little boy recounts to his father the tales of how he received the three objects in his pocket and why he needs to keep them.

God is Beautiful - Navid Kermani 2015-02-16

The melodious recitation of the Quran is a fundamental aesthetic experience for Muslims, and the start of a compelling journey of ideas. In this important new book, the prominent German writer and Islamic scholar Navid Kermani

considers the manner in which the Quran has been perceived, apprehended and experienced by its recipients from the time of the Prophet to the present day. Drawing on a wide range of Muslim sources, from historians, theologians and philosophers to mystics and literary scholars, Kermani provides a close reading of the nature of this powerful text. He proceeds to analyze ancient and modern testimonies about the impact of Quranic language from a variety of angles. Although people have always reflected on the reception of texts, images and sounds that they find beautiful or moving, Kermani explains that Islam provides a particularly striking example of the close correlation, grounded in a common origin, between art and religion, revelation and poetry, and religious and aesthetic experience. This major new book will enhance the dialogue between Islam and the West and will appeal to students and scholars of Islam and comparative religion, as well as to a wider readership

interested in Islam and the Quran.

The Adventures of the Little Polar Bear - Hans de Beer
2018-02-06

Celebrate the Little Polar Bear's 30th anniversary in this collection of 10 favorite Little Polar Bear stories! From hippos to reindeer to whales and husky pups, Lars, the little polar bear is great at meeting new friends. This collection of heart-warming stories about everyone's favorite little polar bear will make its way into a new generation of children's hearts with this gift collection and amazing value. "Hans de Beer's "Little Polar Bear" . . . a witty, plaintive book my children adored when they were barely out of diapers."—Dwight Garner, *The New York Times* "This is an endearing picture book, with soft-colored illustrations that help give a very cold place a warm feel." —Children's Literature Reviews

My Daddy - Guido van
Genechten 2011-05-15
Illustrates John's favorite things
he does with his daddy,
including swinging from his
arm, riding on his back, and
listening to bedtime stories. On
board pages.

You and Me, Little Bear -
Martin Waddell 2005
Little Bear wants to play, but
Big Bear has things to do. So
they decide to do them
together. They fetch wood and
water and tidy the cave, but Big
Bear still has things to do, so
Little Bear has to go off and
play on his own. Finally Little
Bear's wish comes true and the
day has an idyllic ending.

Barbapapa's Voyage -

Annette Tison 2013

Meeting Barbapapa for the very first time is a magical moment - every child will adore this loyal, gentle, friendly creature, who can change into any shape and solve any problem for his family and friends. In this story, Barbapapa searches the world and beyond for a Barbamama to share his life.

Little Chick - Roger Priddy
2011-12

Meet Little Chick and her friends in this touch-and-feel book with funny rhymes and a fold-out surprise.

Pinocchio - Carlo Collodi 2006

A retelling of the adventures of Pinocchio, a mischievous wooden puppet, who wants more than anything else to become a real boy. Illustrated notes throughout the text explain the historical background of the story.

Rembrandt as Educator - Julius Langbehn 2017-11

First ever and fully annotated translation of Langbehn's subtle and detailed analysis of the North German character. Originally published in 1890, it

was a sensation in its day, all the more mysterious because of the anonymity of the author. It remains an important work for cultural historians of the period.

The Oxford Thesaurus -

Laurence Urdang 1997

First published in 1991, the very successful first edition of The Oxford Thesaurus has now sold over 126,000 copies. This new edition (NB new format), which for the first time includes antonyms in the main A-Z text, along with many additional new synonyms, broadens the book's appeal still further. The Oxford Thesaurus remains the most useful A-Z thesaurus available today, with more practical guidance for the user than any other competing title. Around 350,000 synonyms and antonyms, covering general English as well as thousands of regional and idiomatic words and expressions, are listed in A-Z form for ease of reference. Generous and detailed labelling shows how to use synonyms, and example sentences throughout make it even easier to select the correct synonym.

The most useful synonyms (ie those that are closest in meaning to the headword) are listed first - a more helpful arrangement than a simple alphabetical listing under the headword. If the word for which you seek an alternative is not to be found as a headword, you can simply turn to the synonym index which lists 265,000 synonyms and shows you under which headword each synonym is located. In addition, all synonyms which also have their own headword entry (at which further related words may be found) are indicated by a simple cross-reference symbol. On the first edition: 'handier than Roget both in being alphabetical and in offering example-sentences. The mot juste in just a mo.'

Prof. Sir Randolph Quirk, *The Observer*.

Prosadialoge - Hans Sachs
2012-06

Dieses Werk ist Teil der Buchreihe TREDITION CLASSICS. Der Verlag tredition aus Hamburg veröffentlicht in der Buchreihe TREDITION CLASSICS Werke aus mehr als

[The Hunger Pastor \(German Classics\)](#) - Wilhelm Raabe
2015-01-07

Wilhelm Raabe's novel entitled *Der Hungerpastor* (1864) is a classic example of the so-called "poetic realism" to which many - primarily bourgeois - German writers were devoted between 1850 and 1890. --- Wilhelm Raabe (1831 - 1910) became famous following the publication of his first novel, *Die Chronik der Sperlingsgasse* (*The Sparrow Lane Chronicle*), in 1856. His late works are known for their social criticism, while earlier novels, such as

The Hunger Pastor, were intended to be primarily educational. --- With the figure of Hans Unwirrsch in The Hunger Pastor, Raabe completely lives up to his motto - "Look up to the stars. Pay attention to the streets." The budding pastor, who was born into poverty, "hungers" for knowledge and a respected place in society, but he constantly stumbles over obstacles that his own life, as well as the lives of his family and friends, place before him. -- - Raabe's rambling style makes his works difficult reading for many contemporary readers. In this version of The Hunger Pastor, several chapters have therefore been summarized by the translator, while the most important ones are published in their original length. --- Despite some anti-Semitic elements, which were commonly found in the works of some 19th century bourgeois writers in Germany, The Hunger Pastor is and remains a German literature classic.

Waarenlexikon der chemischen Industrie und der Pharmacie -

G. Weidinger 1869

The Odin Field - Wilhelm Raabe 2001

The Odin Field deals with a major period of German history: it reveals much about German customs, manners, and outlook during the eighteenth century, and yet it also deals with timeless ethical issues in a subtle and convincing manner. The work has never previously been translated into English. A detailed introduction and a generous number of notes provide context and background for the contemporary reader."--BOOK JACKET.

In the Congo - Urs Widmer 2021-04-24

Kuno, a male nurse in a Swiss retirement home, has a new inmate: his father. In the confines of their new home, the pair does something surprising--they finally begin to talk. Kuno had always regarded his father as a boring man without a history or a destiny, until they are thrust together and he learns that his father risked his life in the war. Stunned, Kuno

embarks on a journey into his own psyche, taking him to the depths of the Congo. Here, longings awaken and dreams come true--rays of light in the darkness, meetings with kings, seductive women, and the songs of the jungle. This alluring far-away place he once regarded as the heart of darkness suddenly becomes an exciting locale of lunacy, wildness, and tests of inner strength. In Urs Widmer's characteristic style, *In the Congo* is a riveting yarn, threading through not only the relationship between a father and son, but that of Africa and Europe. Translated by Donal McLaughlin, this novel will delight Widmer fans the world over and will turn our notions of colonialism on their heads.

[Valerie and the Good-Night Swing](#) - Mira Lobe 1982

Unwilling to go to bed, Valerie journeys to far-away fantasy lands aboard her magic swing, until she becomes tired and falls asleep.

The Child-study Monthly - 1900

An Introduction to the

Ancient World - Lukas de Blois
2008-10-24

Integrating the results of scholarly work from the past decade, the authors of *An Introduction to the Ancient World*, Lukas de Blois and R.J. van der Spek, have fully-updated and revised all sixteen chapters of this best-selling introductory textbook. Covering the history and culture of the ancient Near East, Greece and Rome within the framework of a short narrative history of events, this book offers an easily readable, integrated overview for students of history, classics, archaeology and philosophy, whether at college, at undergraduate level or among the wider reading public. This revised second edition offers a new section on early Christianity and more specific information on the religions, economies, and societies of the ancient Near East. There is extended coverage of Greek, Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic. The

consequences of Julius Caesar's violent death are covered in more detail, as are the history and society of Imperial Rome. This new edition is: comprehensive: covers 3,000 years of ancient history and provides the basis for a typical one-semester course lavishly illustrated: contains maps, line drawings and plates to support and supplement the text, with updated captions clearly and concisely written: two established and respected university teachers with thirty years' experience in the subject areas well-organized: traces the broad outline of political history but also concentrates on particular topics user-friendly: includes chapter menus, an extensive and expanded bibliography organized by subject area and three appendices, an improved introduction and the addition of an epilogue.

Mars in Aries - Alexander Lernet-Holenia 2003
Although this story of a romance between an aristocratic Wehrmacht officer and a mysterious woman in

Vienna set against the 1939 invasion of Poland was deemed unacceptable fare for Third Reich readership due to its ambiguity, lack of heroic military images, and the sympathetic portrayal of a suffering Poland, the novel's actual purpose and highly subversive quality were hardly suspected by the Ministry of Propaganda."--Jacket.

Die Deutsche Sprache: Kurzer Abriss Der Geschichte Unserer Muttersprache Von Den Ältesten Zeiten Bis - S. Feist
2022-10-27

Mrs. Bligh - Rhoda Broughton
1892

The Sultantepe Tablets - Oliver Robert Gurney 1957

Pastoral Medicine - Carl Capellmann 1879

Daddy Long Legs - Nadine Brun-Cosme 2018-05
Children's Book of the Week in The Sunday Times, The Times and The Observer
The car had trouble starting this morning. It gets Matty to nursery, but what

if later it won't start at all . . .
how will Dad pick him up?
Matty is very worried. But Dad soon puts Matty's fears to rest with a series of increasingly imaginative suggestions for alternative modes of transport - from a tractor to a dragon, a polar bear to a rowing boat. But, if all else fails, he'll come on foot . . . because to come and pick up Matty, Dad's legs will never be too tired. Daddy Long Legs is a joyous book with bright, fresh and funny artwork from uniquely talented French illustrator Aurélie Guillerey, full of retro charm. With its warm, reassuring feel and the adorably drawn relationship between a father and his child, Nadine Brun-Cosme's adorable story makes the perfect book for Father's Day and beyond. *The Nazi Officer's Wife* - Edith Hahn Beer 2012-01-31
#1 New York Times Bestseller
Edith Hahn was an outspoken young woman in Vienna when the Gestapo forced her into a ghetto and then into a slave labor camp. When she returned home months later, she knew she would become a hunted

woman and went underground. With the help of a Christian friend, she emerged in Munich as Grete Denner. There she met Werner Vetter, a Nazi Party member who fell in love with her. Despite Edith's protests and even her eventual confession that she was Jewish, he married her and kept her identity a secret. In wrenching detail, Edith recalls a life of constant, almost paralyzing fear. She tells how German officials casually questioned the lineage of her parents; how during childbirth she refused all painkillers, afraid that in an altered state of mind she might reveal something of her past; and how, after her husband was captured by the Soviets, she was bombed out of her house and had to hide while drunken Russian soldiers raped women on the street. Despite the risk it posed to her life, Edith created a remarkable record of survival. She saved every document, as well as photographs she took inside labor camps. Now part of the permanent collection at the Holocaust Memorial Museum in Washington, D.C., these

hundreds of documents, several of which are included in this volume, form the fabric of a gripping new chapter in the history of the

Holocaust—complex, troubling, and ultimately triumphant.

Farewell, Grandpa Elephant -

Isabel Abedi 2012-05-15

When Grandpa Elephant tells his grandchildren that he is going to the elephant graveyard to die, the children have many questions for him about death and what comes next.
